Selene Emperyous: And so do we, this is Candace Phoenix, Goddess of The Fire Type Pokemon and Avatar of The Elemental HEROES of Fire, she's Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of fire and fire magic, and she also has fire angel wings. She's an extremely and very powerful master of Pyrokinesis, and she also has the power to create monsters of fire. She's also the strongest Fire Type Pokemon Trainer, and she owns a gym in the Kanto Region where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would beat the shit out of them, for the males: she did a lot worse, she brutally squeezed their family jewels and ruptured their reproductive systems, and for the females, she smashes her fists into their stomachs and destroys their system ruining their chances of having children ever, and they named her The Goddess of The Fire Type Pokemon because her partners are Fire Type Pokemon, and she also has the Fire Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that sore loser, Rex Raptor, and because of Lincoln's intelligence gathering along with his past duels with that sore loser, he exposed Rex Raptor for trying to cheat, and as a result, Rex Raptor was banned for life from any future Duel Tournaments. She trained Lincoln really hard in the powers of fire and he even went to her gym and he really worked out hard there. Lincoln made her a fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips underneath a full moon, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lori with a blazing passion because of all the attempts she's made to kill him, and it got Candace so pissed off, she brutally smashed and pulverized Lori hard into the ground, and she sent her to the hospital and she was in a full body cast for a whole year.

Nico: Just like what we were told yesterday.

May: And everything you guys heard is indeed true, she's someone no one would dare to mess with.

Candace Phoenix: That's correct, and I heard Team Rocket finally paid the price for their misdeeds.

Lincoln: That's right, with the exception of Jessie, James, and Meowth getting canned before the battle against Team Rocket and have since joined us.

Candace Phoenix: Serves Giovanni right.

Lincoln: You said it, and now that you're here, Candace.

Lincoln leaned his head down the right side of Candace Phoenix's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Candace Phoenix: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Candace Phoenix with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Candace Phoenix: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Candace Phoenix.

Candace Phoenix had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Candace Phoenix's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Candace Phoenix had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Gina Diggers from the Gold Diggers comic series and Alicia Infansu, Ema Geradiusu, Koyuki Amagase, Mylene Savis, Nina Jeminisu, Rena Jiminisu, Sarah Finis Victoria, and Yuka Kujou from Magus Tale ~Sekaiju to Koisuru Mahoutsukai~.

Lincoln: Oh wow, it's Gina Diggers from the Gold Diggers comic series and Alicia Infansu, Ema Geradiusu, Koyuki Amagase, Mylene Savis, Nina Jeminisu, Rena Jiminisu, Sarah Finis Victoria, and Yuka Kujou from Magus Tale ~Sekaiju to Koisuru Mahoutsukai~.

Nicole: So, those were the girls that were located here, Candace got them away from Mr. Hyde or they would've been next.

Lincoln: You said it. Are you girls okay?

Gina Diggers: Yes, we're okay thanks to you.

Then, when Gina Diggers and the other eight girls saw who it was that saved them from Mr. Hyde, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front Gina Diggers: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Gina Diggers: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gina Diggers, Alicia Infansu, Ema Geradiusu, Koyuki Amagase, Mylene Savis, Nina Jeminisu, Rena Jiminisu, Sarah Finis Victoria, and Yuka Kujou with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was one of Van Helsing's old enemies, Mr. Hyde.

But, when Lincoln showed what we all did in beating him down and Van Wile shooting him in the head killing him and sending him to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Candace Phoenix have a lot of catching up to do, now that she's back in town.

Maria: Whoa. So, you guys took down Mr. Hyde, the serial killer whom Van Helsing dealt with.

Lincoln: Mr. Hyde escaped before, but this time, we made sure that he died here and now.

Nico: But, we made sure he died, and we also met the toons from Looney Tunes: World of Mayhem.

Me: And while the hero toons join the team, the villain and outlaw toons join The Masters of Evil.

And if that wasn't huge news, we also found out that the world of Looney Tunes: World of Mayhem has now merged with Gotham Royal York.

---

After Lincoln and all of us beat down and killed Mr. Hyde, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Candace Phoenix saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Candace Phoenix: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Candace, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Candace Phoenix: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Candace Phoenix: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Huckleberry Hound: So, from what we've seen on the races taking place on the planets that Ben's aliens are from, we've been running into some of Ben's old enemies from the past.

Me: That's right, Huck.

Nico: However, we might expect a different villain to show up on today's race. We can't always be dealing with the same group of villains.

Eli: Whoever it is, we'll be ready for them.

Aylene: Same here, but I can't help but get the feeling it's from a long ago incident for me.

Lincoln: I was about to say the same thing. Plus, I've also made clones of Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and all the other jerks for our humiliation sessions.

Max Goof: Which means the other jerks are getting The Black Abyss. Well, looks like Brad is finally getting eternal damnation after everything he's done, he has no remorse for any of his crimes. I should've killed him when he got caught peeping at Bulla and her sister, Bella.

Trunks: But you didn't, Max. You have more humanity and standards than a slimebag like him.

Goten: And I already can tell it's going to be a curse Lincoln came up with, and he and Brittney are going to cast it on them.

Eli: (GULPS) I've got a feeling that this curse is even darker than the curse they put RD Sebastian on.

Nico: You know something, you're right, Eli, and I've got a feeling we're gonna have more than just ice running down our spines when they sing Luna's Future and cast the spell.

Me: This should be a good one.

Nicole: Lincoln and Brittney have made time and have been busy with creating those special kinds of curses. I knew Brittney's skills with dark magic curses, and she's passed it down to Lincoln and since his Guardian Angels who specialize in the powers of darkness, dark magic, black magic, and Satanic Magic have also been training him in the powers of darkness, dark magic, black magic, and Satanic Magic, he's been greatly expanding his vast supply of magic spells and curses.

Shanan: And many of us have been getting chills and ice running down our spines when Lincoln sings Luna's Future, but when he and Brittney do a duet, that's basically meaning The Gates of Hell have been opened!

THE TOONS DID WILD TAKES AND FLEW UP TO THE CEILING AND WERE HOLDING ONTO IT WITH CLAWS!

Nicholette Torrington: Shanan.

Shanan: Oops.

The toons got back down.

We got a shower, and then, Lincoln, Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia are heading to Lake Lamode.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Yoshino: Wow, so this is Lake Lamode. It sure is beautiful.

Lincoln: It sure is, Yoshino, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and

Simulator Live Action Chromia dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia are in your harem, Linky.

Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Alex Wesker, Silver Banshee (My Adventures with Superman), Annette, Odette, Abigail, Beatriz, Navy, Yoshino, Shizuka, Universe 666 Sareena, Melvin, Simulator G1 Chromia, and Simulator Live Action Chromia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another Super Mario Odyssey adventure.

Nico: Next is Lost Kingdom Round 3.

Me: SWEET!

Nick: Me and Right will go with.

Nico: Okay.

They went in and it activated and they were at Lost Kingdom for round 3!

Nico: Here we are!

Nicole: And you guys are gonna be in for a surprise on top.

Nico: What is it?

Nicole: You'll see.

Right: I wonder who it's gonna be

Nico: Lets go.

They went up to the top and saw that it was a bunch of Nuns!? What the?

Nico: A bunch of Nuns?

Right: You have got to be kidding me.

But then they jumped and unsheathed swords and weapons and one threw a star and it cut Nico's face.

Nico: WHOA! NINJA NUNS!?

Nicole: Yep. Deadpool said they were one of Freakazoid's unused enemies that was never shown

Nico: Wow!

Nicole: Except they were called the Nunjas.

Nico: Nunjas. I like that.

Nick: Their looks fooled us!

Nico: They sure did.

Right: Yeah.

Nico: That's not gonna happen again!

Nick: YEAH!

?: I AGREE! (ECHOING) CHICKEN RED EYES!

A red energy blast made the Nunjas jump back as it turned the ground they were on to stone.

Akatorimon and a girl with purple hair and purple eyes and red clothes and purple angel wings and a tiara with the symbol of Boomer Kuwagata on it came.

Nico: Akatorimon!?

Agatha Kuwagata: And Agatha Kuwagata, Embodiment of Boomer Kuwagata.

Shane: Wow! Agatha!

Tyler: Awesome to see you again.

Agatha Kuwagata: Shane and Tyler. Been a while.

Akatorimon: (In a girls voice) And same with you Nico.

Nico: Kairi Akatori!? Whoa!

Nick: We can catch up later. Lets get them!

They went at the Nunjas!

Nico: HIYAH!

SMASH!

They smashed them down.

Nico: (gets out Lefou and Phantom of the Bwahpra's Ridewatches) Time for some wacky and drunk antics!

Nico activated them and fired beer bottles and smashed the Nunjas all over!

Agatha Kuwagata used her speed and bashed them all over.

Nick and Tyler fired energy blasts and blasted the Nunjas all over.

Conner: SUPER DINO MODE!

He went SUPER TYRANNO!

ROAR!

Nico: Yeah!

Akatorimon reverted back and was a girl with red hair, red clothes, red eyes and had red fire angel wings and had a chicken leg club in her hand and Akatorimon in the middle of her forehead and on her skirt.

Kairi Akatori: This will be awesome!

She bashed the Nunjas with the club and they were down and the Nunjas surrendered. They got more power moons!

Nico: Awesome!

They high five!

Nico: How did you meet Conner and Tyler?

Agatha Kuwagata: I met Connor when he and the Dino Charge Rangers were battling Zeltrax. Me and Tommy battled him on his ship and massively overwhelmed him and blew the ship up and took

Zeltrax with it.

Me: WHOA! I remember that! That ship REALLY exploded.

Nico: Yeah! That was epic! Tommy felt bad he had to kill his friend that day.

Agatha Kuwagata: I know. And I met Tyler when he and the Rangers battled Doomwing and we overwhelmed him and blasted him.

Tyler: That was REALLY awesome.

Nico: WOW! Those two never even knew what hit them.

Nick: No they sure didn't.

Right: I know. Kairi what's your favorite memory of Nico?

Kairi Akatori: Mine was when me and Nico were at my family's chicken farm and I showed Nico a way to get my chickens to lay egg piles as big as mountains. I used an illusion of a Frank Sinatra and Bing Crosby Chicken and they would SWOON the chickens and make LOTS OF EGGS!

Nico: Yep.

Me: I remember seeing that gag. That was awesome and funny.

Nico: Yep.

Nico hugged Kairi.

Nico: I've missed you Kairi.

Kairi Akatori: Me too Nico.

Nico: Would you two like to join us?

Agatha Kuwagata: We would be honored.

They left the simulator and we cheered wildly.

---

Later we were taking Kalin and Tigerlily to a special spot. We had them blindfolded.

Callie Dante: You'll like where you're going.

Tigerlily: I can't wait.

Me: It's gonna be fun.

Kalin: Yep.

We arrived at the Iceberg Lounge.

Me: We're here.

We took off their blindfolds.

Tigerlily: The Iceberg Lounge! Cool!

Kalin: Awesome!

They saw each other!

Kalin: Tigerlily!?

Tigerlily: Kalin!?

Both: YOU'RE MY DATE!?

Poromon: SURPRISE!

Sailor Mars: You 4 should start running.

Poromon: Later!

ZOOM ZOOM ZOOM ZOOM!

They ran fast!

Kalin: It's perfect for our date.

Tigerlily: Yeah.

Kalin and Tigerlily had an amazing meal and they also had an awesome dance there too.

It was so adorable.

Nico: Aww. So adorable.

Eli: Yeah.

Energon Scorponok: Well? What do you think?

Kalin: We had an awesome time!

Tigerlily: I agree! That was fun!

Nico: We're glad.

Kalin: (Sinister smirk) Lets go give the mascots their just rewards.

Me: Yep.

---

The mascots were hiding out on Planet Vulpin.

Poromon: They will never find us here on Vulpin.

Poliwag: Yeah!

---

Back on Earth we were looking.

Eli: Not here on Earth. They are on Vulpin!

Me: Wildmutt's home planet!? Wow!

---

Poromon: I'll take first watch

Poliwag: Okay.

Manaphy: WHEW! Smells like Ed's feet here.

Horsea: Yeah.

Poliwag: Good thing Wildmutt has no nose

But then he felt breathing and saw Wildmutt!

He roared!

We were with him!

Nico: Thought you could get away?

We jumped them and tickled them..

Poromon: WE WERE PLANNING MORE AFTER THIS!

Nico: Well nice try then.

They laughed hysterically!

Me: Say it!

Fortress Maximus: Say uncle!

Mascots: UNCLE!

We stopped.

Kalin: We had fun though.

Tigerlily: We sure did

Gravity Man: This chase didn't last very long

Me: Nope it sure didn't.

Qin: Yeah.

We went back home.

We were busy watching TV, and many of us were doing work-outs

to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Humongosaur and Astrodactyl's home planet, Terradino.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Humongosaur and Astrodactyl's home planet, Terradino.

Nico: Nice. Let's get our cars ready!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Petrie's uncle, Pterano, and his minions, Rinkus and Sierra, and they want revenge on us for stopping them for kidnapping Ducky. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and Aylene, these are three villains you're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than Petrie's uncle, Pterano, and his minions, Rinkus and Sierra, and they want revenge on us for stopping them for kidnapping Ducky.

Aylene gasped.

Aylene: WHAT?! Those good-for-nothing… !

Nico: Whoa, what's got Aylene that fired up?!

Lincoln: Aylene has a deep seething hatred towards Petrie's uncle, Pterano, and his minions, Rinkus, and Sierra. They kidnapped Ducky and tried to kill Ducky.

Nico: Oh boy.

Me: We saved Ducky and pulverized Pterano, Rinkus, and Sierra years ago during the early days of the team. But, it looks like they've come back for revenge.

Lincoln: So, we got to take them down and send them to Vypra, she'll take care of them.

Aylene: But not before I beat those jerks into the ground.

Camie: YEAH! But who is Pterano, Rinkus and Sierra?

Aylene: Oh Pterano is Petrie's uncle, his mother's brother. And Sierra and Rinkus are his lackeys.

She went over their history.

Pterano is a major antagonist in The Land Before Time franchise. He serves as the unseen overarching antagonist of Don Bluth's third animated feature The Land Before Time, the anti-heroic central antagonist in The Land Before Time VII: The Stone of Cold Fire, and a mentioned character in the TV series. He is the renegade uncle of Petrie and his siblings, and the former leader and boss of Rinkus and Sierra.

He was voiced by Michael York, who also played Tybalt in Romeo and Juliet (1968), Count Vertigo in Batman: The Animated Series, Kanto in Superman: The Animated Series, Ares in Justice League Unlimited, and Bernard Fremont in Law & Order: Criminal Intent.

During the events of the first film, Pterano tried to lead a group of dinosaurs to the Great Valley but ended up leading them to a group of Deinonychus who attacked the group killing them all except Pterano who survived having escaped while the other dinosaurs fought on. He was then exiled from the herd as punishment for abandoning his followers though he insisted that the massacre was not his fault.

After reuniting with his sister in the Great Valley many years later, Pterano and his henchmen, Rinkus and Sierra, began searching for the Stone of Cold Fire, a comet he thought would grant him magical and overwhelming powers. Pterano's primary motive for gaining the stone's power was in the hopes of creating a verbrant paradise for the great valley's residents as redemption for his past actions. Because Ducky had been eavesdropping on their plans and because they saw her as a useful object in their mission the trio kidnapped her during the night and carried her off to the Mysterious Beyond. Littlefoot and his friends followed them to save Ducky. While Pterano began to gradually realize the mistakes he failed in his mission when it was found out that the stone did not contain any magic powers and ended up putting Petrie and the others in danger.

However, he ended up saving them all at the end. He was once again banished by Grandpa Longneck and the other adults to the Mysterious Beyond for a reduced period of five cold times. Pterano appears to truly change his ways having accepted his responsibility for his actions and hoping to make up for them when he returns to the herd. Pterano has not been seen after he appeared in the 7th film but in The Land Before Time X: The Great Longneck Migration, a lone pterosaur resembling Pterano is seen when Littlefoot and his grandparents leave the valley.

Rinkus and Sierra are the main antagonists in The Land Before Time VII: The Stone of Cold Fire, the seventh installment in The Land Before Time franchise. Rinkus is a Rhamphorhynchus and Sierra is a Cearadactylus.

Rinkus is voiced by Rob Paulsen, who also voiced Strut from The Land Before Time II: The Great Valley Adventure and Broccoli Overlord from The High Fructose Adventures of Annoying Orange. Sierra is voiced by Jim Cummings, who also voiced Steele from Balto, the Bears from Sing, Nessus from Hercules, Dennis from Tarzan, Ed from The Lion King and Pete from Disney's Mickey Mouse cartoons.

Rinkus and Sierra are Pterano's henchmen, but they are much more wicked than Pterano, and are often referred to as devil-like.

Together they set out to find the Stone of Cold Fire so they could use its power to rule the world.

They took Ducky away with them, and chased after her as she tried to escape due to a distraction by Rinkus standing on the edge of a cliff and falling.

She fell through the floor and was thought to be dead, but in violation of Pterano's orders, Sierra took her again when he found out she survived. She bit him, however, causing him to drop her. When Pterano tried to stop them from chasing after Littlefoot and his friends, they grabbed him and forced him to go with them, but they crashed into a rock wall.

Pterano reminded Rinkus and Sierra that he was the leader, but due to a thunderstorm they were forced to camp in a hollow cave-like area on the mountain side. Sierra expressed a desire to feed the kids to sharpteeth, to which Pterano decided to ditch them. Sierra wanted to kill him for this, but Rinkus convinced him to instead let him lead them to the stone. They tricked Pterano into thinking that they were on his side until he tried to take the stone's power and found it to be an ordinary rock. Rinkus and Sierra threw Pterano to the ground and hit the stone with rocks, demanding to see its power. At that moment, the volcano that the stone was on began to erupt. Everyone escaped except Rinkus and Sierra, who were still attacking the stone, until the stone exploded, sending them flying through the air where they landed in the same area they had previously camped in, severely burned. It is believed by many that this killed them, but at one point the film makers considered putting Sierra in a sequel, so their final fate is currently up for debate.

---

When she was done we were shocked!

Qin: Geez!

Nico: It's actually very fitting.

Me: It sure is.

Aylene C.: We battled Pterano, Rinkus and Sierra a while back before you joined us Nico and that was awesome. We found out that the Stone of Cold Fire is made of the Same kind of material as the Time Stone that I have.

Nico: WOW! That is amazing! I'll have to see this to believe it.

Varie: It was a meteor that crashed right on top of a volcano named Threehorn Peak.

Me: It's called that because it's shaped like the head of a Triceratops.

Nico: Wow! Very interesting.

Cera: Boy it was.

Fu: You guys will be in for a surprise when we see it.

Me: We'll bring the Stone to us later on.

Nico: Good idea. Lets get ready for the race on Terradino.

Me: Okay.

The previous group came.

Titanium Man: (Russian Accent) Can me, Beetle, Cad Bane, Boomerang, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster go with you guys?

Nico: You all sure can. We're going to Humongousaur's home planet this time.

Beetle: Ooh! This will be fun!

Lola: Yeah!

Cad Bane: How was your date Kalin?

Kalin: It was really fun!

Me: It sure was. We went to the Iceberg Lounge.

Tigerlily: It sure was fun.

Me: Yep.

Petrie's mom: Don't worry guys. My brother may be many bad things but he is an honorable guy. He even helped save J.D. and everyone

back then.

Nico: At least he does have a sense of honor.

Qin: Yeah.

Fu: That's for sure. So all three of them will go into the M.O.E.

Xenia: Yep.

Nico: I just can't believe he was like that while everyone was separated during that time.

Me: We had no idea it happened during that timeframe. But we were shocked to hear about it.

Aylene C.: Yeah we sure were.

Lincoln: That was awful.

Laney: No kidding.

Nico: That was also where you met the Rainbow Faces the first time wasn't it?

Me: Yep and how we found out that they were not from Earth and also we told them how we know many of the universe's secrets.

Laney: That was cool.

Nico: Wow!

Jewel Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Avalanche Yeti next.

Me: Ooh! Cold.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie

mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Genma Himuro, the leader of the Eight Devils of Kimon and main antagonist of Ninja Scroll, and he's coming here to kill us to slake his thirst for blood. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Genma Himuro, leader of the Eight Devils of Kimon, and he's coming here to kill us to slake his thirst for blood.

Nicole: Oh boy. I should've known that asshole would be coming.

Electra Tempest: Yes, but this is also a perfect opportunity for us to get rid of him.

Lincoln: Right, Electra. But, we got to watch it with him, he's immortal and he has the ability to regenerate from any fatal wound he gets.

Nico: If we're dealing with someone like that, you guys better be careful with him. Alright, gang, let's go, we're heading off to another race, this time, it's on Humongosaur and Astrodactyl's home planet, Terradino.

Lincoln: And we're going to take down Pterano, Rinkus, and Sierra, and hand them over to Vypra, and once we get done with them, you're next, Gemma Himuro.

Electra Tempest: I'm not letting a bastard like you get away with this, your punishment is coming, Gemma Himuro.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Terradino for an awesome race and we're also going to battle Pterano, Rinkus, and Sierra, and hand them over to Vypra, and once we get done with them, Lincoln and Electra Tempest along with me are going to destroy Gemma Himuro.

With that we were off to the planet Terradino.

---

We arrived on Terradino.

Nico: Welcome to Terradino.

We saw that it was a jungle planet and it was home to lots of ruins and more.

Camie: So this is the planet Terradino!

Me: Yep. Home of the Vaxasaurians. It sure is amazing.

Lola: Yeah.

Qin: It sure is beautiful.

Lola: Wow!

Jinx: It has a lot of walls for Polymorphs like Goop to jump on

Edith Norris: Perfect for me to use.

Lola: Yeah.

Camie: Boy this is amazing that this world is this awesome.

Nicole: It sure is.

I looked over the route of the race on Terradino and saw that it went through a massively dense part of the jungle and the finish line was in a huge grove of trees and the grove was covered by the trees.

Me: Very cool.

Multiple Man: I'll make some clones to help with the cars

Nico: Okay.

He did so and it was cool.

Qin: Boy I hope someday we go to the planets of the aliens for treasure hunts.

Nicole: That's a good idea Qin.

Xenia: Yeah.

Drill Man: They can be on rescues.

Me: Good idea.

Qin: Yeah.

Blizzard: This planet clearly is perfect for dinosaurs

Nico: It sure is. Same environmental conditions, same landscape, same kinds of features perfect for them.

Fu: Like the Hidden Waterfall is.

Nico: It's totally secluded.

Nicole: Yeah!

Nico: There they are!

We saw our targets! PTERANO, SIERRA AND RINKUS!

Me: Targets sighted!

Aylene C.: Lets get them!

Ravage: ENTRANCE TIME!

We got ready and went at them.

Pterano: They should be here.

But then the spirits of dinosaurs appeared and swirled around them and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off in front of them and then a phoenix cry was heard and then we came out and ready for action!

Me: Here we are!

They flew and landed.

Aylene C: Pterano, Rinkus and Sierra, long time no see.

Cloud: Boy that was so awesome!

Beetlemon: Sora and friends were really disappointed that they didn't have first crack at him before Xaldin. But Sora said that Xaldin put up a much more deadlier fight with them.

We went at Pterano and his minions and bashed and smashed and pulverized them.

Aylene: Don't you dare think I'm letting you three get out of this alive! You've got a lot to answer for, Pterano, you and your minions!

Suddenly, Aylene's aqua blue eyes turned neon aqua blue and she was surrounded by a green energy aura with stars, arrows, leaves, plants, dinosaurs, phoenixes, and angels, and as she approached Pterano, Rinkus, and Sierra, she left green energy, stars, arrows, leaves, plants, dinosaurs, phoenixes, and angels with every step.

Aylene: Even after we kicked your scaly tails in and drove you three away, you and your minions decide to come back for more! You make me sick as always, Pterano, you and your stupid minions are going to pay for what you did kidnapping Ducky years ago to get to the Stone of Cold Fire, and it's going to hurt!

Suddenly, Aylene was surrounded by a massive vortex of green energy with stars, arrows, leaves, and plants surrounding the vortex, there are dinosaurs, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Pterano, Rinkus, and Sierra: the red eyes of judgement.

Nico: Uh oh, judgement is coming!

Me: Prehistoric judgement, this isn't going to end well for them.

Lincoln: You said it, but those three had it coming for what they did kidnapping Ducky years ago.

Then, as the vortex faded, Aylene emerged, but she was changed forever.

Aylene grew from 6'0" to 8'3" in height, she now has large gold metal braces on her biceps and thighs, and she now has twelve large green planets orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon aqua blue eyes and a green energy aura with stars, arrows, leaves, plants, dinosaurs, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a leaf with a dinosaur in it emblazoned on her forehead and Third Eye with green iris, she has on dinosaur earrings with green gems for eyes and holding the Star, Leaf, Nature, and Eternity Kanjis in their legs, she has on her Crystal Necklace of The Buddha with green gems embedded in the gold leaf links and green crystal links and a green dinosaur-shaped Element of Harmony and in the bottom of the element of harmony is a dinosaur with green gems for eyes and holding the Star, Leaf, Nature, and Eternity Kanjis in their legs for the pendant and she has on a white and gold accented choker on her neck. Aylene has on a green sleeveless shirt, grey short pants, sneakers, and long white sleeveless trenchcoat with stars, arrows, leaves, plants, dinosaurs, phoenixes, and angels on the coattails, and on the back is a leaf with Littlefoot's silhouette in it and it's surrounded by leaves and plants and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding green gem with neon glowing green lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in along with her quiver. Suddenly, Aylene felt a sharp pain on her back, and then, her massive brown angel wings with green tips on the large brown feathers grew much larger for her new body and medium sized brown angel wings with green tips grew and sprouted out underneath her massive brown angel wings, Aylene has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and fingerless gloves with gold-plated armored claws on her fingers and smaller planets orbiting around her fingers.

Suddenly, Aylene's massive greatsword and all the greatswords and swords that she'd gotten began to merge together, and they're surrounded by a kaleidoscope of green energy, stars, arrows, leaves, plants, dinosaurs, phoenixes, and angels, and when it emerged, it was transformed into Aylene Carter's Cosmic Eternal Triassic Dinosaur Great Valley Protector Phoenix God Angel Greatsword of Cosmic Eternal Triassic Dinosaur Great Valley Protector Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded green gems and the silhouettes of Littlefoot and his friends etched on the 7'9" massive, wide, double-edged gold blade, large gold dinosaur heads with green gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads with The Elements of Harmony surrounding the angel faces and the

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Electra is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting bruised more than once for his misdeeds.

Then, as the vortex faded, Electra Tempest emerged, but she was changed forever.

Electra Tempest grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large purple planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long neon purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a purple energy aura with stars, lightning, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a lightning fairy with a lightning bolt in her hands emblazoned on her forehead with purple iris, she has on fairy earrings with purple gems for eyes and holding the Star, Magic, Thunder, and Eternity Kanjis in her hands, she also has a lightning fairy with purple gems for eyes and holding the Star, Magic, Thunder, and Eternity Kanjis in her hands for the second pendant on the bottom of her purple fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Electra Tempest has on a sleeveless neon purple crop top, neon purple skirt, neon purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, lightning, magic, fairies, phoenixes, and angels on the coattails, and on the back is a lightning fairy, a phoenix, and angel and surrounded by lightning and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a purple gem with neon glowing purple lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Electra Tempest felt a sharp pain on her back, and then, her massive purple and black butterfly wings with purple tips grew much larger for her new body and medium sized purple and black butterfly wings with purple tips grew and sprouted out underneath her massive purple and black butterfly wings with blue tips and she also now has eleven massive and long purple wolf tails with neon purple tips and neon purple markings, Electra Tempest has on her Ring of the Phoenix with large neon purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Electra Tempest's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, lightning, magic, fairies, phoenixes, and angels, and when it emerged, it was transformed into Electra Tempest's Cosmic Eternal Electric Storm Magic Lightning Fairy Queen Phoenix God Angel Greatsword of Cosmic Eternal Electric Storm Magic Lightning Fairy Queen Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded neon purple gems and lightning fairy and runes etched on the 7'9" massive, wide, double-edged purple blade, large purple phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple phoenix heads with neon purple gems for eyes and on the bottom of the large purple phoenix heads is a large purple phoenix head with neon purple gems for eyes and neon purple gem in its mouth for the pommel, Electra Tempest has on her brand-new large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold fairy head with neon purple gems for eyes and purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji with lightning bolts in between the kanji below the lightning fairy, phoenix, and angel that said, "Electra Tempest, Queen of The Lightning Fairies of Lightning Storm Cove, Despiser of The Deranged Fairy-Obsessed Serial Killer Randall Williams, Master of Lighting and Lightning Magic, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan, Archenemy of January Birthstone, Garnet Phantom Elmandy, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, True Immortal Hero, and Master of Lightning, Lightning Magic, Fairies, Phoenixes, Angels, and Lightning Fairies"

We were amazed by Electra Tempest's Super Angel-Lightning Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Genma Himuro saw it, he threw daggers at her to kill her, but Electra Tempest fired a massive barrage of purple energy, stars, lightning, magic, fairies, phoenixes, and angels which hit Genma Himuro and sent him flying into another wall, he got back up, but now, he was angered.

Me: No way, did Electra just transform?

Lincoln: She did, now, we can tear Genma Himuro apart and make him pay for everything.

Electra Tempest: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Electric Storm Magic Lightning Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Harmony Electric Storm Magic Lightning Fairy Queen Phoenix God Angel Love) You said it, Lincoln. Alright, let's get him, boys!

Lincoln, Electra Tempest, and I went after Genma Himuro, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Genma Himuro, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Electra Tempest also did the same by firing purple energy slashes from her massive greatsword, and he, Electra Tempest, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Genma Himuro even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Lincoln ran up to and put Genma Himuro in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Genma Himuro into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated Genma Himuro's Combat prowess, Immortality, Regenerative healing, and Shape-shifting.

Then, when Lincoln was done, Genma Himuro was fully absorbed into his body and he sent Genma Himuro to The Black Gates forever. Everyone cheered wildly for what Electra Tempest, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Electra Tempest's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple and black butterfly wings and medium sized purple and black butterfly wings underneath are permanent.

Electra Tempest: Your immortal life ends here. Thanks for helping me take down Genma Himuro, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Electra.

Me: My pleasure, Electra.

Suddenly, Electra Tempest wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Electra Tempest's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lightning behind them and we cheered wildly. Then, Lincoln and Electra Tempest sucked in and absorbed the elemental forces and lightning and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Electra Tempest and hugged us.

Luna: No kidding dudes, you guys taught that treacherous ninja a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Carly Almaden, Goddess of The Water Type Pokemon and Avatar of The Elemental HEROES of Water.

WE GASPED!

Selene Arcangela: Oh man, I knew you'd pick her, and you guys are going to be impressed by her, Carly Almaden is Lincoln's Guardian Angel from the Galar Region, and she's a powerful force of water and water magic, and she also has blue angel wings. She's an extremely and very powerful master of Hydrokinesis, and she also has the power to create monsters of water and she also has the ability to summon sea creatures and mermaids. She's also the strongest Water Type Pokemon Trainer, and she owns a gym in the Galar Region near the beach where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble.

Nessa: I remember her all too well and I'm all too familiar with the tale about her. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would beat the daylights out of them along with soaking wet from getting sprayed with water, and they named her The Goddess of The Water Type Pokemon because her partners are Water Type Pokemon.

Nico: Wow.

Me: That's someone no one would ever want to mess with.

Selene Emperyous: And she also has the Water Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated a cheating conniving bastard by the name of Derek Matthews, and because of Lincoln's intelligence gathering along with looking into the past duels that cheater had won through his cheating conniving methods, he exposed Derek Matthews as the conniving cheating lying bastard he is, and as a result, he was banned for life from any future Duel Tournaments.

Michelle Emperyous: But, he tried to get revenge on them by trying to shoot them with a gun, but Arpina Apollonia and her friends took him down and they banished him to The Shadow Realm.

Me: Now, that I remember all too well.

Arpina Apollonia: He deserved it. She trained Lincoln really hard in the powers of water and he even went to her gym and he really worked out hard there. Lincoln made her a water greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lola with a blazing passion because of all the attempts she's made to kill him, and it got Carly so pissed off, she brutally smashed and pulverized Lola hard into the ground, and she sent her to the hospital and she was in a full body cast for two months.

Nico: Yikes!

Me: Messing with someone like Carly is a huge mistake, no one wants to mess with nor tangle with her.

Skulker: Nice job, you 3.

Fluttershy: Thank you.

Laney: This was so fun!

Aylene Carter: Yeah it was!

Atomic Skull: You've earned your trophy.

Ghost: And the win.

Steam Smythe. Pterano and his minions are in our ranks now too.

X Ray: Now, let's have some ice cream.

Ironclad: After we find that ice cream truck

Me: I think it's back in the garage.

Xenia: Yeah.

Nico: But that's another awesome race done! I can't wait for the next one. Great job today everyone!

Littlefoot: I agree. (To the viewers) Dinosaurs are awesome and so is Terradino.

Me: Yep.

We went back to the garage and had ice cream and then went back home and enjoyed the rest of the day and went to sleep.

THE END

Another awesome race done!

Terradino was a really cool planet!

Lola: I agree there.

Xenia: Yeah.

Qin: I'll say!

Fluttershy: And it was really to race there.

Apple Bloom: It sure was fun! I liked it.

Applejack: We all did sugarcube.

Nico: We also fought Petrie's uncle.

Me: We sure did. Aylene you did amazingly well against him like you did before.

Aylene C.: Thanks J.D. It was fun.

Me: It sure was.

Fu: Just like old times.

Nico: That is cool that you guys faced him before.

Laney: That was awesome.

Nico: It sure was. You'll have to tell me about it more in detail later on.

Me: That is a promise.

Maria: And let's not forget the ice cream truck

Nico: That was funny!

Qin: I have no idea where that ice cream truck came from.

Nico: Yeah.

Lily: (LAUGHS) Yeah that was funny! SpongeBob and Patrick were racing to the Krusty Krab to tattle on each other after SpongeBob and Patrick said word number 11.

Nico: Word Number 11?

Lily: SpongeBob found that word on the Krusty Krab dumpster. It said Krabs is a Bastard.

Me: JEEZ!

Lola: I think Plankton wrote that.

Lily: We learned from Mr. Krabs that there are 13 Bad Words.

Me: The misfortunate number. But there are many more than that. I don't want to say them all.

Lily: It's best you don't.

Me: Yeah. But that was funny.

Lily: Yeah that Ice Cream Truck chase reminded me of that.

Me: Yeah. But in the end Fluttershy, Laney and Aylene won that race.

Fluttershy: It was so fun.

Nico:… you think we'll run into Akumatized mascots eventually?

Lola: (GULPS) That would be scary and cool at the same time.

Xenia: Yeah.

Lana: I'll say.

Varie: If we do what do you think they would look like?

Me: I do have some sketches of them. I've been on a roll with drawing them lately.

Xenia: Cool!

Nico: But let's not jinx it.

Me: Good idea.

Qin: Yeah.

Camie: Yeah. Lets not jinx it.

We walked around.

Me: Glaren is amazing though.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of Father has been sighted here on Glaren!

WE GASPED AND WE WERE ALSO ABSOLUTELY PISSED OFF!

Me: WHAT?!

Nico: (GROWLS) That bastard!

Eli: This better not be another contingency by Tomura Shigaraki before he got captured yesterday!

Lincoln: It isn't. In fact, I sense a darker presence behind it. (Sensed for it)

Lincoln sensed for the presence, and then, he saw who it was that was behind it: it was the Wolf God-Demon Hybrid and spawn of

Chthon, Vârcolac.

Lincoln: Oh God. I know who was that created that clone of Chthon: Vârcolac.

Me: The Wolf God-Demon Hybrid and spawn of Chthon?!

Nico: Who's he?

Lincoln: Someone whom Jack Russell has had bad dealings with.

Lincoln told us the history of Vârcolac, and he's one dangerous being from humanity's dawn.

---

Vârcolac

Origins

Vârcolac was a Wolf God and spawn of the Elder God, Chthon, created by mystic experiments on early humanity, beasts and demons. Vârcolac was the most feared Wolf Lord, who was a relentless murderous hunter. At some point he mated with Echidna and produced Angerboda (who then spawned the Midgard Serpent and the Fenris Wolf. Then, at some other point, Vârcolac spawned the Wolf-Men of Valusia.

The Caretakers of Arcturus took Vârcolac's magic and combined it with genetic engineering to create Werewolves. They bound the spirit and DNA of the wolf Windracer to a human, creating Greysire. From Greysire the curse of lycanthropy was spread to the rest of humanity via bites and scratches.

Vârcolac was able to influence a werewolf's beastial form, assisting in werewolves to become more feral. Vârcolac acted this way for centuries, which included Jack Russell and his ancestor, influencing werewolves in secret, allowing himself to be forgotten.

At some point, three items were created that allowed their wielders to overthrow/control Vârcolac, the Wolfsblade, a "Magic Bullet" and a wooden piece with an eye. The Third Moon Cult attempted to use the blade on it's own but they themselves fell under the control of Vârcolac and began to sacrifice humans to their new master. The eye was kept in a wooden box which Vârcolac kept in his possession in Hell. Over the years, many tried and failed to obtain it.

In the Modern Age, Vârcolac and his domain began to appear to Jack during his transformations, allowing Jack to discover the control Vârcolac asserted over his werewolf form. Jack discovered the existence of the Cult and tracked down the first two items. Traveling to Vârcolac's realm, Vârcolac transformed into a young boy and brought the box containing the third item. Jack showed disinterest in the item which angered Vârcolac who transformed into a giant monster, comprised of the different bodies of the werewolves who were trapped in his dimension and attack Jack. The pair fought until Jack took a stick to knock the box off of it's pedestal and obtained the third item. The three pieces allowed Jack to defeat Vârcolac.

When Lincoln was done, we were really horrified.

Me: Good God. He's one dangerous Wolf God/Demon hybrid!

Nico: No kidding! So, he created that clone of Father?! What is he after?

Lincoln: We'll find out very soon on my rescue.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: I literally can't believe that a clone of Father's been located here on Glaren, but we'll make sure that he dies here and now!

Camie: Who is Father?

Me: His name is Benedict Wigglestein. You think the Devil is bad, Father is worse. He wants to kill all the kids so the Adults can take over the world. But what he doesn't know is that by destroying all the kids he's going to destroy the entire human race.

I went over his history.

---

Benedict "Father" Wigglestein is the archnemesis of the KND and the main antagonist of the series. His ultimate goal is to destroy the Kids Next Door so that adults can rule the world unopposed.

Father resides at the Delightful Mansion From Down The Lane with his brainwashed children, the Delightful Children From Down the Lane. Father usually sends other villains to carry out his work and rarely attacks the KND himself, and is thus much less often seen than the Delightful Children, though he appears in a few episodes without the Delightful Children appearing. He was first seen in Operation: G.R.O.W.-U.P., the Season 1 finale and the first 30 minute episode of the series.

It is revealed in Operation: Z.E.R.O. that Father's true identity is Benedict (also called Ben for short), the brother of Monty Uno and thus the uncle of Numbuh 1.

As a child in Great Britain, Benedict was terrified of his own father, being extremely obedient despite his dislike for the man. When Monty Uno decided to rebel against Grandfather, Benedict insisted that they would stand no chance against him, and, as a result of his cowardice, he did not join Monty in the uprising, which ultimately did prove successful.

Sometime between this incident and the present day of the series, Benedict took up his father's mantle as the king of evil and ultimate oppressor of children, became a demonic being similar to Grandfather, and vowed to destroy the Kids Next Door. He also moved to the United States.

At one point, Father used the Delightfulization Chamber, a device designed to turn any kid into a mindlessly obedient and perfectly behaved child (most likely as a precaution for what happened between Monty and Grandfather, from happening to him). The first working Delightfulization Chamber was used on Sector Z. During the Delightfulization Process, the machine blew a fuse for reasons unknown, caused it to explode, and amplified its effects "eleventy billion-fold", which created the Delightful Children From Down The Lane, who from then on, would be Father's "children" and most powerful allies.

Other notable minions of Father include the Ice Cream Men, Six-Gum Gang and the Teen Ninjas, including his apprentice, Cree Lincoln and his captain, Chad Dickson. Father does not directly control the majority of the KND's rogues gallery, but frequently employs the services of other villains who, while otherwise operating independently, are readily willing to serve him.

Even the Delightful Children frequently appear without Father. Father is occasionally seen attending the villain meetings of Mr. Boss, who regularly functions as a leader of the series' lesser villains or as a second-in-command. In Operation: C.A.K.E.D.-F.O.U.R. and the comic story Operation: H.I.S.T.O.R.I.E., Father is said to be the head of a company called "Evil Adult Industries Inc."

It is also implied that Father employs several children similar to the DCFDTL throughout the world, as shown in the Interesting Twins From Beneath the Mountain and Rowdy Hooligans From Across the Square.

Father was first encountered by Sector V in Operation: G.R.O.W.-U.P., in which he admonishes the DCFDTL for their repeated failures against the KND. He allows his children to use the "Really Really Incredibly Destructive Machine" to destroy the Sector V Treehouse; in the process, the Delightful Children also manage to transform Numbuh 1 into an adult with the Age Cigar. The remaining members of Sector V infiltrate the Delightful Mansion From Down The Lane to retrieve the cigar, with Numbuh 1 (now "Mr. Uno" the ice cream man) joining them to defeat the Delightful Children.

Sarcastically applauding Uno's success at defeating "a bunch of children," Father attacked with his fire powers, but Sector V was able to triumph by covering him with all the ice cream in Mr. Uno's truck. As Numbuh 1 de-aged himself back to his old self and escaped with his team, Father could only lie on the floor, weakly ordering the DCFDTL to get his sweater.

His second major appearance was in Operation: G.R.A.D.U.A.T.E.S., the culmination of a story arc consisting of several loosely-related episodes. Here, he activates a device which creates a rapidly-expanding energy field that turns all KND operatives caught in it into animals. However, the field's reliance on the KND Code Module for its targets backfires when Tommy Gilligan decommissions himself, gaining immunity to the energy field. He proceeds to upload the DNA of the DCFDTL - and Father himself - into the KND Code Module, making them viable targets for their own weapon. Transformed into a panther, Father was locked in his own mansion's cages, allowing Tommy to free his trapped comrades and destroy the device producing the energy field. With the energy field gone, Father returned to normal, but the KND were long gone by the time he escaped his own prison.

Although Tommy's actions defeated him at the time, Father's failed scheme would bear surprising fruit in Operation: I.T. With his DNA in the Code Module, he was technically a KND operative; thus, he was able to infiltrate their Moon Base. Coincidentally, he arrived during the annual competition for leadership (a worldwide game of Tag, since nobody actually wanted the job), and Numbuh 2 was using the Code Module to track his fellow operatives. Currently "It", with ten seconds left to get rid of the status, Numbuh 2 threw open a door and blindly tagged the person behind it - unfortunately for him, Father was that person. As the villain gloated, the clock struck noon, officially making Father the Supreme Leader of the KND.

Convening the irate Operatives in the KND Super Convention Center, Father explained how his DNA was loaded into the Code Module by Tommy, thereby making him a member despite his age and decidedly anti-kid sympathies. Numbuh 86 and her team attempted to decommission him on the spot, but Father invented a new rule on the spot that prevented her from doing so. After the Decommissioning Squad stood down, Father claimed that he had turned over a new leaf; thus, he declared his intent to destroy all broccoli in the world. This action won most of the Operatives' trust, allowing him to dismiss them to their treehouses with minimal resistance. However, it was a ploy to put his foes in the way of his real aim: by infecting the KND Treehouse Central Root System with a "patent pending broccoli virus", Father planned to transform all treehouses into broccoli farms, thereby weakening the KND Operatives and providing enough broccoli to feed every kid in the world.

Numbuh 1 and Numbuh 362 attempted to trick Father into making them Supreme Leader - by complimenting him and offering advice on being Supreme Leader, respectively - but the villain was not fooled, that is, until he bragged about how he was carelessly tagged by Numbuh 2 and demonstrated on Numbuh 362, at which point 362 panicked and tagged the DCFDTL, who then panicked and tagged Father again, but in the process successfully started another game of tag. Father then created an army of clones to attack and confuse them until his status became permanent at noon.

However, his statement that no one liked broccoli proved to be his undoing: no happier about Father's plan than the KND, the Delightful Children returned the Code Module to the Operatives, who used it to track the real Father and eliminate his clones. For his last defense, Father attempted to protect himself with a solid wall of broccoli, only for Numbuh 362 to heroically chew through the mass, pin down Father, and threaten him with a piece of broccoli unless he relinquished his authority by tagging her. After Father and the Delightful Children were removed from the base, their DNA was extracted from the Code Module to prevent a repeat of the incident.

As the secondary antagonist in Operation: Z.E.R.O., Father employs the help of nearly every villain in the universe and organizes a massive attack on the Kids Next Door Seriously Cool Museum of Artifacts and Stuff, which appears to be a diversion for Stickybeard's armada to attack the Moon Base. However, the museum is Father's true target; more specifically, the seemingly-broken Recommissioning Module.

Back at the Convention Center, Father reveals that the Module is actually fully functional (having been repaired by Numbuh 86 to restore the memories of Sector V in the aftermath of Operation: E.N.D.), but requires the DNA of a current KND Operative to activate. Fortunately, Numbuh 1 arrives to reclaim the device, allowing Father to extract one of his boogers after Cree immobilizes

him. As another Teen Ninja traps the rest of Sector V, Father taunts Numbuh 1 with the fact that he was counting on his attempt to retrieve the module, gleefully declaring that his failure will spell the end of the Kids Next Door.

With the Recommissioning Module activated, Father uses it to restore the Grandfather's memories, intending to rule the world alongside him. Instead, Grandfather calls his son a failure and orders him to leave, correctly pointing out that Father only restored him because he couldn't beat the KND himself. Dejected, Father tosses the Recommissioning Module in the trash and heads back home to wallow in self-loathing. Consequently, he is not transformed into a Senior Citizombie, and his home becomes one of the only places in the world left unchanged by Grandfather's powers.

Towards the end of the movie, the newly-reawakened Numbuh 0 goes to his brother for help and offers him a second chance to stand up to their father alongside him. Father ultimately accepts the offer, and during the confrontation with Grandfather, goes into a violent rage against his abusive father, only to immediately and abruptly abandon the fight due to a lack of willpower, saying that he no longer cares about anyone or anything else in the world at this point. At the end of the film, after the Kids Next Door Moonbase is launched at Grandfather, Father is seen in the kitchen of his partially-destroyed mansion. Looking over his shoulder at the carnage, the villain declares that he hates everyone, before returning his attention to his table.

In Operation: M.U.N.C.H.I.E.S., Father appears as one of the many villains shopping at the Supervillains Supermarket & Deli. He is the first character to claim the last box of Rainbow Munchies, only to be interrupted by Mr. Boss, Count Spankulot, and Sector V in rapid succession. This leads to a massive free-for-all as everyone in the store scrambles to buy the cereal, with Father being taken out early on when the kids trap him in a barbecue. However, Father frees himself in time to cut off the kids' escape, incinerating their ship (stolen from Stickybeard). After being briefly distracted by a sea of popcorn - popped by proximity to his flames - Father demanded the cereal from Numbuh 5, only to realize that Knightbrace had purchased it in the confusion. He insisted that Knightbrace share the

Rainbow Munchies with him, only to learn that the dental-themed fiend actually planned to destroy the cereal. Infuriated at this callous disregard for Rainbow Munchies, Father formed a brief truce with Sector V and the other villains in order to beat up Knightbrace; afterwards, he was seen contentedly eating a bowl of Rainbow Munchies with the other characters.

Father was also involved in some of the later and more elaborate "C.A.K.E.D." episodes, namely Operation: C.A.K.E.D.-F.O.U.R. and Operation: C.A.K.E.D.-F.I.V.E.. In the latter, his ancestors, the Annoyingly Cute Triplets Who Lived Upon the Hill and their mother, who is Father's great-grandmother, are mentioned.

In Operation: I.N.T.E.R.V.I.E.W.S. (the series finale), Father turns into a Dragon after losing his pipe during the episode's climax. At the end of the story, it is revealed that he is the person interviewing the now-grown up members of Sector V in the present day, but it's revealed that Numbuhs 2 thru 5 had simply tricked Father into thinking that Numbuh 1 was still off in outer space somewhere as part of the Galactic KND, because through a phone call between Numbuhs 5 and 1 reveals that by this point, Numbuh 1 (now an adult) has returned to Earth, and was implied to be waiting for his old teammates on the KND-Moonbase. The whole setup was done most likely to get rid of Father by having go into space after his nephew to finally get revenge and retrieve his missing pipe after all these years.

When I was done everyone that hadn't heard about it was shocked and HORRIFIED!

Camie: My god! He's pure evil!

Qin: Yeah no kidding!

Xenia: And that's why he is a danger not just to all kids but to his fellow adults too.

Mr. Boss: Looking back, I don't know what the hell I was thinking working for that genocidal madman!

Stickybeard: Aye me neither lads!

Will heard a Pokemon cry.

Will: Look here!

We saw a Mega Sylveon!

Me: A Mega Sylveon! Wow!

Lola: Ooh that is cool!

Me: Oh and it's thirsty.

Mega Sylveon: (Pants) Yeah.

We gave her some water.

Maria: There you go.

Mega Sylveon: Ahh thank you.

Nico: Wanna come with us?

Mega Sylveon: Sure.

Me: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it

looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical

strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Father clone) AHA! Gotcha, you bastard. I just spotted the clone of Father, he's 20 yards away and he's heading right for us!

Me: Just like the real one. Let's tear him apart!

Lincoln: He may be a clone, but he's still as dangerous and volatile as the real one. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into

Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Father.

Nico: He could be anywhere.

Me: Lets go.

We were flying around, and then, we saw fireballs being sent right at us, and we absorbed them and it made us even stronger, and we saw who did it: it was the clone of Father who was throwing fireballs at us wildly and laughing malevolently, and we continued absorbing the fireballs and it was continuing to make us even stronger than ever.

Lincoln: And there's the hate-filled monster bastard now.

Suddenly, we saw a red inverted pentagram with a wolf on his head: this was no doubt the mark of Vârcolac.

Loopy De Loop: (French Canadian Accent) The Mark of Vârcolac. It gave him extra demonic power.

Cree: Befitting someone like Father, since he was just an absolute demon.

Loopy fired white talisman cards that hit the clone of Father and the talisman cards removed The Mark of Vârcolac removing the extra demonic power Vârcolac gave the clone of Father, which made him extremely angrier than ever.

Lincoln: Nice one, Loopy.

Father Clone: I'LL KILL YOU! ALL OF YOU! EVERY LAST SNOT NOSED BRAT DESERVES ONLY TO DIE!

Me: NO THE ONLY ONE THAT DESERVES TO DIE HERE IS YOU!

The clone of Father fired more fire blasts and waves at us, but we continued absorbing them and it was making us even more stronger than ever.

Nico: Well, I got to hand it to Vârcolac, he sure made the clone of Father with precise design and detail.

Yuko: But, also gave him extra demonic power as well. However, that's about to end here and now.

Mace Windu: Lets make this good.

Jedimael and Mace: CORUSCANT JEDI THUNDERSTRIKE!

They fired waves of energy and lightning and blasted him down.

Yuko: Now it's personal.

Suddenly, Yuko's brown eyes turned neon brown and she was surrounded by an orange energy aura with stars, fire, flames, snakes, Kaiju, phoenixes, and angels, and as she approached the clone of Father, she left orange energy, stars, fire, flames, snakes, Kaiju, phoenixes, and angels with every step.

Yuko: Even after we destroyed you a year ago, you still continue to haunt us from beyond the grave, Father. You're still nothing more than a plague to all kids and humanity itself, now that ends here. This shall be the last time we ever have to deal with you, this shall be your final resting place!

Suddenly, Yuko was surrounded by a massive vortex of orange energy with stars, fire, and flames surrounding the vortex, there are snakes, Kaiju, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at the clone of Father: the red eyes of eternal death.

Lola: Oh boy, this is gonna get ugly.

Me: Big time.

Nico: But, Yuko hated Father as much as the rest of us, now he's about to feel her wrath.

Lincoln: It's been a long time coming though, now he's about to pay the price.

Then, as the vortex faded, Yuko emerged, but she was changed forever.

Their fire auras flared up to such an extreme intensity and their power was so strong and powerful that it was making the entire planet shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Lincoln, Yuko Tani, and I went after the Father clone who continued firing fire blasts at us and we continued absorbing the fire blasts and we continued growing stronger, and we fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids,

Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Father clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Yuko, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Father clone even more madder than ever and he exploded with extreme rage.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Yuko, and I fired powerful blasts of energy, magic, stars, fire, and planets at the Father clone, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Nico: Okay, Lincoln, it's feeding time!

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the Father clone and he began absorbing him and he and all of us assimilated his fire powers and abilities and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, as soon as Lincoln was done and the stingers changed back, nothing was left of the Father clone and he sent the clone to The Black Abyss. Everyone cheered as we holstered our weapons and powered down, and Yuko Tani's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Alinta Nephthys: That's cool with me. I could use a couple of rounds with them to vent.

Me: Good idea. By the way is the Another Lord Pain friendly or hostile?

Melanie Moose: Friendly and she is a really strong and tough one.

Xenia: Nice.

Lord Pain: And she must have a knowledge of all the forces I know including the forbidden tongue not made for the ears of mortals.

Nico: WOW!

Qin: YIKES!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Siobhan Genbu: No lad he didn't. I used the tongue of Lord Pain and made him convulse and ran.

Nico: GEEZ!

Qin: Boy that tongue sounds as bad as the Black Speech of Sauron.

Siobhan Genbu: It is lass.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Lincoln: Lets separate you first.

We did so.

Me: Yeah! Lets do it!

Nico: (gets out Lord Pain's Ridewatch) Let me use that tongue firsthand!

He activated it and chittered like a chipmunk and then it caused rocks to crumble, Billy convulsed and had green slime foam out of his ears and his head then literally exploded!

KRABLOOOMM!

He fell to the ground. His head grew back and was really hurt.

May: (Gets out Genghis' Ridewatch) Lets make this a conquer fest!

Maria: (Gets out Burning Lion) Lets burn!

Cree: (Gets out Mooch's ridewatch) Time for some Squab!

They used the powers of Lord Pain, Mooch the Fox, Genghis the Lion, Mewberty Star, Stone Dragon, Pharaoh (Miraculous), I & Am, Burning Lion and Morpho Knight and blasted the another!

Then Piledriver, Finale, Screecheye, Evil Rainbow Dash, Doomkaiser Dragon and Burning Skull came!

Nico: Whoa! Nice team Piledriver!

Piledriver: Thanks Nico! This will be awesome!

Rainbow Dash: Wait is that me!?

Evil Rainbow Dash: I'm the you that HATES PIES!

Me: WHAT!? You would have to be a total lunatic to hate pies!

Xenia: YEAH!

?: I agree there!

Avalanche Yeti came!

Me: WHOA! Avalanche Yeti!

Nico: Nice!

Avalanche Yeti: (In a girls voice) It sure is.

Nico: Neyla Yeti!? Whoa!

Avalanche Yeti: Yep. I got this.

She fired waves of ice and blasted the Another and I caught the Ridewatch and purified it.

Me: Yeah!

She reverted back and was a girl with blue hair and brown eyes and she had blue angel wings and had brown fur clothes and an ice sword and had a yeti in front of a snowflake in the middle of her forehead and on her skirt.

Nico: Awesome!

Neyla Yeti: That was cool.

Piledriver: Who says I can't have my own team?

Me: I agree there.

Nico: Same here.

Qin: Yeah.

Cree: Hey Neyla do you have a favorite memory of Nico?

Neyla Yeti: When me and Nico went to the Himalayas and we found an awesome ice sword. That's this.

She held her sword.

Nicole: (GASP) That's the Subzero Ice Sword of The Khumbu. I was trying to find that for years. So awesome.

Nico: Nice!

Neyla Yeti: Yep.

Nico and Neyla hugged.

Nico: I've missed you.

Neyla Yeti: Same here.

We later went back home.

Lincoln: Whoa, we're here in Romania, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to fight Vârcolac, the Wolf Lord-Demon Hybrid.

Me: So, Vârcolac has come out of his realm, and is here in Romania.

Nico: We're ready for him, but he has a few tricks up his sleeve.

Yuko: That's right.

Suddenly, we heard howls, and we saw armies of werewolves charging at us, but Loopy fired white talisman cards at the armies of werewolves, and the talisman cards glowed and the werewolves wound up getting cured and were turned back to normal humans.

Eli: He was pretty busy turning people into werewolves, but Loopy's talisman cards cured the victims.

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and aqua blue headband, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and the Water Type Pokemon crest on her forehead, she's dressed in a blue short-sleeved vest with white fur collar and white fur on the sleeves, aqua blue sleeveless crop top, necklace with an aqua blue gem for the pendant, aqua blue skirt with the Water Type Pokemon crest on the skirt, aqua blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, water, ocean waves, phoenixes, and angels on the coattails and on the back are the Water Type Pokemon and Avatar of The Elemental HEROES of Water, holstered on her back is a massive water greatsword with angel runes etched on the 7'9" massive, wide, double-edged aqua blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and silver pointed tip for the pommel and with her are the seven girls.

Lincoln: (GASPS) Carly Almaden, Goddess of The Water Type Pokemon and Avatar of The Elemental HEROES of Water.

Carly Almaden: That's right, and I got the girls away from Vârcolac before he could bite them and turn them into werewolves.

?: (Demonic Voice) How dare you all ruin my plans, Team Loud Phoenix Storm.

We then saw our target, Vârcolac, in the form of a massive black-furred werewolf, heading right for us.

Lincoln: Before we fight, Vârcolac, we want to know one thing: what were you planning when you sent that clone of Father after us?

Vârcolac: (Demonic Voice) (Points to Loopy De Loop) I'm here to fight your dear friend for life, Lincoln Loud, along with all of you.

Loopy De Loop: (French Canadian Accent) So, that's what you are after. Very well.

Suddenly, Loopy De Loop's black eyes turned neon grey and he was surrounded by a white, yellow, and grey energy aura with stars, light, moonlight, darkness, wolves, phoenixes, and angels, and as he approached Vârcolac, he left white, yellow, and grey energy, stars, light, moonlight, darkness, wolves, phoenixes, and angels with every step.

Loopy De Loop: (French Canadian Accent) So, now we know your reason why you sent that clone of Father after us, but don't think we came prepared: Lincoln told all of us about your history and what you are capable of. Prepare yourself, Wolf Demon, your infernal rampage ends here.

Suddenly, Loopy De Loop was surrounded by a massive vortex of white, yellow, and grey energy with stars, light, moonlight, and darkness surrounding the vortex, there are wolves, phoenixes, and angels flying around the vortex, and in the vortex is a brown and yellow phoenix with the symbol of The Wolf Moon on its stomach and red eyes glaring at Vârcolac: the red eyes of eternal judgement.

Huckleberry Hound: Well, hush my mouth. Loopy's going to transform.

Me: You said it.

Nico: Now, we'll be able to fight Vârcolac and tear him apart.

Lincoln: This is going to be one brutal fight.

Then, as the vortex faded, Loopy De Loop emerged, but he was changed forever.

We were amazed by Loopy De Loop's Super Angel-Wolf Moon Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Vârcolac saw it, he transformed into his true form: a gigantic 15 foot tall werewolf with tentacles, skulls, skeletons, and the other bodies of the werewolves trapped in his domain in Hell. HIDEOUS! But, Loopy De Loop fired a massive barrage of white, yellow, and grey energy, stars, light, moonlight, darkness, wolves, phoenixes, and angels which hit the demon, and he also sent his new talisman cards at the wolf demon that caused Vârcolac to change back into his regular werewolf form and he also shrunk back to 9'10" in height.

Loopy De Loop: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Solar Light Moonlight Darkness Exorcist Wolf Moon Phoenix God Angel and Divine Cosmic Eternal Harmony Solar Light Moonlight Darkness Exorcist Wolf Moon Phoenix God Angel Life) That's much better, but that true form of yours was indeed very hideous.

Loopy De Loop went after Vârcolac and he fired extremely powerful blasts of white, yellow, and grey energy, stars, light, moonlight, darkness, wolves, phoenixes, and angels which exploded with incredible power as they hit the wolf demon god, and he also attacked him with his massive greatsword and talisman cards.

Then, Lincoln and Loopy De Loop fired energy blasts that hit Vârcolac and sent him flying into a portal Lincoln opened up that led to The Masters of Evil. We cheered as we holstered our weapons and powered down and Loopy De Loop's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer and larger brown tail, large gold halo with four orbiting gold rings on each corner behind his head, twelve large white and grey planets orbiting around his legs, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Loopy De Loop: (French Canadian Accent) That should do it.

Lincoln: Hope Vypra and the others can handle Vârcolac in case he tries anything. (To Carly Almaden) And it's so good to see you again, Carly.

Carly Almaden: You too, Lincoln, it's been seven years since we last met.

Suddenly, Carly Almaden wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Carly Almaden was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Candace Phoenix: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Carly Almaden's waist and hugged her, and Carly Almaden is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carly Almaden: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Carly Almaden, Goddess of The Water Type Pokemon and Avatar of The Elemental HEROES of Water, she's Lincoln's Guardian Angel from the Galar Region, and she's a powerful force of water and water magic, and she also has blue angel wings. She's an extremely and very powerful master of Hydrokinesis, and she also has the power to create monsters of water and she also has the ability to summon sea creatures and mermaids. She's also the strongest Water Type Pokemon Trainer, and she owns a gym in the Galar Region near the beach where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would beat the daylights out of them along with soaking wet from getting sprayed with water, and they named her The Goddess of The Water Type Pokemon because her partners are Water Type Pokemon, and she also has the Water Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated a cheating conniving bastard by the name of Derek Matthews, and because of Lincoln's intelligence gathering along with looking into the past duels that cheater had won through his cheating conniving methods, he exposed Derek Matthews as the conniving cheating lying bastard he is, and as a result, he was banned for life from any future Duel Tournaments, but he tried to get revenge on them by trying to shoot them with a gun, but Arpina Apollonia and her friends took him down and they banished him to The Shadow Realm. She trained Lincoln really hard in the powers of water and he even went to her gym and he really worked out hard there. Lincoln made her a water greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lola with a blazing passion because of all the attempts she's made to kill him, and it got Carly so pissed off, she brutally smashed and pulverized Lola hard into the ground, and she sent her to the hospital and she was in a full body cast for two months.

Nico: Just like what we were told yesterday.

May: And everything you guys heard is indeed true, she's someone no one would dare to mess with.

Carly Almaden: That's correct, and I heard Team Rocket finally paid the price for their misdeeds.

Lincoln: That's right, with the exception of Jessie, James, and Meowth getting canned before the battle against Team Rocket and have since joined us.

Carly Almaden: Serves Giovanni right.

Lincoln: You said it, and now that you're here, Carly.

Lincoln leaned his head down the right side of Carly Almaden's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Carly Almaden: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carly Almaden with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carly Almaden: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carly Almaden.

Carly Almaden had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carly Almaden's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carly Almaden had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Li-Da Joo, Ga-Hee Jo, Hae-Jun Do, Hae-Sook Kang, Lana, Song-Ping, and Soo-Yeon Lee from He Does a Body Good.

Lincoln: Oh wow, it's Li-Da Joo, Ga-Hee Jo, Hae-Jun Do, Hae-Sook Kang, Lana, Song-Ping, and Soo-Yeon Lee from He Does a Body Good.

Nicole: So, those were the girls that were located here, Carly did awesome getting them away from Vârcolac and getting to us as soon as possible.

Lincoln: Before he sent his werewolf turned victims at us. Are you girls okay?

Li-Da Joo: Yes, we're okay, thanks to you.

Li-Da Joo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Li-Da Joo: (Seductively and rubs her hands on Lincoln's massive

pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Li-Da Joo, Ga-Hee Jo, Hae-Jun Do, Hae-Sook Kang, Lana, Song-Ping, and Soo-Yeon Lee with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Vârcolac, the Wolf Lord-Demon Hybrid.

But, when Lincoln showed what happened with Loopy De Loop transforming and attacking the Wolf God Demon hybrid and all of us joining in as well and thrashing him and he and Lincoln blasting him and sending him to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Carly Almaden have a lot of catching up to do, now that she's back in town.

Maria: Whoa, that was one epic fight, and Loopy, you transformed, that makes you one of the first of the Hanna-Barbera toons to transform.

Loopy De Loop: (French Canadian Accent) That's right.

Huckleberry Hound: And the outfit Loopy has on now, that'll be for all of us as well when we also transform.

Lincoln: Along with getting the same weapons as Loopy: a greatsword and talisman cards, but the talisman cards will correspond with your elemental powers. With Loopy, it's light and darkness along with the power of exorcism.

Nico: We'll just have to wait and see though, but it'll be so awesome to see it.

Me: You said it.

---

After Lincoln and all of us beat down Vârcolac and sent him to

Vypra, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carly Almaden saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Carly Almaden: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carly, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Carly Almaden: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Carly Almaden: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered it: it was a group of thugs, but they have red eyes and are causing havoc.

Lincoln: A group of thugs. (Sensed a dark presence) Oh no, they've been possessed!

Me: Demons?!

Nico: Sounds like it. Looks like someone has been messing with dark magic and summoned demons.

Loopy De Loop: (French Canadian Accent) Leave them to me.

Loopy De Loop flew out of The World Tree Estate and the possessed thugs were angered as soon as they saw him.

Loopy De Loop: (French Canadian Accent) You shall not take a single step further.

Loopy De Loop unholstered his massive Loopy De Loop's Cosmic Eternal Harmony Almighty Apollo True Immortal Eternal Twilight Wolf Moon Phoenix God Angel Greatsword of Cosmic Eternal Harmony Almighty Apollo True Immortal Eternal Twilight Wolf Moon Phoenix God Angel Justice and had his talisman cards ready.

The possessed thugs went after Loopy, but he sent his talisman cards that exorcised the demons and sent them back to Hell, and he fired energy chains with a swing of his massive greatsword and chained them up and the cops came and took them away. Loopy came back to The World Tree Estate.

Huckleberry Hound: Well, I'll be. You just removed those demons and sent the criminals to jail.

Lincoln: Looks like whenever demonic infestations arise, Loopy will answer the call and send the demons packing.

Victoria Kurenai: He already joined The Michigan Supernatural Defense Force as our exorcist and this'll be for cases of demons.

Nico: Has The Michigan Supernatural Defense Force ever had any dealings with demons?

Lincoln: We've dealt with them before, and we did exorcisms and drove out the demons from the homes they were haunting, but they always came back for more.

Me: I've seen it before, and Brittney got pissed big time seeing those demons come back for more.

Nicole: She was really really mad, and I mean, Omega Level Mad. We tried to cool Brittney off, but that didn't work.

Varie: She eventually went after said demons again, and this time, she sent them to the black depths of the Underworld.

Nico: (Shudders) Angering The Empress of Darkness is a definite mistake, and it never ends well for anyone.

We got a shower, and then, Lincoln, Universe 666 Princess Snow Kaguya, and Universe 666 Mistress 9 are heading to Shangri-Spa.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Mistress 9: Wow, so this is Shangri-Spa. It sure is beautiful.

Lincoln: It sure is, Universe 666 Mistress 9, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Princess Snow Kaguya, and Universe 666 Mistress 9 went inside Shangri-Spa and they went to the Spring of Purification, the Spring of Bliss, the Spring of Sanctuary, the Spring of Jungle Mist, and the Spring of Rainbows, and they wound up getting a deep tissue massage from Lincoln which removed any tension in their bodies and they also gave Lincoln a deep tissue massage which melted tension he carried in his muscles and his entire body, then, they went to a workout area, and Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and

Lincoln slowly sank his fangs into Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 are in your harem, Linky.

Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9 showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Princess Snow Kaguya and Universe 666 Mistress 9, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Smolder, Eli and Chloe's third mission.

Nico: Anyone else want to go with Chloe, Smolder, and Eli? Besides Anchor, Sir Toasty, Baron Mordo, Devon, Juni Cortez, and Whenua?

Casey Rhodes: I'll go.

Leap Frog: So will I.

Cricket: I will go with you all too.

Rex Goodwin: Go get them Cricket.

Cricket: Will do.

Nico: Okay.

Me: Lets go then.

We were off to Japan

---

We arrived.

Daichi: Hey guys!

Me: Hey Daichi.

Smolder: Guys, meet Anchor, Sir Toasty, Baron Mordo, Devon, Juni Cortez, and Whenua.

Anchor: Pleasure. I'm Anchor.

Sir Toasty: Thou may call me Sir Toasty.

Baron Mordo: I'm Karl Amadeus Mordo but everyone calls me Baron Mordo.

Devon: Devon Daniels, leader of the Beast Morphers.

Me: You know them as the Go-Busters.

Juni Cortez: I'm Juni Cortez.

Whenua: Whenua, Toa Metru of Earth.

Casey: Casey Rhodes, Leader of the Jungle Fury Rangers.

Me: You know them as the Gekirangers.

Leapfrog: And I'm Vincent Patilio but everyone calls me Leapfrog.

Asuna: Wow! Awesome to meet you all.

Cricket: Same here. Oh my name is Cricket. I'm an E.V.O.

Me: No these are not the Dynaman monsters. These are biomechanical creatures imbued with nanotechnological machines. It was a project that was unleashed.

Eli: Long story.

Asuna: Oh man.

Devon: This HQ is just as good as the one in Grid Battleforce

Daichi: It sure is.

Asuna: It's home but we like it.

Me: I agree there too.

Nico: Same here.

Baron Mordo: It sure is amazing too.

Daichi: Wait. How can a Hammerhead Shark breathe on land?

Me: Well they usually live in the ocean.

Chloe: But for me as a gene-slammer of a Hammerhead, I don't need water. I'm half human and me and my siblings as sharks don't need water.

Nico: It's very complex.

Eli: Yeah it sure is.

Daichi: Oh. But what about Anchor?

Anchor: Vypra imbued me, Chum and Bruce with powers that make us breathe on land. We can last indefinitely without water.

Asuna: Wow! That is cool!

Daichi: Very interesting.

Eli: It sure is.

Juni Cortez: I'm from a family of spies

Daichi: Really?

Nico: They work for an organization affiliated with the CIA and they bring down deadly bad guys like terrorist organizations, mad geniuses, everything.

Me: Like how Nico did.

Nico: I worked for the CIA for a long time and it was awesome.

Eli: It's true.

Me: Yeah.

Daichi: Smolder, what's the history of Dragons in Equestria?

Smolder: Where to start. It's a history that dates back many eons.

Nico: So many things behind it.

We went over the history of the dragons and more.

Daichi: WOW! That is amazing,

Eli: It sure is,

3m agoMe: Anyway, how have things been here?

secs agoNico: Anyway, how have things been here?

Daichi: Well good actually.

But then the alarm sounded and we saw GARGORGON attacking!

* * *

Gargorgon was an alien monster who had been known for terrorizing several planets in the past. Such instances included attacking Planet Gold and Planet Earth during its ancient times (to which Gargorgon was responsible for the myth of the "Gorgon" of Greek Mythology.) At some point, Gargorgon began to pursue the

Alien Gold known as "tE-rU" and his robot monster, Rudian, in order to feed on their abundant amount of gold energy stored inside of it. Gargorgon's pursuit for the energy brought the space monster back to Earth, where she was confronted by opposition in the form of Rudian, Ultraman X, UNVER, and Xio, who all attacked the monster. Despite everything they threw at it though, Gargorgon withstood their attacks and overpowered both Ultraman X and Rudian with little effort, thanks to her multiple heads and electric attacks.

Suddenly during the fight, Gargorgon revealed a giant eyeball that was inside of her center mouth and was about to strike Rudian with a powerful ray. Ultraman X however jumped in front of Rudian and took the monster's attack instead, which turned Daichi and X into stone. With Daichi and X out-of-commission, Gargorgon retreated back into space in order to heal from the battle. While in space, she demanded that Earth hand over tE-rU and Rudian for their energy or all of humanity would be petrified by her wrath too. Instead, UNVER decided to deal with Gargorgon themselves by using all of Xio's branches to launch a "Perseus Missile Strike" in order to take out the monster. However once UNVER launched the Perseus Missiles, Gargorgon destroyed them all with no trouble and absorbed its collective energy shortly after.

Once tE-rU came out of hiding, Gargorgon arrived yet again and both monster and robot clashed. Suddenly during the fight, Gargorgon seized Rudian and immediately begins absorbing its gold energy, petrifying the robot and tE-rU both at the same time. With Gargorgon distracted however, Xio fired all three of their Ultlasers at Gargorgon's exposed eye, destroying it and freeing Ultraman X (as well as Rudian and tE-rU.) The ultra and the robot worked together to battle Gargolgon yet again. Additionally, Daichi revealed a new upgrade: The Bemstar Armor and Shield. As Gargorgon regenerated a new eye to strike Ultraman X with another Petrification Ray, the Bemstar Shield absorbed the ray and redirected it back at Gargorgon, solidifying the monster in its own stone coating. Rudian then finished off the monster by firing on its statue with its gatling guns, finally destroying Gargorgon.

* * *

Nico: Whoa!

Me: Gargorgon! I remember her! She turned Ultraman exto stone!

Eli: Deadly!

Nico: Yeah! Leys head out!

We were off!

We were flying.

Nico: Better get our gamefaces on.

Devon: ACTIVATE BEAST POWER!

Casey: JUNGLE BEAST! SPIRIT UNLEASHED!

They transformed and were ready!

Nico: YEAH!

Me: There!

We saw GARGORGON!

Me: WHOA! She is ugly!

Eli: Wicked!

She tried to punch Anchor

But Anchor bit her arm and she screamed.

Eli: KING GHIDORAH! RISE!

He rised his arm and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out of the ground and went into the air and then exploded numerous times and then formed into KING GHIDORAH!

King Ghidorah called.

He landed and Eli got onto his middle head.

Eli: Time for some action!

King Ghidorah: Gargorgon! This will be good.

Eli: Fire!

King Ghidorah fired Gravity Lightning and blasted her all over!

KRABBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMM!

Gargorgon roared!

Daichi: ULTRAMAN X!

He turned into ULTRAMAN X!

She tried to punch Sir Toasty!

But when her punch came into contact with him it burned her REALLY BAD!

She roared in pain!

Sir Toasty: Thou must never underestimate a Knight Made of Fire!

She tried to punch Baron Mordo!

Baron Mordo then dodged it and he fired a mystic blast and it hit her in her eye and exploded! BLASTING HER EYE OUT!

Eli: YIKES! That had to hurt!

Nico: Ouch!

Whenua got out his Astroswitch For Goliath and he flicked it and grew and punched Gargorgon down.

Whenua: Never underestimate the power of growth.

Nico: Nope.

But then a figure jumped in and bashed Gargorgon and it was a girl with green hair and red eyes and had pitch black clouds and black angel wings and a tiara with the symbol of Crashhopper on it.

Me: (GASP) Cillia Crashhopper!

Nico: The Embodiment of Crashhopper!

Cillia Crashhopper: Yeah that's right! (Grunts) I'll help as much as I can.

She lost control and jumped up at Leap Frog

Leap Frog: Wow! What a jump!

Cricket jumped and bashed her away!

Cricket: Sorry Hon but you need help.

I fired an electron laser blast and injected the antidote into her.

Casey charged at her and kicked her down.

Nico: Take that!

Casey got out his Astroswitch for Cheshire and slashed Cillia down.

Nico: YEAH!

?: (ECHOING) BIG BANG BOOM!

A massive stream of lava blasted Cillia all over!

Out came ANCIENTVOLCANOMON!

Nico: AncientVolcanomon!? WHOA!

AncientVolcanomon: (In a girls voice) Time for some earthly action!

Nico: Vivian Ancient Volcano!? Whoa!

AncientVolcanomon: Yep. Awesome to see you again Nico

Devon got out his Astroswitch for Whiplash and lashed Gargorgon.

The antidote then took effect and she was back to normal with her green eyes.

Cillia Crashhopper: What a rush!

Nico: At least you're okay.

King Ghidorah and Ultraman X were blasting Gargorgon all over.

Juni got out his Astroswitch for Miranda Frost and slashed Gargorgon all over

Nico: Take that!

Eli: Yeah!

Ultraman X: Time to finish her!

Nico: Lets do it!

Whenua: Right!

We fired powerful energy blasts and blasted Gargorgon and she exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was dead!

I caught the Spark Doll of her.

Nico: Gargorgon you have failed this world.

Vivian Ancient Volcano reverted back and was a girl with brown hair and brown eyes and had fire angel wings and had brown clothes and had a symbol of AncientVolcanomon on her forehead and skirt and had the Frontier Kanji for Earth on her arm and a volcano sword in her hand.

Vivian Ancient Volcano: That was awesome!

Nico: It sure was!

Me: Yeah it was!

Eli: Do you have a favorite memory of Nico?

Vivian Ancient Volcano: I sure do. When me and Nico went deep into the cave of an ancient volcano in the Kamchatka Peninsula and we found this amazing cave made of ruby crystal.

Me: Cool!

Nico: Yep. That was awesome.

Nico and Vivian hugged.

Nico: I've missed you.

Vivian Ancient Volcano: Same here.

---

We later came back.

May: How did it go guys?

Nico: Really fun!

We told everyone everything and it was cool.

May: Wow! That is awesome!

Nico: Yep.

Qin: Cool!

Nico: Next, Yost Wolverine, Gentaro, and Ellie Singh should come.

Me: Good idea!

Gentaro: Yeah!

Nico: Cool.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Then the door opened and in came Megan and Kevin.

Megan: We're home guys.

Me: Welcome home Megan. How was your trip?

Megan: We had the most awesome time.

Kevin: We sure did.

Megan: Lets go get our stuff unpacked.

They went and did so.

But then…

LOUD NASTY FART!

Nico had let loose a REALLY LOUD NASTY FART!

Jack Power: Nico, did you fart?!

Me: JEEZ! NICO WHAT THE FUCK DID YOU EAT!

Nico: Uhhh…

LOUD NASTY FART!

We smelled it and it was worse than Roger's Okra Farts!

Me: OH GOOD GOD!

Curly: Oh, that's just nasty! Smells worse than Moe on a hot day! Nyuk nyuk nyuk nyuk nyuk.

But then…

POINK!

Moe poked Curly in his eyes.

Moe: Why don't you be quiet!

Nico: Okay I had 20 bowls of Chief Wiggum's chili.

Me: Geez Nico!

Aligned Megatron: Nico, I hope you have a way to fix this!

Nico: I have it handled. I'll snap my fingers to prevent the farts from coming out until we run into the main bad guy for today!

Me: Try it.

Nico: Okay.

Nico did so.

Me: Did it work?

Nothing happened. The farts stopped.

Nico: YEAH!

Qin: Awesome!

?: WHEW! That was close.

Then a girl with green hair and green eyes and green clothes and green angel wings with a tiara with the symbol of Sting Chameleon came.

Stacy Chameleon: Stacy Chameleon, Embodiment of Sting Chameleon.

Nico: Awesome to meet you.

Aurico: Long time no see Stacy!

Shane: Looking good.

Stacy Chameleon: You too Aurico and Shane. Been a while.

Optimus: How did you meet Shane and Aurico?

Stacy Chameleon: I met Shane when he and the Ninja Storm team were fighting Lothor. I got the drop on him and stabbed him in the side.

Me: That explains what that huge hole in his side was when I had my shot at him when we battled him during our fight with the Void Queen.

Nico: Boy you sure left your mark on him.

Stacy Chameleon: I sure did. And I met Aurico when he and the Aquitar Rangers were battling Witchblade. That was awesome.

Nico: Wow! That is cool. Would you like to join us?

Stacy Chameleon: I would be honored.

Red Lantern Ratchet: Can we see some souvenirs from your trip?

Megan: Sure.

She showed us t-shirts, postcards, snowglobes, pictures of what they did in Australia and more.

Nico: Wow! Those are great Megan.

Megan: Thanks!

Me: We're glad you and Kevin had fun.

Megan: I am too. It's great to be home. I'm ready for some more action.

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Brainstorm's planet, Encephalonus IV.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Brainstorm's planet, Encephalonus IV.

Nico: Nice. Let's get our cars ready!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Maelstrom Seahorse, the Hypothetical Akuma of Horsea, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one crazy and brutal fight: I just had a vision and I saw who it was that we're going to confront today, it's none other than Maelstrom Seahorse, the Hypothetical Akuma of Horsea, and she's causing havoc.

WE FREAKED OUT AND DID WILD TAKES AFTER WHAT LINCOLN SAID!

Me: What the?!

Nico: A hypothetical Akuma of one of our mascots has been located?! What the Hell?!

Eli: Oh God.

Lincoln: And she is in every way in form like the legendary Loch Ness Monster, but she has a MASSIVELY POWERFUL APPETITE AND HUNGER FOR INTENSE DESTRUCTION!

WE FREAKED OUT AND DID MORE WILD TAKES!

TOINK BINK DONG WHONG!

Maria: Oh God, you've got to be kidding me. What's her story, Lincoln?

Lincoln: According to Gabriel, she was created when you were being bullied by a bunch of rapists, Maria, and she made it her mission to kill EVERY SINGLE RAPIST IN THE WORLD AND SEND THEM ALL OFF TO HELL!

WE GASPED!

Nico: Oh man! Looks like we're in for one hell of a battle with her!

Me: And there's rapists there, we're going to also get rid of them as well.

Mr. Jinks: Leave this part to me.

Mr. Jinks created a ball of fire and Hellfire in his left paw.

Horsea: Whoa!

Huckleberry Hound: We found out we'd also have gotten powers of our own: Loopy has light and darkness powers along with exorcism powers, I'd gotten ice powers, and Mr. Jinks had gotten powers of fire.

Me: And Hellfire, so awesome!

Mr. Jinks: And Ghost Rider had given me training with those powers of fire and Hellfire and I also learned how to use The Penance Stare along with creating some techniques based on The Penance Stare.

Nico: (WHISTLES)

Me: No way, that's so… AWESOME!

Nico: Nice. Alright, team, let's get our cars and get to Encephalonus IV and take down Maelstrom Seahorse.

Lincoln: She'll be perfect for The M.O.E., but the rapists located there, they're getting The Penance Stare and a one-way trip to Hell.

Nico: YEAH!

The Previous Group came

Dr. Light: Can me, Whiteout, Dark Laser, Robo Blaze, Robo Roxy, Skulker, Atomic Skull, Ghost, Steam Smythe, and the U-Foes go with you guys?

Vector: Welcome back, Megan.

Vapor: How was your trip?

Megan: It was really fun thanks.

Nico: Also yes you all can come with. We're going to Encephalonus IV for the next race.

Camie: But now we're dealing with the hypothetical Akuma of Horsea.

Nico: Yep.

Maria: Not good.

Vapor: Oh man!

scenes)

secs agoCommander Mars: Nico, which Gene Slammer do you think you'll meet next?

Nico: Dark Mantis this time.

Nicole: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Larry Regelmann A.K.A. Lord Death Man, and he's coming here to kill us to slake his thirst for blood. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Larry Regelmann A.K.A. Lord Death Man, and he's coming here to kill us to slake his thirst for blood.

Nicole: Oh boy. I should've known that asshole would be coming.

Dawn Branco: Yes, but this is also a perfect opportunity for us to get rid of him.

Lincoln: Right, Dawn. But, we got to watch it with him, he's immortal and he's able to tolerate levels of pain.

Nico: If we're dealing with someone like that, you guys better be careful with him. Alright, gang, let's go, we're heading off to another race, this time, it's on Brainstorm's planet, Encephalonus IV.

Lincoln: And we're going to take down Maelstrom Seahorse and kill the rapists there, and once we get done with that, you're next, Lord Death Man.

Dawn Branco: I'm not letting a bastard like you get away with this, your punishment is coming, Larry Regelmann.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Encephalonus IV for an awesome race and we're also going to battle Maelstrom Seahorse, and hand her over to Vypra, and kill rapists that were located there, and once we get done with that, Lincoln and Dawn Branco along with me are going to destroy Larry Regelmann A.K.A. Lord Death Man.

We were off to Encephalonus IV.

---

We arrived on Encephalonus IV.

Qin: Wow.

Dark Laser: Here we are, Flipsy.

Nico: Yep. Welcome to Encephalonus IV.

Michael Morningstar: Boy this brings back memories. I battled you all as Darkstar here.

Nico: You sure did. And we battled Aparoid Pigma here.

Camie: Wow!

I looked over the route and saw that it went above the planet through much of the storm clouds and through the temples.

Nico: Wow this is gonna be fun.

Windsweeper: Let's get our vehicles ready.

We went and did so.

We went to the startling line and got them ready.

Robo Roxy: Are you okay, Horsea?

Horsea: Yeah. I'll be okay.

Maria: Good.

Gilda: Just wanted to know. Since we're about to face your Akumatized form

Horsea: Okay but I don't know what it even looks like.

Nico: We'll find out.

The race was about to start and we got in our cars.

Atomic Skull: Anyone else scared by the planet?

Camie: I am. The storm clouds are creepy.

Xenia: They sure are.

Varie: Yeah.

Tsuyu: This place is really scary.

The race was about to begin.

Billy Natson: AND Welcome to another most exciting race in the field of racing. Hello I'm Billy Natson and we have an amazing treat for you today. We are on the home planet of Brainstorm, Encephalonus IV and we're going to race through this ominous and stormy world. WOW! With us is our very own Team Loud Phoenix Storm and their awesome archenemies in the Masters of Evil! You all ready for some fun?

WE CHEERED!

Me: Bring on the race Billy!

Nico: Lets burn rubber!

Billy Natson: Love that racing spirit everyone! Lets get it on!

Krysta: RACERS TAKE YOUR MARKS!

We were ready!

Krysta: (GETS OUT GREEN FLAG) GET SET…

We had looks of determination.

Krysta: (WAVES THE GREEN FLAG) REV UP AND GOOOOOOOO!

WE GUNNED IT AND FLEW OUT OF THE GARAGE IN OUR JET CARS FAST!

ZOOOOOOOOOMMMMM!

Billy Natson: AND THEY'RE OFF!

We saw the storm clouds of the planet REALLY Surging with intense lightning as we raced.

Me: WOW! The clouds are really scary.

Lola: Boy they sure are!

Varie: Just as sccary as they were the first time we were here.

Nico: Yeah!

ZOOM!

Agony: EAT OUR DUST!

Me: Oh yeah?!

WE ZOOMED FAST!

THUNDERCLAP! THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning and thunder struck all over as we flew past all the buildings and through the storm clouds.

Juandissimo Magnifico: (Spanish Accent) My vehicle is just as sexy as me!

Nico: We'll see about that amigo!

Xenia: YEAH!

---

Me: Wow! The lightning is intense!

Steam Smythe: I'm in the lead right now!

RAinbow Dash: NOT FOR LONG!

ZOOM!

Scootaloo: LETS DO THIS!

Nico: YEAH!

We came into the middle of the huge Eye of a storm and it was amazing!

Me: Wow! This is amazing!

Nico: Like the eye of a hurricane.

Me: Yeah. Wait look!

We saw something and we saw Horsea's Akuma form, MAELSTROM SEAHORSE! It looked like The Loch Ness Monster!

Horsea: WHOA!

Maria: WOW! Your Akuma form looks so much like the Loch Ness Monster!

Ilia: Horsea, please don't be scared

Horsea: WOW! I'm not scared at all. I look awesome like this!

Nico: You do? Wow.

Nicole: Lets get her!

X Ray: Hold on. Not yet.

Ironclad: She's probably waiting for us at the end

Me: She might be.

Nico: She's REALLY up ahead. But lets fire a couple of warning shots and sneak in low and surprise her. J.D.?

Me: Good idea.

I pressed some buttons and fired missiles and they hit Maelstrom Seahorse and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOMMMMM!

KRABBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

We ducked into the clouds and hid before she saw us.

Meowth: Never thought I'd EVER see an Akumatized Pokémon!

Me: Me neither!

Horsea: But this is cool!

Qin: It sure is!

Horsea: I look like the Loch Ness Monster too.

Varie: I know.

Maria: So awesome.

Ghost: She looks nothing like Kingdra!

Nico: No kidding!

Gabriel: Believe it or not this is exactly how I envisioned Horsea to be Akumatized.

Horsea: Really? Wow.

Gabriel: Yep.

Dreamcatcher: Did you think she would be so big?!

Gabriel: No but it's fitting for her.

Horsea: Thanks.

Qin: It's cool.

Skulker: All because rapists hurt the Maria she knew

Nico: Yeah!

Maria: No kidding!

Qin: Yeah.

William: If anyone did that I would kill them too!

Teen Titans Lightning: I personally like the lightning here

Teen Titans Thunder: Me too.

Qin: This is amazing though.

Lola: Yeah.

Lincoln: I agree.

Robo Blaze: How close are we now?

Me: 50 klicks.

Nico: Just about there.

X-Ray: NOW is it entrance time?

Thorax: First, let me turn into someone comfortable

He turned into Roman Torchwick!

Me: Roman Torchwick?

I saw an X on his jacket.

Drakus: Ooh the X-Squad version of him. Good choice Thorax.

Thorax: Thanks.

Cynder: NOW, it's entrance time!

We went at her.

Maelstrom Seahorse looked around!

But then the spirits of the crabs came and they swirled around her and converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then we appeared!

Horsea: Hey good looking! What's cooking!

Whiteout: Horsea? Is that you?!

Maelstrom Seahorse: I am still Horsea but I am the destroyer of Rapists and I will make sure the oceans are red with their blood! I am MAELSTROM SEAHORSE!

Nico: WOW!

Poliwag: You wouldn't hurt your own boyfriend. (Does puppy eyes) Would you?

Maelstrom Seahorse: (Sympathetically) Of course not Poliwag. I love you more than anything and I can never bring myself to hurt my boyfriend as well as the woman that gave me love and an awesome home. It's just that Rapists make me mad and all that.

Me: Who can blame you. I HATE Rapists more than anything and they make me so sick!

Double D: Horsea, you calm down and surrender right now, young lady!

Eddy: Hey can it sockhead! Besides we're not going to to get her to calm down that way.

Maelstrom Seahorse: He's right. I won't stop until all rapists are dead.

Nico: They do deserve death for their crimes.

Qin: I agree there.

Me: Sorry we have to do this to your Akuma form Horsea.

Maelstrom Seahorse: I meant what I said, Maria. I can't bring myself to attack you or Poliwag. But I can't have you two in a position where you can stop me.

She used her tail to touch pressure points in Poliwag and Maria's bodies, paralyzing them and making them fall down.

But the Paralysis didn't work.

Maria: I still have to stop you.

Poliwag: Me too!

We fired waves of lightning and electrocuted her.

He fired a wave of energy and lightning and blasted her.

Nico: YEAH!

Horsea: I can't believe I'm doing this. (squirts ink)

She squirted ink into her eyes and blinded her.

Lincoln formed a massive indestructible diamond barrier that protected all of us from bullets that came from nowhere.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Larry Regelmann A.K.A. Lord Death Man, or we will force you out.

A figure came out, and it was none other than Larry Regelmann A.K.A. Lord Death Man, Gotham's immortal supervillain.

Lincoln: Larry Regelmann A.K.A. Lord Death Man.

Dawn Branco: Gotham City's immortal supervillain, now, you will answer for every last one of your crimes.

Suddenly, Dawn Branco's yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with stars, light, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Larry Regelmann A.K.A. Lord Death Man, she left yellow energy, stars, light, magic, fairies, phoenixes, and angels with every step.

Dawn Branco: Your crimes have gone unanswered for years, Regelmann, you've caused more than your fair share of crimes and chaos in Gotham for far too long, you have a lot to answer for, and I'll make sure you pay for your crimes with your own blood.

Suddenly, Dawn Branco was surrounded by a massive vortex of yellow energy with stars, light, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Larry Regelmann A.K.A. Lord Death Man: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Dawn is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting bruised more than once for his misdeeds.

Then, as the vortex faded, Dawn Branco emerged, but she was changed forever.

Dawn Branco grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large golden yellow planets orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long golden yellow hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a yellow energy aura with stars, light, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a light fairy with a sun in her hands emblazoned on her forehead with yellow iris, she has on fairy earrings with yellow gems for eyes and holding the Star, Magic, Light, and Eternity Kanjis in her hands, she also has a light fairy with yellow gems for eyes and holding the Star, Magic, Light, and Eternity Kanjis in her hands for the second pendant on the bottom of her yellow fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Dawn Branco felt a sharp pain on her back, and then, her massive yellow and black butterfly wings with yellow tips grew much larger for her new body and medium sized yellow and black butterfly wings with yellow tips grew and sprouted out underneath her massive yellow and black butterfly wings with yellow tips and she also now has eleven massive and long yellow wolf tails with white tips and white markings, Dawn Branco has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Dawn Branco's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of yellow energy, stars, light, magic, fairies, phoenixes, and angels, and when it emerged, it was transformed into Dawn Branco's Cosmic Eternal Solar Fury Magic Light Fairy Queen Phoenix God Angel Greatsword of Cosmic Eternal Solar Fury Magic Light Fairy Queen Phoenix God

We were amazed by Dawn Branco's Super Angel-Light Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Death Man saw it, he fired bullets at her to kill her, but Dawn Branco fired a massive barrage of purple energy, stars, light, magic, fairies, phoenixes, and angels which hit Death Man and sent him flying into another wall, he got back up, but he survived the impact.

Me: No way, did Dawn just transform?

Lincoln: She did, now, we can tear Death Man apart and make him pay for everything.

Dawn Branco: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Solar Fury Magic Light Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Harmony Solar Fury Magic Light Fairy Queen Phoenix God Angel Love) You said it, Lincoln. Alright, let's get him, boys!

Lincoln, Dawn Branco, and I went after Larry Regelmann A.K.A. Lord Death Man, and we fired extremely powerful blasts of rainbow energy, yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Death Man, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Dawn Branco also did the same by firing yellow energy slashes from her massive greatsword, and he, Dawn Branco, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Death Man even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Lord Death Man in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Lord Death Man into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated Lord Death Man's Immortality, Regenerative Healing Factor, Meditation, Expert tactician skills, leadership skills, Expert Martial Artist skills Expert Marksman skills, and High pain tolerance.

Then, when Lincoln was done, Lord Death Man was fully absorbed into his body and he sent Lord Death Man to The Black Gates forever. Everyone cheered wildly for what Dawn Branco, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Dawn Branco's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive yellow and black butterfly wings and medium sized yellow and black butterfly wings underneath are permanent.

Dawn Branco: Your immortal life of crime ends here. Thanks for helping me take down Larry Regelmann, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Dawn.

Me: My pleasure, Dawn.

Suddenly, Dawn Branco wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Electra Tempest's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light shining down on them and we cheered wildly. Then, Lincoln and Dawn Branco sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Dawn Branco and hugged us.

Luna: No kidding dudes, you guys taught that immortal supervillain a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Marlene Lucibello, Goddess of The Light Type Pokemon and Avatar of the Elemental HEROES of Light.

WE GASPED!

Selene Arcangela: Oh man, I knew you'd pick her, and you guys are going to be impressed by her, Marlene Lucibello is Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of light and light magic, and she also has white angel wings. She's an extremely and very powerful master of Photokinesis, and she also has the power to create monsters of light and she also has the ability to summon angels. She's also the strongest Light Type Pokemon Trainer, and she owns a gym in the Kanto Region near a church where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble.

May: I remember her all too well and we heard the tale about her during our travels there. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would strike them down as the only thing they'll hear is the sound of church bells ringing: to them, that's the sound of judgement.

Nico: Wow.

Me: That's someone no one would ever want to mess with.

Selene Emperyous: And she also has the Light Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated a Rare

Hunter by the name of Michael Blackthorn, and because of Lincoln's intelligence gathering along with looking into the past duels he'd won through Yami Marik's deceit, he exposed Michael Blackthorn as one of the Rare Hunters, and as a result, he was banned for life from any future Duel Tournaments.

Michelle Emperyous: But, he tried to get revenge on them by trying to shoot them with a gun, but Arpina Apollonia and her friends took him down and they banished him to The Shadow Realm.

Me: Now, that I remember all too well, and that exposed Yami Marik to us that day years ago long before our battle with The Demon Sorcerers.

Arpina Apollonia: He deserved it. She trained Lincoln really hard in using the powers of light and he even went to her gym and he really worked out hard there. Lincoln made her a light greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Luan with a blazing passion because of all the attempts she's made to kill him, and it got Marlene so pissed off, she brutally smashed and pulverized Luan hard into the ground, and she sent her to the hospital and she was in a full body cast for two months.

Nico: Yikes!

Me: Messing with someone like Marlene is a huge mistake, no one wants to mess with nor tangle with her.

The winners were given a crystal trophy shaped like the planet Encephalonus IV and it had lightning and Brainstorm on top of it.

Dai Gui: Congrats, you 3.

Rainbow Dash: Thanks, guys!

Nico: Way to go RD!

Twilight Sparkle: You three did great Rainbow Dash.

Rainbow Dash: Thanks.

Brain Freezer: And we took down Horsea's Akumatized form.

Me: That is true.

Man Boy: Even though her motives were understandable.

Me: Yeah.

Diabolico: I just hope Horsea herself isn't traumatized.

Horsea: Nah. I thought it was cool!

Maria: Good.

Riddler: Riddle me this: Where do we celebrate?

Nico: Lets head back home for that. Great job everyone!

Rainbow Dash: (To the viewers) What a fun race guys!

Me: Yep.

We went back home and went to Lynn's Table and had a great meal. But after that NICO WENT TO THE BATHROOM!

Nico runs into the bathroom. We hear him groan, then the toilet flushes, then he comes out.

Nico: Phew! I wouldn't go in there for a couple days. Or weeks.

Nico's toilet comes out of his bathroom groaning.

Nico's toilet: Please, please, somebody put me out of my misery! [toilet jumps into my hands, coughing] Have mercy on my soul… ! [toilet dies]

Me: There goes another toilet!

Nico: Sorry.

We later enjoyed the rest of the day and went to sleep.

Aylene C.: Boy it feels great to be back in the Great Valley.

Xenia: It sure is looking good.

Camie: I'll say!

Varie: The Great Valley is just as amazing as ever.

Me: It sure is.

Eli: Yeah.

Me: I always like coming to the Great Valley. It's so fun.

Nico: I'll say.

Kazuma: I agree.

Nico: Kazuma, I want to thank you, Piledriver, and your teams for coming

Kazuma: No problem. This will be awesome and fun.

Camie: It sure will be.

Nico: Borealis, what do you like to do in your free time?

Borealis: I like raising wolves in my wolf sanctuary. It's so fun.

Me: It sure is. Wolf Sanctuaries are awesome and fun.

Lola: I agree.

Camie: Me too.

Qin: I love wolves. They are so beautiful.

Tsuyu: They sure are.

Borealis Wolffang: I agree too. It's such a great thing.

Nico: What's your opinion on Werewolves?

Borealis: They are just like wolves like me and my pack. And they are awesome.

Camie: They sure are.

Qin: Yeah.

Me: Yep. Man Yesterday's race was so cool!

Laney: It sure was!

Rainbow Dash: Boy it was awesome!

Me: And Nico what did we learn yesterday?

Nico: Don't go overboard on chili?

Me: Yep. Just like you told me.

Qin: Yep.

WE LAUGHED!

Me: Yeah. But seriously don't go overboard on chili.

Nico: I know but I couldn't help it. I am a Saiyan and you know how much my race eats.

Me: True. But next time don't eat that much chili.

Nico: Okay.

May: There was a lot of lightning in that race

Nico: No kidding!

Me: But it was an amazing race.

Maria: But it was cool seeing the Akuma of Horsea.

Me: No kidding! She looked so much like the Loch Ness Monster.

Lola: That was cool!

Qin: It sure was.

Nico: Is Horsea okay from all that?

Maria: She's fine. But she was really in awe and loved the Akuma form she saw.

Me: Good.

Nico: That is cool.

Me: Yep.

Nico: I was worried she was traumatized.

Me: Me too.

Nico: Yeah.

Maria: Same here.

Nico: But at least she's okay.

Maria: Yeah.

We walked around.

Nico: Boy the Great Valley is awesome.

Me: Yep. There's our quarry.

I pointed to Threehorn Peak.

Nico: Whoa so that's Threehorn Peak. And you weren't kidding when you said it looked like the head of a Triceratops.

Fu: There was no doubt. But that was where the Stone of Cold Fire landed. Right on top of it.

Nico: And we're going to get it.

Me: Yep. Follow me guys.

Nico: Okay you lead the way.

We flew to Threehorn Peak.

We were flying towards it.

Nico: Wow! It looks really awesome.

Eli: It sure does.

Aylene C.: I know. And this will be cool.

Me: Yep.

We landed on top of Threehorn Peak.

Me: Okay here we are. And there's the landing groove in the mountain.

Nico: Wow it really carved into it.

Xenia: Yeah.

Nico: What does it look like?

Me: Well it looks like a big blue rock.

Aylene's Time Stone then was glowing.

Aylene C.: And it's made of the same material as my time stone.

Me: Lets go.

We followed the trench.

Then we saw it.

Me: That's it right there.

We saw THE STONE OF COLD FIRE! It was a big blue rock as a sofa.

Nico: WOW! So that's the Stone of Cold Fire.

Qin: Incredible!

May: Amazing!

We saw blue fire radiating from it!

Me: Wow! Blue Fire.

Nico: That is amazing!

Nicole: I've never seen anything like it.

Nico: Who gets it?

Aylene C.: I will get it. Me and Littlefoot saw it. So I will get it.

Me: Okay.

Aylene went up to it and touched it and then she was enveloped in an aura of blue fire and it didn't burn her and The Time Stone then started glowing even brighter. Almost too bright too look at. The fire felt cold When the fire was gone, Aylene turned back to the others.

Me: What happened Aylene?

Nico: Is the stone really magic?

Aylene C.: Yeah it is! In fact, many Stones Of Cold Fire exist in the all over. The Rainbow Faces believe that humans and dinosaur can get along. So they broke apart most of The Stones Of Cold Fire and painted the parts in different colors. They they used the last remaining stone to power them and only let certent humans such as myself use the small stones.

WE GASPED!

Me: WOW!

Nico: That's incredible!

Lincoln: That is amazing!

Maria: Good to know.

Aylene C.: That is amazing to know.

Me: That is incredible.

Then the stone glowed and then Aylene's Sword glowed and it bursted into blue flames and then the stone merged with it and Aylene got a new sword! It was called THE SWORD OF COLD FLAMES!

Nico: WHOA!

Camie: That sword is cool!

Aylene C.: Wow!

Nico: Didn't see that coming!

But then we all were ENVELOPED IN BLUE FIRE AURAS and then we got the powers of Cold Fire.

Me: WHOA! Now we all have the powers of Cold Fire too.

Nico: Cool!

Aylene C.: Wow! This is amazing!

Camie: Yeah!

Himiko: Wow! I wonder what this power can do?

Me: We'll find out soon.

Nico: We sure will

We went back to the Great Valley and told everyone all about the

Stone being magical and more.

Sona: Oh my goodness!

Ducky's mom: That is amazing! You all were right!

Cera's dad: That is amazing. I guess I was wrong about the Rainbow Faces.

Me: It's complicated.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of Dr. Wily is here in The Great Valley, and he's back from the dead to get revenge on us for killing him numerous times.

WE GASPED!

Me: WHAT?! Oh, what a sore loser!

Nico: Honestly, that bastard's got some nerve! Wait, do we know who it was that did the dirty deed?

Lincoln: Let's find out.

Lincoln unholstered his unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism and he drew a rune on the ground. Then, the rune glowed and fired a beam of light which hits the Dr. Wily clone and it forms into an orb of light which travelled back to us, and then, we saw who it was that made that clone: it was Dr. Wily, the real one! He created that clone of himself as a contingency plan in case he was finally taken down!

Eli: I can't believe it!

Lincoln: Natalie's so going to be pissed when she finds out about this!

Suddenly, Natalie Wily appeared, and she was mega pissed!

Me and Nico: Too late.

Anna Anyanova: Uh oh.

Natalie Wily: That bastard, who does he think he is?! I'm gonna… !

Girl Jordan: No, Natalie, leave him to me, Leeli, and her brothers, Janner and Tink, we'll deal with him.

Me: Oh, this is going to be good.

Nico: If Girl Jordan, Leeli, and Lincoln sing Yurgen's Tune, it'll end with that clone of Dr. Wily dying horribly.

Lincoln: Just like what we did to Carnage.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: I literally can't believe that a clone of Dr. Wily is here. He just doesn't know when to give up.

Me: No kidding!

Camie: Who is Dr. Wily?

Me: He's a mad scientist and is Mega Man's Archnemesis. For years he has been trying to take over the world by using robots of his own making as weapons of power.

Ring Man: That's right and he was responsible for making many of us.

Me: Yep.

I went over his history.

---

Doctor Wily, better known as simply Dr. Wily or Wily, is the main antagonist of the Mega Man franchise, serving as the main antagonist of the classic series and the overarching antagonist of all subsequent series.

He is an obsessively ruthless scientist, the arch-nemesis of Mega Man and also the former college friend turned arch rival of Dr. Light, who strives to conquer the world and to one up his competition. In almost all of his appearances, he does this through enlisting an army of Robot Masters to assist with his plans, which are always foiled by Mega Man.

He was voiced by Scott McNeil in the Ruby Spears Mega Man cartoon, Dean Galloway in Mega Man: Powered Up (who also voiced Chill Penguin in Mega Man: Maverick Hunter X), and Keith Silverstein in Mega Man 11. The latter also voiced Hawk Moth from Miraculous: Tales of Ladybug and Cat Noir and HUNK from the Resident Evil series.

Dr. Albert W. Wily was always an extremely intelligent and knowledgeable person. He was a classmate of Dr. Thomas Light, and both of them graduated together, receiving their PhD almost simultaneously. The two were responsible for many great advancements in the field of robotics, but it was Dr. Light who always seemed to win the accolades. Dr. Light won the LIT Manual Design contest four years in a row, the World Engineer First Prize, and even won a Nobel Prize for Physics (Wily was nominated, but did not win). Though the two doctors worked closely together, they eventually broke up due to conflicting views. Wily developed a prototype for what he called the Double Gear system, which could push robots beyond their capabilities, but his research was shut down by a committee, with Light siding with them due to believing Wily's research was too dangerous. Wily abandons his research and disappears into his own self-imposed exile, not being heard from again for quite a while.

Years later in 20XX A.D. while Wily was gone, Dr. Light succeeded in completing designs for an independent humanoid robot, albeit one designed specifically for combat applications-Proto Man. However, after a violent and destructive defect was discovered in Proto Man's power core, he disappeared, and was found, broken-down, years later by the exiled Dr. Wily. He repaired Proto Man, and exchanged his solar power reactor for a nuclear one, knowing that this only provided a temporary fix. From here on out, Wily began formulating his plans for world domination as revenge against those who shunned him, while Dr. Light continued designing other robots for various purposes. When the day finally came and Wily declared his revolt, he stole six of Dr. Light's robots (eight in Mega Man Powered Up), reprogrammed them, and turned them on the world.

Rock, a household robot built by Dr. Light, volunteered to be converted into a fighting robot, and thus Mega Man was born. Mega Man set out and stopped Wily's evil plans. Wily escaped Mega Man's clutches, and lived to strike again and again with more advanced Robot Masters he designed himself. Mega Man stopped his plans time and time again, even when Wily framed others for his schemes, like Dr. Cossack and even Proto Man himself.

In the first game in the series, Wily uses the stolen robots from Dr. Light to take on the world, but is challenged by Mega Man. He is fought at his fortress, where he uses his Wily Machine to fight in two phases. In the first part, he will just drop random shots. In the second part, he will use spiraling shots. after being defeated, Wily ask Mega Man for forgiveness.

In the PSP remake, Wily's role is much of the same as in the original game, although, in the intro sequence, Dr. Wily is shown stealing Dr. Light's Robot Masters after announcing his plans for world domination (the actual speech implying that he merely decided to take over the world on a whim). He also mocks Light by saying that all his creations were junk after they are defeated and invites Mega Man (or the other playable characters) to challenge him at Wily Castle. Following his defeat he begs for mercy and promises to change his ways, although whether these claims are held up or not is not shown.

After some time, Dr. Wily returns once more, this time using his own Robot Masters called the Wily Numbers Series to take on the world, and once again being challenged by Mega Man. The fight once again is divided into two phases. In the first, he attacks using shots that go down then up in an arc. His weakness is the Atomic Fire. In the second phase, he attacks using bouncing shots. This phase is weak against the Air Shooter. After the Wily Machine is destroyed, Wily retreats to the back of his fortress, where he transforms into an alien robot. His only weakness is the Bubble Lead. As Mega Man defeats the alien form, the room's lights are turned on, and is revealed that the alien was just an hologram controlled by Wily. Once again defeated, Wily begs for forgiveness.

Wily pretends to be reformed, and joins Dr. Light in the construction of Gamma, a titanic peace-keeping robot. While they work on it, they also work on new Robot Masters and the Doc Robots. However, they all turn berserk for some reason, fleeing with some of Gamma's parts. Mega Man is sent to fight them and retrieve the parts, but after the fight is over, Wily runs away with Gamma planning to use it to conquer the world.

Mega Man follows him to his fortress and fights his new Wily Machine. The machine has two phases, the first being weak to the Spark Shock and the second to the Hard Knuckle. After the machine is destroyed, Mega Man finds that the Wily controlling it was a fake, so goes deep into the fortress, where Wily is waiting for him, controlling Gamma to defeat Mega Man. The first form's weakness is the Shadow Blade, while the second is the Top Spin, which is very hard to hit. After being defeated, the fortress starts falling down, and both Mega Man and Wily are crushed under debris. Proto Man rescues Mega Man, but is unable to find Wily, who is then presumed deceased.

A Russian scientist called Dr. Cossack sends a message to Mega Man, challenging him to fight his Robot Masters to prove he was the best scientist in the world. Mega Man defeats his robots and challenges him in his Siberian fortress, but the fight is interrupted by Proto Man, who brings Cossack his daughter Kalinka, revealing that Wily had kidnapped her and forced Cossack to work for him. Mega Man follows Wily to his fortress again. His new Wily Machine now have a skull motif that would be followed by all subsequent games. the first phase's weakness is the Ring Boomerang, while the second is the Drill Bomb. As it is destroyed, Wily escapes in his Wily Capsule, which also would become the final boss for the subsequent games. It's weakness is the Pharaoh Shot. As he is defeated, Wily escapes through a secret door while his castle crumbles.

Proto Man apparently turns evil and unleashes an army of Robot Masters to take over the world, all the while he kidnaps Dr. Light, leaving his scarf behind. Mega Man, helped by Dr. Cossack, goes after Proto Man, but refuses to fight him. Just then, the real Proto Man appears and reveals the other was Dark Man, a fake created by Wily to frame Proto Man for his crimes. Mega Man defeats Dark Man and goes after Wily. Wily first fights using a giant press, then retreats after defeat. He now uses a new Wily Machine, that can be easily defeated with the Super Arrow. He again escapes in the Wily Capsule, whose weakness is Beat. Wily tries to escape, only to be followed by Mega Man, who also rescues Dr. Light. But then the castle begins to crumble, as the ceiling falls over them. Mega Man holds the ceiling, and Wily takes the opportunity to escape. Proto Man appears again and helps Mega Man and Light to escape.

In Wily Tower, a unlockable game from Mega Man: The Wily Wars, Wily creates the Genesis Unit; a team of robots comprised of Buster Rod G, Mega Water S and Hyper Storm H, challenging Mega Man to defeat his new robots in his new fortress. Mega Man defeats them and topples Wily's fortress, whilst Wily is chased into the sunset, escaping only by reaching his UFO.

At some unknown point between the second and sixth games, Wily creates the Mega Man Killers; Enker, Punk and Ballade, special robots specially designed to defeat Mega Man. He also creates Quint, who is apparently a future self of Mega Man whom Wily kidnapped and reprogrammed. Each of them is fought in one game. Mega Man defeats the all, even being saved by Ballade at the end of the fourth game.

Mega Man is challenged by a robot called Terra, but is defeated. Soon, Terra reveals himself as the leader of the Stardroids, alien robots seeking to conquer earth. Dr. Light gives Mega Man new upgrades, allowing him to defeat them. Once he defeats Terra, Dr. Wily reveals himself, having created the Stardroids after a real alien robot called Sunstar. Wily activates Sunstar, who promptly attacks him, forcing him to retreat, and fights Mega Man. Wily is last seen attempting to attack Mega Man but failing and running away.

Wily is unheard of for some time, when an eccentric billionaire known only as Mr. X promotes the first annual Robot Master

Tournament, with robots from all over the world. When the eight finalists are decided, Mr. X reprograms them to obey him and decides to take over the world, claiming he had been using Dr. Wily as a pawn the whole time. Mega Man takes the challenge and defeats the tournament robots, going after Mr. X. However, as Mega Man defeats him, he reveals that he was actually Dr. Wily in disguise, running away to his new castle. Mega Man fights his new Wily Machine, whose attacks involve jumping around and shooting. As the machine is destroyed, he continues the fight on the new Wily Capsule. All three forms are very weak to the Silver Tomahawk. Defeated once again, Mega Man captures Wily, who is finally imprisoned.

The world was once again at peace, as Dr. Wily was spending his days in a high security prison. However, Wily always thought his plans might end with him arrested, so he devised four robots who would awake and look for him in case he remained a long time absent from his lab. After six months, the robots awaken and start looking for their master. Mega Man rushes into the scene, only to watch while the robots free Wily, who runs away. Mega Man goes after him, but is confronted by a mysterious robot. After a brief fight, the robot identifies himself as Bass, saying that he and his partner Treble were protecting the city while Mega Man was out. Mega Man goes after the robots and defeats them, when Wily attacks a Robot Museum to steal Guts Man, also sending another four robots to attack the city. Mega Man goes after the robots and finds Bass again, who was apparently damaged, and tells him to go to Light's lab for repairs.

After the robots are defeated, Mega Man returns to the lab only to find it destroyed, as Bass had blown the entire place. Wily contacts them and taunts them, telling that Bass was actually his creation. Mega Man then goes after Wily on his new fortress, fighting Bass twice. He finally finds Wily, who attacks Mega Man on his new Wily Machine, which just jumps around and throws some small walker robots. As the machine is destroyed, Wily continues the battle on the Wily Capsule, this one being infamous as the hardest fight against Wily. As Mega Man defeats Wily once again, he decides to kill the mad doctor, but hesitates after Wily tells him that robots cannot harm humans. This gives Bass enough time to burst in and rescue

Wily. Mega Man then escapes the crumbling lab.

A meteor falls on Earth, and Dr. Light find some strange energy readings. Mega Man, who was fighting Bass, interrupts the battle and goes after the meteorite, who have fallen on a uncharted island. Once on the island, he finds Dr. Wily, who have been using that island as his base. He picked something from the meteorite, which he claims is more powerful than the island, and runs away. Mega Man then finds a strange robot on the crash site and contacts Dr. Light, who goes to pick the robot while Mega Man goes after Wily. Mega Man fights four of his robots, all which seemed to be powered up by a strange form of energy, which Mega Man collects and brings to Dr. Light. Suddenly, the mysterious robot wakes up and destroys the strange energy, running away after that. Mega Man goes after him and they have a brief fight, but the robot runs away again. Proto Man appears and tells Mega Man the robot is going after Wily's new fortress; the Wily Tower.

Mega Man goes after him as well, only to be attacked by a giant robot that protects Wily's fortress. The mysterious robot helps Mega Man and destroys the robot. He identify himself as Duo, telling Mega Man that he was created to destroy the Evil Energy, a strange form of energy that feeds on evil thoughts and multiplies itself. Wily had obtained this energy and was now using it to power up his robots, but his fortress was protected by some kind of barrier. Mega Man goes after Wily's new robots and destroys them, lifting the barrier on the fortress. Once there, he fights Bass once again and defeats him, but gets captured by Wily. Duo appears and saves Mega Man again, but ends up exhausted. Proto Man then appears as well, taking Duo away while Mega Man faces Wily.

His new Wily Machine can be easily defeated using the Water Balloon, while the Wily Capsule can be defeated with either the charged Buster or the Flash Bomb. Defeated once again, Wily asks for forgiveness, to which Mega Man replies that he's using the same old apology again. Suddenly, a portion of Evil Energy comes out of Wily's Capsule and attacks Mega Man, something Wily was never expecting, as the entire place crumbles. Duo finds Mega Man, but he has been badly hurt and was now infected with the Evil Energy. He removes the energy from Mega Man, when Proto Man appears.

Duo tells Proto Man to give Mega Man a message when he gets better. Mega Man is taken to Dr. Light's lab and is restored. Proto Man meets him, and gives him Duo's message.

After Bass previous defeats against Mega Man, Wily starts doubting Bass abilities, creating King in order to test him. However, King breaks free, deciding to create a country for the robots, stealing some of Wily's robot schematics and invading a robot museum, intending to create his own army of robots. Wily sends Bass, who reluctantly teams up with Mega Man to face King. Once King is defeated, Wily reveals his plans, brainwashing King to fight again. Bass is enraged, facing Wily by himself. Wily tells Bass his plans and shows him his plans to create King MK-II, but Proto Man invades his lab and destroys the plans.

Wily reconstruct various of his robots to take over the world. Mega Man teams up with Proto Man to fight Wily's forces, being joined by Bass, who wants Wily to "stop making junk robots", so he can defeat Mega Man by himself.

On the second game, Wily once again uses reconstructed robots, kidnapping Roll and stealing special parts. Mega Man, Proto Man and Bass once again go after him, this time with Duo's help as well. On Bass's ending, Wily tell him how he accidentally created the Bassnium, which he used to create Bass himself, and shows him the blueprints of a new robot he was creating, which he claimed would be much stronger than any robot, which Bass promptly mocks for it's girlie-looking appearance. The silhouette in the blueprints is obviously that of Zero from the X series, which confirms Wily was indeed his creator.

Some time have passed after Wily's last defeat at Mega Man's hands, and the world was at peace. It was not for long, however, as robots start going rampant. Surprisingly, these robots were all made by Dr. Light. Wily shows himself, claiming no responsibility on the attack and blaming Light, asking for donations to create new robots to fight Light's robots. Mega Man decides to fight the robots and discover what Wily is scheming, while Dr. Light was taken under arrest.

Upon defeating them, Mega Man recovers their memory chips, discovering that they were all created with an expiry date and were scheduled to be retired, so Wily simply convinced them to be reprogrammed by him. Wily invades the lab and steals the memory chip, retreating to his new fortress. His new Wily Machine has a dinosaur shape, and the only way to harm it is by deflecting the explosive eggs it spits. Upon losing half health, it starts moving around and shooting fire, it's weakness being the Concrete Shot. After being destroyed Wily continues the fight on his Wily Capsule, which is weak to the Plug Ball.

Upon defeat, Wily once again asks for forgiveness, so Mega Man shows him every single of his previous defeats. Wily tricks Mega Man into thinking Light was imprisoned on the next room, even though Proto Man warns him that was a trap. Mega Man is electrocuted upon inspecting the fake Dr. Light, which gives Wily time to escape while his fortress crumbles. Proto Man rescues Mega Man in time, and Light is freed from jail, as his innocence was now proven. Wily is last seen being chased by Concrete Man during the credits sequence.

A strange virus called "Roboenza" starts affecting robots everywhere, making them fall sick. One month after the virus outbreak, the infected robots turn violent and destructive, as they start rampaging. Roll falls sick, and shortly after Wily crash-lands near Dr. Light lab, being rescued by Mega Man. Wily claims that he has been developing an anti-virus, but his robots turned against him and stole his medicine-making machine, so he asks for help to recover the machine. Mega Man decides to go after the infected robots, being joined by Proto Man while Wily develops a prototype cure, which he gives to Roll.

After the medicine-making machine is retrieved, Wily runs away with it, revealing himself as the creator of the Roboenza and telling that any robot wanting the medicine should work for him. Mega Man falls sick too, but Roll, who had not used her vaccine, gives it to Mega Man, so he could go after Wily at his new fortress. Wily first fights on the Wily Machine, which now has a pirate motif. He attacks by shooting huge rockets from the mouth which can be used as platforms and shooting homing missiles. It is weak to the Solar Flare. Once the external shielding is destroyed, the machine's cockpit is revealed, so he starts attacking with lightning bolts, it's weakness being the Water Shield. As the machine is destroyed, Wily escapes on the Wily Capsule, retreating to his stratosphere base. The Wily Capsule can be easily defeated with the Chill Spike. Once he is defeated, Wily falls sick with a high fever, so Mega Man takes him to a hospital. Dr. Wily runs away from the hospital, but leaves behind a large quantity of medicine to cure the infected robots, presumably out of gratitude.

During a dream, Wily recalls his youth days with Light and his Double Gear research. He then decides to finish and perfect his old research, completing the Double Gear system and installing it on his own UFO. He crashes into Dr. Light's lab during a routine maintenance and steals eight of his robots, reprogramming them and installing the Double Gear onto them. Dr. Light, fearing Mega Man would have no chance at fighting the Double Gear-powered robots, picks up the Double Gear prototype which he had been keeping this whole time and finishes it, installing it on Mega Man.

Mega Man defeats the eight Robot masters and confronts Wily on his new fortress, first on his new gear-themed Wily Machine, first attacking by shooting missiles and attempting to ram the player, then using the gears to move the conveyor belt in the floor. As usual, you fight his Wily Capsule afterwards, which also got a gear motif, attacking by shooting various gears and moving fast around, taking advantage of the Double Gear system installed on it. Upon being defeated, Wily once again begs for forgiveness, though Mega Man isn't fooled. Angry, he proclaims Mega Man only defeated him thanks to his own Double Gear system, which if anything just proved his genius, but Dr. Light interrupts their conversation, claiming that Mega Man was now the result of both of their geniuses, but Wily adamantly refuses to believe that. Light then offers Wily a chance to atone for his evil ways and join him again, but the latter refuses and once again escapes while his fortress self-destructs.

In his last days, Wily dedicated himself to finish Zero, his masterpiece. When he first activates Zero he shows a violent behavior and unwillingness to follow orders, so Wily shuts him down and leaves him in stasis. Wily then creates the Zero Virus, intended to "purify" Zero's body, but not long after Wily dies of old age, unable to see his ultimate creation functional.

Before dying, Wily somehow uploaded his consciousness inside the virus (much in the same way Dr. Light became the hologram inside X's armor capsules). Wily often appears to Zero on his dreams, calling Zero "his son" and telling him to "go after him" (probably referring to X). Sigma, likely due to his long contact with the virus, was able to interact with Wily's consciousness inside the virus. Wily is notably implied to have helped Sigma throughout the majority of the series, including the Eurasia Colony incident, when he created Sigma's new body. It is also heavily implied that during the X-Hunters incident, Wily's consciousness inhabited the body of a Reploid by the name Serges, who temporarily mistook X for Mega Man and referred to Light by name (in the Japanese version only). Serges was destroyed by Mega Man X.

It is also all but said that the Reploid, Isoc was another host for Wily's consciousness. Isoc had knowledge of Zero only Wily had, showed delight and enjoyment over Zero being able to defeat High Max (whereas X could not at the time), and his body is last encountered as an empty shell, whilst Zero hears Wily's voice emanating near Isoc's discarded body. Isoc also shares Wily's Japanese voice actor and his official profile says his design was intentionally designed to invoke, "a certain scientist."

Eventually, Mega Man X destroyed the Maverick Virus using the power of the Mother Elf, presumably killing Wily for good.

Dr. Wily, under the name "Lord Wily", appears as the leader of the terrorist organization called World Three (also known as WWW) as well as the father of Dr. Regal, and the major villain in the Mega Man Battle Network/EXE universe. His motives are similar to the mainline games, Hikari got the accolades for Network technology while Wily's research was snubbed. He is the main antagonist in the first, third, and sixth games of the series. At the end of Battle Network 6, he gives up on revenge and contributes to net security as atonement.

When I was done everyone that hadn't heard about it was horrified!

Camie: He's a monster!

Nico: Yeah! And also he put a massive bounty on our heads and sicced all of his robot masters on us.

Splash Woman: Everyone except all my fellow robots from Mega Man 9.

Me: We battled each robot master in different spots all over the galaxy and the world.

Camie: WHOA! That is terrible!

Me: Yep and we reprogrammed all his robot masters to be with us and made it impossible for him to get them back. And we sent him to prison forever.

Nico: Yep.

Camie: Wow!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Dr. Wily clone) AHA! Gotcha, you bastard. I just spotted the clone of Dr. Wily, he's 20 yards away and he's heading right for us!

Me: Just like the real one. Let's tear him apart!

Lincoln: He may be a clone, but he's still as dangerous and volatile as the real one. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched

onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Dr. Wily.

Jessica heard a Pokemon cry

Jessica: Hey look!

We saw a Vespiquen!

Me: Whoa a Vespiquen.

Disk Wars Wasp: That is cool!

Me: Oh the poor thing is hurt.

Cheryl: It's like the one that we found.

Ash: That brings back memories.

Me: And the poor thing hurt her arm.

Vespiquen: Yeah.

We got to healing her.

Disk Wars Wasp: You okay now?

Vespiquen: I sure am. Thanks to you guys.

Me: You want to come with us?

Vespiquen: Sure!

Me: Awesome. Now to find that clone.

We were flying around, and there we spotted the Dr. Wily clone and he's trying to find The Stone of Cold Fire, but we got to it first before he did.

Huckleberry Hound: There he is. Now, we should give him a cold surprise.

Lincoln, Girl Jordan, Leeli, Janner, Tink, and I went after the Dr. Wily clone, and we fired extremely powerful blasts of rainbow energy, rainbow and ocean blue energy, ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Dr. Wily clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Girl Jordan, Leeli, Janner, Tink, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Dr. Wily clone even more madder than ever and he exploded with extreme rage.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Girl Jordan, Leeli, Janner, Tink, and I fired powerful blasts of energy, magic, stars, water, ocean waves, and planets at the Dr. Wily clone, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln held Girl Jordan and Leeli's hands as they proceeded to sing Yurgen's Tune as Girl Jordan's rainbow and ocean blue energy aura, Leeli's ocean blue energy aura, and Lincoln's rainbow energy aura flared up even more, fireflies flew around them, the skies turned into oceans with sea dragons swimming and mermaids singing.

Lincoln, Girl Jordan, and Leeli: (Singing Divinely)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Suddenly, the song began to be heard all over The Great Valley, and then, a sudden explosion of life energy erupted, and it released a powerful wave of light and life energy, and then, it hit the Dr. Wily clone, and because of the purity of the song, it obliterated the Dr. Wily clone as he's a being of pure evil and he was sent to The Black Gates forever.

Everyone cheered as we holstered our weapons and powered down, and Girl Jordan's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long light brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large ocean blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive light brown angel wings and medium sized light brown angel wings underneath are permanent, Leeli's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long light brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large ocean blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive light brown angel wings and medium sized light brown angel wings underneath are permanent, Janner's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve orange planets orbiting around his legs, smaller planets orbiting around his fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent, and Kalmar's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve ocean blue planets orbiting around his legs, smaller planets orbiting around his fingers, and massive dark brown angel wings and medium sized dark brown angel wings underneath are permanent.

Lincoln: And that is that for that miserable clone.

Me: You got that right.

Nico: That clone created by Dr. Wily himself was basically a way of trying to get back at us, this just proves he's a total sore loser even in prison.

Lola: Well, he can still rot in prison for the rest of his life.

Nico: That's for sure.

Eli: Next time, he's going straight into Solitary Confinement.

Lincoln: I actually told the warden to do so.

We saw it on our wrist computers, and Dr. Wily was indeed thrown into Solitary Confinement for the rest of his life.

Nico: Hah, good riddance.

Lincoln: Natalie, I know he's your grandfather, but I will never ever forgive him for everything that he's done.

Natalie Wily hugged Lincoln by wrapping her arms around his waist.

Natalie Wily: I know, Lincoln. I'll never forgive him, he can go to Hell for all I care.

Me: I agree there!

TJ: This makes up for Nico's farts killing Maligore

Nico: Sorry!

Laney: That was still funny though.

Lola: Yeah!

Nico: Yeah!

Qin: That was awesome though.

Me: Yep. Now we banished Wily's clone to the black gates and the REAL Dr. Wily is in prison where he belongs.

Natalie Wily: Good riddance! My grandfather can rot in hell for all I care like I said.

Qin: Good riddance.

Me: Yeah he has had it coming for 36 years.

Nico: I agree and Nice job, Vespiquen!

Vespiquen: Thanks Nico! That was fun.

Poromon: Want a beer?

Vespiquen: Oh no thanks. But I drink root beer only.

Me: That I got plenty of.

Poromon: Okay then.

Poliwag did Puppy Dog eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Eddy: Horsea, are you alright from yesterday?

Horsea: I'm fine Eddy. Believe me.

Me: If she says she is fine then she is.

Nico: Yeah.

Eddy: Okay then.

?: J.D.

Me: Huh? (GASP!)

I saw a familiar girl with black hair and blue eyes and had green clothes and had 2 scars above her left eye and had aqua blue angel wings and had a water trident in her hand.

Me: (GASP) Kelly!

Kelly Strahand: J.D.!

Me and Kelly hugged.

Me: It's great to see you again.

Nico: You know her J.D.?

Me: I sure do. This is Kelly Strahand. We met during the Dark Side Mermaid War in the Mediterranean Sea.

Nico: Oh right! You told me about all that. That was brutal! Awesome to meet you Kelly.

Kelly Strahand: You too Nico.

Maria: You remember me, right?

Kelly Strahand: I sure do Maria. It's awesome to see you all again and wow you guys grew a lot in numbers.

Me: Yeah no kidding. Back then we weren't called Team Loud Phoenix Storm back then.

Nico: Wow! Can you tell me what happened?

Me: I sure can.

I went over what happened in Chapter 354 and it was brutal.

When it was done he was shocked!

Nico: WHOA! That was intense! I heard that there was a massive battle going on in the Mediterranean but I didn't know it was that graphic!

Xenia: Yeah that was brutal!

Camie: No kidding!

Horsea: I joined Maria as her Pokemon after that

Maria: Yeah.

Kelly Strahand: Yeah.

Nico: Whoa man what happened here?

He pointed to the scars.

Me: She got slashed by Scylla.

Nico: Scylla?

Isaribi: That's my archenemy in the M.O.E.

Nico: Oh her! Jeez! She sure left her mark on you.

Kelly Strahand: I know.

Me: Yeah that was awesome. Would you like to join us Kelly?

Kelly Strahand: I would be honored.

Me: Cool.

Eddy: Okay, Horsea. If you're really okay, want me to test if that's the case?

Horsea: Sure.

He showed a picture of Maelstrom Seahorse.

Horsea: Nope doesn't scare me. Besides I thought I looked really cool as an Akuma.

Nico: She was bigger than a Kingdra!

Horsea: I know. But still not scared.

Me: Good.

Qin: Look!

(CODA BY HANS ZIMMER PLAYS AT 3:25 TO 4:24)

We saw a huge fireball flying across the sky.

Me: It's the Sign!

Savannah Nephthys: One of my sisters is coming!

Xenia: Wow!

Nico: Wonder who it is?

Maria: I think we're about to find out.

Eli: (Concentrates) WHOA! We got Another Piledriver, Finale, Screecheye, Evil Rainbow Dash, Doomkaiser Dragon and Burning Skull!

Nico: COOL!

Qin: Nice!

Xenia: So Kazuma, Borealis Wolffang, Dahlia Dracula, Abigail

Ancient Kaze, Serra Seahorse and Renee Ramen.

Eli: Yep. And I sense that the Anothers minus Piledriver are 3 people.

Me: Cool!

We saw Another Finale, Screecheye, Evil Rainbow Dash, Doomkaiser Dragon and Burning Skull!

Me: WHOA! This will be fun!

Qin: Yeah!

Another Finale: (In a girls voice) I'm ready for this!

Another Screecheye: (In a girls voice) Yeah!

Another Doomkaiser Dragon: (In a girls voice) Yeah it sure will!

Lincoln: (GASP) Anala Nephthys!

Nico: And Jeri Stegosaurus Rassic and Mina Meatball!

They reverted back and were the Gene-slammers of Desciple of Nephthys, Meatballrus and Stegomon!

Anala Nephthys: Awesome to see you again Nico.

Mina Meatball: Same here Nico.

Jeri Rassic: Yeah!

Me: Care to introduce us Lincoln?

Lincoln: Sure. This is Anala Nephthys, Gene-Slammer of Disciple of Nephthys, she's my Guardian Angel from Michigan and she's known as The Minister and Judge of The Cult, she's a powerful master of fire and she's a bringer of judgement to the forces of evil that threaten the world. One time, in one day, she and I brought judgement to over 500 unrepentant convicted criminals who were sentenced to death and killed them in the death rows and Dana Orichalcum banished their souls to The Black Gates. She vowed to bring down Bubble Bass and Lewis Travolta for closing down her restaurant.

WE GASPED!

Me: Those fat tubs of lard!

Qin: YEAH!

Nico: Honestly, I don't think those idiots are worth killing. But we might face at least one of them soon

Me: Yeah we might soon. Looking forward to it.

Xenia: Yep.

Jeri Rassic: And also I am a paleontologist. And Wally, I'm not happy about what you did to my little brother Jerry!

Numbuh 4: Wait! Jerry Rassic of Bully Island is your little brother!?

Me: We didn't know about that.

Nicole: I hate Bully Island! Even though it looked very reminiscent of Jurassic Park, it still was a scumbucket hellhole!

Camie: What did Numbuh 4 do?

Me: Oh back when Jerry was in 1st Grade, Numbuh 4 gave him the worst Wedgie EVER! It was so bad that the underwear fused with his pelvic bone and he had an agonizing permanant wedgie! Jerry vowed revenge on him.

Camie: OUCH!

Bulma: Just like Ed Bighead. He has a Permanent Wedgie.

Me: Yep. But Jerry's is worse.

Jeri Rassic: Yeah I tried to talk him out of it but he is just REALLY determined to get revenge.

Sasuke Uchiha: I know the feeling.

Mina Meatball: And I'm a meatballrus Gene-slammer and also I'm a meatball chef.

Me: Ooh yummy!

Qin: Yeah. (DROOLS) The meatballs she makes are so delicious. I drool waterfells every time. (SLURP)

Me: By the way girls is the Another Piledriver friendly or hostile?

Jeri Rassic: Friendly and she is amazing.

Me: Nice.

May: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Hoagie: But bully island was scary.

Jeri: And don't think you're off the hook either, Hoagie! You helped Wally beat him up!

Hoagie: Yeah, after he tried to kill us!

Nigel:… me, Kuki, and Abby are staying out of this. This is a personal matter.

Me: Uh yeah.

Numbuh 2: I'm sorry but it was a mission and we didn't know it was a trap.

Numbuh 4: Yeah and I'm sorry Jeri!

Jeri Rassic: Tell it to Jerry.

Nico: Okay guys that's enough! Besides that was a long time ago.

Lola: He's right about that.

Jeri Rassic: What?

Me: Your brother tried to kill Numbuh 2 and 4 by luring them to Bully Island to get them killed by bully dinosaurs.

Camie: Bully Dinosaurs?

Me: They were bullies that acted like prehistoric creatures from millions of years ago.

Camie: Weird.

Me: Yeah.

Nico: But in a cruel twist of irony and I should know from seeing firsthand, Jerry turned into the very thing he hated.

Numbuh 2: You should've seen them!

Me: Yeah!

I showed holograms of them. Spitballosauruses, Wet Willy Mammoths, Wedgiesaurus Rex, Noogie Raptors, Footballosauruses, Jacketdactyls, Purseceratops, Cheer Raptors, Ponytailosaurus, MANY KINDS!

Camie: WOW! So many of them!

Nico: That's right! Girls can be bullies too!

Taylor: That's right. Like how I was.

Cindy Richards: Same with me!

Me: Yeah.

Francis: And me too.

Me: Long story.

Jeri Rassic: Okay I get it. My brother REALLY needs lots of help.

Nico: We got to try to get that wedgie out of him.

Nicole: And we will.

Nico: When we get the chance.

Me: Yeah.

Qin: We'll come to it later.

Xenia: Now we got to wait for Another Piledriver.

Lok: She shouldn't be far behind.

Me: Yeah.

But then a MASSIVE AND BEAUTIFUL GARDEN WORTHY OF EDEN BLOOMED INSTANTLY!

Me: WOW!

It was full of flowers, trees, everything.

Qin: Wow! So pretty!

Me: Yeah! Look!

We saw ANOTHER PILEDRIVER!

Me: Another Piledriver!

Nico: Wait Piledriver doesn't have Plant powers.

Me: No he doesn't.

Another Piledriver: (In a girls voice) That's because he doesn't.

Me: (GASP) That voice.

She reverted back and was a girl with pink hair, green eyes, pink angel wings and green and purple clothes and had a tiara with the symbol of the Botanical Gardens dopant on it and on her skirt and had a flower sword.

Me: (GASP) Blair Botanica!

Blair Botanica: Awesome to see you again J.D.

Me: Same here. Blair is the Embodiment of the Botanical Gardens Dopant and has amazing superhuman strength as well as plant powers like what you saw.

Nico: COOL!

Piledriver: Just as strong as me too.

Qin: Yeah!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jet Sword.

Blair Botanica: No he didn't. I gave him flowers.

Nico: What kind?

Blair Botanica: Chrysanthemums. Turns out he's violently allergic to them. He puffed up and itched like crazy.

Me: YIKES!

Plankton: I know the feeling. I'm allergic to Chrysanthemums too.

Sougo: (gets out Mighty Morphin Ridewatch) Swartz being allergic to flowers?

Geiz: (gets out Jetman Ridewatch) It's fitting.

Sougo got out TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Me: Yep.

Qin: Too bad we won't see that.

Me: Yeah he's dead and in the black gates.

Lola: Yep.

Lincoln: Lets separate you first.

We did so.

Me: Yeah! Lets get the Another.

Nico: (gets out Piledriver's Ridewatch) Not every day I use an individual Wrecking Crew member's Ridewatch.

May: (Gets out Screecheye's ridewatch) EYE See what you mean!

Maria: (Gets out Doomkaiser Dragon's ridewatch) Now for the bone force!

Blizzard Wolffang: (Gets out Finale's Ridewatch) I'm ready to howl!

They used the powers of Piledriver, Finale, Screecheye, Evil Rainbow Dash, Doomkaiser Dragon and Burning Skull and blasted the Another.

Then Don Octavio, Sirenia Quincia, Bug Eaten, Evil Gemini Man, Florentine and Universe 666 Clockwerk came!

Nico: Nice team Don Octavio!

Don Octavio: (Italian Accent) Grazi Nico!

Qin: Oh yeah!

Kairi Yano: Looks like my team's up next

Nico: Yep!

?: That is gonna be cool!

Dark Mantis then came!

Me: Dark Mantis! Awesome!

Nico: Yeah!

Dark Mantis: (In a girls voice) This will be fun!

Nico: Akino Mantis!? Wow!

Dark Mantis: Yep. I got this!

She fired waves of energy blades and blasted the Another and I caught the Ridewatch and purified it.

Me: YEAH!

She reverted back and was a girl with purple hair and purple eyes and had purple butterfly wings and had a purple bikini on and had a praying mantis in the middle of her forehead.

Akino Mantis: That was fun!

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her an amazing purple outfit.

Akino Mantis: I look awesome! Thanks.

Maria: No problem.

May: And I didn't get hit!

But then…

KRABLAM!

FREAKAZOID HIT HER ON THE HEAD WITH A MALLET!

May: (Dazed) Mommy read me the story about the bunny!

FWOMP!

Freakazoid: At least it was only me.

Nico: Yeah.

Me: Do you have a favorite memory of Nico?

Akino Mantis: When me and Nico were at my family's butterfly ranch and we raised huge butterflies the size of horses and it was awesome.

Qin: You should see the butterfly's they have. It's cool.

Me: Nice.

Nico and Akino hugged.

Nico: I've missed you.

Akino: Same here.

We went back home.

Lincoln: Whoa, this is one empty looking planet. Where are we?

Lincoln 2: (Through the Rainbow Thunderbird, Rainbow Phoenix, Rainbow Angel, Rainbow Mythological Animals, and Rainbow Animals on his forehead) I believe I know where we are: this was once Lunaria, a planet I've been to many times and it was inhabited by humanoid wolves almost similar to that of the Lunanian Werewolves from the planet Lunan XII in the Sombrero Galaxy. But, then, a terrible conflict erupted and the ancient cities were reduced to mere ruins and its people left as skeletons in the ashes.

Me: That's brutal.

Nico: Damn. Is there a way to restore the planet to life?

Lincoln 2: (Through the Rainbow Thunderbird, Rainbow Phoenix, Rainbow Angel, Rainbow Mythological Animals, and Rainbow Animals on his forehead) There is, but first, we've got business: not only is Lincoln going to rescue the six girls here, but we're going to battle Rust Tyranno, but Rust Tyranno's not going to be alone: we're also going to face and take down Giant Ape Goku and Giant Ape Gohan.

WE GASPED!

Goku: This won't be an easy task, I still remembered the damage I did when I transformed.

Gohan: Same with me.

Huckleberry Hound: Hmm. Well, it looks like we'll have to take them down and send them to Vypra.

Kazuma: But, those three are literal giants, and you could get flattened.

Lincoln: He's actually been through a lot worse, Kazuma, trust me.

Me: Same here, and he's survived all of them.

Suddenly, we saw a very beautiful and super sexy girl with long light brown hair and yellow headband, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings and the Light Type Pokemon crest on her forehead, she's dressed in a golden yellow sleeveless crop top, necklace with a red gem for the pendant, golden yellow skirt with the Light Type Pokemon crest on the skirt, orange knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, lights, phoenixes, and angels on the coattails and on the back are the Light Type Pokemon and Avatar of The Elemental HEROES of Light, holstered on her back is a massive light greatsword with angel runes etched on the 7'9" massive, wide, double-edged yellow blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and silver pointed tip for the pommel and with her are the six girls.

Lincoln: (GASPS) Marlene Lucibello, Goddess of The Light Type Pokemon and Avatar of the Elemental HEROES of Light.

Marlene Lucibello: That's right, and I got the girls away. But, those three giants are already on my tail.

Suddenly, we heard three roars and felt two massive energy signals as well, and saw three figures heading our way: Rust Tyranno, Giant Ape Goku, and Giant Ape Gohan.

Huckleberry Hound: Uh oh, here they come now.

Suddenly, Huckleberry Hound's black eyes turned neon blue and he was surrounded by a blue energy aura with stars, snow, ice, snowflakes, ice crystals, dogs, phoenixes, and angels, and as he approached Rust Tyranno, Giant Ape Goku, and Giant Ape Gohan, he left blue energy, stars, snow, ice, snowflakes, ice crystals, dogs, phoenixes, and angels with every step.

Huckleberry Hound: Listen here, you three, are you going to come quietly or not?

This was responded with Giant Ape Goku and Giant Ape Gohan firing two energy blasts from their mouths at him, but he had two ice shields put up that protected him and all of us from them.

Huckleberry Hound: You asked for it!

Me and Lincoln: Uh oh.

Suddenly, Huckleberry Hound was surrounded by a massive vortex of blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding the vortex, there are dogs, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Rust Tyranno, Giant Ape Goku, and Giant Ape Gohan: the red eyes of judgement.

Loopy De Loop: (French Canadian Accent) Looks like Monsieur Huck is the next to transform.

Lincoln: Now, those three are in really huge trouble.

Me: This is gonna be good.

Then, as the vortex faded, Huckleberry Hound emerged, but he was changed forever.

Then, Lincoln and Huckleberry Hound fired energy blasts that hit Rust Tyranno, Giant Ape Goku, and Giant Ape Gohan and sent them flying into a portal Lincoln opened up that led to The Masters of Evil. We cheered as we holstered our weapons and powered down and Huckleberry Hound's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer and larger blue tail, large gold halo with four orbiting gold rings on each corner behind his head, twelve large ice blue planets orbiting around his legs, small planets orbiting his fingers, and massive blue angel wings and medium sized blue angel wings underneath are permanent.

Huckleberry Hound: Well, I'll be, that was quite a rush.

Lincoln: That's makes two Hanna-Barbera toons who've transformed: you and Loopy, Huck. Now, how to restore Lunaria.

Loopy De Loop: (French Canadian Accent) Leave that to me.

Suddenly, Loopy De Loop unholstered his massive Loopy De Loop's Cosmic Eternal Harmony Almighty Apollo True Immortal Eternal Twilight Wolf Moon Phoenix God Angel Greatsword of Cosmic Eternal Harmony Almighty Apollo True Immortal Eternal Twilight Wolf Moon Phoenix God Angel Justice and chanted an incantation.

Then, beams of light were buried deep into the planet, and suddenly, life came anew once again to Lunaria as the lands were restored to their lush beauty, the ancient ruins were all rebuilt along with the city, and its population of humanoid wolves were also restored.

Lincoln 2: (Through the Rainbow Thunderbird, Rainbow Phoenix, Rainbow Angel, Rainbow Mythological Animals, and Rainbow Animals on his forehead) Incredible, the planet has been restored along with its people. Well done, Loopy.

Mr. Jinks: This is the first time that we restored a planet, and I hope that Vypra has a way of dealing with those three giants.

Lincoln: Just hope they're not sore at Huck. (To Marlene Lucibello) And it's so good to see you again, Marlene.

Marlene Lucibello: You too, Lincoln, it's been seven years since we last met.

Suddenly, Marlene Lucibello wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Marlene Lucibello was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Marlene Lucibello: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Marlene Lucibello's waist and hugged her, and Marlene Lucibello is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marlene Lucibello: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Marlene Lucibello, Goddess of The Light Type Pokemon and Avatar of the Elemental HEROES of Light, she's Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of light and light magic, and she also has white angel wings. She's an extremely and very powerful master of Photokinesis, and she also has the power to create monsters of light and she also has the ability to summon angels. She's also the strongest Light Type Pokemon Trainer, and she owns a gym in the Kanto Region near a church where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would strike them down as the only thing they'll hear is the sound of church bells ringing: to them, that's the sound of judgement, and she also has the Light Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated a Rare Hunter by the name of Michael Blackthorn, and because of Lincoln's intelligence gathering along with looking into the past duels he'd won through Yami Marik's deceit, he exposed Michael Blackthorn as one of the Rare Hunters, and as a result, he was banned for life from any future Duel Tournaments. But, he tried to get revenge on them by trying to shoot them with a gun, but Arpina Apollonia and her friends took him down and they banished him to The Shadow Realm. She trained Lincoln really hard in using the powers of light and he even went to her gym and he really worked out hard there. Lincoln made her a light greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Luan with a blazing passion because of all the attempts she's made to kill him, and it got Marlene so pissed off, she brutally smashed and pulverized Luan hard into the ground, and she sent her to the hospital and she was in a full body cast for two months.

Nico: Just like what we were told yesterday.

May: And everything you guys heard is indeed true, she's someone no one would dare to mess with.

Marlene Lucibello: That's correct, and I heard Team Rocket finally paid the price for their misdeeds.

Lincoln: That's right, with the exception of Jessie, James, and Meowth getting canned before the battle against Team Rocket and have since joined us.

Marlene Lucibello: Serves Giovanni right.

Lincoln: You said it, and now that you're here, Marlene.

Lincoln leaned his head down the right side of Marlene Lucibello's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marlene Lucibello: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marlene Lucibello with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marlene Lucibello: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marlene Lucibello.

Marlene Lucibello had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marlene Lucibello's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marlene Lucibello had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Shinobu Ishiwata, Yoshino Shimamori, Remi Manabe, Misaki Okano, and Manaho Niikura from the Daten no Kioku Series and Mira Gotokuji from Astro Note.

Lincoln: Oh wow, it's Shinobu Ishiwata, Yoshino Shimamori, Remi Manabe, Misaki Okano, and Manaho Niikura from the Daten no Kioku Series and Mira Gotokuji from Astro Note.

Nicole: Thank goodness Marlene saved them, otherwise they were going to be squished!

Lincoln: You said it. Are you girls okay?

Shinobu Ishiwata: Yes, we're okay, thanks to you.

Then, when Shinobu Ishiwata and the other five girls saw who it was that saved them from Rust Tyranno, Giant Ape Goku, and Giant Ape Gohan, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos, and Master of Elemental Forces, The Storms, Mythological Animals, Animals, Phoenixes, and Angels", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji on his left forearm that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" and a kanji on his right forearm that said "Lincoln Loud, Saiyan Avenger and Destroyer of Frieza", and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar,

Shinobu Ishiwata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Shinobu Ishiwata: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shinobu Ishiwata, Yoshino Shimamori, Remi Manabe, Misaki Okano, Manaho Niikura, and Mira Gotokuji with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Rust Tyranno along with Giant Ape Goku and Giant Ape Gohan.

But, when Lincoln showed what happened with Huckleberry Hound transforming and attacking the three giants and all of us joining in as well and thrashing him and he and Lincoln blasting him and sending them to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Marlene Lucibello have a lot of catching up to do, now that she's back in town.

Maria: Whoa, that was one epic fight, and Huck, you transformed, that makes you the next of the Hanna-Barbera toons to transform.

Huckleberry Hound: That's right.

Lincoln: We can't wait to see which one of you is next.

Nico: We'll just have to wait and see though, but it'll be so awesome to see it.

Me: You said it.

---

After Lincoln and all of us beat down Rust Tyranno along with Giant Ape Goku and Giant Ape Gohan and sent them to Vypra, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marlene Lucibello saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marlene Lucibello: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marlene, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marlene Lucibello: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as

well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Marlene Lucibello: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

?: Looks like you're still working out harder than ever, Lincoln.

?: And from the looks of it, you're still attracting more girls into your harem.

?: With that massive and ripped muscular body you've gained combined with your personality and rugged handsome looks, you're still the same girl magnet.

Suddenly, we saw three girls enter: one has long dark blue hair, dark blue eyes, angel wings, a ten-sided star with the symbols of the Transformers on the ten points on her forehead, dark blue clothes, and she has a Star Saber with the symbols of the Transformers, the second girl has long light blue hair, light blue eyes, light blue angel wings, the Dyson Crest on her forehead and skirt, light blue clothes, and a scythe, and the third girl has dark pink hair, dark pink eyes, dark purple angel wings, the Dragon Disk on her forehead and skirt and the symbol of The Mysticons on her right arm, pink clothes, and she has a Mysticon-themed Keyblade.

Lincoln: (GASPS) Cinnia Primus, Avatar of Primus and Cybertron, Dana Dyson, Avatar of the Dyson Duel Monsters, and Galatea Goodfey Moonwolf Goldenbraid Willowbrook Truefin Gemina, Keyblade Knight of Gemina and Avatar of The Mysticons.

Arkayna: (GASPS) Galatea?!

Zarya: Oh man, I knew she'd come here! Nice!

Me: You know them, Lincoln?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, the first girl is Cinnia Primus, Avatar of Primus and Cybertron, she Lincoln's Guardian Angel from Cybertron, and she's one Guardian Angel no one wants to mess with: she's the Avatar of Primus and Cybertron, and she's the master of The Transformers. She's a powerful force of good and she's a deadly warrior, and she's as strong as 500,000 Galvatrons. She hates the evils of Megatron and Unicron with a blazing passion and she made it her mission to bring Megatron and Unicron to justice and destroy them once and for all, and she also vowed to make sure that anyone that hates the Transformers is brought to justice after hearing about the horrible atrocities done to the Live Action Transformers thanks to the actions of Cemetery Wind.

We gasped!

Nico: We already brought down Megatron and Unicron, and as a result, I've become the new leader of The Decepticons.

Starlight Glimmer: And we brought down Cemetery Wind last year and made them pay for their crimes.

Cinnia Primus: I'd heard about it, that was really impressive.

Michelle Emperyous: The second girl is Dana Dyson, Avatar of the Dyson Duel Monsters, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of the stars. She's also a Space Station Mechanic who has fixed up damaged space stations and more, and she's always had a special interest in the stars and wanting to go into space. She and Lincoln have gone to many space stations and learned a lot of the many space missions that many astronauts have gone on over the years, and they even saw the training grounds for astronauts. Lincoln made her a powerful scythe, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. She's defended Lincoln many times from his enemies and from the out of control wrath of Lori, Lynn, Lola, and Luan, but she harbors a hatred for Lisa because of her inhumane experiments in the past and for trying to kill Lincoln, and she swore that if Lisa ever did this again, she would use her connections with the space stations all over the country and the science community to get her blacklisted and banished from the science community forever and sent to prison for the rest of her life.

Nicole: Wait, I've seen you before in some of the space stations here, and you're definitely an expert on fixing damaged space stations.

Lincoln: She and I have done a lot in helping around the space stations, and she had a dream to go into space.

Me: She's about to get that wish now that she's back home.

Laney Emperyous: That's right, and the third girl is Galatea Goodfey Moonwolf Goldenbraid Willowbrook Truefin Gemina, Keyblade Knight of Gemina and Avatar of The Mysticons, she's Lincoln's Guardian Angel from Gemina and she's a powerful force of epic power. She was born and raised on the planet, Gemina, and she has intense magic powers and the powers of The Mysticons and she's a powerful force of magic. She is the Keyblade Knight of Gemina, and she's the sister of Arkayna Goodfey, Zarya Moonwolf, Emerald Goldenbraid, Piper Willpwbrook, and Kelpie Truefin and she's also a powerful force of good and she absolutely loathes and despises of the Mysticons' major enemies, and that also included Tazma Grimm and Necrafa. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against

Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot and she taught him everything that she knows when it comes to using the powers of magic and the powers of The Mysticons.

Arkayna: She helped us out greatly against Tazma and Necrafa, and they were no match for her.

Me: And we sent Necrafa and Tazma to The Black Gates where they belong.

Galatea Gemina: Good riddance. Necrafa's been a nightmare to all of Gemina for centuries and Tazma, what a bitch.

Nico: And we had no idea that you also have the powers of The Mysticons.

Lincoln: I was going to show you, but those weakening chips those five put on me prevented that years ago.

Sebastian Mendez: Give me one good reason why I shouldn't hit you five on the head with a frying pan.

BASH!

Lincoln got out a rolling pin and bashed him on the head with it leaving a huge lump on his head.

Sebastian Mendez: OW! What did I do?

Lincoln: Because if you tried to hurt my sisters, I'll bash you on the head with a rolling pin.

Nico: (LAUGHING HYSTERICALLY) You really got him good, Lincoln.

Then, Lincoln bit Cinnia Primus, Dana Dyson, and Galatea Gemina and he also gained the same powers as them and he also marked them, and three Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with colored gems on the gold lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha and three white and gold accented Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

We got a shower, and then, Lincoln and the Universe 666 Doom and Gloom Girls are heading to Lake Hylia.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Universe 666 Doom and Gloom Girls are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out the Universe 666 Doom and Gloom Girls all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Emerald Juno: Wow, so this is Shangri-Spa. It sure is beautiful.

Lincoln: It sure is, Universe 666 Emerald Juno, and it's perfect for our first date. Shall we?

Lincoln and the Universe 666 Doom and Gloom Girls dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and the Universe 666 Doom and

Gloom Girls got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Universe 666 Doom and Gloom Girls and they hugged the girls in their abnormally massive and powerful muscular arms and the Universe 666 Doom and Gloom Girls placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the Universe 666 Doom and Gloom Girls and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Hylia, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Universe 666 Doom and Gloom Girls with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now the Universe 666 Doom and Gloom Girls are in your harem, Linky.

The Universe 666 Doom and Gloom Girls showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Universe 666 Doom and Gloom Girls, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Seaside Kingdom next.

Me: Cool!

Qin: We should go there for fun sometime.

Lola: Yeah.

Jen: Me and Betty will go this time

Nico: Okay then.

They went in and the simulator activated and they were at SEASIDE KINGDOM!

---

The Seaside Kingdom is a beach kingdom that appears in Super Mario Odyssey, being either the ninth or tenth kingdom visited, depending on whether the player chooses to go here or to the Snow Kingdom after leaving the Metro Kingdom. It is the greater location of Bubblaine, a cliffside beach resort area. Due to the local inhabitants being beret-clad snails, the boss having a French name, and two of the missions having a French title, the location is inspired by France, most likely the Côte d'Azur, also known as the French Riviera. When Mario first arrives, Mollusque-Lanceur is sitting on top of the Glass Tower drinking all of the Sparkle Water, and the fountains are corked. To restore peace to the kingdom, Mario must uncork the fountains and defeat Mollusque-Lanceur.

---

It is daytime during Mollusque-Lanceur's attack on the kingdom. Once he is defeated, the time of day changes to dusk for the rest of the game.

Nico: Wow!

Betty: Time to Hulk Out!

Jen: Me too!

They concentrated and groaned as their buttons popped off their shirts

They grew taller and muscular and their shirts popped and then their hair grew longer and their clothes ripped. They turned into SHE-HULK AND RED SHE-HULK!

Nico: I never get tired of seeing that.

?: Me neither.

Ebidramon came and with it was a girl with green hair, Green eyes, green clothes and green angel wings and had a tiara with the symbol of Wire Sponge on it.

Nico: WHOA! Ebidramon!

Winry Sponge: And Winry Sponge, Embodiment of Wire Sponge.

She-Hulk: Good to see you Winry!

Red She-Hulk: Looking great!

Winry Sponge: You too Jen and Betty. Been a while.

Ebidramon: (In a girls voice) Been a while Nico.

Nico: Ellie Ebidra! Wow!

Ebidramon: Yep. In the flesh.

Nico: Okay, Nicole. Who are we fighting this time?

Nicole: This time it's one of the games bosses. Mollusque-Lanceur.

She went over his history

---

Mollusque-Lanceur (French for "Mollusk Launcher"; also referred to as Brigadier Mollusque-Lanceur III, Dauphin of Bubblaine) is a giant, well-dressed, purple Gushen who is a boss in Super Mario Odyssey. He is presumably related to the similar-looking cosmic creatures called Astro-Lanceurs.

He initially appears atop the large glass chalice in the Seaside Kingdom, sucking the Sparkle Water from it with a bendy straw, driving tourists away. In order to stop him, Mario must hit several glass case-protected ground-pound switches scattered throughout the kingdom, which will cause a giant cork to be shot onto his head. Mollusque-Lanceur will attempt to stop him by launching shells that explode after a short period into the water near Mario. Once Mollusque-Lanceur has taken enough damage, he will leave the tower to confront Mario directly, now with a large puddle of lava on his head, and without his hat.

In battle, Mollusque-Lanceur swims around, occasionally spitting a shell or drill-like cone shell. To defeat him, Mario must capture a Gushen and use its water to clear the lava off of his head, exposing it. From there, Mario can either keep pounding his head with the water, or Ground Pound his head, until eventually, he is defeated.

However, he can spin to escape Mario's attacks for a brief moment. When he is defeated, Mario, in his normal state, will appear on top of Mollusque-Lanceur's head, which rapidly begins to inflate and glow before exploding, sending Mario and the Multi Moon flying over the chalice, where they are suspended by its Sparkle Water.

The rematch in the Mushroom Kingdom takes place in the sky instead of the ocean. There is only a single Gushen for Mario to capture and one piece of solid ground. Mario must remain in the air at all times as he fights Mollusque-Lanceur again, but because it is constantly raining in the area, the Gushen has an infinite water supply and it refills at all times. When Mollusque-Lanceur is defeated again, he will explode, releasing the Multi Moon.

---

When she was done they were shocked.

Nico: WHOA! This guy is bad news.

She-Hulk: He sure is.

Red She Hulk: Let's not keep him waiting

Nico: Right!

They were off.

At the big sparkling water fountain was Mollusque-Lanceur!

Nico: There he is!

Mollusque-Lanceur: (French Accent) Ah ze famous Nico. Now you will face your doom!

She Hulk: Bonjour to you too!

Red She-Hulk: Time to turn you into fried Calamari!

Nico: YEAH!

Nicole: Okay you got to blast him on his head 3 times.

Nico (gets out Piledriver and Lord Pain's Ridewatches): Time for the Underworld to smash you!

He activated them and smashed Mollusque-Lanceur.

Red She-Hulk and She Hulk jumped and smashed his head.

Ebidramon: (ECHOING) TWIN SCISSORS!

She jumped and slashed him on his head.

She Hulk grabbed him and threw him and Winry Sponge fired waves of lightning and electrocuted him and then kicked him on his head and then he exploded!

KRABBBBBOOOOOOOOOOOOOOMMMMMM!

He was defeated and they got 30 Purple Power Moons.

Ellie Ebidra reverted back and was a girl with red hair and red eyes and had red angel wings and had red clothes and Ebidramon in the middle of her forehead and on her skirt and she had a Lobster Claw Magisword!

Ellie Ebidra: That was awesome!

Nico: Yeah!

They all high Five.

Nico: How did you meet Jen and Betty?

Winry Sponge: I met them when they were battling Bruce's so-called father David and we kicked him into a nuthouse.

Nico: WHOA! Nice one!

Red She-Hulk: That monster had it coming.

She-Hulk: We'll give him the Black Gates when we see him.

Nico: Yep.

She-Hulk: Ellie what's your favorite memory of Nico?

Ellie Ebidra: Well I'm a Creole Chef, and I made everyone in our school an awesome seafood buffet and everyone loved it.

Nico: Yep. That was awesome.

Nico and Ellie hugged.

Nico: I've missed you.

Ellie Ebidra: Same here.

Nico: Would you two like to join us?

Winry Sponge: We would be honored.

They left and we cheered wildly for them.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

We got a shower, and then, Saiko and Faith are heading to Emerald Coast.

Saiko snapped her fingers, and the she now had on a silver and pink one-piece swimsuit, and Faith was dressed in a pale white two-piece bikini the Musiqidandi Sisters made for her.

Faith: W-wha, so this is Emerald Coast. Gotta say, it's beautiful.

Saiko: But of course, my dear hunter, and it's perfect for our first date. Shall we?

Saiko dragged Faith into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Faith got an extremely massive and deep atomic red blush on her face when she saw Saiko use magic to lift thirteen massive 900,000,000,000,000-lb barbells without even touching them, than chucking them to the other side, inadvertently crushing Flip, Icky Vicky, Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, NO MA'AM, Peggy, Bud and Kelly Bundy, and Marcy D'Arcy's massive army of hulking muscled thugs that he sent to kill them. Then, Saiko picked Faith up and kissed the witch hunter deeply, as she blushed and stammered as the two got back to the World Tree Estate, with Faith blushing deeply.

Drakus: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh?

Faith: (In Heaven) Y-Yes… Let's go with that.

Ridley (X-Squad): And from what Anubis' sources told, the two almost had a run-in with more of the hulking muscle-bound hired thugs Flip sent to kill, but seems Saiko killed them all and sent them to The Black Gates, and that mutant should be screaming in 3… 2… 1.

Suddenly, we heard the jerks scream and bellow with extreme hatred and rage and cursing right at us, and now, they've officially lost his mind.

Roman Torchwick (X-Squad): (Flips the middle finger) Up yours!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Drakus form a viewing window, and then, he snapped his fingers. We saw a massive funnel appeared in Flip, Icky Vicky, Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, NO MA'AM, Peggy, Bud and Kelly Bundy, and Marcy D'Arcy's mouths, and then, 10 googolplex massive cartons resembling dragon skulls that were unlabeled appeared over the funnels.

Eli: (GASPS) What's…?!

Drakus: Oh, you'll see soon enough. Fun fact: this was a prank used in Drakonia, and I always wondered what would happen if this was used on humans. I believe the human translation would be… the Infinite Retching.

Then, the contents, that seemed very pale blue and almost sludge-like were dumped into their mouths straight from the jaws and the funnel was removed. Then, their stomachs gurgled and rumbled, and then… !

EXPLOSIVE AND EXTREMELY VISCERAL BARFING AND SCREAMING AND CRYING IN PAIN!

Flip, Icky Vicky, Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, NO MA'AM, Peggy, Bud and Kelly Bundy, and Marcy D'Arcy puked and massive tons of gold, jewels, gems, and other currencies exploded out of their mouths like crazy, as their bodies grew weaker from literally puking out their internal organs!

Drakus: Hey, insides shouldn't be outside!

Nico: Welp, I may never sleep again after seeing that.

Drakus: Your welcome.

Leobreaker: May? Maria? You might want to come outside.

May and Maria came outside and gasped in horror

Manaphy: Hi I'm Manaphy and I'm gonna take a shotgun blast to the face.

Poromon: Sorry about this Manaphy.

He loaded a 12 gauge shotgun and pointed it and then…

BANG!

It blasted MANAPHY'S FACE OFF REVEALING HER SKULL!

Manaphy: WHOA! OOOH OOH OOOH! THAT HURT

She regrew her face back!

May: MANAPHY!

Maria: HORSEA!

Edd: WHAT IN SAM HILL ARE YOU ALL DOING!?

Manaphy: Jackass movie stunts.

May: Jackass? You mean that stupid daredevil movie with Johnny Knoxville!?

Maria: I love those movies! They were so funny!

Horsea: Me too!

Rhinox: Okay. Who's turn is it?

Poromon: Mine. I'm Poromon and this is Fart Helmet.

He put a helmet on Nico's head and he didn't know about it because he was napping.

Then Poromon farted in a tube.

LOUD FART!

Nico woke up and smelled it and then…

Nico: (FRANTIC SCREAMING) (VOMIT!) (VOMITS 3 MORE TIMES)

He vomited in the helmet and he got it off and was covered in throw up and we laughed hysterically!

Me: (LAUGHS HYSTERICALLY) OH THAT WAS SO FUNNY!

Eli: (LAUGHS) YEAH!

Nico: (Sarcastically) Ha ha ha. Very funny.

Stewie: (LAUGHS) That was funny when I did that on the Fat Man!

Nico: Yeah!

Mixmaster: That leaves Poliwag and Horsea.

Poliwag: Yep. Hi I'm Poliwag and this is Bee Tail. I smeared honey all over my tail and I'm gonna cover myself in bees.

Me: Oh boy.

We released the bees and they covered Poliwag's tail.

Poliwag: (Nervous) Oh boy. This is bad. I don't want to aggravate them.

But then Poliwag got hit and crashed down and danced around frantic as the bees swarmed around him.

Me: (LAUGHS) Oh my!

(PSYCHO STRINGS PLAY)

Horsea snuck up behind Cleveland and shaved his head with a razor!

BUZZZ!

Cleveland: (SCREAMS) WHAT THE FUCK!?

WE LAUGHED!

We uploaded it.

Me: And uploaded.

ALREADY THE VIEWS WERE POURING IN!

G1 Jazz: It already got millions of views on YouTube.

Nico: Wow that is awesome!

Camie: Those were funny!

We got tons of comments and many of them had laughing face emojis.

Nico: SO FUNNY!

Toxica: So, are the 4 of you done killing each other?

Poromon: Yep.

Me: Good.

Nico: Yeah.

Maria: Now that that's done, I just have one thing to say. (Clears throat) WHAT THE FUCK WERE YOU 4 THINKING DOING CRAZY STUNTS LIKE THOSE!?

Nico: Whoa took the words out of my mouth.

May: YEAH, WHY?!

Poromon: We watched Jackass and thought doing those stunts would be fun.

Me: Uhh have you noticed that doing stunts like that can kill you? Hence why it says Don't Try At Home on it? (To the Viewers) Seriously folks DO NOT TRY Any of that at home.

Deadpool: You heard him.

Manaphy: But we can't die, remember?

May: WE CAN IF THERE'S NOTHING FOR US TO REGENERATE FROM!

Manaphy: Oh.

Qin: Yeah.

Horsea: But me and Poromon's stunts didn't involve us getting hurt.

Nico: True but that was funny.

Cleveland: EXCEPT I GOT SHAVED ON MY HEAD!

Brian: (LAUGHS) That happened to me before.

Nico: Yeah. Also that helmet was funny.

Maria: Don't you have anything to say about this?!

Nico: (seemingly angry) Yeah! (grins) Can I participate next time?

BLANG!

May bashed Nico on his head with a frying pan!

Nico: OW! What did I do!

Francesca: (LAUGHS) It's funny when Grandpa Eustace gets hit.

Poliwag: Nico, I'm not sure if there WILL be a next time if May and Maria have anything to say about it.

May: YEAH!

BLANG!

Maria bashed Nico on the head with a metal fence post!

Nico: OUCH!

Maria: Promise you 4 won't do those again!

Me: And girls quit bashing Nico's head in or you're going to give him a concussion!

May: Sorry.

Mascots: We promise!

Mr. Krabs: We need a sailors promise! Repeat after me. YO HO YO HO! THE JACKASS STUNTS WE'LL NEVER DO!

Mascots: YO HO YO HO! THE JACKASS STUNTS WE'LL NEVER DO!

POINK!

Mr. Krabs: YEOWCH! MOTHER OF PEARL! FIRE ON THE POOP DECK!

Mascots: YEOWCH! MOTHER OF PEARL! FIRE ON THE POOP DECK!

Me: Okay I think we get the idea.

Mr. Krabs: Honestly, Spongebob and Patrick did those kinds of stunts before on the day they painted me house. Except they were less dangerous

SpongeBob: Yeah it was a ritual to attract customers and it could only work is if we get hurt really bad.

Nico: What kind of idiot told you that?

Squidward: (Grins nervously)

May: You 4 can still do other types of shenanigans though

Me: Yeah. Like the shenanigans you do whenever we do funny stuff against certain bad guys.

Poromon: Okay we'll stick with those.

Me: Good idea.

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Aeropela.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Aeropela.

Eli: Jetray's home planet! Wow!

Nico: Nice. Let's get our cars ready!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Carnagejelly, the Akuma of Tentacool, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one crazy and brutal fight: I just had a vision and I saw who it was that we're going to confront today, it's none other than Carnagejelly, the Akuma of Tentacool, and she's causing havoc.

WE FREAKED OUT AND DID WILD TAKES AFTER WHAT LINCOLN SAID!

TINK TOING BINK BONG WHONG BING!

Me: What the?!

Nico: Another hypothetical Akuma of one of our mascots has been located?! What the Hell?!

Eli: Oh God.

Lincoln: And this is one we're gonna have a rough time with: Carnagejelly is a terrible jellyfish with a massive appetite for blood. According to Gabriel, she was made to get revenge on all the members of Team Rocket who want to use all Pokemon for evil and she wants nothing more than to kill all the members of Team Rocket.

WE FREAKED OUT AND DID MORE WILD TAKES!

Nico: Oh man! Looks like we're in for one hell of a battle with her!

Me: Big time. Lincoln, if this involves lightning, you know what to do.

Lincoln: On it.

Nico: Alright then, let's get our cars and head on over to Aeropela and take down Carnagejelly.

Lincoln: She'll be perfect for The M.O.E., but we still got to take her

down.

Qin: Yep.

Nico: I was expecting Tentacool's Akuma to go after Nastina.

Tentacool: Yeah no kidding.

The previous group came.

Dai Gui: Can me, Heatwave, Demyx, Vulture, Dr. Viktor, Brain Freezer, Man Boy, Toiletnator, Diabolico and Riddler go with you guys?

Nico: Yes you all can come with.

Qin: The next race is on Jetray's home planet Aeropela.

Nico: Yep.

Dai Gui: Cool!

Xenia: Yep.

Riddler: We saw the stunts the mascots did and they were hilarious! Whoa Nico has 2 lumps on his head! Riddle me this: Who did that?

Me: May and Maria did.

May: Sorry.

Me: I got this.

I pulled out a tiny hammer and pounded them in.

TONK TONK TONK TONK TONK TONK TONK TONK!

Me: There.

Nico: Ouch. Thanks J.D.

Me: You're welcome.

Blackout: Boss, which Gene Slammer do you think you'll meet next?

Nico: Bamboo Pandamonium next.

Me: Ooh! Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dagon, a supporting antagonist in the anime/manga series Jujutsu Kaisen, and he's coming here to kill us to slake his thirst for blood. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Dagon from Jujutsu Kaisen, and he's coming here to kill us to slake his thirst for blood.

Nicole: Oh man, he's one of the Cursed Spirits and he's one dangerous monster.

Raven Mordecai: Yes, but this is also a perfect opportunity for us to get rid of him.

Lincoln: Right, Raven. But, we got to watch it with him, he's not to be underestimated.

Nico: If we're dealing with someone like that, you guys better be careful with him. Alright, gang, let's go, we're heading off to another race, this time, it's on Aeropela.

Lincoln: And we're going to take down Carnagejelly, and once we take her down, you're next Dagon.

Raven Mordecai: I'm not letting a bastard like you get away with this, your punishment is coming, Cursed Spirit of Water.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Aeropela for an awesome race and we're also going to battle Carnagejelly and hand her over to Vypra, and once we get done with that, Lincoln and Raven Mordecai along with me are going to destroy the Cursed Spirit, Dagon.

We were off to Aeropela.

---

We arrived at Aeropela.

Me: So this is Aeropela.

Nico: WOW!

Camie: It's an endless ocean planet.

Nicole: Amazing.

Eli: The ocean on this planet goes on forever!

I looked at a hologram of the planet and it showed that the planet was totally covered in water. Not a single speck of land at all.

Me: Wow! It's a full ocean planet.

Nico: Amazing!

Me: But it says here that Aeropela wasn't always like this. It used to be a desert planet. But then the Orishan invasion happened and turned it into an ocean planet.

Nico: Wow! From dry as a bone to wet as a wet noodle.

Lola: That is amazing!

Me: Yep. Water covers every square inch of land. Not one single speck of land anywhere.

Demyx: My kind of planet.

Me: I know.

Tentacool: Especially for my Akuma form.

Camie: Or mermaids or any kind of water creature.

Qin: Yeah no kidding.

Enola: Boy it reminds me of the Waterworld that I came from.

Varie: No kidding.

Tamao: Yeah no kidding.

I looked over the route of the race and saw that it was a race around the planet 4 times to the equatorial finish.

Me: Easy route.

Dirt Boss: Let's get our cars ready.

We went and did so.

Brain Freezer: Tentacool, are you feeling okay right now?

Tentacool: I'm okay but I don't even know what my Akuma form looks like.

Nico: We'll find out soon.

Me: Lets get this race started.

We got into our cars and got them ready.

Gilda: Here we are at the starting line.

Me: Yep.

We were ready.

Billy Natson: AND Welcome to another amazing and most memorable race in racing history. Hello everyone I'm Billy Natson and we have an amazing treat for you all today. We are on Jetray's home planet the planet Aeropela and as you can see it's an Ocean Planet and with us we have our very own Team Loud Phoenix Storm and their archenemies in the M.O.E.! You ready for some fun today!?

WE CHEERED!

Me: Bring on the race Billy!

Billy Natson: Love that spirit! Good luck out there!

Krysta: RACERS TAKE YOUR MARKS!

We were ready for some fun!

Krysta: (GETS OUT GREEN FLAG) GET SET…

We had looks of determination on our faces.

Krysta: (WAVES GREEN FLAG) REV UP AND GOOOOOOOOOO!

WE GUNNED IT AND OUR CARS TURNED INTO WATERCRAFTS AND JETS AND WE WERE OFF!

Billy Natson: AND THEY'RE OFF!

Diabolico: Eat my dust!

Me: We're on the water Diabolico!

Diabolico: Oh let me rephrase that. EAT MY WAVES!

We zoomed and flew.

Nico: YEAH!

Eli: WOW! The ocean just goes on forever!

Alexis Thi Dang: Boy Starscream this is amazing isn't it?

Armada Starscream: It sure is something.

Skalor: I'm ahead right now!

Qin: Oh no you aren't!

ZOOM!

Nico: OH YEAH?!

We zoomed all over!

Riddler: Riddle me this: Do any of you guys see her right now?

Tecna: (British Accent) I got nothing on radar.

Me: We're keeping an eye out for it.

Camie: Yeah.

Kelly Strahand: It sure is amazing that you guys get to do all this.

Me: It sure is Kelly. And we've only begun to scratch the surface of how many planets there are all over the universe.

Kelly Strahand: That is amazing!

Leozack: But how do you like this planet in particular?

Kelly Strahand: It's absolutely incredible!

Qin: It sure is!

Me: All the planets we go to are awesome.

Lola: Yeah!

Man Boy: She's probably hiding

Me: Maybe.

Then we saw a huge blip on the radar.

Me: Wait there's something 340 klicks ahead to the south southwest.

Viceroy: What do you think it is?

Me: We're about to find out.

Nico: Look!

Up ahead we saw what looked like a GIANT BALLOON FLOATING ON THE WATER!

Nico: Is that a giant balloon?

Me: Looks can be deceiving.

But then it was moving and we saw that it was a GINORMOUS JELLYFISH! IT WAS A DARK BLUE JELLYFISH AND IT HAD SCARY TEETH! AND IT WAS SURGING WITH ELECTRICITY!

Toiletnator: Hey, guys. I found her!

Me: We're ALL Looking at her!

Qin: WOW! What a jellyfish!

SpongeBob: I don't think we have a jellyfishing net big enough for her!

Tentacool: OH WOW! I look awesome like that!

Varie: Your akuma is a huge jellyfish!

Thorn: Are you okay, Tentacool?

Tentacool: I sure am fine! This is cool that I get to see my Akuma form.

Nico: It sure is amazing.

Red Lantern Ratchet: Boy this is an amazing form.

Nico: I'll say!

Dr. Viktor: I could take her.

Nico: Shall we?

Nicole: I'm ready.

Me: Entrance time?

Laxus: Let's wait until we get closer

Me: Good idea.

Qin: Yeah.

We were getting closer and closer and closer.

Vulture: I think this is close enough

Nico: NOW it's entrance time!

We went at the jellyfish.

The jellyfish roared and then the spirits of the water and sky came and they swirled around her and then they converged and then..

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above it and a phoenix cry was heard and we came and the Jellyfish got onto our arena!

Me: WHOA! You would not look good on a Peanut Butter and Jellyfish Sandwich!

Carnagejelly: Hardy har har. Carnagejelly is hungry for blood.

Rothar: Tentacool? Is that you?

Carnagejelly: Yes it's me. Where's Team Rocket's men?

Me: I got a couple here for you.

I snapped my fingers and numerous remnants of Team Rocket popped in and they were tied up.

Carnagejelly: OOH! Lunch!

She ate them and it was awesome!

Carnagejelly: (BURPS) Yummy.

Heat Wave: Also, you're way too late to kill Team Rocket. They've long since disbanded.

Carnagejelly: True. But there are still remnants of them around.

Me: I was expecting you to go after someone like Nastina. She would have been a much better target.

Carnagejelly: Yes that would have been fitting for me.

Tentacool: It sure would. She did ruin our home.

Jirachi: You wouldn't hurt your own boyfriend. (Does puppy eyes) Would you?

Poliwag: And I thought I was the only one that can do puppy eyes.

Carnagejelly: No I would never hurt you Jirachi. And I would never hurt you Varie.

Varie: That's great!

Nico: What kind of jellyfish are you?

Carnagejelly: I'm a combination of 6 kinds of venomous jellyfish. The Portugeuse Man-O-War, Chiropsalmus quadrumanus, Sea Wasp, Cannonball Jellyfish, Carybdea murrayana and the Carukia barnesi.

Heidi: WHOA! All 6 of those are the most venomous jellyfish in the world!

Carnagejelly: Yep. And I have the lightning potentcy of Big Lenny and the Hellyfish.

Me: WHOA! That is lethal!

Ash: We're still taking you down!

Carnagejelly: (laughs) Don't make me laugh! I've grown beyond a Tentacruel now!

Nico: But you still exhibit the same weaknesses as one! DRAGON THUNDERCLAP!

Nico fired a massive blast of lightning from the sky and it hit Carnagejelly and electrocuted her and knocked her down.

We were amazed by Raven Mordecai's Super Angel-Dark Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dagon saw it, he fired blasts of water at her to kill her, but Raven Mordecai fired a massive barrage of purple energy, stars, darkness, magic, fairies, phoenixes, and angels which hit Dagon and sent him flying into another wall, he got back up, but he was enraged.

Me: No way, did Raven just transform?

Lincoln: She did, now, we can tear Dagon apart and make him pay for everything.

Raven Mordecai: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Nocturne Fury Magic Dark Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Harmony Nocturne Fury Magic Dark Fairy Queen Phoenix God Angel Love) You said it, Lincoln. Alright, let's get him, boys!

Lincoln, Raven Mordecai, and I went after Dagon, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dagon, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Raven Mordecai also did the same by firing purple energy slashes from her massive greatsword, and he, Raven Mordecai, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Dagon even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Dagon in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Dagon into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated Dagon's Hydrokinesis and abilities.

Then, when Lincoln was done, Dagon was fully absorbed into his body and he sent Dagon to The Black Gates forever. Everyone cheered wildly for what Raven Mordecai, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Raven Mordecai's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple and black planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple and black butterfly wings and medium sized purple and black butterfly wings underneath are permanent.

Raven Mordecai: Your immortal life ends here. Thanks for helping me take down Dagon, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Raven.

Me: My pleasure, Raven.

Suddenly, Raven Mordecai wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Raven Mordecai's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness them and we cheered wildly. Then, Lincoln and Raven Mordecai sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Raven Mordecai and hugged us.

Luna: No kidding dudes, you guys taught that demon a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Serenity Nightingale, Avatar of Dunames Dark Witch.

Abigail Nightingale: My older sister? Wow!

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Serenity Nightingale is Lincoln's Guardian Angel from Michigan, and she's the older sister of Abigail Nightingale, Gene-Slammer of Night Wing Sorceress, and like her sister, she's a powerful master of darkness and umbrakinesis. She's a Goth Girl who was born with incredible powers of Darkness, Dark Magic, Black Magic, and Satanic Magic, and she also has black angel wings. Serenity's a very powerful master over the forces of Darkness and she's used her powers of darkness to protect Lincoln and she's taken down a ton of crooks and thugs and made their nightmares come true. Serenity trained Lincoln in using the powers of Darkness, Dark Magic, Black Magic, and Satanic Magic, and they used their powers of darkness to humiliate Flip and Scoots and they even exposed their shenanigans to everyone in Royal Woods, and it was ugly. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he'll marry Serenity and Abigail along with the rest of his harem. Serenity hates Lola, Lynn, and Flip with a blazing passion because they tried to stab her little sister and throw her in the river as revenge for what she did in beating them up after they stabbed Girl Jordan and tried to throw her in the river, but Lincoln and Serenity beat those three up and Lincoln sent Flip flying back to prison and Serenity sent Lynn and Lola flying back to The Loud House to face the punishment of a lifetime after they heard everything from Lincoln and Serenity.

WE GASPED!

Nico: Lynn, Lola, of all the… !

Me: I still remembered that incident all too well. Lynn and Lola were stupid in allying with that mutant to kill Abigail.

Lynn Sr.: Lincoln even got out a huge paddle and swatted Lynn and Lola hard on their butts. He still had anger towards Scoots for what happened to Claudia Cloudian, and he swore that this wouldn't happen to anymore of his Guardian Angels.

Nico: So, if they try to kill any of his Guardian Angels, he'll unleash Hell on Earth on the guilty.

At the winners circle, Starlight Glimmer, Cozy Glow and Lucy Loud were awarded blue crystal trophies that looked like the planet Aeropela and they had Jetray flying around it.

Starlight Glimmer: Boy this was awesome!

Cozy Glow: We had so much fun!

Aurora Shine: I'm so proud of you my little Cozy!

Cozy Glow: Thanks Mom. This was so awesome!

Skalamander: Nice job, guys!

Starlight Glimmer: Thanks!

10,000 Volt Ghost: You guys earned that trophy.

Nico: They sure did.

Ben Ravencroft: And Carnagejelly is in our ranks.

Count Spankulot: But I don't blame her actions. The Team Rocket members have been very bad!

Me: You got that right Count.

Black Knight Ghost: Let's celebrate!

Me: I agree. Who's up for burritos?

Nico: I am! Great job today everyone.

Lucy Loud: This was fun.

Cozy Glow: (To the viewers) This was a fun adventure guys!

Me: Yep.

We went back home and went to Lynn's Table for burritos and they were awesome. Then we went back home and enjoyed the rest of the day and went to sleep.

Qin: I have a feeling this will be a good rescue.

Camie: Me too.

Lola: Yeah I agree there.

Nico: Yeah who knows what this rescue will have in store.

Kairi Yano: But we're ready for it.

Nico: Yep. Kairi, I want to thank you, Don Octavio and your teams for coming.

Kairi Yano: No problem Nico. This will be so fun.

Anastasia Clockwerk: (Russian Accent) It sure will be.

Nico: Anastasia, I'm sorry your ancester was a jerk.

Anastasia Clockwerk: I'll be okay. I'm glad you guys destroyed him.

Me: Same here.

Brittney: Clockwerk was really consumed with hate and jealousy.

Camie: He sure was.

Nico: Look on the bright side. At least you can redeem your birthright.

Anastasia Clockwerk: Yeah. I got 12,000 years of redemption to do.

Nico: Lots of it.

Me: No kidding. Man yesterdays was so fun.

Lola: Yeah on Aeropela

Nico: At least I wasn't farting this time

May: Thank goodness.

Lola: That's for sure.

Nico: Yep. But Tentacool's akuma was cool!

Maria: And huge!

Me: Yeah!

Camie: No kidding!

Nico: How's Tentacool doing after yesterday?

Varie: She's doing good. She said it didn't affect her at all seeing her Akuma.

Camie: That's a relief.

Qin: Yeah.

Starlight Glimmer: It was. But me, Cozy Glow and Lucy won the race.

Nico: You should be proud of yourselves.

Starlight Glimmer: We are proud Nico. We are proud.

Lucy Loud: Yep we sure are.

Maria: I'll get us some burgers.

Me: Okay.

She went and did so.

Maria hummed. But then she saw a girl with black hair and blue eyes and a voluptuous body that was completey naked and shivering and her clothes were shredded.

Maria: (GASP) Oh my god.

She got out a blanket and put it on her.

Maria: What happened?

Girl: (Shivering) A little brat destroyed all my clothes.

Maria: Oh man.

Maria brought her over.

Me: Oh man! Chikara Elemonga! What happened?

Maria: Found her freezing her ass off naked. Some kid shredded all her clothes into ribbons!

Nicole: When I find this kid he is in for a world of hurt!

Nico: Who the fuck would do such a thing?!

Me: It wasn't Jiraiya-sensei. If it was a kid thenhe is in for a world of pain.

Lola: YEAH!

Chikara Elemonga: It wasn't just me! Numerous other women had their clothes ruined

Nico: SAY WHAT!?

Qin: Uh oh!

Lincoln: Oh my God. Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of Brad Buttowski is here and he's back for revenge, and even worse, he's making GIRLS ALL OVER THE CITY NAKED!

WE GASPED IN HORROR, AND NICOLE WAS MEGA PISSED

OFF!

Nicole: WHAT?!

Eli: How the Hell did a clone of that asshole was created?!

Nico: That's definitely what we want to know, it couldn't have been a contingency plan made by that moron, he's too stupid to come up with a plan like that.

Lincoln: I'll check.

Lincoln typed on his wrist computer and brought up a video to see how that clone of Brad Buttowski was created from last night. Suddenly, we saw a black-clothed figure in the video in the back of Lynn's Table, and in his hand, he had a vial of that moron's blood. Then, he put it on the ground and he chanted a black magic incantation. Suddenly, the dark magic reacted with the vial of Brad's blood, and it created a perfect clone of him.

Me: Oh man, so that's how he was created. But, who was it that did this?

Lincoln zoomed in on the figure, and we were horrified to find out who it was that did this: it was a demonic version of Sebastian: the one who was once the monster who went insane and constantly tried to kill Qin, Nico, and their friends and an absolute monstrous nightmare to Buster and his friends from Acme Acres and the Z-Fighters.

Qin: Oh, Triple Shit! Now, we got a demonic version of Sebastian running loose?!

Nico: This is the very monster who went insane and constantly tried to kill you, me, and our friends and who was an absolute monstrous nightmare to Buster and his friends from Acme Acres and the Z-Fighters.

Eli: But, how did that monster come into existence?

Nico: I think I know.

Nico pulled up a video from months ago, and we saw Sebastian do an exorcism on himself to get rid of the leftover malevolence he had in his heart, and it took the form of black mass, but not all of the malevolence left him due to the chips Madeline Linnaeus put on him, but before he could destroy it, the malevolence escaped.

Me: WHOA!

Nico: I told him to get Dana Orichalcum or the rest of us, but he didn't want to. (Sighs) But, I can understand why though, everything he did, he forever blamed himself, it was Dark Chase Young that did this, but we didn't know about that at the time, and Connor, Alicia, Mindy, Qin, and I along with the rest of my friends severed all ties with him forever, and we swore if he ever came back, we'd finish we started and end him. Ever since that day, he tried to kill us and whenever he wasn't trying to kill us, he's antagonized Buster and his friends from Acme Acres and the Z-Fighters and tried to destroy all life on Earth and the universes beyond, and by extension, pissed off Lincoln and his Guardian Angels, and all of the team and The Masters of Evil as well.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: I literally can't believe that a clone of that moron is here, and it was all the fault of a demonic version of Sebastian. We were almost that close to trying to attack him without a rolling pin.

Me: Ouch.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Brad Buttowski clone) AHA! Gotcha, you moron! I just spotted the Brad Buttowski clone, he's 20 yards away, and now, he's coming after us!

Me: Let's head down there and tear that moron to fucking pieces!

Lincoln: That demonic version of Sebastian's already fled, but we'll be dealing with him one day in the future. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Brad Buttowski.

Zarya: You okay now?

Zacian: Thanks to all of you.

Me: Awesome.

Zarya: You want to come with us?

We were flying in the air, and we soon saw the Brad Buttowski clone heading right for us in a fit of rage.

Lincoln: There he is. Looks like getting torn apart by demons wasn't enough, fine. Time to up the ante. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln turned into Fire Moon and he then fired blasts of fire and hellfire which hit the Brad Buttowski clone, and he really got burned badly. That pissed off the Brad Buttowski clone as he roared and screamed like a wild animal as we landed.

Lincoln: You're in so much trouble, you piece of garbage, what you did was absolutely the most disrespectful and absolutely horrendous act of barbarism towards women, and for that, we're going to tear you apart limb from limb!

NICOLE REALLY WENT BALLISTIC ON HIM!

NICOLE SMASHED BRAD'S TEETH OUT AND SHE TORE LIPS OFF AND SHE SHOVED THEM DOWN HIS THROAT, THEN SHE GOUGED HIS EYES OUT AND RIPPED HIS FEET AND ARMS OFF!

BELLOWING SCREAMS OF PAIN!

Me: YIKES!

THEN, NICOLE'S NAILS GREW INTO CLAWS AND SHE PROCEEDED TO SCRATCH BRAD ALL OVER THE PLACE WITH HER SHARP CLAWS DRAWING TONS OF BLOOD AND SHE SCRATCHED THEM ALL OVER LIKE HOW REN DID IN THE INFAMOUS REN SEEK'S HELP EPISODE! THEN, SHE GOT OUT HER SWORD, AND THEN!

SLASH! SLASH!

Mollie: Even though you're just a clone of that stupid face moron, you're still just as stupid and dumb as the real one, but finding out that you're just as bad as the real one and what you just did, that is the last straw! You're getting put down like the rabid dog that you are, you filthy animal!

We were amazed by Mollie's Super Angel-Dragon-God-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when the Brad

Buttowski clone saw it, he went ballistic and got out a knife to stab her and kill her, but Mollie fired a massive barrage of purple and pink energy, stars, lightning bolts, sparks of lightning, dragons, phoenixes, and angels which hit the Brad Buttowski clone and he also got electrocuted, he got back up, but now, he was MEGA PISSED OFF IN A HUGE WAY!

Mollie: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Athletic Electric Lightning Storm Fury Almighty Leigong True Immortal Lightning Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Athletic Electric Lightning Storm Fury Almighty Leigong True Immortal Lightning Dragon Phoenix God Angel Love) That was just for starters, you pile of garbage!

Kendall Perkins: That's right, I'm also wanting to kill you again, same goes with Meg Griffin, Nunnally, Star Butterfly, and Marco Diaz, we all want to kill you right where you stand, you piece of garbage!

Marco Diaz: That's right, and what you almost did to my wife, you just crossed it, you pile of garbage!

Me and Nico: UH OH!

Suddenly, something inside Marco Diaz's mind snapped as the memories of Brad Buttowski's crimes against Kick and what his clone almost did to Star Butterfly rushed through his head and his blood red eyes turned neon blood red, and he was surrounded by a blood red energy aura with stars, fire, flames, blood, magic, skulls, eagles, phoenixes, and angels, he unholstered his massive Huitzilopochtli's War Sword of Fiery Justice from his back, and as he angrily approached the Brad Buttowski clone, he left blood red energy, stars, fire, flames, blood, magic, skulls, eagles, phoenixes, and angels with every step.

Marco Diaz: I never got the chance to say, but I'm about to say it now, you really are nothing more than a disgusting pile of garbage, you tortured and tormented your own little brother and all to slake your toxic hatred towards him, and I hadn't forgotten about what you did in pissing all of us off with your damn antics and acting like a total moron. (SUDDENLY GETTING SUPER PISSED OFF AS HIS ENERGY AURA FLARES UP EVEN MORE AND HIS MUSCLES

BULGED) But, what you did just now and what you almost did to Star, my own wife, you've gone too fucking far, and for you to do so without any regard or remorse for the rights of women whatsoever… , YOU'VE ALREADY CROSSED THE LINE FOR THE LAST TIME, YOU PIECE OF SHIT, AND NOW, I'M GOING TO MAKE ABSOLUTELY SURE YOU STAY DEAD ONCE AND FOR ALL!

WE GASPED IN HORROR: MARCO'S RAGE HAS BEEN RELEASED ONCE MORE! THAT PILE OF GARBAGE IS LITERALLY WORSE THAN DEAD NOW!

Me and Nico: OH NO!

Eli: EVERYONE, HIT THE DIRT! HE'S GONNA BLOW!

We ran for cover as Marco screamed like an infinite-times fucked-up madman as his energy exploded and he was surrounded by a massive vortex of blood red energy with stars, fire, flames, blood, and magic surrounding the vortex, there are skulls, eagles, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at the Brad Buttowski clone: the red eyes of eternal death.

Nico: Oh shit, the last time this happened was because of Tom showing up to get revenge!

Me: That was two years ago!

Lincoln: And what that pile of garbage almost did to Star, now he's angered her husband, and what he almost did to Mollie, I'm just as pissed off. Now, he's about to get it big time.

Then, as the vortex faded, Marco emerged, but he was now changed forever.

We were really amazed by Meg Griffin's Super Angel-Gothic Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Brad Buttowski clone saw it, he went ballistic, but before he could charge at her, Meg Griffin fired a massive barrage of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels which hit that pile of garbage and sent him flying into some trash cans and into a dumpster, he got back out, but now, he was not only extremely pissed off, but he also now has serious stink lines coming off him.

Meg Griffin: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Gothic Darkness Quahog Destroyer Gothic Darkness Phoenix God Angel and Divine Cosmic Eternal Harmony Gothic Darkness Quahog Destroyer Gothic Darkness Phoenix God Angel Love) Sheesh, if we continue tossing you into a dumpster, you're liable to stink up the city even more.

Kendall Perkins: You're right. Someone, get a ball of water ready with some soap!

Lincoln: On it!

Nico: Hope you're ready for a bath, loser!

Suddenly, Kendall Perkins' green eyes turned neon green and she was surrounded by a green energy aura with stars, life energy, plants, leaves, nature energy, phoenixes, and angels, and as she approached the Brad Buttowski clone, she left green energy, stars, life energy, plants, leaves, nature energy, phoenixes, and angels with every step.

Kendall Perkins: Even if you're just a clone, you're still the same disgusting pile of garbage that we all despised long ago, I would've thought we were finally rid of you for good, but thanks to a demonic monster, he decided to mess that up. But, this ends here and now, this is where we won't have to deal with your ugly hide again!

Suddenly, Kendall Perkins was surrounded by a massive vortex of green energy with stars, life energy, plants, leaves, and nature energy surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a blonde phoenix with red eyes glaring at the Brad Buttowski clone: the red eyes of eternal death.

Nico: WHOA!

Me: Awesome!

Then, as the vortex faded, Kendall Perkins emerged, but she was changed forever.

Suddenly, Kendall Perkins felt a sharp pain on her back, and then, her massive blonde angel wings with green tips on the large blonde feathers grew much larger for her new body and medium sized blonde angel wings with green tips grew and sprouted out underneath her massive blonde angel wings, and she now has eleven massive and long golden yellow wolf tails with green tips and green markings, Kendall Perkins has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has green fingerless gloves with gold-armored claws on her fingers and smaller planets orbiting around her fingers like rings.

Lincoln, Kendall Perkins, Mollie, Meg Griffin, Nunnally, Star Butterfly, Marco Diaz, and I went after the Brad Buttowski clone, and we fired extremely powerful blasts of rainbow energy, green energy, purple and pink energy, black and red energy, white and pink energy, golden yellow energy, blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Brad Buttowski clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Kendall Perkins, Mollie, Meg Griffin, Nunnally, Star Butterfly, Marco Diaz, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Brad Buttowski clone even more madder than ever and he exploded even more with extreme rage.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Kendall Perkins, Mollie, Meg Griffin, Nunnally, Star Butterfly, Marco Diaz, and I fired powerful blasts of energy, magic, stars, water, ocean waves, and planets at the Brad Buttowski clone, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln kicked the Brad Buttowski clone really hard into the air, and he drew a circle with his massive greatsword as a portal of black flames opened: the portal to The Black Abyss. Then, a torrent of souls appeared: the souls of Brad Buttowski's victims whom he'd hurt, they grabbed him and found him guilty, and they threw him into the portal that led to The Black Abyss and he was burned by the black flames and he was erased forever by The Black Abyss as the portal closed.

Everyone cheered as we holstered our weapons and powered down, and Kendall Perkins' new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long blonde tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings underneath are permanent, Mollie's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple and pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent, Meg Griffin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve black and red planets orbiting around his legs, smaller planets orbiting around his fingers, and massive black angel wings and medium sized black angel wings underneath are permanent, Nunnally's body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large white and pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent, Star Butterfly's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long blonde tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive golden yellow butterfly wings and medium sized golden yellow butterfly wings underneath are permanent, and Marco Diaz's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve blood red planets orbiting around his legs, smaller planets orbiting around his fingers, and massive dark brown angel wings and medium sized dark brown angel wings underneath are permanent.

Lincoln: And that is that for that miserable clone.

Me: You got that right.

Nico: Now, where the hell is that demonic bastard hiding at?!

?: DEMONIC ROAR!

Suddenly, we saw a black mist heading right to us and it landed and it took on the form of Sebastian, but he has pale skin, dark red sclera and blood red eyes, and he still has on his black clothes and he has a black greatsword on his back.

Eli: Let's get him!

The demonic Sebastian roared and fled as he disappeared.

Lynn: Coward! Running from a fight?!

Nico: Let him go, Lynn. We'll deal with him tomorrow.

Lincoln: He's right, I know exactly where he's fleeing to.

Me: When tomorrow comes, that is when he will die once and for all.

Nico: Yep.

Me: Now we've seen the last of that douchebag.

Xenia: Darn tootin!

Nico: Let's get you some clothes, Chikara.

Maria: I was going to say the same thing.

The fashion brigade gave her awesome new black clothes and she looked great.

Chikara Elemonga: Thanks guys! I look awesome.

Maria: You sure do.

Twilight and friends were still throwing up from the carnage that Nicole dealt

Zacian: Boy that was brutal.

Nico: Nice job Zacian!

Zacian: Thanks. That was fun.

Poromon: Want some beer?

Zacian: No thanks. I drink grog.

Poromon: What's grog?

Me: It's a drink that sailors drink.

Mr. Krabs: (Laughs) Aye lad. I drank a lot of grog all the time with me sailor buddies back when I was in the navy.

Poromon: Oh! That is cool! What's it made with?

Zacian: Pineapple and rum.

Poromon: Cool!

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag thats enough.

Poliwag: Okay. But lemme try some grog.

Zacian: Okay.

Me: Yeah.

Nico: I just can't believe that Brad would come back.

Lola: Because of a Demon version of Sebastian!

Me: I'll make some Grog. I've been learning how to do it from Moe.

I made shredded and pureed pineapple and mixed Captain Morgan Rum.

Me: (Humming Anchors Aweigh)

I made some for Poliwag and Zacian.

Poliwag tried some Grog and it was good.

Zacian: (Drinks) Ahh refreshing.

Mr. Krabs had some.

Mr. Krabs: Ahh now that is good Grog. Just like old times lads.

Poliwag: This is actually very good. But we still love beer!

Me: Glad you like it.

Zacian: Yeah it's good.

Nico: Awesome.

Maria: How are you feeling from yesterday, Tentacool?

Tentacool: Better than ever.

Me: Care to introduce us?

Lincoln: Sure. This is Enya Nephthys, Gene-Slammer of Conductor of Nephthys, she's my Guardian Angel from Michigan and she's known as the Trainer of The Cult and she's a powerful master of the sword and fire. She and I trained a lot in extremely hot and fiery conditions, and she was surprised at how much I've grown adjusted to extremely hot and fiery conditions along with other extreme climates, and she andme are members of a group who protect the rights of women everywhere, and she vowed to bring down NO MA'AM for their crimes against women, and that also included crazed man-despising feminist monster, Marcy D'Arcy, that trashy sorry excuse for a housewife, Peggy Bundy, and the two hated depraved spawn of the Bundys, Kelly and Bud Bundy.

Me: WHOA! So she is after those stupid women haters!

Xenia: What a bunch of brainless neanderthals!

Nico: They aren't worth killing.

Me: Nope.

Brian then came in his banana suit.

WE LAUGHED HYSTERICALLY!

Penelope Bianca Jellica: (LAUGHS) I LOVE THAT SONG!

Rika Rhino: That was awesome!

Rika Rhino: Friendly and they both are powerful.

Me: HUH?

Nico: Both?

Rika Rhino: You'll see.

May: Sorry we have to do this.

Don Octavio: (Italian Accent) Ah it is good to see great fellow-a singers.

Gwen and Gina: Same here.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jet Sword.

Gwen Gemini: No he didn't because he was getting a splitting headache from seeing double.

Gina Gemini: Yeah he sure was.

Me: I know the feeling myself.

Sougo: (gets out Mighty Morphin Ridewatch) Swartz getting a headache from that? That is crazy.

Geiz: (gets out Jetman Ridewatch) That must've hurt.

Sougo got out TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Me: Yep.

Lincoln: Lets separate you girls first.

We did so and we were ready!

Me: Better be ready because I'm gonna knock your teeth out!

Another Don Octavio: (Italian Accent) Appearances

That's the toughest talk you got?! You're pathetic. Back in my day, we had enforcers that would make people pee their pants just as soon as look at 'em.

Me: Oh I'm much tougher than that! And when I make a threat I always carry it out!

Kairi Yano: KAITOU CHANGE!

He transformed!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

He was ready!

Kairi Yano: Here's an Advanced Notice: I'm taking your treasure.

Me: And we're going to kick your big ugly fucking ass!

Nico: YEAH!

Me: And then I'm going to rip your spine out and floss my teeth with it!

Nico: YEAH!

Murray: AW YEAH! YOU TELL HIM THAT THE MURRAY SAID SO!

Nico: OH YEAH!

We were ready for him!

Nico: (GETS OUT DON OCTAVIO'S RIDEWATCH) LETS DANCE ITALIAN STYLE!

(TARANTELLA NAPOLETANA PLAYS)

Nico danced to it and activated the Ridewatch and fired waves of energy and blasted him all over with energy blasts and blasted him all over!

May: (Gets out Bug Eaten's Ridewatch) This rat means business!

Maria: (Gets out Florentine's Ridewatch) I'm going to roast you like a chicken!

Anastasia Clockwerk: (Gets out Sirenia Quincia's ridewatches) I've got 12,000 years of redemption to enact and my first task is to eliminate the Anothers of All of Sly's enemies!

They used the powers of Don Octavio, Sirenia Quincia, Bug Eaten, Evil Gemini Man, Florentine and Universe 666 Clockwerk.

They blasted the Another.

Me: I got a feeling that something big is coming tomorrow so I don't thiink there is a rescue tomorrow.

Nico: I have that same feeling.

Xenia: Yeah.

Then Takoika, Metphies, Me·Garima·Ba., Grimmel the Grisly, Rigime (Kamen Rider Decade) and Black Condor (Jetman) came.

Nico: Nice team, Takoika!

Takoika: Thanks Nico! It's awesome!

Sira Starfox: Cool!

Anastasia Clockwerk: I was wrong.

Nico: But I have a feeling it will be big too.

Me: Yeah.

Nico: Although the something big you were talking about might be fitting if it's including Star Fox members.

Me: I have the same feeling myself.

Anastasia Clockwerk: Yeah.

?: Whatever it is it will be big.

Out came Bamboo Pandamonium!

Me: Whoa! Bamboo Pandamonium!

Nico: Cool!

Bamboo Pandamonium: (In a girls voice) (Chinese Accent) I agree there too.

Nico: Zian Qin! Wow!

Qin: Wow!

Bamboo Pandamonium: It's good to see you again Nico and Qin. I got this.

She fired energy waves and me and Kairi fired waves of energrgy and blasted the Another down and I caught the ridewatch and purified it.

Me: YEAH!

Kairi Yano: With that we bid you a final adieu!

Me: Yeah! And Another Don Octavio you have failed this city!

Nico: Yep!

Zian reverted back and she was a girl with black hair and red eyes and had green Chinese Clothes and she had green angel wings and a panda bear in the middle of her forehead.

Zian Qin: That was a most fun adventure!

May: It sure was!

Lola: Do you have a favorite memory of Nico?

Zian Qin: I sure do. When me, Nico and Qin were learning all about Qin's ancestor Mulan and that was an amazing ancestrtal heritage.

Me: We learned a lot about China over the years and found out a lot of things about it like how China was always very adamant about its history and their family ties and all about honor.

Zian Qin: That is right.

Nico: Yep.

Nico and Zian hugged.

Nico: I've missed you.

Zian Qin: I did too Nico.

We went back home.

Lincoln: Whoa, this is one empty looking planet. Where are we?

Lincoln 2: (Through the Ebonwu Crest) I believe I know where we are: this was once Inferna, a planet I've been to many times and it was inhabited by humanoid flame elementals. But, thanks to the actions of Pyron, he'd sucked the planet dry and its people were also absorbed into him.

Me: That's brutal.

Nico: Damn. Is there a way to restore the planet to life?

Lincoln 2: (Through the Ebonwu Crest) We'll have to see what we can do. Now, we got to get to the job: not only is Lincoln going to rescue the seven girls here, but we're going to battle Chet, an old enemy of Sam, Clover, and Alex, and Mr. Jinks is going to transform and we're going to send that jerk straight to The Masters of Evil.

Sam: So, that jerk's here on the remains of Inferna?!

Kairi Yano: He's crazy to come out here to a dead planet, more specifically into space.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and pink headband, purple blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a purple frilly short-sleeved shirt, necklace with purple gem for the pendant, purple skirt, purple knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is Dunames Dark Witch, holstered on her back is a massive darkness greatsword with angel runes etched on the 7'9" massive, wide, double-edged black blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the seven girls.

Lincoln: (GASPS) Serenity Nightingale, Avatar of Dunames Dark Witch.

Serenity Nightingale: That's right, and I got the girls away. But, that jerk's heading here, along with a massive army of large musclebound jocks out to get revenge on Sam, Clover, and Alex.

Suddenly, we saw a massive army of large musclebound jocks heading right for us, along with Chet.

But, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled jocks, and then, the vacuum tubes literally began sucking all of them dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips underneath spread out and his halo glowed and he began growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into him, and the jocks were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes.

?: DAMN IT, WHY DID YOU HAVE TO DO THAT?!

We then saw Chet heading our way, and he was mad.

Sam: And here comes the jerk now.

Mr. Jinks: This guy needs his head knocked around before we send him to his new boss.

Suddenly, Mr. Jinks' black eyes turned neon orange and he was surrounded by an orange energy aura with stars, fire, flames, hellfire, cats, phoenixes, and angels, and as he approached Chet, he left orange energy, stars, fire, flames, hellfire, cats, phoenixes, and angels with every step.

Mr. Jinks: I believe we've got no words to say that you're just a total jerk who enjoys causing trouble and all for your stupid pride. Well, you've left me no other choice but to bring your pride crashing down and I'll make sure your pride burns to the ground.

Suddenly, Mr. Jinks was surrounded by a massive vortex of orange energy with stars, fire, flames, and hellfire surrounding the vortex, there are cats, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Chet: the red eyes of judgement.

Me and Lincoln: Uh oh.

Loopy De Loop: (French Canadian Accent) Looks like Monsieur Jinks is the next to transform.

Lincoln: Now, that jerk is really huge trouble.

Me: This is gonna be good.

Then, as the vortex faded, Mr. Jinks emerged, but he was changed forever.

Mr. Jinks grew to 8'9" in height, he has metal gold braces on his biceps and thighs and he now has twelve large orange planets orbiting around his legs, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has blue highlights in the bangs of his tuft of hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon orange eyes and an orange energy aura with stars, fire, flames, hellfire, cats, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a cat, phoenix, and angel surrounding it emblazoned on his forehead and Third Eye with orange iris, he has on cat head stud earrings with orange gems for eyes and the Star, Fire, Hellfire, and Eternity Kanjis on its heads, he has on his Crystal Necklace of The Buddha with orange gems embedded in the gold flame links with orange crystal links and orange cat-shaped Element of Harmony and on the bottom of the Element of Harmony is a cat head with orange gems for eyes and the Star, Fire, Hellfire, and Eternity Kanjis on its head for the pendant and he has a white and gold accented choker on his neck, he has a long white long-sleeved Victorian coat with large wide white cuffs and orange embroideries on the cuffs and coattails and stars, fire, flames, hellfire, cats, phoenixes, and angels on the coattails above the orange embroideries, white gloves, white cravat, black dress shirt with decorative silver cat head brooch, black buttoned waistcoat with silver embroideries, white linen cloth over the white coat with silver ring and small ivory cat head with blue gem on its head, long black pants, black and silver embroidery knee-high boots with blue gems and white linen cloth on the black boots, and on the back of the long white coat is a cat with phoenix and angel flying in the skies and surrounded by fire and hellfire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with cats, phoenixes, and angels surrounding an orange gem with neon glowing orange lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Mr. Jinks felt a sharp pain on his now wider and more muscular back, and then, massive orange angel wings with blue tips on the orange feathers grew and sprouted out of his back and medium sized orange angel wings with blue tips grew and sprouted out underneath his massive orange angel wings and his long orange tail also grew longer for his new body, he has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left white glove-covered hand and he has smaller planets orbiting around his fingers like rings.

Suddenly, Mr. Jinks' massive silver greatsword and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of orange energy, stars, fire, flames, hellfire, cats, phoenixes, and angels, and when it emerged, it was transformed into Mr. Jinks' Cosmic Eternal Harmony Almighty Bastet True Immortal Eternal Inferno Firestorm Hell Fire Fury Storm Cat Phoenix God Angel Greatsword of Cosmic Eternal Harmony Almighty Bastet True Immortal Eternal Inferno Firestorm Hell Fire Fury Storm Cat Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the silhouette of Mr. Jinks and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold cat heads with orange gems for eyes for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in its forehead with the Elements of Harmony surrounding the angel faces and the Unity Stones on top of the Element of The Magic of Friendship, longer midnight black handle, four large gold cat heads with orange gems for eyes and on the bottom is a large gold cat head with orange gems for eyes and large orange gem in its mouth on the bottom of the gold cat heads for the pommel in his right hand and he also has three orange talisman cards with inscriptions and exorcism prayers on them in his left hand, he has on his new large gold Bracers of the Champions of The Universe with orange gems on his wrists which were hidden in the large wide cuffs of his long long-sleeved white coat and Dragon Ball Bracelet and wrist computer and Omnitrix on his left gold Bracer, his new large gold Belt of Elemental Bravery with large gold cat head with orange gems for eyes and large orange gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony holstered on his right hip and Eater of Sins revolver holstered on his left hip. Then, Lincoln and Mr. Jinks fired energy blasts that hit Chet and sent him flying into a portal Lincoln opened up that led to The Masters of Evil. We cheered as we holstered our weapons and powered down and Mr. Jinks' new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer and larger orange tail, large gold halo with four orbiting gold rings on each corner behind his head, twelve large orange planets orbiting around his legs, small planets orbiting his fingers, and massive orange angel wings and medium sized orange angel wings underneath are permanent.

Mr. Jinks: Well, that was quite a rush.

Lincoln: That's makes three Hanna-Barbera toons who've transformed: you, Huck, and Loopy, Mr. Jinks.

Suddenly, the planet started to come to life as flames began to overwhelm the planet, and humanoid flame beings came out: the planet, Inferna, had returned to normal.

Lincoln 2: (Through the Ebonwu Crest) Oh, no way! The planet wasn't truly dead, it went into some sort of hibernation for 500,000,000,000 years!

Lincoln: And it came back to life, after finding out Pyron was taken care of by me absorbing him into my body last year. Well, now we got another new planet to add to our star system. (To Serenity Nightingale) And it's so good to see you again, Serenity.

Serenity Nightingale: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again too, Abigail.

Abigail Nightingale: You too, Serenity.

Suddenly, Serenity Nightingale wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Serenity Nightingale was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Serenity Nightingale: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around

Serenity Nightingale's waist and hugged her, and Serenity Nightingale is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serenity Nightingale: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man,

but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Serenity Nightingale, Avatar of Dunames Dark Witch, she's Lincoln's Guardian Angel from Michigan, and she's the older sister of Abigail Nightingale, Gene-Slammer of Night Wing Sorceress, and like her sister, she's a powerful master of darkness and umbrakinesis. She's a Goth Girl who was born with incredible powers of Darkness, Dark Magic, Black Magic, and Satanic Magic, and she also has black angel wings. Serenity's a very powerful master over the forces of Darkness and she's used her powers of darkness to protect Lincoln and she's taken down a ton of crooks and thugs and made their nightmares come true. Serenity trained Lincoln in using the powers of Darkness, Dark Magic, Black Magic, and Satanic Magic, and they used their powers of darkness to humiliate Flip and Scoots and they even exposed their shenanigans to everyone in Royal Woods, and it was ugly. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he'll marry Serenity and Abigail along with the rest of his harem. Serenity hates Lola, Lynn, and Flip with a blazing passion because they tried to stab her little sister and throw her in the river as revenge for what she did in beating them up after they stabbed Girl Jordan and tried to throw her in the river, but Lincoln and Serenity beat those three up and Lincoln sent Flip flying back to prison and Serenity sent Lynn and Lola flying back to The Loud House to face the punishment of a lifetime after they heard everything from Lincoln and Serenity.

Nico: Just like what we were told yesterday.

Lori: You thought what Abigail did to Flip, Lola, and Lynn did after they tried to throw Girl Jordan into the river was bad, it's another matter if they tried to do that to her little sister.

Eli: Yikes!

Lincoln: That's right, messing with her sister was basically asking for death, and now that you're here, Serenity.

Lincoln leaned his head down the right side of Serenity Nightingale's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Serenity Nightingale: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serenity Nightingale with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Serenity Nightingale: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Serenity Nightingale.

Serenity Nightingale had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Serenity Nightingale's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serenity Nightingale had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Natsume Yukuha, Rena Tamaki, Rio Aizen, and Sakuya Mitsurugi from Maid-san to Ooki na Ken and Jane Buxton, Jeanne Barsac, and Sasha from Secret of Cerulean Sand.

Lincoln: Oh wow, it's Natsume Yukuha, Rena Tamaki, Rio Aizen, and Sakuya Mitsurugi from Maid-san to Ooki na Ken and Jane Buxton, Jeanne Barsac, and Sasha from Secret of Cerulean Sand.

Nicole: Those are the girls that got caught by that jerk?! (Growls) I should've also clobbered him as well.

Lincoln: Sorry, but Mr. Jinks beat you to it. Are you girls okay?

Natsume Yukuha: Yes, we're okay, thanks to you.

Then, when Natsume Yukuha and the other six girls saw who it was that saved them from Chet, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and

Natsume Yukuha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Natsume Yukuha: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natsume Yukuha, Rena Tamaki, Rio Aizen, Sakuya Mitsurugi, Jane Buxton, Jeanne Barsac, and Sasha with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Sam, Clover, and Alex's old enemy, Chet, the jock jerk.

But, when Lincoln showed what happened with Mr. Jinks transforming and attacking the jerk and all of us joining in as well and thrashing him and he and Lincoln blasting him and sending him to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Serenity Nightingale have a lot of catching up to do, now that she's back in town.

Maria: Whoa, that was one epic fight, and Mr. Jinks, you transformed, that makes you the next of the Hanna-Barbera toons to transform.

Mr. Jinks: That's right.

Lincoln: We can't wait to see which one of you is next.

Nico: We'll just have to wait and see though, but it'll be so awesome to see it.

Me: You said it.

---

After Lincoln and all of us beat down Chet and sent him to Vypra, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Serenity Nightingale saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Serenity Nightingale: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been

continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Serenity, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Serenity Nightingale: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Serenity Nightingale: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever,

they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Serenity Nightingale: And is what we've been hearing true, are we finally going to give the jerks The Black Abyss?

Nico: Yes, that's right, but the only jerks we're keeping alive are The Wet Bandits along with Lewis Travolta and Bubble Bass. The Wet Bandits are way too hilarious, and it's always fun making them scream like little girls.

Me: And those two idiots, Lewis Travolta and Bubble Bass, they're not worth killing.

Lincoln: The ones worthy of getting killed are Flip, his brother and cousin, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Bradley Uppercrust III, NO MA'AM, Bud, Kelly, and Peggy Bundy, and Marcy D'Arcy, and when we get after Flip, Savannah and I are going to kill him and avenge Selena's death.

?: Savannah's not the only one who lost a sister.

Suddenly, we saw a girl with green hair, green eyes, she has green angel wings, and she's dressed in green treasure hunter clothes and she has a green sword.

Lincoln: (GASPS) Caylee Chronomaly, Avatar of The Chronomaly Duel Monsters.

Nico: Whoa, you know her, Lincoln?

Lincoln: Indeed I do, Nico, this is Caylee Chronomaly, Avatar of The Chronomaly Duel Monsters, she's my Guardian Angel from Michigan, and she's a jungle explorer and powerful treasure hunter. She and I have explored many jungles all over the world and found some awesome treasures all over the place and donated them to the museums. I made her an awesome green sword, and to show thanks, she kissed me on the lips, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Nicole: I've heard of her all too well, and I didn't know you were also a treasure hunter.

Lincoln: You didn't ask. But, Caylee has a dark secret: and that dark secret is that Flip killed her younger sister, Carly Chronomaly.

WE GASPED IN HORROR AND WE WERE MEGA PISSED OFF! NOW, THAT'S WHERE THE MORAL EVENT HORIZON HAS BEEN CROSSED TOO FAR, AND FLIP HAS SEALED HIS FATE!

Me: That son of a… ! Of all the… !

Nico: My God, I can't believe he did this! Caylee, we're so sorry about what happened to your sister, when we go after that mutant, you, Savannah, and Lincoln both show that mutant no mercy!

Caylee Chronomaly: You bet we will.

Lincoln: And that new curse Brittney and I are going to put on Flip, his brother and cousin, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Bradley Uppercrust III, NO MA'AM, Bud, Kelly, and Peggy Bundy, and Marcy D'Arcy, we call it THE GRIM REAPER'S BLACK ABYSS HELLFIRE COUNTDOWN!

A BOLT OF THUNDER STRUCK DOWN AS WE GASPED IN HORROR!

Me: W-what on Earth is that?!

Lincoln: (Smirks) We're not telling.

Nico: (Gulps) Right… , we'd better not ask.

Then, Lincoln went up to and hugged Caylee Chronomaly in his abnormally massive and powerful muscular arms, and he leaned down to her trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caylee Chronomaly with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Caylee saw it as a sign that she's now part of Lincoln's harem and one of his many future wives, as she kissed him on the lips while he was continuing to work out.

We got a shower, and then, Lincoln, Universe 666 Olga, and the Dee Dee Twins, Delia and Deidre Dennis, are heading to Float Islands.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Olga and Delia and Deidre Dennis are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Olga and Delia and Deidre Dennis all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Olga: Wow, so this is Float Islands. It sure is beautiful.

Lincoln: It sure is, Universe 666 Olga, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Olga, and Delia and Deidre Dennis dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Olga and Delia and Deidre Dennis got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Olga and Delia and Deidre Dennis and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Olga and Delia and Deidre Dennis placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Olga and Delia and Deidre Dennis and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Olga and Delia and Deidre Dennis with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Olga and Delia and Deidre Dennis are in your harem, Linky.

Universe 666 Olga and Delia and Deidre Dennis showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Olga and Delia and Deidre

Dennis, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Smolder, Eli and Chloe's final mission.

Nico: This will be awesome!

Qin: Yeah!

Xenia: I hope this will be fun.

Nico: Anyone else want to go with Smolder, Eli and Chloe? Besides Ellie Singh, Gentaro, and Yost Wolverine?

Turtle: I'll go.

Ino: Same with me.

Sakura Haruno: I'll go too.

Fu: Me too.

Hinata: And me too.

Naruto: I'll go as well.

Me: Okay then. Lets go.

We were off to Japan.

---

We arrived.

Daichi: Hey guys!

Smolder: Guys, meet Gentaro and Yost Wolverine.

Ellie Singh: I'm Ellie Singh, Nico's friend who is a Kineceleran Gene-slammer.

Gentaro: Awesome to meet you. Gentaro, Leader of the Fourze Riders.

Yost Wolverine: James Logan Howlett, But everyone calls me Wolverine. I'm from the Yost Dimension.

Turtle: Jai West, but everyone calls me Turtle.

Ino Yamanaka: I'm Ino Yamanaka the Mind Walker.

Sakura Haruno: I'm Sakura Haruno the Slug Sage and Apprentice of Lady Tsunade.

Fu: My name is Fu and I'm the 7-Tails Jinchuriki.

Hinata: I'm Hinata Hyuga, Heiress of the Hyuga Clan.

Naruto: And I'm Naruto Uzumaki Namikaze, Son of Minato Namikaze the 4th Hokage and future Hokage.

Daichi: Wow it's an honor!

Asuna: Same here.

Me: Naruto is my little brother. We're not related by blood. We have known each other for a long time and I've adopted him as my younger brother.

Daichi: Wow that's amazing!

Eli: It sure is

Daichi: Do you really have the Nine Tailed Fox in you?

Naruto: That's right.

Me: Naruto is the 9-Tails Jinchuriki.

Eli: Yep.

Naruto: It's a long story.

Me: Yep.

Eli: Yeah.

Daichi: (to Yost Wolverine) I just want to say that I've never had any problems with Mutants.

Yost Wolverine: I appreciate that. Thank you.

Me: Now everyone doesn't hate mutants anymore and not to toot my own horn but you have me to thank for that.

Eli: It's true. We stopped everyone from hating Mutants.

Asuna: That's awesome.

Me: It sure is.

Daichi: (to Gentaro) What about you?

Gentaro: (proudly) Oh, you know the Astroswitches that were used the last few days. They came from me!

Me: Yep. He's from 2012's Kamen Rider Series.

Eli: And the monsters they faced were really cool.

Smolder: They were called the Zodiarts.

Me: They're monsters that govern the constellations of the Northern and Southern Skies.

I showed my birthmark.

Me: My birthmark is for the Constellation of Phoenix the Firebird in the Southern sky. Whenever a Zodiart came for us they would glow.

Gentaro: That was awesome.

Nico: Yep and it was cool.

Fu: We were all amazed.

Asuna: Wow that is awesome.

Me: Yep.

Daichi: Eli, is it true that Davy Jones killed Ariel's mom? I mean no offense.

Eli: Oh none taken. But yes it is all true.

Me: We were absolutely horrified when we found out. But Eli made sure Davy Jones paid for his crimes.

Eli: Yeah.

J.D. 4: (Through my crest) It's true. We were shocked ourselves. Davy Jones ripped apart King Triton and Atlantica apart.

Me: He sure did.

Asuna: Whoa. Wait who said that?

Me: Oh that was another version of me in my head. We talk through my crest on my forehead.

Nico: J.D. has many versions of him inside his head. Long story. But it involves interdimensional versions of himself.

Me: It's true.

Asuna: Wow.

Daichi: What's your story, Ino?

Ino: Well I'm one of the ninjas of the Hidden Leaf Village. I work in my family's flower shop.

Me: Ino and her family run an amazing flower shop. Her dad is an interrogator for the Hidden Leaf Justice System and he goes into peoples minds to get information.

Ino: It's why my clan is known as the mindwalkers.

Daichi: That's amazing.

Naruto: Yeah it sure is. Ino's clan is really amazing.

Me: Yep.

Ino: And I'm also a therapist.

Me: Yep. Ino's the chief therapist of the team and her therapy sessions have produced incredibly awesome results. The mascots and many people that we know that underwent HUGE traumatic ordeals have been very fruitful.

Daichi: That is awesome!

Asuna: Wow you really have done a great job Ino. Wait the mascots too?

Me: Yeah we had issues with certain missions that scared the mascots bad.

Nico: There was this haunted car that was terrorizing the city and then Poromon got turned into a werewolf. Scared the living daylights out of Manaphy and Horsea.

Chloe Bolton: Just Manaphy was scared, actually. Horsea was scared by a haunted car.

Me: I know. I was telling them how both those affected them.

Chloe Bolton: Oh. Sorry.

Me: No worries.

Daichi: Jeez! That is rough.

Asuna: No kidding.

Nico: What's been going on since last visit?

Daichi: Well…

Then the alarm went off.

Me: Uh oh.

We went to the computer and we saw RED KING!

---

Red King returned in Ultraman X, as he was awakened by the Dark Thunder Energy and rose up from underground to go on a rampage and frighten Space Cat Mu. Daichi transformed into X to fight Red King but, as soon as he materialized, Mu rushed towards him and comforted him, making both X and Red King confused, leaving the latter to ignore it, continue its rampage and fight with X after he swatted Mu away. The Ultra had the upper hand at first, but then he grabed Mu after she tried to attack him.

After that, Red King transformed into EX Red King; Mu and X struggled against him. X later transformed into his Exceed form, caused the Dark Thunder Energy within EX Red King to vanish and turned him into a Spark Doll with his Xanadium Beam.

In the final episode of Ultraman X, after Greeza destroyed the Xio base, Red King was forcefully awakened in his EX form alongside EX Gomora and Tsurugi Demaaga, but he was eventually absorbed after being turned back into a Spark Doll by Greeza and the alien copied EX Red King's Flame Road as a result. After speaking out to Gomora and striking Greeza right in the center of his chest Red King, along with all of the other Spark Dolls, traveled to X and united with him. Cyber Red King's power was used to help form the Hybrid Armor and power the Ultimate Xanadium. After Greeza was defeated once and for all, Red King, along with the numerous other Cyber Cards and Spark Dolls appeared and thanked Daichi as he thanked them.

---

Nico: WHOA!

Me: That's Red King! I remember him! He was in many of the Ultraman Series all over!

Eli: Yeah!

Nico: We better get a move on! Lets go!

We flew and we saw RED KING!

Me: There he is

Nico: Ugly!

Gentaro: HENSHIN!

He turned into KAMEN RIDER FOURZE!

Naruto: Lets get him!

Naruto WENT SIX PATHS SAGE MODE!

Nico: YEAH!

Eli: Time for some Kaiju power! MECHA KING GHIDORAH! COME FORTH!

Out of a flash of light came MECHA KING GHIDORAH!

Me: WHOA!

Eli jumped and got into Mecha King Ghidorah!

Nico: COOL!

N/S Magnet On! (Low-toned dynamic music)

Gentaro went into his Magnestates mode

Me: YEAH!

Eli was piloting Mecha King Ghidorah!

Eli: Lets rock and roll!

Eli locked on target and fired enhanced Gravity Lightning and Gravity Lightning! The blasts all hit Red King and exploded all over!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOMMMMM!

Massive flaming fiery explosions blasted off all over the area and all over Red King and blasted him all over.

Nico: YEAH!

Daichi: Lets get him! ULTRAMAX X!

He turned into ULTRAMAN X!

Nico: OH YEAH!

Gentaro got out his Astroswitch for Fault Zone and fired waves of energy and blasted Red King.

Me: Now Daichi you will love this!

Naruto: Lets do it Bro!

Me: SCORCH STYLE: NIMBUS TEMPEST!

I formed a powerful Pitch Black flame Rasenshuriken!

Naruto: SAGE ART: LAVA STYLE RASENSHURIKEN!

Naruto formed a Rasenshuriken of Lava and we combined them!

Me and Naruto: VOLCANO STYLE NINJA ART: MAGMA FLARE RASENSHURIKEN!

We threw it and it hit Red King and exploded with incredibly unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

The explosion was like that of a massive volcanic explosion! It burned him all over!

Nico: WHOA! What power!

Daichi: WOW! That was awesome!

Eli: Way to go bro!

Ellie Singh got out her Astroswitch for Chick Hicks.

Ellie Singh: Watch this speed!

ZOOM!

She ran fast and smashed him down.

Sakura Haruno: Watch this one!

She ran fast and kicked him and sent him high into the air and ran fast and jumped passed him!

Sakura Haruno: HUNDRED STRENGTHS JUTSU! CHA!

She punched him in the stomach and smashed him into the ground with incredibly devastating force!

EXTREMELY DEVASTATING AND MASSIVE SMASH!

Me: HOLY FUCKING SHIT!

Nico: THAT WAS POWERFUL!

Eli: WHAT POWER!

Ino: YEAH! WAY TO GO SAKURA!

Nico: Also, here's your Astroswitch. Catch!

He gave Daichi his legend items!

Daichi: Lets see what this can do.

He used his Astroswitch for Steam Malgam and fired a massive blast of energy and it hit Red King and burned him!

Me: YEAH!

Hinata: Now watch me! GENTLE STEP! QUADRUPLE LION FISTS!

She formed lion fists and bashed Red King really hard!

Nico: YEAH!

Fu: And here is me!

She grew Chomei's wings and kicked him and turned into Chomei!

Fu: SCALE BLAST!

She spun around with a vortex of combustable dust around him and then she used Chomei's jaws to ignite it and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The blast really smashed him into the dirt!

Daichi: WHOA! That was intense!

Me: The power of the 10 Tailed Beasts is strong enough to destroy an entire planet and reduce it to dust!

Nico: Yeah!

Daichi: WOW! That is powerful!

Nico: Also, here's your Astroswitch. Catch!

He gave Daichi his legend items!

Daichi: Lets see what this can do.

He used his Astroswitch for Steam Malgam and fired a massive blast of energy and it hit Red King and burned him!

Me: YEAH!

Hinata: Now watch me! GENTLE STEP! QUADRUPLE LION FISTS!

She formed lion fists and bashed Red King really hard!

Nico: YEAH!

Fu: And here is me!

She grew Chomei's wings and kicked him and turned into Chomei!

Fu: SCALE BLAST!

She spun around with a vortex of combustable dust around him and then she used Chomei's jaws to ignite it and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The blast really smashed him into the dirt!

Daichi: WHOA! That was intense!

Me: The power of the 10 Tailed Beasts is strong enough to destroy an entire planet and reduce it to dust!

Nico: Yeah!

Daichi: WOW! That is powerful!

Nico: It is, ain't it!

Daichi: WOW! That is awesome!

Me: It sure is! And I witnessed all of this firsthand in the distant future! It was epic!

Daichi: Are you serious?

Me: Yep.

Then a figure flew in and smashed Red King down!

It was a girl with Green Hair and Red Eyes and had Black Angel wings and a tiara with Shellhead on it.

Me: (GASP) Simone Shellhead!

Nico: Shellhead's embodiment!

Simone Shellhead: (Grunts) Yeah! I got this!

She fired an energy wave and blasted Red King down.

Simone lost control and charged at Turtle

Turtle ran at her and he hid in his shell and Simone formed a shell around her and hid too.

Then they collided and bashed each other down!

Me: OOH! That's gonne hurt!

Eli: Yeah!

Daichi: That's gonna leave a mark!

Nico: Yeah!

I fired an electron laser blast and injected the antidote into her.

Nico: YEAH!

Ino charged at her and kicked her down.

?: (ECHOING) EPEIUS GIMMICK!

Massive laser blasts and missiles blasted down Simone!

Me: WHOA!

We saw AncientTroiamon!

Me: AncientTroiamon!? WHOA!

Nico: Cool!

AncientTroiamon: (In a girls voice) This will be so awesome!

Nico: Trina Ancient Trojan!? Wow!

AncientTroiamon: That's right! Awesome to see you Nico!

Ino got out her Astroswitch For Hydrax and blasted her all over.

AncientTroiamon: (ECHOING) SURPRISE CANNON!

She fired a powerful blast of energy and missiles from her mouth and chest cannon and blasted Simone.

She was cured and her eyes were back to their blue color.

Me: Yeah!

Simone Shellhead: (Groans) Ouch! I'm okay.

Nico: Good.

Daichi: Lets finish this!

Me: With pleasure!

Daichi fired a massive energy blast and it hit Red King and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: YEAH

He was back to a Spark Doll and I picked it up.

Me: Red King you have failed this world.

Trina reverted back and was a girl with brown hair and green eyes and had brown clothes and leaf angel wings and had AncientTroiamon on her forehead and on her skirt and had the Wood Symbol on her arm.

Trina Ancient Trojan: That was so fun!

Daichi: Boy it sure was! And J.D. did you really experience those powers firsthand?

Me: I'm not shitting you Daichi. Their power is that awesome. In 150,000 years the world was turned into the Shinobi World. It's really awesome and I saw it all and experienced it all.

Eli: It's true.

Daichi: Wow! That was cool!

Me: Yep.

Nico: Nice job!

Me: Yeah!

Smolder: That was so fun!

Eli: Yeah it was!

Chloe: OH YEAH!

Daichi: Smolder, ever since I met you, Chloe, and Eli, I've seen you 3 as siblings.

Smolder: Really? Oh Daichi!

They hugged him.

Me: Does that include me too? Eli is my brother as well.

Daichi: Yep and Naruto too. Come on in!

We hugged too.

Nico: So awesome!

Sakura Haruno: Do you have any favorite memories of Nico?

Trina Ancient Trojan: I sure do. When me and Nico went to Greece and we had a massive Gyro sandwich eating contest. We tied.

Nico: She eats Gyro sandwiches like no big deal. It's awesome.

Hinata: Boy that is amazing.

Nico: Yep.

Nico and Trina hugged.

Nico: I've missed you.

Trina Ancient Trojan: Me too Nico.

Smolder: And Daichi I should have you one day meet Garble, my biological brother.

Me: He's a dragon too and he may be a jerk but he's cool to get along with once you get to know him.

Daichi: Looking forward to it.

Me: Yep.

We went back home.

---

We arrived back.

May: How did it go guys?

Me: Really epic!

We told everyone everything and it was cool.

Lola: WHOA! That is awesome!

Nico: Yep. Sandbar, you, Varie, and Wendy Lebinomininsky are next for missions.

Sandbar: Awesome! Looking forward to it.

Wendy: (Russian Accent) Looking forward to it.

Varie: Me too!

---

We were walking around the city.

Cassie Covvington: (Sleeping) Such a nice day. (Snoring)

Me: Boy it sure is.

Nico: I'll say.

Qin: Yeah.

Then we heard cat yowling and we saw A BUNCH OF ALLEY CATS ATTACKING SOMEONE!

We went over and saw that it was EDGAR BALTHAZAR!

Me: Edgar Balthazar!?

Sakura Knudson: The main villain of the Aristocats!? Oh man! I loved that movie back when I was a little girl!

Camilla Florence Nightingale: Didn't you guys fight him before?

Me: Yeah we sure did. It was back in 2019.

Marinette: Yeah J.D. showed us his Wolf Moon form the first time back then.

Nico: Yep.

Me: That's right. He was out to get rid of Madame Adelaide Bonfamille's cats to get all her money.

Nico: Yep.

Sakura Knudson: Just amazing how low some people can go because of greed.

Me: Yeah but Edgar is not worth killing. I got better plans for him.

Nico: M.O.E.?

Me: Bingo.

He was laughing hysterically!

Maya Matatabi: What's a matter? Never seen a girl with two tails do this?

Edgar: (LAUGHS)

Me: You should count yourself lucky that we didn't kill you back then Edgar.

Edgar: But why did you spare me?

Me: Because well you were not that much of a threat. Also you didn't have any major powers like those of the other Disney villains and THEY posed that big of a threat. Also another factor is that you didn't kill anyone.

Nico: Yeah.

Poromon pecked him.

POINK POINK POINK POINK POINK!

Edgar: OUCH OUCH OUCH!

Poliwag: And you're not THAT evil.

Me: You're right on that.

Edgar: Yeah you're right.

Nico: Yeah.

Edgar: Okay I see your point on that. I was so blinded by greed.

Me: Believe me I've seen how it affects people. The Love of Money is The Root of All Evil.

Edgar: You all have changed tremendously over the years.

Me: I know. We grew not just in numbers but power as well. Also were not acting the way we should have been because we were suffering from the effects of dark orb contamination. Long story on that.

Nico: Yeah crazy.

?: Boy I'll say!

We saw a girl with red hair and red eyes and red clothes and fire angel wings and had a tiara with Flame Stag on it.

Felicia Flame Stag: Felicia Flame Stag, Embodiment of Flame Stag.

Bambi: Felicia!

Great Prince: It's so good to see you again my friend.

Felicia Flame Stag: Same to you great prince and you too Bambi.

Me: Wow!

Emerald Sustrai: Felicia it's good to see you.

Taylor: Same here.

Felicia Flame Stag: You too Emerald and Taylor. Looking good.

Taylor: Thanks.

Bumblebee: How did you meet Taylor and Emerald

Felicia Flame Stag: I met Emerald when she was on Remnant and being conflicted with whether she should leave Salem or not. I think it was 4 days before you all came.

Emerald Sustrai: It's true. She helped me decide to redeem myself.

Me: Wow that is awesome.

Felicia Flame Stag: Yeah. And I helped Taylor realize that Pablo and Anderson were never her friends to begin with and they were poisoning her mind with lies about being a bully. She didn't want to accept it.

Sunset Shimmer: And I helped her realize that she was wrong to be a bully.

Felicia Flame Stag: You sure did Sunset. That was great.

Nico: Yep. Would you like to join us?

Felicia Flame Stag: I would be honored. Oh and I know Bambi and his father because 3 hunters were there and I helped drive them away.

Me: Nice.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls,

leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Blot: I wonder what the next race will be.

Me: We'll find out in a few minutes.

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Tesslos, Ampfibian's world.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Tesslos, and this is one race that's more your style, Lincoln.

Nico: Along with the other lightning wielders. Let's get our cars ready!

Me: Wow! A race on Ampfibian and Ra'ad's home planet. This will be cool! This will be the first ever race we had on one of the planets in the Andromeda Galaxy.

Nico: No kidding! Wow! 2.3 million light-years from home. How cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than a clone of Mr. Electric, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one crazy and brutal fight: I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of Mr. Electric, and he's causing havoc.

WE GASPED!

Nico: Are you kidding me?! Not a clone of that electric monster!

Me: Well, either way, he's going to get shorted out.

Lincoln: More than that, I'm going to suck him dry of all his powers and send his soul straight to The Black Gates. But, we can't underestimate him especially on Tesslos.

Nico: You're right about that. Alright then, let's get our cars and head on over to Tesslos and take down that clone of Mr. Electric.

Lincoln: He's going to pay for everything he's done!

Camie: I agree!

Qin: This is gonna be electrifying!

The previous group came.

Dr. Polaris: Can me, Crimson Dynamo, Turtle, Spot, Skalamander, Pterodactyl Ghost, 10,000 Volt Ghost, Ben Ravencroft, Count Spankulot and Black Knight Ghost go with you guys?

Nico: You all sure can. We're going to race around Ra'ad's home planet, Tesslos.

Camie: This is gonna be so cool.

Varie: It sure is.

Lola: Yeah.

10,000 Volt Ghost: Wow! Perfect for me as a Lightning Master.

Varie: Yep.

Motormaster: Boss, which Gene Slammer do you think you'll meet next?

Nico: Gravity Antonion next.

Qin: Ooh that will be awesome.

Me: When we're done with the Mega Man Robots, what are you hoping to find next?

Nico: Boy haven't thought of that one. I'll think of something.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hanami, the major antagonist in the anime/manga series Jujutsu Kaisen, and he's coming here to kill us to slake his thirst for blood. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Hanami from Jujutsu Kaisen, and he's coming here to kill us to slake his thirst for blood.

Nicole: Oh man, he's another one of the Cursed Spirits and he's one dangerous monster.

Sabrina Morrigan: Yes, but this is also a perfect opportunity for us to get rid of him.

Lincoln: Right, Sabrina. But, we got to watch it with him, he's not to be underestimated.

Nico: If we're dealing with someone like that, you guys better be careful with him. Alright, gang, let's go, we're heading off to another race, this time, it's on Tesslos.

Lincoln: And we're going to take down and destroy the clone of Mr. Electric, and once we take him down, you're next, Hanami.

Sabrina Morrigan: I'm not letting a bastard like you get away with this, your punishment is coming, Cursed Spirit of Wood.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Tesslos for an awesome race and we're also going to battle the clone of Mr. Electric and Lincoln's going to drain him dry, and once we get done with him, Lincoln and Sabrina Morrigan along with me are going to destroy the Cursed Spirit of Wood, Hanami.

We were off to Andromeda for Tesslos.

* * *

We arrived at Tesslos and it was electrifying.

Me: Wow!

Qin: Tesslos.

Xenia: Amazing.

Ra'ad: Feels good to be home.

Laney Simmons: So this is the home planet of my Amperi power.

Xenia: Yep.

Crimson Dynamo: (to Penelope Bianca Jellica) So, Penelope, tell us more about yourself.

Penelope Bianca Jellica: I'm a Peanut Butter and Jelly Sandwich chef and I make thousands of sandwiches for that.

Me: Nice.

Razorclaw: The boss really loves your sandwiches, doesn't he?

Penelope Bianca Jellica: Oh he sure does! He ate 50 plates of them in one day from me!

Xenia: Boy that is amazing!

Me: No kidding!

Skalamander: Who wants to prepare the cars?

Lola: We all can.

Skalamander: Okay.

We went and got our cars ready.

Camie: Boy the storm clouds on this planet are ferocious. They pack more lightning than Encephalonus IV does.

Ra'ad: My home planet packs much more lightning than Saturn does.

Nico: That is amazing. And it has much stronger voltage too.

Sinnertwin: Does that mean it also rains?

Me: I think it's just mostly lightning here. Planet Tesslos is a gas giant planet.

Sinnertwin: That makes sense.

ThUNDERCLAP!

10,000 Volt Ghost was hit by lightning but he got stronger.

10,000 Volt Ghost: (laughs) Now that's what I'm talking about!

Me: Wow! This is a perfect planet for all the Lightning Users.

Lincoln: Yep.

Me: Electrifying!

Bombshell (Skylanders): (British Accent) Shall we head to the starting line?

Me: We shall.

We got into our cars and went to the starting line.

Qin: This is gonna be awesome.

Me: Good thing our cars are lightning-proof.

Count Spankulot: (Transylvanian Accent) That Mr. Electric clone has been very bad!

Qin: Yeah he has!

We were ready.

Billy Natson: AND Welcome to another amazing racing day folks! Hello I'm Billy Natson and we have an amazing show for you all today. We are on the lightning planet of Tesslos, the home planet of Ampfibian and Ra'ad and this world is absolutely electrifying! WOW! We have with us our very own Team Loud Phoenix Storm and their amazing archenemies in the Masters of Evil! You all ready for a good race?

We cheered!

Lincoln formed a massive indestructible diamond barrier that protected all of us from wood and roots and Lincoln suddenly absorbed the wood and roots and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Hanami, or we will force you out.

A figure came out, and it was none other than Hanami, the Cursed Spirit of Wood from the anime/manga series Jujutsu Kaisen.

Lincoln: Hanami, the Cursed Spirit of Wood.

Sabrina Morrigan: One of the many Disaster Curses, now, you will answer for every last one of your crimes.

Suddenly, Sabrina Morrigan's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, fire, ice, water, lightning, pollution, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Hanami, she left black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, fire, ice, water, lightning, pollution, dragons, phoenixes, and angels with every step.

Sabrina Morrigan: Your crimes have gone unanswered for eons, Hanami, you have caused more than your fair share of crimes and chaos towards humanity, you have a lot to answer for, and I'll make sure you pay for your crimes with your own blood.

Suddenly, Sabrina Morrigan was surrounded by a massive vortex of black and red energy with stars, darkness, dark magic, black magic, Satanic Magic, fire, ice, water, lightning, and pollution surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Hanami: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Sabrina is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Sabrina Morrigan emerged, but she was changed forever.

Sabrina Morrigan grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large black and red planets orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long midnight black hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, fire, ice, water, lightning, pollution, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the Seven Dragon Balls inside the Omega Symbol emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Dark, Fire, Water, Ice, Thunder, Pollution, and Eternity Kanjis in its claws, she also has a dragon with red gems for eyes and holding the Star, Dark, Fire, Water, Ice, Thunder, Pollution, and Eternity Kanjis in its claws for the second pendant on the bottom of her red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Sabrina Morrigan felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large black feathers grew much larger for her new body and medium sized midnight black angel wings with red tips grew and sprouted out underneath her massive midnight black angel wings and she also now has eleven massive and long black wolf tails with red tips and red markings, Sabrina Morrigan has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by Sabrina Morrigan's Super Angel-Omega Shenron Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hanami saw it, he

fired blasts of wood and roots at her to kill her, but Sabrina Morrigan fired a massive barrage of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, fire, ice, water, lightning, pollution, dragons, phoenixes, and angels which hit Hanami and sent him flying into another wall, he got back up, but he was enraged.

Me: No way, did Sabrina just transform?

Lincoln: She did, now, we can tear Hanami apart and make him pay for everything.

Lincoln, Sabrina Morrigan, and I went after Hanami, and we fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hanami, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Sabrina Morrigan also did the same by firing black and red energy slashes from her massive greatsword, and he, Sabrina Morrigan, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Hanami even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Hanami in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Hanami into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger as he assimilated Hanami's Invisibility, Curse energy manipulation, Immense cursed energy, Hand-to-hand combat, Domain expansion creation, Supernatural durability, Supernatural strength, Supernatural speed, Hyper regeneration, Hidden presence, Barrier creation, Telepathy, Chlorokinetic Roots and wood manipulation, Buds creations, and Flower field creation.

Then, when Lincoln was done, Hanami was fully absorbed into his body and he sent Hanami to The Black Gates forever. Everyone cheered wildly for what Sabrina Morrigan, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Sabrina Morrigan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large black and red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings underneath are permanent.

Sabrina Morrigan: Your immortal life ends here. Thanks for helping me take down Hanami, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Sabrina.

Me: My pleasure, Sabrina.

Suddenly, Sabrina Morrigan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sabrina Morrigan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness them and we cheered wildly. Then, Lincoln and Sabrina Morrigan sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Sabrina Morrigan and hugged us.

Luna: No kidding dudes, you guys taught that demon a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Adriana Nightingale, Avatar of White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper.

Aurora Nightingale: (GASPS) My older sister?! Awesome.

When Lori, Lynn, Lola, Lisa, and Luan heard that name, they screamed in horror!

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, and as for the reason why Lori, Lynn, Lola, Lisa, and Luan screamed like that, here's the story on her, Adriana Nightingale is Lincoln's Guardian Angel from Michigan, and she's the older sister of Aurora Nightingale, and like her, Adriana Nightingale was born with immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow, and she's also immortal and she also has blue angel wings. Like Aurora

Nightingale, Adriana Nightingale defended and protected Lincoln from the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's fury, and one incident led to Adriana getting stabbed in the stomach by Lori, Lynn, Lola, Lisa, and Luan when they almost got that close to killing Lincoln in a deranged fury, just like what happened to Aurora, but her injuries healed quickly, but that made unfortunately Lincoln go into a vampiric fury, and then, he viciously pulverized them and he tied them up, then he bit Adriana on the neck and not only did he heal her injuries, but he also fed on her blood and he also acquired immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow and immortality, and he drenched Lori, Lynn, Lola, Lisa, and Luan with blasts of water, that incident almost got the five worst sisters in the family sent to a federal prison system for the rest of their lives, but Lincoln settled on having them grounded for two months for their actions. Lincoln made her an ice greatsword and necklace, and to show her thanks, she kissed Lincoln on the lips and as a result, he promised that when he comes of age, he'll marry her and Aurora along with the rest of his harem, and like her sister, she hates Lori, Lynn, Lola, Lisa, and Luan with an icy passion.

WE GASPED!

Nico: Lori, Luan, Lynn, Lola, Lisa, of all the… !

Me: I still remembered that incident all too well. You five really pissed off your brother that time!

Luna: You have no idea, dude.

Laney: (Shudders) Man, when Lincoln gets pissed, he's scarier than Lori, Lynn, Lola, Lisa, and Luan!

Lana: Or even a male gorilla!

Twilight Sparkle, Lincoln, Laney Simmons and Zarya were given blue crystal trophies that looked like Tesslos and had Ampfibian flying around it and lightning was around it.

Nico: That was fun!

Zarya Moonwolf: Yeah it was!

Onyx: His spirit might be destroyed.

Mumbo Jumbo: But I'm sure we can make use of his robotic parts.

Fixer: Let me see what I can do.

Angel: But congrats, guys!

Laney Simmons: Thanks!

Mr. Mittens: (to Zarya) Considering it was Knightbrace's turn today, I was fitting you were one of the winners.

Zarya Moonwolf: It sure was. And it was fun!

Xenia: Yeah! This was cool!

Twilight Sparkle: We had a lot of fun.

Lincoln: I'll say!

Nico: Yep. Great job everyone!

Zarya Moonwolf: (To the viewers) Another awesome race done.

Me: Yep. Lets go home.

We went back home and celebrated at Lynn's Table and then later went back home and enjoyed the rest of the day and went to sleep.

THE END

Alright, and for tomorrow, the match-up is for Selina Morrigan, Avatar of Syn Shenron and Daughter of The Morrigan, The Celtic Goddess of War, and she and Lincoln are going to destroy Mahito, the secondary antagonist of the anime/manga series Jujutsu Kaisen.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Seattle, but we've got bad news: clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor are running loose, so we're going to take them down and Lincoln's going to absorb them, and we're going to meet Adriana Nightingale, Avatar of White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper, she's Lincoln's Guardian Angel from Michigan, and she's the older sister of Aurora Nightingale, and like her, Adriana Nightingale was born with immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow, and she's also immortal and she also has blue angel wings. Like Aurora Nightingale, Adriana Nightingale defended and protected Lincoln from the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's fury, and one incident led to Adriana getting stabbed in the stomach by Lori, Lynn, Lola, Lisa, and Luan when they almost got that close to killing Lincoln in a deranged fury, just like what happened to Aurora, but her injuries healed quickly, but that made unfortunately Lincoln go into a vampiric fury, and then, he viciously pulverized them and he tied them up, then he bit Adriana on the neck and not only did he heal her injuries, but he also fed on her blood and he also acquired immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow and immortality, and he drenched Lori, Lynn, Lola, Lisa, and Luan with blasts of water, that incident almost got the five worst sisters in the family sent to a federal prison system for the rest of their lives, but Lincoln settled on having them grounded for two months for their actions. Lincoln made her an ice greatsword and necklace, and to show her thanks, she kissed Lincoln on the lips and as a result, he promised that when he comes of age, he'll marry her and Aurora along with the rest of his harem, and like her sister, she hates Lori, Lynn, Lola, Lisa, and Luan with an icy passion.

Camie: It sure is.

Lola: I love it.

Varie: Me too.

Sira Starfox: It sure is awesome and fun.

Nico: Sira, I want to thank you, Takoika, and your teams for coming today

Sira Starfox: No problem Nico. This is gonna be fun.

Fox McCloud: It sure is.

Nico: Fox, remember when we met you?

Fox McCloud: I sure do. That was during the adventure on Dinosaur Planet.

Nicole: Boy that was so fun. And we defeated General Scales during that time.

Fox McCloud: You sure did.

Slippy Toad: That was awesome.

General Pepper: And you all did the Lylat System an incredibly powerful service back then.

Me: We sure did.

Nicole: Boy that was awesome. And we battled Star Wolf there the first time.

Camie: That was so cool!

Lola: Yeah it was!

Fox: We also reunited with Kirby and Samus

Katt Monroe: Boy that was cool.

Me: It sure was. Starfox has been an amazing and fun series since 1993.

Nico: Wow! So 30 years. That's amazing.

Lola: Yeah.

Krystal: (British Accent) That was so amazing.

Sira Starfox: It sure was. And I'm really glad that Andross is gone for good. And same with Pigma and Andrew. I hated those 3 with a vengeance.

Camie: I don't blame you.

Me: We still have the Aparoids to deal with.

Sira Starfox: Yes they are the last monsters on my hitlist.

Me: Good.

Nico: Cool.

Lincoln: Yep. Man yesterday was a fun race.

Xenia: Boy and really electrifying!

Me: But seeing the home planet of Ra'ad and Ampfibian wass really awesome!

Xenia: Yeah and really shocking.

Lola: There was a ton of lightning.

Nico: The lightning users All felt right at home there.

Camie: They sure did.

Nico: It was cool seeing Ampfibian's planet

Qin: Boy it sure was.

Lola: Especially seeing Kylmyys and Terradino.

Me: And Pyros and Encephalonus IV.

Camie: And Aeropela and Tesslos.

Nico: All those planets were so fun.

Nico: There's nothing stopping us from racing on more

Me: Nope. But all of it was still fun.

Camie: It sure was.

Twilight Sparkle: We all had a lot of fun on all those planets.

Sunset Shimmer: We sure did.

Fluttershy: That was some of the most fun we've ever had.

Lola: I agree.

Camie: Yeah.

Me: But Mr. Electro REALLY was SHOCKING!

WE LAUGHED!

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was a good one.

Me: (LAUGHS) Yeah but seriously he was.

Nico: And we're using his body's remains for spare parts.

Qin: That is for sure.

Nico: Yep.

Camie: That was awesome and fun.

Lola: Yeah.

Maria: I'll get us some pizza.

Nico: Okay.

Maria went and did so.

But as soon as she got over the hill she saw something weird!

Maria: GUYS LOOK!

We came to her and we saw the pizza shack covered in CHEESE SPIDER WEBBING!

Me: Is that Cheese!?

Xenia: Cheese spiderwebbing!? How cool!

Maria: And it's still open!

Me: Yeah!

We went over.

Me: I'm gonna cut the cheese.

I chopped it and then…

LOUD FART!

Me: Uhhh that was the cheese.

Eddy: It'll come to you eventually

Nico: Yeah.

We were eating all the pizzas and they were good.

Camie: (eating) delicious.

Qin: Yep.

We finished eating and we were full.

Me: Ahh. That was great! Thanks Maria.

Maria: Anytime.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that the demonic version of Sebastian is here.

WE GASPED!

Me: Hold on a sec.

I got out some water and drank it and did a spittake.

Me: (SPITS!)

Nico: I knew we'd be going after him.

Me: We did foil what he did yesterday, and now, he's got nowhere left to run. This is where he dies here and now.

Nico: Yeah!

May: That monster's going to pay for every last one of his crimes.

Lincoln: That's for sure, that monster's caused enough pain and suffering to last an eternity.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: That bloodstained monster's got nowhere to run, now all he can do is fight, but this'll be the last time he causes havoc.

Sebastian Mendez: So that demon version of myself is here. Perfect. Now I can get rid of him.

Lola: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Demon Sebastian) AHA! Gotcha! I just spotted the demonic version of Sebastian, he's 20 yards away, but he's heading straight for us in a blind rage!

Me: Let's tear that bastard to shreds and end his miserable life.

Lincoln: Never again will that insane monster be free to terrorize mankind and all life in the universes beyond. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched

onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the demonic version of Sebastian.

Ruby heard a Pokémon cry

Ruby: Hey look!

We saw a Keldeo!

Me: Wow a Keldeo!

Twilight Sparkle: Wow one of the legendary Swords of Justice.

Nico: Yep. And the poor thing hurt its leg.

Keldeo: Yeah that demon did this.

Sebastian Mendez: That evil monster will pay.

We got to heallng it.

Ruby: You'll get along with Zwei

Keldeo: I sure will.

We healed it up.

Me: There you go.

Keldeo: Thank you.

Nico: Want to come with us?

Keldeo: Sure.

Me: Lets head out.

We were off.

We were flying in the air, and we soon saw the demonic version of Sebastian heading straight for us in a blind rage!

Lincoln: There he is, now to give him a dose of holy cosmic retribution.

Lincoln spread his massive white angel wings and medium sized angel wings and they fired a massive and powerful shower of blades of lights and stars that rained down on the demonic version of Sebastian, and they skewered him and exploded as he screamed in demonic rage, and he was massively pissed off as we landed.

Lincoln: You've caused us a lot of trouble yesterday with that damn stunt of yours, and to find out Sebastian removed you and tried to destroy you only for you to flee. Well, we'll be finishing that bit of business and getting rid of you once and for all.

Demon Sebastian: (DEMONIC VOICE) YOU! YOU! I WILL KILL EVERY LAST ONE OF YOU AND DEATH AND DESTRUCTION WILL SWALLOW THIS MISERABLE PLANET AND EVERY LAST LIVING SOUL IN IT! ALL LIFE ON EARTH AND THE UNIVERSES BEYOND WILL BE ERASED FROM EXISTENCE!

Me and Nico: YOU'RE FUCKING INSANE! YOU WILL PAY FOR EVERYTHING YOU'VE DONE!

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism and he went at Demon Sebastian as they clashed greatsword to greatsword.

Lincoln gained the upper hand as he disarmed Demon Sebastian and slashed at him with his greatsword and the angelic and demonic greatswords that appeared from nowhere, and he bled and he howled in agony.

Demon Sebastian: (GROWLS) SLAVES, ARISE AND DESTROY THESE PESTS!

Demon Sebastian summoned clones of The Z-Fighters' foes to kill us: BIG MISTAKE, YOU CRAZY MONSTER! Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's Stingers and he stabbed them into the clones and he began absorbing them and he and all of us assimilated all of their powers and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Z-Fighters' old foes and he sent their souls to The Black Gates, AND THAT MAJORLY PISSED OFF THAT DEMONIC MONSTER AS HE SCREAMED AND SHRIEKED LIKE A MONSTROUS DEMON!

Sebastian Mendez: You make me sick! Because of you, you turned me against Nico, Qin and all his friends! You made me into a monster! You turned me into an evil psychotic bloodthirsty fiend! I never want to have you in my life again! I don't need you anymore! I am going to redeem myself and do whatever it takes to win my friends back!

Keldeo charged at him and used SECRET SWORD!

He formed a Yellow Energy sword and slashed Demon Sebastian all over!

Me: WHOA! NICE! Now for this!

May: Alright, that's it, I've had it up to hear with you, you fucking snake!

Suddenly, something in May's mind snapped as memories of Sebastian's crimes from the past back when he was once the demonic monster who terrorized anyone for his own twisted amusement and desire to destroy all life on Earth and the universes beyond rushed through her head and her eyes turned neon ice blue and she was surrounded by an ice blue energy aura with stars, snow, ice, snowflakes, ice crystals, ice dragons, ice phoenixes, and angels, she unholstered her massive May Chan's Pokemon Tsnovinar Ice Phoenix Dragon Greatsword of Pokemon Arctic Snowstorm Justice from her back, and as she angrily approached the demonic version of Sebastian, she left ice blue energy, stars, snow, ice, snowflakes, ice crystals, ice dragons, ice phoenixes, and angels with every step.

May: You… fucked-up… monstrous bastard from Hell! You know, it's bad enough that you terrorized my husband, his sister through his strong bonds, and his harem in the past, along with terrorizing Buster and his friends from Acme Acres and the Z-Fighters, but the fact that you did it with an utter lack of remorse and humanity just proves that you're just a monstrous demonic deranged homicidal basket case! (SUDDENLY GETTING EXTREMELY PISSED OFF

AND SUPER ANGRY AS HER ENERGY AURA FLARES UP EVEN MORE AS THE AIR SUDDENLY BECAME COLD) And what you just did yesterday creating that clone of that lowlife, Brad Buttowski, to cause havoc and try to get rid of us,… , YOU'VE ABSOLUTELY FUCKING CROSSED ONE LINE TOO MANY FOR THE FINAL TIME! AND NOW, I WILL TEAR YOU APART LIMB FROM FUCKING LIMB FOR EVERY LAST ONE OF YOUR BLOODSTAINED CRIMES, AND I WILL RIP YOUR BLACK HEART OUT OF YOUR CHEST AND FORCE YOU TO EAT IT!

WE GASPED AT THE EXTREME EXTENT OF MAY'S RAGE AND ANGER: NOW, THAT DEMON IS LITERALLY UP SHIT CREEK WITHOUT A PADDLE!

Me: UH OH!

Nico: OH… , SHIT! I KNEW SHE WAS GOING TO LOSE IT!

Me: Not again!

Lincoln: Last time, it was because Douche stole her food, this is different, this is righteous anger and fury: Sebastian once terrorized her husband, his sister through his strong bonds, and his harem in the past, along with terrorizing Buster and his friends from Acme Acres and the Z-Fighters, and the fact that he did it with an utter lack of remorse and humanity is more than enough reason for her to tear him apart limb from limb and make him pay every last one of his crimes. HIT THE DECK! SHE'S GOING TO BLOW!

(10S BY PANTERA PLAYS)

We screamed and immediately ran for cover and May absolutely lost it as she screamed like a fucked-up madwoman to the infinite power and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THERE WAS A MASSIVE AND POWERFUL EXPLOSION!

She was surrounded by a massive vortex of ice blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding it, there are ice dragons, ice phoenixes, and angels flying around the vortex, and in the vortex is a snow white phoenix with red eyes glaring at the demonic version of Sebastian: the red eyes of eternal death.

Maria: Oh shit!

Qin: And we also felt a very icy chill in the air, that's the icy chill of death.

Lincoln: Yep, when the icy chill of death is in the air, you know someone's going to die.

Then, as the vortex faded, May emerged, but she was changed forever.

May grew from 7'9" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large ice blue planets orbiting around her legs, she has the body of a goddess, she has ice blue highlights in the bangs of her short brown hair and large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon ice blue eyes and an ice blue energy aura with stars, snow, ice, snowflakes, ice crystals, ice dragons, ice phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has on ice dragon and ice phoenix earrings with ice blue gems for eyes and holding the Star, Ice, Snow, and Eternity Kanjis in their claws, she also has an ice phoenix and ice dragon with ice blue gems for the eyes and holding the Star, Ice, Snow, and Eternity Kanjis in its claws for the second pendant along with the gold dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace below her ice blue dragon-shaped Element of Harmony with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links and her necklace that she got from Nico on her birthday and she has on a white and gold-accented Elemental Dragon Choker of Eternal Love on her neck. May has on a sleeveless white blouse with snowflakes on it, sleeveless white midriff top with ice blue phoenix on it, long white pants with snowflakes on them, black knee-high boots with gold snowflakes for buckles, and long sleeveless white trenchcoat with stars, snow, ice, snowflakes, ice crystals, ice dragons, ice phoenixes, and angels on the coattails and on the back is an ice phoenix and ice dragon with a

Pokeball in their claws and surrounded by ice crystals and snowflakes and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding an ice blue gem with neon glowing ice blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, May felt a sharp pain on her back, and then, her massive brown angel wings with ice blue tips on the large brown feathers grew much larger for her new body and medium sized brown angel wings with ice blue tips grew and sprouted out underneath her massive blonde angel wings, and she now has eleven massive and long brown wolf tails with ice blue tips and ice blue markings, May has on a Ring of The Phoenix with ice blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger and her wedding ring on her left pinkie finger and Stone of Gelel embedded in her left hand and she has ice blue fingerless gloves with gold-armored claws on her fingers and smaller planets orbiting around her fingers like rings.

We were really amazed by May's Super Angel-Ice Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the demonic version of Sebastian saw it, the bastard lost it big time and charged at her with his demonic greatsword unholstered to kill her, but May fired a massive barrage of ice blue energy, stars, snow, ice, ice crystals, snowflakes, ice dragons, ice phoenixes, and angels which hit the bastard and sent him flying into a wall, he got back out, and he let out a demonic screech as his teeth turned into ugly fangs.

(Smirks and crosses arms) Oy, fucker, get up! You're not done yet, are you?

Suddenly, the flames turned black and red, and the demonic version of Sebastian came out with charred skin and his clothes on fire, but the flames were put out as his clothes repaired themselves and his skin regenerated and his long black hair grew back, but now, he was really really pissed.

Poromon: Oh no!

Suddenly, we saw his teeth turn into demonic looking fangs, his fingernails grew into jagged claws, and we saw massive fifteen-foot long demonic wings grow and sprout out of his back, and he transformed into a demonic monster, and he let out a demonic and horrific shriek!

Me: UGLY!

Lincoln, May, Nico, and I went after the demonic version of Sebastian, and we fired extremely powerful blasts of rainbow energy, ice blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the demonic version of Sebastian, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, May, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the demonic version of Sebastian even more madder than ever and he exploded even more with extreme rage.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, May, and I fired powerful blasts of energy, magic, stars, ice, and planets at the demonic version of Sebastian, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt, and that demon let out a pained shriek as he changed back to normal form minus the demonic wings, fangs, and claws.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship

Lincoln ran at Demon Sebastian, and with a mighty roar, he plunged his massive greatsword into that fucked-up bastard's chest as he let out a pained shriek. Lincoln removed his blade from the demon's chest as he convulsed in extreme pain, and he belched out massive tons of blood, and he let out one final demonic scream as he fell to the floor and died, and May sent his pitch black soul to The Black Abyss. Everyone cheered as we holstered our weapons and powered down, and May's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large ice blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Suddenly, Nico wrapped his abnormally massive and powerful muscular arms around May's waist which took her by surprise as she had an atomic red blush on her face, and then, he leaned down to May's face, and he kissed her deeply and passionately on the lips. That took her by surprise, but the atomic red blush on her face deepened as she placed her hands on Nico's massive pecs as she returned the kiss with full intensity. Then, they separated, but May still had an atomic red blush on her face and an In Heaven look in her eyes.

We snickered.

Lynn: And that's it for that rotten coward!

Lincoln: We all got payback on that madman, and we made him pay for every last one of the crimes Sebastian did in the past when he was that… thing because of Dustin Keystone and Dark Chase Young.

Selene Arcangela: You said it, and that really felt good to get payback on that monster.

Qin: We've been waiting for years to do THAT to him! Serves him right!

Nico: Good riddance!

Sebastian Mendez: At last. It's over. It's finally over.

Me: Good riddance to bad rubbish.

Sebastian Mendez: Nico, Qin, everyone, I'm so sorry for everything I did. I can never forgive myself for the kind of atrocities that I did to all of you. I don't expect you all to forgive me. But I will do everything I can to earn your forgiveness.

Nico: Don't you ever make me regret this.

Me: Nico he's been through more than enough. He's been punished enough already as it is. It's time to let it go and move on. Sure he did terrible things but it's time to bury the hatchet and move on.

Nico: (Sighs) Oh you're right. You have to earn my forgiveness Sebastian. It's gonna take a while but you can do it.

Sebastian Mendez: Thank you Nico. I won't let you all done. Not

ever.

Me: Great!

Nico: Nice job Keldeo!

Keldeo: Thanks Nico. It was fun.

Nico: It sure was.

Me: First member of the legendary Swords of Justice that is now a mascot!

Lola: Yeah!

Poromon: Want some beer?

Keldeo: No thanks. Apple juice for me.

Applejack: Now there is a Pokemon that loves good apples.

Nico: Yep.

Poromon: Good enough for us.

Poliwag did the Puppy Eyes.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough.

Me: Good try as always.

Nico: Also, guys, later, you wanna take down the Aparoid Queen?

Sira Starfox: Now that is something I'm gonna look forward to!

Nicole: Same here!

Qin: I agree!

Lola: It's time to put an end to the Aparoids forever.

Camie: Yeah!

Falco: Just as long as no missiles show up.

Me: Don't worry we'll blast them out of the stars if they do.

Qin: Yeah.

Falco: All right then.

Qin: And if Pigma comes back as an Aparoid monster then we'll destroy him too.

Nico: I doubt that will be the case again. Because that freaks me out!

Qin: I know! That was awful!

Lola: Yeah it was!

Camie: And horrifying!

Nico: Fox, you'll have to show us the way to the queen

Fox McCloud: Okay.

Qin: This is gonna be epic.

Camie: Yep.

Lynn: WHOA look guys!

(CODA BY HANS ZIMMER PLAYS AT 3:25 TO 4:24)

We saw the Sign!

Me: It's the sign!

Savannah Nephthys: The last member of the cult is coming.

Nico: We're about to meet her soon.

Me: Yep.

Qin: We sure are.

Camie: Yeah.

Nico: We're about to meet her soon.

Qin: We sure are.

Camie: Yeah.

Nico: Along with who made this cheese.

Qin: Yep.

Me: Yeah that was still funny how it farted.

Lola: Yep it was.

Nico: You sure it wasn't you?

I shrugged.

Eddy: It was you. Just admit it.

Me: Okay fine that was me.

Xenia: Good joke though.

Camie: Yep.

Lori: I feel your pain, J.D.

Me: Thanks Lori. I don't know what it was I ate but that really went through me.

Xenia: Yeah.

Eli: Lets see. (Concentrated) WHOA we got Another Takoika, Metphies, Me·Garima·Ba, Grimmel the Grisly, Rigime (Kamen Rider Decade) and Black Condor (Jetman).

Me: WHOA!

Eli: And I sense that the Anothers minus Takoika are 3 people.

Me: WHOA!

Nico: THERE THEY ARE!

We saw ANOTHER Metphies, Me·Garima·Ba, Grimmel the Grisly, Rigime (Kamen Rider Decade) and Black Condor (Jetman)!

Nico: Wow!

Me: This will be fun.

Another Grimmel: (In a girls voice) It sure will.

Another Black Condor: (In a girls voice) I agree too.

Another Metphies: (In a girls voice) Ye.

Nico: Cheddar Cheeseburger and Setia Seth!? Whoa!

Lincoln and Aithne Nephthys!? Wow!

They merged and split into three and they were the gene-slammers of Matriach of Nephthys, Cheeseburger Spider and Sethmon!

Cheddar Cheeseburger: Awesome to see you Nico.

Aithne Nephthys: Same to you Lincoln.

Me: Care to introduce us Lincoln?

Lincoln: Sure. This is Aithne Nephthys, Gene-Slammer of Nephthys, she's my Guardian Angel from Michigan and she's the Defender of the Children of Nephthys and she's a caretaker of those orphaned by evil. Me and Aithne have volunteered in shelters and orphanages and we've played with and taken care of the children there, and she vowed to destroy Amy because of her hatred for her sister, Samey.

Nico: YIKES!

Lola: You can destroy her dark side soon.

Me: Yeah!

Cheddar Cheeseburger: Yep and as you know I'm the gene-slammer of the Cheeseburger Spider and a master of cheeseburgers and a great cheeseburger chef. I'm also Nico's friend from cooking class that knows how to make over 50,000,000 kinds of cheeseburgers.

Nico: Yep.

Lola: WOW! 50 million kinds!? That's amazing!

Cheddar Cheeseburger: Oh yeah!

Setia Seth: And I'm the gene-slammer of Sethmon and also I'm the daughter of the god of Chaos himself, Set.

WE GASPED!

Me: WHOA! Your father is the God of Chaos?! Wow!

Setia Seth: I know.

Nico: Yeah no kidding.

Me: By the way girls is the Another Takoika friendly or hostile?

Setia Seth: Friendly and she is a cool one.

Me: Nice.

May: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: Why did you cover the pizza place in cheese?

Cheddar Cheeseburger: Sorry I can't help it. As the gene-slammer of the Cheeseburger Spider it's hard not to make any place covered in cheese.

Qin: Oh.

Cheddar Cheeseburger: Also that was funny how you cut the cheese and it farted. Good joke.

Me: Yeah that was funny! But I don't know what it was I ate. (LOUD FART) Oops. Pardon me.

Nico: (GAGS) GEEZ!

Mascots: CUTIE FART RELIEF!

They jumped me down and Poromon jumped on my belly!

LOUD FARTS!

Nico and May gagged as I was farting!

Poromon: WEE!

Poliwag: YAY!

LOUD FARTS!

Me: Okay that feels good.

WE LAUGHED!

Cheddar Cheeseburger: (LAUGHS) That is funny and cute.

Horsea: It really does the trick.

Me: Wait! (LOUD FARTS) I remember now! I had liquid bran for breakfast. I thought it was a shake.

Lynn: Wait! You had my liquid bran shake? I needed that because I was plugged up for the last couple of days!

Me: Sorry Lynn! I didn't know!

Lynn: No worries.

Nico: That's funny!

Me: It sure is.

Setia Seth: (LAUGHS) Yeah it was!

I farted explosively!

LOUD FARTS!

Me: (SIGHS OF RELIEF) Ahhh! That's better!

May: (COUGHING AND GAGGING)

Lola: (GAGGING) JEEZ! AND I THOUGHT LORI'S FARTS SMELLED HORRIBLE!

Lori: I HEARD THAT!

Juran: Plugged up?

Lynn: You don't want to know. I had too many spicy meatball subs.

Juran: Oh. I get it.

But then Lynn groaned!

Lynn: (GROANS) HERE IT COMES!

Lynn ran to the bathroom and unleashed explosive diarrhea!

LOUD EXPLOSIVE DIARRHEA FARTS!

Me: Lana you may need to get Big Bertha ready.

Lana: Got it.

Nico: Big Bertha?

Me: (LOUD FARTS) A powerful plumber tool that Lana has. She worked on the toilet with her.

Lana: Yep.

Lynn came back later.

Nico: You okay Lynn?

Lynn: Yeah I'll be fine.

Lola: Good.

I stopped farting.

Me: Okay guys it's all gone.

But then loud grumbling was heard.

Me: UH OH! BIG ONE INCOMING!

LOUD MASSIVE EXPLOSIVE FART!

I farted in May's face with explosive force and she went flying and crashed into a tree and it broke in half and crashed onto her!

CRASH!

May: I'm hurt now!

Me: Ahh that's better! (GASP) Oh man! Sorry May!

May: I'm okay!

Poromon: I should've kept on jumping on your belly!

Me: Poromon I'm better now.

Poliwag: Good.

Optimus Primal: (Groans) Geez that did it.

Nico: No kidding.

I got up.

Me: Yeah.

Poliwag used his tail to rub my belly just in case.

Me: Thanks Poliwag. That's the last time I have liquid bran. (LOUD BELCH) Pardon me!

Nico: Yeah.

Lola: Yeah.

Eli: Uh guys?

We saw ANOTHER TAKOIKA!

Me: Oh Another Takoika!

Nico: Hi there!

Lola: Must've appeared during all the commotion.

Me: Yeah.

Another Takoika: (In a girls voice) Nasty stomach trouble huh?

Me: (GASP) That voice.

She reverted back and was a girl with pink hair, purple eyes and pink clothes and pink angel wings and a tiara with the Fireworks Dopant Symbol on it and on her skirt and she had a Fireworks Magisword in her hand.

Me: Finn Fireworks! Awesome!

Finn Fireworks: Awesome to see you again J.D.

Me: Same here. Finn is the Embodiment of the Fireworks Dopant and she is like a living version of a 4th of July Fireworks show. Also she makes really awesome octopus steaks and barbecue.

Takoika: Wow that is cool! So she likes octopus too. Even though I'm an octopus that is cool.

Me: Yep.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got an In Space Sword and Zocks got a Magna Saber.

Finn Fireworks: Nope. I blasted his butt with fireworks and blew his dishwasher apart with huge firework and his sink overflowed with slop. (Season 7 Episode 25)

Homer: (LAUGHS) Like how I did accidentally with illegal fireworks.

Nico: That is funny!

Sougo (gets out In Space Ridewatch): Does this mean you like to celebrate the 4th of July?

Geiz (Gets out Lost Galaxy Ridewatch): If so, sorry you had to spend it alone.

Sougo got out InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Finn Fireworks: Yeah it's my favorite next to New Years Day.

Lola: Nice.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on.

Nico: (gets out Takoika's Ridewatch) Time for octopus power!

May: (Gets out Me-Garima-Ba's ridewatch) This will be awesome!

Maria: (Gets out Metphies's ridewatch) Bring on the fun.

Fox: (Gets out Rigime's ridewatch) It sure will be fun!

They used the powers of Takoika, Metphies, Me·Garima·Ba, Grimmel the Grisly, Rigime (Kamen Rider Decade) and Black Condor (Jetman) and blasted Another Takoika all over.

Then The Angry Chicken Wing, Sapphire, Hugo Strange, Lego Doomsday, Lego Darkseid and Armaggeddroid came.

Nico: WHOA! Angry Chicken Wing that is an awesome team!

Angry Chicken Wing: Thanks Nico!

Nico: And you know I love wings! (DROOLS)

Angry Chicken Wing: Yep.

Me: That means Hitoshi's team is up. Cool!

Hitoshi: Yep.

Nico: Yeah!

?: That is cool!

Gravity Antonion came!

Me: Gravity Antonion!

Qin: Awesome!

Gravity Antonion: (In a girls voice) It sure is.

Nico: Leia Antonion? Wow!

Gravity Antonion: Yep. I got this.

She fired an energy blast and blasted the Another down and I caught the ridewatch and purified it.

Me: Yeah!

She reverted back and was a girl with brown hair and purple eyes and had purple clothes and purple angel wings and had an ant symbol in the middle of her forehead.

Leia Antonion: That was cool!

Nico: It sure was.

Fox: Do you have a favorite memory of Nico?

Leia Antonion: I sure do. When me and Nico went into the world of an ant colony and did a report on them.

Me: Cool!

Simone Houou: Just like how me and Ms. Frizzle's class went into an ant colony.

Me: Cool! Boy that must've been fun.

Leia Antonion: It was.

Nico: Yep.

Nico and Leia hugged.

Nico: I've missed you.

Leia Antonion: Same here.

We later went back home.

Lincoln: Ah, we're here in Seattle, and I know what we're going to do here, not only am I going to rescue the fifty-one girls here, but we've got bad news: clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor are running loose, so we're going to take them down and I'm going to absorb them.

Me: Uh oh, I hadn't forgotten that Max Steel and I fought against them years ago, and they're dangerous beings of nature.

Nico: With command over the elemental forces of Air, Earth, Fire, Metal, and Water, we already have them in The Masters of Evil for the archenemies of some of The Emperyous Sisters.

Lincoln: That's right. But, finding out their clones are running loose, that's something we can't allow.

Sira Starfox: Those monsters are getting absorbed.

Suddenly, we saw a very beautiful and super sexy girl with long light brown hair and light blue headband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a sapphire blue short-sleeved blouse, sapphire blue sleeveless top, necklace with dark blue gem for the pendant, sapphire blue skirt, sapphire blue stockings, sapphire blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails and on the back is White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper, holstered on her back is a massive ice greatsword with angel runes etched on the 7'9" massive, wide, double-edged ice blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the fifty-one girls, along with a white wolf.

Lincoln: (GASPS) Adriana Nightingale, Avatar of White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper, and Anniu.

Anniu went up to Lincoln and cuddled his leg and Lincoln kneeled down as Anniu then licked his cheek.

Adriana Nightingale: That's right, and we got the girls away from the clones of those elemental monsters.

Suddenly, we heard roars in the distance, and we saw the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor heading for us.

Then, Lincoln ran up to and put clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor in a bearhug so they couldn't escape. Suddenly, Lincoln began to absorb clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger as he assimilated the powers and abilities of the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor.

Then, when Lincoln was done, the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor was fully absorbed into his body and he sent the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's the end of those Elementor clones and they're not going to cause any trouble again. (To Adriana Nightingale) And it's so good to see you and Anniu again, Adriana.

Adriana Nightingale: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again too, Aurora.

Aurora Nightingale: You too, Adriana.

Suddenly, Adriana Nightingale wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Adriana Nightingale was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Adriana Nightingale: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Adriana Nightingale's waist and hugged her, and Adriana Nightingale is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Nightingale: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Adriana Nightingale, Avatar of White Night Dragon, White Night Queen, Snow Fairy, Illusion Ice Sculpture, and Cold Sleeper, she's Lincoln's Guardian Angel from Michigan, and she's the older sister of Aurora Nightingale, and like her, Adriana Nightingale was born with immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow, and she's also immortal and she also has blue angel wings. The white wolf with her is Anniu and she's her close friend and partner.

Me: Really awesome.

Michelle Emperyous: And like Aurora Nightingale, Adriana Nightingale has defended and protected Lincoln from the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's fury, and one incident led to Adriana getting stabbed in the stomach by Lori, Lynn, Lola, Lisa, and Luan when they almost got that close to killing Lincoln in a deranged fury, just like what happened to Aurora, but her injuries healed quickly, but that made unfortunately Lincoln go into a vampiric fury, and then, he viciously pulverized them and he tied them up, then he bit Adriana on the neck and not only did he heal her injuries, but he also fed on her blood and he also acquired immensely powerful cosmic hydrokinesis and cosmic ictiokinesis and immense and powerful control over ice and snow and immortality, and he drenched Lori, Lynn, Lola, Lisa, and Luan with blasts of water, that incident almost got the five worst sisters in the family sent to a federal prison system for the rest of their lives, but Lincoln settled on having them grounded for two months for their actions. Lincoln made her an ice greatsword and necklace, and to show her thanks, she kissed Lincoln on the lips and as a result, he promised that when he comes of age, he'll marry her and Aurora along with the rest of his harem, and like her sister, she hates Lori, Lynn, Lola, Lisa, and Luan with an icy passion.

Nico: Which explains why we saw Lori, Lynn, Lola, Lisa, and Luan scream in horror yesterday.

Lincoln: Plus, they peed their pants in fright when I went into a vampiric rage.

Me: It was ugly.

Eli: Yikes!

Lincoln: You know exactly what happens when you mess with one of my many Guardian Angels, and now that you're here, Adriana.

Lincoln leaned his head down the right side of Adriana Nightingale's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Adriana Nightingale: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adriana Nightingale with ice blue gems on the gold lightning bolts and ice blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Adriana Nightingale: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Adriana Nightingale.

Adriana Nightingale had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adriana Nightingale's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serenity Nightingale had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the fifty-one girls, and when Lincoln saw them, he immediately recognized them. The fifty-one girls are Rahzel Anadis from the anime Dazzle, Lip from Mach Girl, Saki Morimi from Eden of the East, and Adrianne, Aira, Aki, Ayame, Bryce, Catherine, Cherrie, Chloe, Claire, Clara, Claudia, Daphne, Dora, Edith, Eileen, Erika, Erusha, Flynn, Garnet, Haru, Honglan, Jacqueline, Jade, Jiho, Linzy, Lizelotte, Lute, Manon, Melfice, Mephistopheles, Mica, Miriam, Naiah, Naomi, Nicole, Nini, Petra, Prim, Rebecca, Renee, Seeha, Soonie, Talia, Velanna, Violette, Vivienne, Xiaolian, and Yuria from Eversoul.

Lincoln: Oh wow, it's Rahzel Anadis from the anime Dazzle, Lip from Mach Girl, Saki Morimi from Eden of the East, and Adrianne, Aira, Aki, Ayame, Bryce, Catherine, Cherrie, Chloe, Claire, Clara, Claudia, Daphne, Dora, Edith, Eileen, Erika, Erusha, Flynn, Garnet, Haru, Honglan, Jacqueline, Jade, Jiho, Linzy, Lizelotte, Lute, Manon, Melfice, Mephistopheles, Mica, Miriam, Naiah, Naomi, Nicole, Nini, Petra, Prim, Rebecca, Renee, Seeha, Soonie, Talia, Velanna, Violette, Vivienne, Xiaolian, and Yuria from Eversoul.

Nicole: Those are the girls that were here in Seattle? Thank goodness Adriana and Anniu got them away from the clones of the Elementors.

Lincoln: You said it. Are you girls okay?

Rahzel Anadis: Yes, we're okay, thanks to you.

Then, when Rahzel Anadis and the other fifty girls saw who it was that saved them from the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water

Elementor, and Ultimate Elementor, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of

Adrianne: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifty clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rahzel Anadis: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rahzel Anadis, Lip, Saki Morimi, Adrianne, Aira, Aki, Ayame, Bryce, Catherine, Cherrie, Chloe, Claire, Clara, Claudia, Daphne, Dora, Edith, Eileen, Erika, Erusha, Flynn, Garnet, Haru, Honglan, Jacqueline, Jade, Jiho, Linzy, Lizelotte, Lute, Manon, Melfice, Mephistopheles, Mica, Miriam, Naiah, Naomi, Nicole, Nini, Petra, Prim, Rebecca, Renee, Seeha, Soonie, Talia, Velanna, Violette, Vivienne, Xiaolian, and Yuria with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villains we went after were the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor.

But, when Lincoln showed what we did in beating them down and Lincoln bear-hugging all of them and absorbing them into his body and he assimilated all of their powers and sent their souls to The Black Gates forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Adriana Nightingale have a lot of catching up to do, now that she's back in town.

Maria: Whoa!

Max Steel: I can't believe clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor were in Seattle.

Lincoln: We were stunned, but we took care of them and I absorbed them.

Nico: And they were archenemies of some of The Emperyous Sisters, and you had to take care of them.

Me: If we clones of the archenemies of Lincoln's harem, we'll leave them to him.

---

After Lincoln and all of us beat down the clones of Air Elementor, Earth Elementor, Fire Elementor, Firestorm Elementor, Metal Elementor, Water Elementor, and Ultimate Elementor and Lincoln absorbed them and sent them to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Nightingale saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adriana Nightingale: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger and bigger in muscle

mass, I've also gotten smarter as well.

Adriana Nightingale: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Adriana Nightingale: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Buster Bunny: At least, we're finally rid of that demonic version of Sebastian, he was just as much a demonic monster as Sebastian back in the past, along with his Universe 666 and Royal Defenders twins and all other evil versions of him. YUCK!

Nico: (Shudders) Well, we should be glad we're rid of that monster for good, and we got the original monster with us.

Sebastian Mendez: (Gets out rolling pin) What was that?!

Nico paled.

Nico: (Nervous) Uh… , nothing.

Sebastian Mendez: I thought so. Next wisecrack that comes out of your big mouth, I'll stuff it full of bugs.

Qin: He may not make those demonic bloody threats towards us anymore, but he still knows how to make those kinds of threats! (Shudders)

Eli: But, those bloody threats he makes, he saves those for the villains.

Lincoln: How have you all put up with him when he tried to keep his dark side under control?

Nico: We couldn't, Lincoln, and I also found this on Sebastian.

Nico took out a "Radda Radda" chip and it had Poromon's face on it.

Me: What the?

Nico: Poromon had that thing made and put it on him because his ears bled many times due to Sebastian's cursing and swearing along with hearing those demonic bloody threats that he spewed out.

Eli: That really happened?!

Qin: I remembered that, and we cleaned up the blood Poromon had spilled thanks to hearing a number of his threats.

Sebastian Mendez: I did say you should've put earmuffs on him if he was going to do that.

Trudy Lawrence: As if, your foul mouth melted many of them.

Leandro Chan: You cost my son a lot of money due to that, so I told Connor to gag your mouth in case that happens.

Nico: And that also didn't work, Dad. Plus, you know what happened when he found out you and Connor had a hand in that?

Connor Chan: Don't remind me, he paddled us both and we had a case of baboon butt!

Nicole: Sheesh! Talk about vindictive and vengeful!

We got a shower, and then, Lincoln, Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts, Nikki, Lindsey, and Ginny, are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Phantasmagloria: Wow, so this is Emerald Coast. It sure is beautiful.

Lincoln: It sure is, Universe 666 Phantasmagloria, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Olga and Delia and Deidre Dennis placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and

Lincoln slowly sank his fangs into Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts are in your harem, Linky.

Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 DJ Phantasmagloria, Universe 666 Hellen Gravely, Universe 666 Chambrea, Universe 666 Serpci, and the Universe 666 Magician Ghosts, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta

appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Seaside Kingdom for Round 2.

Qin: Cool!

Tracer: (British Accent) Me and Tyler Bowman will go with.

Nico: Okay.

They went in and the simulator activated and they were at Seaside Kingdom for round 2

Tracer: Jolly good! This place is amazing.

Nicole: You guys are gonna be in for some fun against the next villain

Tyler Bowman: And said villain is?

Nicole: He's coming now.

They turned and saw a figure and it was SAGEBRUSH SID!

Nico: Sagebrush Sid!

Sagebrush Sid: That's right! Now I'm going to pump you full of lead!

Nico: Oh yeah!?

Sagebrush Sid: Yeah!

Tracer: Since we're in a good mood, you can have the first shot.

Sagebrush Sid: Thanks.

He fired at Nico and Nico grabbed the bullets and threw them back and smashed him down.

Nico: Nice try!

Tyler Bowman: I'm keeping one

Nico: Okay.

?: (ECHOING) DEADLY IVY!

Vines appeared and wrapped Sid all over and stabbed him brutally.

They saw Zassoumon as well as a girl with purple hair, blue eyes, blue clothes and purple wings and a tiara with Crystal Snail on it.

Cinnia Crystal Snail: Cinnia Crystal Snail, Embodiment of Crystal Snail.

Arkayna: Wow! Cinnia! Looking great.

Twilight Sparkle: You sure are.

Cinnia Crystal Snail: Arkayna and Twilight Sparkle. Its been a while.

Zassoumon: (In a girls voice) This guy is gonna get it big.

Nico: Zadie Zassou! Wow!

Zassoumon: Awesome to see you again Nico.

Nico: (gets out Takoika and Don Octavio's Ridewatches) Time for this octopus to sing!

He activated them and fired energy blasts and smashed him all over.

Tracer: Cheers, luv. The calvalry's here!

Nico: Yes it is!

Tracer and Tyler fired energy blasts.

Cinnia fired crystal blasts and Zassoumon blasted him with leaves.

Sagebrush Sid was down and he surrendered. He waved the white flag.

Zadie reverted back and was a girl with dark green hair, green eyes, green angel wings, green clothes and had Zassoumon in the middle of her forehead and on her skirt and had a leaf scythe in her hand.

Zadie Zassou: That was so fun!

They got 30 purple power moons.

Nico: Yeah!

They high five

Nico: How did you meet Twilight and Arkayna?

Cinnia Crystal Snail: I met Twilight when she and her friends were trying to stop Tirek and I unleashed Crystal Hell on him. Also I snapped off his hirns.

Nico: NICE!

Cinnia Crystal Snail: Yep. I also learned all about magic too.

Twilight Sparkle: She learned so much under my wings and it was amazing.

Nico: Wow.

Cinnia Crystal Snail: Yep. And I met Arkayna when she and the Mysticons were battling the Vexicons. I helped them thrash them.

Nico: Nice!

Tracer: Jolly good! And Zadie what's your favorite memory of Nico?

Zadie Zassou: When me and Nico were in my family's huge vegetable garden and Nico ate a HUGE stalk of broccoli and farted up a storm.

Nico: That was the biggest broccoli ever.

Zadie Zassou: It sure was.

Nico and Zadie hugged.

Nico: I've missed you.

Zadie Zassou: Same here.

Nico: Would you two like to join us?

Cinnia Crystal Snail: We would be honored.

They left the sy\imulator and we cheered for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Gramma Stuffum was walking to her room

Gramma Stuffum: (German Accent) Oh another day cooking for sweet little childrens. Zey are stuffed angels now.

She went into her room.

Gramma Stuffum: Now to cook some wienerschnitzel.

Her room was an amazing food utopia! It was full of awesome food furniture and her food monsters were excited too.

She went to her commercial kitchen and opened a cupboard and in it was Poromon!

Poromon: Hello Gramma.

Gramma Stuffum: Oh Poromon! What are you doing in ze cupboard?

Poromon: Playing hide and seek.

---

Twilight Sparkle: Guys, where are the mascots?

Me: Oh man they are playing hide and seek again.

Nico: They must be in M.O.E. HQ

Indigo Zap: We might as well go get them.

Camie: Yep.

Me: And we get to see another of the rooms.

---

Poromon: The others are here somewhere

Gramma Stuffum: Ach I'm sure. What do you think of my room?

Poromon: Boy this is amazing! Your room is an awesome restaurant.

Gramma laughed.

Poliwag and the others came in.

Poliwag: AHA! Found you.

Manaphy: Wow! Gramma your room is awesome.

Horsea: What a food paradise.

Gramma Laughed more.

Gramma Stuffum: Thank you dearies.

---

We were flying to Montana.

Indigo Zap: I hope they're not getting into trouble

Me: Me too.

We arrived.

Me: Here we are.

We knocked on the door and Dark answered.

Dark Spicer: Hey guys!

Me: Hiya Dark.

Dark Spicer: The mascots playing hide and seek in here?

Me: Yep.

Dark Spicer: Come on in.

We came in.

Hydro Man: Hey guys! Welcome!

Luna: Hey Morris!

Me: Awesome to be here.

Dark Spicer: They are in Gramma Stuffum's room.

Luster Dawn: Cool!

Sunny Starscout: I wonder what Gramma Stuffum's room is like?

Me: We're going to see.

---

Poliwag: Can I eat something here?

Gramma Stuffum: Sure! Everything in mein room is edible.

Poliwag ate jellied donut chairs.

Poliwag: Oh wow! Delicious!

Sunny: Are you guys in here?

We arrived and went into Gramma Stuffum's room.

Sunny: Are you guys in here?

Poromon: Hey guys!

We saw the mascots looking at a photo album with Gramma.

Gramma Stuffum: Und zis is where me and my troops battled the Kids Next Door ze first time.

Poliwag: Boy they were really overstuffed.

Manaphy: And Numbuh 2 REALLY ate all your food no problem.

Gramma Stuffum: Boy he had an amazing appetite.

Luster Dawn: Boy Gramma your room is amazing. It's all made of awesome food.

Numbuh 2: I'll say! I could eat everything in here.

Gramma Stuffum: Oh thank you dearies.

Bludgeon: Where are Wolf and his team?

Manaphy: Oh 2 doors down.

Nico: Oh thanks. We're going to need their help.

Manaphy: Right.

Gramma Stuffum: All of us will help you against ze Aparoids.

Me: Awesome.

We went to talk to Wolf.

Ironhide: Wolf, I think you know why we're here

Wolf: The Aparoids are about to make their move.

Me: Bingo.

Wolf: I'll summon all my team to help out. It's time to end this.

Nico: That's for sure.

Horsea: We'll help too.

Gramma Stuffum: Ja. What did you all think of my room?

Nico: It was really awesome Gramma.

Poromon: It was amazing!

Poliwag: Tasty too!

---

We came back.

Poromon: Let me go get some weapons before we head out.

Vice: Alright. Don't take too long.

Poromon grabbed a few weapons from his room. As he exited the door, he noticed Lucy Loud leaning against a wall with her arms crossed, staring at the floor with a pensieve look.

Lucy Loud: You can feel it too.

Stopping in his tracks, the Digimon turned around to look at her.

Poromon: What do you mean?

Lucy Loud: Us destroying Sebastion's demonic side, the final battle against the Aparoids being today, and the chance that we most likely will kill Icky Vicky tomorrow. (looks Poromon in the eyes) This is not merely a coincidence. Something is about to happen after today. Something bad. (walks away)

Poromon: (sighs) I think this whole thing with the Aparoids and Icky Vicky is making us all paranoid.

Lucy Loud: Maybe. But it's possible.

We were ready.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than The Aparoid Queen, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one crazy and brutal fight: I just had a vision and I saw who it was that we're going to confront today, it's none other than The Aparoid Queen, and she's causing havoc.

WE GASPED!

Nico: That means what we discussed yesterday is true!

Me: We're going to face The Aparoid Queen and send her and her hive to The Black Gates for good. But, she may also have resurrected a lot of people who died and put them under her control.

Bardock: When I was brought back by The Aparoid Queen and put under her control, I do remember seeing two girls among those resurrected, one of them has fire angel wings and the other…

Caylee Chronomaly: Has green angel wings. Oh God, Carly.

Savannah Nephthys: And my older sister, Selena. That parasite!

Lincoln: We're going to get them back, girls, along with freeing all those put under the control of that insect.

Me: Right, Lincoln.

Nico: So, we've already got a plan: save all those brought back by The Aparoids and send The Aparoid Queen and her hive to The Black Gates. Alright, team, let's go, the time to destroy The Aparoid Queen has come at last.

Lincoln: No one is taking the universe on our watch, The Aparoid Queen and her hive dies here and now.

Me: Yeah!

The previous group came.

Knightbrace: Can me, Trickster, Box Ghost, Ssserpent, Onyx, Mumbo Jumbo, Fixer, Electrocutioner, Angel and Mr. Mittens go with you guys?

Nico: Yes you all can go with.

Xenia: Yeah!

Me: Cool.

Grenade Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Optic Sunflower.

Me: Ooh.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Mahito, the secondary antagonist of the anime/manga series Jujutsu Kaisen and he's coming here to kill us to slake his thirst for blood. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Mahito from Jujutsu Kaisen, and he's coming here to kill us to slake his thirst for blood.

Nicole: Oh man, he's the leader of The Disaster Curses, and he's one dangerous monster.

Selina Morrigan: Yes, but this is also a perfect opportunity for us to get rid of him.

Lincoln: Right, Sabrina. But, we got to watch it with him, he's not to be underestimated.

Nico: If we're dealing with someone like that, you guys better be careful with him. Alright, gang, let's go, we're heading off to destroy The Aparoid Queen and save all those she'd brought back and put under her control.

Lincoln: Her plans to take over the universe end here, and Selena, Carly, we're coming to save you, and once we get done with the Aparoid Queen and her hive for good, you're next, Mahito.

Selina Morrigan: I'm not letting a bastard like you get away with this, your punishment is coming, Leader of The Disaster Curses.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into the U.S.S. Valorous Phoenix, and we went into a portal that led to The Lylat System as we head off to battle The Aparoid Queen and destroy her and her hive, along with freeing those she'd brought back, and once we got done destroying The Aparoid Queen and her hive and freeing her resurrected slaves, Lincoln and Selina Morrigan along with me are going to destroy Mahito, the leader of The Disaster Curses.

We got into the ship and we were off to face the Aparoids.

---

We arrived at the Lylat System and we were waiting for the battle plan on the Aparoids.

Beltino: This is Beltino. We did it, team. We've found the location of the homeworld! And it's at the exact same location.

Nico: That's a relief.

Fox: Great news, Beltino. Forward us the information to us and we'll start the invasion!

Ben: Again.

Me: And just like in the game it's as the same spot where you guys fought them before.

Nico: Talk about coincidental.

Beltino: Wait! You can't go yet.

Slippy: Listen, dad! We're going and you can't stop us!

Maria: It would be best not to argue with them and the others. Otherwise, they might bonk your head

Beltino: Yes, I know that, Maria. But… If you go as is, you'll just get killed. Take the self-destruct program.

Maria: The one that destroyed the Aparoids before?

Beltino: The aparoids are vulnerable to apoptosis.

Nico: Apoptosis, huh? You mean they contain cells that are created for the purpose of self-destruction?

Beltino: Right! And this program to set off a chain reaction in those cells. If you fire the program into the queen, all aparoids will self-destruct!

Box Ghost: Nice! Now, we just need to hope that the Aparoids don't try and send missiles here like before.

Me: Don't worry they won't.

Xenia: We'll make sure of it.

We waited 10 minutes for any missiles.

Totally Spies Timmy:… they're not sending any missiles here.

Nico: My guess? They're waiting for us to come to them.

Qin: If that's the case then they are waiting for us.

Nico: They know we're coming.

Varie: Yeah.

Me: Guess a surprise attack is out of the question.

Qin: Yeah.

Me: They have taken incredible measures for our attack on them.

Nico: Yeah.

Me: We could have just blasted them with a Superlaser Blast.

Nico: You're right. That would have been much faster and quicker and easier. But you know how we feel about things being too easy.

Laney: Yeah

Onyx: Lets get going then!

Nico: Right!

Qin: Course set for Aparoid homeworld!

Nico: All right. Full impulse power.

Qin: Aye sir!

We were off to Aparus the Aparoid Homeworld.

---

We arrived at Aparus.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a purple planet and it was PLANET APARUS!

Nico: Planet Aparus.

Xenia: Sure looks like a scary planet.

Camie: Wow! So that's the home planet of the Aparoids.

Me: Yeah.

ROB: Multiple shield generators detected. Displaying now.

Fox: If the past is any indication… There'll be hatchers with those shield generators, huh?

Peppy: Even if we could move forward, that'd be as far as we'd get! It'll be dangerous, but we've got to demolish all of the generators!… And turn off that shield!

Tomahawk Man: They're probably taunting us with this info!

Nico: That could be it. All stations Red Alert! Man your Battlestations!

The Alarms sounded and everyone got ready for battle!

Samus: It's like what happened when we went into battle with the forces of Phaaze.

Nico: I know. Feels like it.

Electrocutioner: If we don't destroy those Generators, we're going nowhere!

Me: Lets man our ships!

Eli: And may the Force be with us!

We went and got in our ships and we launched!

NUMEROUS APAROID SHIPS CAME!

Nico: Aparoid ships coming in!

Me: We see them!

Nico: Fire at will!

We fired laser blasts and blasted the ships all over.

Me: Accelerate to attack speed!

Nico: This is it boys!

Eli fired laser blasts and blew the ships all over left and right.

KRABBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMM!

Xenia: Take that!

Headstrong: What about the Generators?!

Nico: They're trying to distract us so we don't get to them. J.D., you lead a team with Fox, Krystal and Eli to the surface and get those generators. We'll provide cover fire from up here!

Me: Roger that! Eli, Krystal, Fox, come with me!

Fox: Right!

We flew down to the surface and went to find the generators and hatchers.

We landed and went to find them.

Me: Lets go guys!

We went to find the generators and hatchers.

We found one in a room.

Me: There's one!

I fired an energy blast and blasted it apart.

Me: One down!

Nico: (On the radio) Confirmed! Good work! 9 more to go!

Mr. Mittens: And Peppy? Try not to get injured again.

Peppy: I won't.

We blasted the Aparoids trying to stop us and the kill count was really piling up.

Krystal: There's one!

Krystal fired energy waves and blasted the shield generator and blasted the hatcher!

ROB: Destruction of hatcher and shield generator confirmed.

KRABOOOOM! KRABBBBOOOOOOOOMMMM! KRABBBBBBOOOOOOOOOMMMM! KRABBBBBOOOOOOOOMMMM! KRABBBBBOOOOOOOOOOMMMM! KRABBBBOOOOOOMMMM! KRABBBBBBOOOOOOOMMMMM! KRABBBBBBOOOOOOOOOMMMM!

The team was blasting apart numerous Aparoid Ships by the thousands!

Nico: Looking good so far!

Laney: Scans show that 3 more generators and hatchers have been destroyed.

Nico: Wow! Good work guys keep it up!

Brimstone: I'll help out with the Generators!

Brimstone flew!

Brimstone: CYBER KEY POWER!

He used the Animatron Cyber Planet Key and blades formed from his wings and he flew and slashed the generators. Destroying 3 more of them.

ROB: Destruction of 3 more Generators confirms.

Nico: 2 more to go!

Camie: Wait I see them on that tower up there.

Nico: Take the shot Camie.

She fired laser blasts and blew them apart!

Nico: BULLSEYE!

Angel: I'll see if there are any left!

Angel checked and saw none left.

Angel: All clear.

Nico: Excellent! All hands return to base.

Me: Roger!

We all came back. The shield to the core of the planet was down.

Nico: Hang on guys! We're going in!

Numbuh 2: HANG ON TO YOUR UNDERWEAR!

We were flying into the planet.

Nico: Thank goodness the shield didn't close.

Divebomb: The shield didn't turn back on due to us wreaking havoc on that area

Nico: That's good.

Xenia: Yep.

Fixer: We're not out of the woods yet.

Me: Nope.

Laney: Scans show that we're getting close to the Queen's lair.

Nico: This is it guys. We're going in.

Buzzsaw: I actually know we're going the right away.

Eddy: Really? How?

Buzzsaw: Because of all the APAROID FIGHTERS COMING TOWARDS US!

Nico: I see them. Fire at will!

We fired laser blasts and blasted them all over into nothing.

One of the Aparoids fired at Will Vandom.

Mumbo Jumbo: We didn't mean like that!

Eiji: MIRROR FORCE!

He used the Mirror Force Card and deflected the blasts back at the Aparoids and blasted them.

Nico: WHOA! Nice save Eiji!

Xenia: Well done!

Barbossa: That be the last of them.

Nico: Yep. Now we can focus on the queen.

Camie: Yeah.

Ssserpent: We should be getting close

Caylee Chronomaly: I hope so. Hang on Sis. We're coming.

Savannah Nephthys: We're almost there sis. Just hold on.

Laney: Queen's lair ahead!

Nico: Entrance time!

We flew on.

The Queen was waiting. Then the spirits of StarFox came and they swirled around her and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and then we came.

We saw THE APAROID QUEEN!

Me: WHOA!

Nico: The Aparoid Queen!

Fox: Just as ugly as ever!

Pounce: Where are the girls held captive here?!

Me: YEAH!

No answer. Until…

?: Fox…

Me: Huh?

Fox: What the?

Pigma: Fox, Don't be a fool. Stop all this nonsense.

Me: But that's impossible!

Nico: Seriously. We don't give a fuck about Pigma. Do better!

General Pepper (Queen): Star Fox team. Accept Defeat.

Slippy: General Pepper?!

General Pepper: But how can that be?! I'm right here!

Nico: Weird!

Peppy (Queen): Give in. This is not sacrifice… It is evolution.

Krystal: Not Peppy too!

Me: Evolution my ass!

Nico: It's playing tricks with us!

?: Fox.

Nicole: That voice! James McCloud!

Fox: Dad?

James McCloud: That's enough. There's no need for you to be hurt anymore.

Trickster: Maybe you'll give a straight reply to this: We could've killed you at any time!

Nico: But we were having so much fun foiling your plans.

William: Not to mention you bringing back some of our loved ones.

Maria: The fact is despite your threat to the Multiverse, we allowed you to carry on this long because we took a certain delight in fending off those you brainwashed.

May: But you've finally become tiresome, predictable! You've hit rock bottom.

Me: That's right! But the truth is we should thank you.

Nico: Yeah! You brought us back many of our deceased loved ones. And now it's time to destroy you once and for all!

?: Caylee.

Caylee Chronomaly: (GASP) Carly!?

?: Savannah.

Savannah Nephthys: Selena!

Nico: She has the captives inside her.

General Pepper: Fox, do not be fooled. Me and Peppy are standing with you all right now!

Peppy: The Queen knows she's about to lose. That's why she's trying to fool you.

Wolf: Fox, remember what I told you before. Don't hesitate. When the time comes, just act!

Leon: And right now isn't really a good time to hesitate.

Panther: So what's it gonna be? You gonna let the Queen live for another year. Or are you finally ready to finish this?

Lincoln and the girls fired waves of energy and elements that transformed into insectivores and they began eating many of the Aparoids.

Lincoln and his harem: INSECTIVORE FINAL SMASH: INSECTIVORE CHOMP!

Lincoln and his harem summoned various insectivores to devour every Aparoid as well as The Aparoid Queen, and they belched out their spirits.

Lincoln: Never come back again, you parasites!

Suddenly, Lincoln donned his black Symbiote suit and he summoned something in his left hand: it was All-Black, the Necrosword, and he swung the blade and slashed at the spirits of The Aparoid Queen and her hive and they burst into black flames and were sent to The Black Abyss.

Then, the suit sank back into his body.

Venom: Where did you get All-Black? We hadn't seen that since…

Black-Suited Lincoln: (Through the Ebonwu Crest) I should've said this, but we destroyed Knull before we came here and Dana sent him to The Black Gates and All-Black was absorbed into me and my sisters and you all assimilated all his immense godly powers and abilities.

CLANG!

My jaw and Nico's jaw dropped, and Eli closed our jaws.

Nico: No way, you… destroyed Knull, The God of The Symbiotes?! Damn.

Me: You sure are one tough guy to go toe to toe against a tough son of a bitch like Knull.

Lincoln: We've got to hear more about that later.

Then the planet was rumbling!

Me: Uh oh! The planet's going to explode!

Nico: Lets get out of here!

We got out and we made it just in time as the planet exploded!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

Me: That's it for their home world too.

Nico: Yep.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Mahito, the leader of The Disaster Curses.

?: I will enjoy killing every last one of you!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the twelve large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier that protected all of us from energy and Lincoln suddenly absorbed the energy and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Mahito, or we will force you out.

A figure came out, and it was none other than Mahito, the leader of The Disaster Curses from the anime/manga series Jujutsu Kaisen.

Lincoln: Mahito..

Selina Morrigan: The Leader of the Disaster Curses, I was hoping when you'd show up, now, you will answer for every last one of your crimes.

Suddenly, Selina Morrigan's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Mahito, she left black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Selina Morrigan: Your crimes have gone unanswered for eons, Mahito, you have caused more than your fair share of crimes and chaos towards humanity, you have a lot to answer for, and I'll make sure you pay for your crimes with your own blood.

Suddenly, Selina Morrigan was surrounded by a massive vortex of black and red energy with stars, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Mahito: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Selina is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Selina Morrigan emerged, but she was changed forever.

Selina Morrigan grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large black and red planets orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long midnight black hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Syn Shenron emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Dark, and Eternity

Suddenly, Selina Morrigan felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large black feathers grew much larger for her new body and medium sized midnight black angel wings with red tips grew and sprouted out underneath her massive midnight black angel wings and she also now has eleven massive and long black wolf tails with red tips and red markings, Selina Morrigan has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Lincoln, Selina Morrigan, and I went after Mahito, and we fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Mahito, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Selina Morrigan also did the same by firing black and red energy slashes from her massive greatsword, and he, Selina Morrigan, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Mahito even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Lincoln ran up to and put Mahito in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Mahito into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger as he assimilated Mahito's Invisibility,

Manipulation, High Intelligence, Cursed energy manipulation, Supernatural durability, Supernatural strength, Regenerative abilities, Supernatural speed, Supernatural agility, Invisibility, Black flash, Idle Transfiguration, Soul manipulation, Body shapeshifting, Clone creation, Weapon creation, Soul multiplicity, Body repelling, Transfigured human creation, Polymorphic soul isomer creation, Instant spirit body of distorted killing transformation, Curtain creation, Domain expansion creation, and Heavenly restriction removal.

Then, when Lincoln was done, Mahito was fully absorbed into his body and he sent Mahito to The Black Gates forever. Everyone cheered wildly for what Selina Morrigan, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Selina Morrigan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large black and red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings underneath are permanent.

Selina Morrigan: Your immortal life ends here. Thanks for helping me take down Mahito, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Selina.

Me: My pleasure, Selina.

Suddenly, Selina Morrigan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selina Morrigan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness them and we cheered wildly. Then, Lincoln and Selina Morrigan sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Selina Morrigan and hugged us.

Luna: No kidding dudes, you guys taught that demon a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Aithnea Sorrell, Gene-Slammer and Avatar of Zoroa the Magistus Conflagrant Calamity.

When Lori, Lynn, Lola, Lisa, and Luan heard that name, they screamed in horror!

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, and as for the reason why Lori, Lynn, Lola, Lisa, and Luan screamed like that, here's the story on her, Aithnea Sorrell is Lincoln's Guardian Angel from Michigan, and she was born with fire angel wings, cosmic pyrokinesis, and mastery over powerful fire magic. She knew that Lincoln would always be put in danger, so she Gene-Slammed herself into Zoroa, the Magistus Conflagrant Calamity, but what she didn't know was that she wound up becoming his Avatar, and her cosmic pyrokinesis and fire magic wound up getting a massive power boost along with getting immortality and a large gold halo with four gold rings orbiting around the halo behind her head. When Lincoln found out, he was literally stunned, but when Lori, Lynn, Lola, Lisa, and Luan found out, they went ballistic and ran at her to kill her and Lincoln, but Aithnea fired blasts of fire at their butts and sent them running for the hills like cowards. Lincoln made her a powerful fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he will marry her along with the rest of his harem, and Aithnea absolutely despises Lori, Lynn, Lola, Lisa, and Luan with a blazing passion.

WE GASPED!

Nico: Lori, Luan, Lynn, Lola, Lisa, of all the… !

Me: I still remembered that incident all too well. You five really pissed her off big time.

Luna: You have no idea, dude.

Laney: And it was so hilarious seeing her make those five run for the hills like cowards after she lit their butts on fire.

Me: Nice. And now our mission is done.

Radioactive Man: Looks like it's the end of the Aparoids.

Gizmo: And them bringing back loved ones.

Private HIVE: J.D. can easily do that with no corruption.

Me: That is too true.

Black Spider: (to Fox) Is there any place we can go near here to celebrate?

Po Kong: I call dibs on all the food!

Fox: Yes there is. It's on Corneria.

Me: Awesome.

Nico: Now we've seen the last of the Aparoids. Permanently.

Xenia: Good riddance.

Me: They've had it coming ever since before the Great War of Friendship.

Xenia: Yeah.

Camie: That is for sure.

Nico: Yep. Great job today everyone!

Fox: Dad we have so much to catch up on.

James McCloud: I know son. I'm so proud of you and you have become so strong.

Xenia: That he has.

Camie: Yeah.

Fox: (To the viewers) The Aparoids are gone for good. Now we are rid of them.

Me: Yep. We sure are.

We went to Corneria and we were having a good meal at a restaurant that Fox knows. We had a great time. Later we went back home and enjoyed the rest of the day and went to sleep.

Me: So this is Seaboard City.

Nico: Yeah this is really amazing.

Lola: It sure is.

Me: John told me about this place and how it was where the Justice Guild of America was from.

Nico: Yeah that was an homage to the Golden Age Justice Society of America, and to a degree the Silver Age Justice League of America. Which is really cool.

Me: I can't wait to meet the Justice Guild.

Camie: If they are anything like the Justice League then this will be awesome.

Xenia: It sure will be.

Nico: Hitoshi, I want to thank you, Angry Chicken Wing, and your teams for coming.

Hitoshi: No problem Nico. I'm really looking forward to this one.

Sister Sercy: I'm excited for this too. I have a feeling this will be interesting.

Nico: Sercy, what do you like to do I'm in your free time

Sister Sercy: I like helping my fellow brothers and sisters with spreading the hope of the light of hope. All is well amongst many planets.

Me: That is really amazing.

Nico: Yeah it sure is.

Camie: Wow.

Nico: You know J.D. is one of you, right?

Sister Sercy: Yes I do. We all do. But J.D. has his reasons for not showing his Blue Lantern Powers.

Me: It's true. Sorry you don't see me as a blue lantern too often. But it's part of my reasons.

Nico: Ah. That's understandable.

Xenia: Yeah.

Me: Yep.

Qin: Whew! Man we are finally free of the Aparoids!

Xenia: We sure are!

Nico: Wow! That was an epic battle!

May: Good thing they didn't leave a mess.

Qin: That is for sure.

Xenia: Wow that was so awesome.

Camie: Yeah just like in Star Fox Assault.

Nicole: I know! That was so much fun.

Varie: It sure was.

Nico: And the queen had the nerve to try and trick us with those voices.

Maria: Pepper and Peppy weren't dead to begin with!

Nicole: Yeah no kidding! And it imitated James McCloud!

Nico: I know! J.D. I did not expect you to bring back James McCloud. Well done.

Me: Well I figured that Fox needed his dad back so I figured it would be good for him to have his dad back.

Nico: Good call. Fox and James must have a lot of catching up to do.

Camie: Yeah.

Nicole: Well its been a while for him. But yeah.

Lola: And we freed the captives the queen had.

Nico: Now we definitely won't be facing anymore Aparoid zombies!

Me: Yeah no kidding! Especially after we found out that they can do that when we saw them before the Great War of Friendship.

Nico: No kidding there.

Xenia: I'm glad we're rid of them.

Lincoln: Me too. Good riddance.

Camie: Yeah. But look on the bright side guys. At least you have most of your loved ones back.

Nico: That is true.

Eli: Yeah that was awesome though.

We saw Wonder Woman, Batman and Superman.

Me: Oh hey Kal, Bruce and Diana.

Superman: Hope you don't mind me, Wonder Woman, and Batman being here too

Nico: Not at all. We brought you here for a reason.

Me: Okay.

Nico: Look at this place.

Me: It sure is amazing.

Qin: Yeah.

Xenia: It sure is awesome that Seaboard City is like this.

Varie: I know.

Nico: Let's see if there's anyone around

Qin: Wait look!

We saw 5 heroes attacking someone that looked like Captain Cold! It was DR. BLIZZARD!

Nico: WHOA! That's Dr. Blizzard!

Qin: He reminds me in every way of Captain Cold.

Nico: He sure does and I know them. That's the Justice Guild.

Me: John told me all about them.

We saw The Streak, Green Guardsman, Black Siren, Tom Turbine and the Cat Man fighting him.

Nico: Wow!

Batman: Hmm.

Me: (Telepathically to Batman) What is it Bruce? Is something wrong?

Batman: Tell Lincoln to play along for now

Me: Will do. (Telepathically to Lincoln) Lincoln tell us what the emergency is when the time comes. Something is going on. So wait for the right moment.

Lincoln: (Telepathically to me) Okay. Will do.

Eli: Wow look at them go!

Qin: The Justice Guild's enemies are perfect for the M.O.E.

Nico: I was thinking the exact same thing.

Batman threw a Batarang at Dr. Blizzard

CLANG!

I fired a blast of fire and it hit Dr. Blizzard and blasted him down.

Qin then jumped and kicked Dr. Blizzard down.

Black Siren: Wow! That was good!

Qin: Sorry to drop in like this but we came to lend a hand.

We jumped and had him surrounded.

Lola: We have you surrounded popsicle face!

Batman kicked him and knocked him out!

Nico: Dr. Blizzard you have failed this city.

Green Guardsman: Thank you for the help.

Me: Aww it was nothing.

Angry Chicken Wing: Me and my team need to speak to this guy. You go ahead

Nico: Sure thing.

We talked to the Justice Guild.

Me: It's an honor to meet you all.

Tom Turbine: Same to you and you all are?

Me: Oh we are Team Loud Phoenix Storm.

Black Siren: (GASP) The most powerful force in the entire universe!? Oh wow! It's an honor.

Cat Man: It's truly a pleasure to have you all here.

Me: Same here.

Nico: Can we see your base?

Tom Turbine: Sure. Right this way.

We went to the base of the Justice Guild.

We arrived.

Me: Wow!

Nico: Nice place you got here.

Cat Man: Thanks. It's home.

Me: Just as cool as the Hall of Justice.

Camie: I'll say.

Black Siren: Yeah it's fun.

Ray Thompson then came.

Ray Thompson: Wow! You guys were awesome! Wow! Team Loud Phoenix Storm it's an honor to meet you guys.

Me: You too Ray. I've heard so much about you and it's a pleasure to meet you too.

Black Siren: (to Wonder Woman) Wanna help me make cookies in the kitchen while the men talk?

Wonder Woman:… what?

Varie: I'll help too.

Wonder Woman: Okay?

Varie: Lead the way.

Black Siren did so.

Me: Green Guardsman your name is Scott Mason right?

Green Guardsman: That's right. How did you know?

Me: In our world superhero and supervillain names don't mean squat. We know all the real names of the heroes and villains.

Green Guardsman: That's interesting.

Me: Yeah. Are you related to Rex Mason?

Green Guardsman: I think so.

Nico: Hmm.

* * *

With Angry Chicken Wing…

Angry Chicken Wing: Alright, pal. Tell us everything you know about this city.

Dr. Blizzard: I don't know what you're talking about.

Angry Chicken Wing: This is no game mister! Tell us!

Dr. Blizzard: Okay okay okay! I don't what it was but this entire city was destroyed somehow. Check in the subway.

Hugo Strange: I suggest you come with us

Dr. Blizzard: Okay.

They went to the subway.

With us.

Me: You know Catman coincidentally our worlds version of you shares the exact same name as you do. Thomas Reese Blake Is a villain where we're from.

Cat Man: Wow! That is coincidental. My real name is also Thomas Reese Blake.

Nico: Boy you two have exactly the same name. Just on different sides.

Back at the Estate…

Flash: Hey, Lori. Have you seen the others?

Lori: They went out on a rescue but I think it says that they are at a place called Seaboard City.

Green Lantern John Stewart: Seaboard City!? That's the home where the Justice Guild was.

Lynn: What were they like?

Green Lantern John Stewart: Well it was a really amazing story Lynn.

He told them all about what happened.

---

At the climax of a fight between the Justice League and a giant robot remote-controlled by Lex Luthor, it falls over, threatening to crush Flash, Green Lantern, Hawkgirl, and J'onn J'onzz. In trying to stop the robot, Flash creates a tornado-like vortex just as the robot's energy core explodes, transporting the four heroes to Seaboard City, an idyllic 1950s locale in a parallel Earth.

There, they meet the Justice Guild of America members Tom Turbine, The Streak, the Green Guardsman, Black Siren, Catman, and their sidekick/mascot Ray Thompson. They first fight when Green Lantern and Flash stop a robbery by Justice Guild enemy Music Master and the Guild mistakes them for thieves. After the Streak sees Flash save Ray from pieces of a falling building, he realizes the League aren't criminals and stops the fight. The Justice Guild were comic book characters on the Justice League's Earth about whom Green Lantern read as a child. He claims without the comics, he may not have his ring today, as the comics taught him what it means to be a hero. J'onn J'onzz hypothesizes that the JGA writers had a subconscious link to their Earth during flashes of "inspiration" which were actually psychic memories of the Justice Guild's exploits; this is a nod to the explanation Gardner Fox provided for the JSA/JLA link in his September 1961 story Flash of Two Worlds in which the Barry Allen Flash of Earth-One encounters Jay Garrick, his Earth-Two counterpart. They help the JGA fight a group of their enemies called the Injustice Guild of America, who are based on Golden Age DC supervillains, consisting of Music Master, Sportsman, Sir Swami, and Doctor Blizzard. The IGA engage in a scheme to pull off a series of crimes based on the four elements of earth, air, water, and fire as part of a contest to see which of them can pull off the best crime related to those elements, and by doing so will lead the IGA in their next criminal activity. Doctor Blizzard wins when he takes Flash and Black Siren as hostages, and leads the IGA in robbing the Seaboard City Mint and escaping by blimp. The IGA are defeated by the JL and the IGA and are handed over to the police.

Meanwhile, Hawkgirl discovers graves of the JGA, prompting her and Lantern to probe deeper into inconsistencies found in the "perfect" Seaboard City, such as how some, if not all dangers in it happen to come from out of nowhere. The two question the driver of the local ice cream truck about their suspicions, but he only responds to their questions with unspecific answers before driving away. They go to a library, where they discover that all the books on the shelves have blank pages, and going to the basement, they find a brick wall behind the basement door. After Hawkgirl smashes through it, they find a battle-scarred subway tunnel, and an old newspaper (dated to the same day as the final Justice Guild comic). The newspaper's headline reveals that the Justice Guild had been killed in a nuclear war which destroyed Seaboard City forty years prior, causing the Justice Guild comic book to be cancelled on the Justice League's Earth.

Hawkgirl and Lantern show this knowledge to Flash, J'onn and the

JGA; shocked, the JGA deny that their existence is nothing more than an illusion. J'onn suspects Ray Thompson is the key to the bizarre state of this reality. Ray denies knowing anything, but J'onn makes a telepathic link with him, causing him to reveal his true form: a disfigured mutant with reality-warping abilities that he used to recreate his destroyed town and resurrect the Justice Guild, making it look like the nuclear war never happened. Angrily, Ray goes on a rampage and tries to kill the JL, while distracting the JGA with a giant red robot. The Guild heroes are initially unsure of what they should do because they know that defeating Ray will undo the illusion and everything in it, including themselves. Ultimately, they decide to stop Ray, reasoning that if they could sacrifice themselves to save their world once, they could do it again. The Guild attack Ray, overwhelming his powers and ending the illusion. Subsequently, the city's residents are freed from the illusion, thanking the League for giving them a future. The League then returns to their own Earth using a space-time machine created by Tom Turbine before his death and powered by Green Lantern's on his own Earth, John Stewart ponders of how much the JGA comics meant to him when he was young and the impact the comics' cancellation in 1962 (the year the actual Guild died) had on him. He remarks to Hawkgirl that the JGA taught him the meaning of the word hero, a commentary on the bright, optimistic Golden and Silver Age's contrast to the Bronze and Modern Age's grittiness and angst.

---

When it was done they were shocked!

Linka: Oh man! That is horrible!

Lynn: So they were killed in a nuclear war!? That's horrible!

Green Lantern John Stewart: Yeah that was awful.

Hawkgirl: Wait. If they went there, that means… (gasps in horror)

Lynn: What is it?

Martian Manhunter: Lynn, J.D. and the others are in serious danger.

Lynn: Then we better get over there fast!

Linka: Code Red emergency everyone!

The alarm sounded.

They were off to Seaboard City.

They were about to leave but Lynn stopped them.

Lynn: Wait. We can't go there until Lincoln calls us.

Martian Manhunter: Then me, John, Flash, and Hawkgirl will go on ahead.

Hawkgirl: We'll meet you all there.

Lynn: Okay we'll wait.

Linka: We're on yellow alert standby.

Hawkgirl, Martian Manhunter, Flash and Green Lantern were off.

Green Lantern John Stewart: Dammit, why didn't I see it sooner?!

Hawkgirl: We'll talk about it later. Lets find them.

They went to our location.

Back with the Justice Guild…

Superman: Do you mind if me, J.D., and Batman discussed something in private?

Tom Turbine: Not at all. Go ahead.

Me: Okay.

We went to talk in private.

Superman: (Whispers) I think this world is an illusion.

Me: (Whispers) Why do you say that Kal?

Batman: (Whispers) We weren't in this world before but when they got back Hawkgirl, Martian Manhunter, Flash and Green Lantern found out a dark secret about it.

They told me what happened and I was shocked.

Me: (Gasp) Oh dear god that's terrible.

Batman: And I've seen the graves of the Justice Guild before.

Superman: I also used my x ray vision to spot several things wrong here

Me: That's good you did. If this is all an illusion we need to play along with it until the time is right.

Batman: Okay.

Me: Let me see.

I used my sharingan and it showed that the entire place was a massive Post-Apocalyptic desolate world.

Me: (GASP) My god. What the hell happened here?

Batman: Nuclear war.

Me: Oh man.

I turned off my sharingan and we played along with it.

Hawkgirl, Martian Manhunter, Flash and Green Lantern saw Angry Chicken Wing, his team, and Dr. Blizzard.

Hawkgirl: Angry Chicken Wing, where are J.D. and the others?

Angry Chicken Wing: They are with the Justice Guild. Why? Is something wrong Shayera?

Hugo Strange: (facepalms) You do realize we just came back from the subway and saw that newspaper, correct?

Hawkgirl: That's what happened here. This whole world is an illusion.

Martian Manhunter: J.D. and the others are in terrible trouble.

Me: (Telepathically) Angry Chicken Wing can you hear me?

Angry Chicken Wing: J.D.?

Me: Yes I'm speaking to you telepathically. Superman and Batman told me what happened and it was not good.

I told them everything and it was awful!

Angry Chicken Wing: Oh man! That's terrible!

Me: I know. Get the rest of the Injustice Guild. And I sense the rest of the Justice League here. Good.

Angry Chicken Wing: (to Dr. Blizzard) Get the rest of your Injustice Guild buddies here.

Dr. Blizzard: Right.

He did so and out came Sir Swami, Music Master and Sportsman.

With us…

Black Siren: Cookies are all done.

Wonder Woman looked very annoyed.

Me: Ooh those look great.

I ate one.

Me: Mmm! Good cookies.

Nico: Don't be so annoyed with this Diana you did good.

Wonder Woman: I appreciate that.

Stacy heard a Pokemon Cry.

Stacy: Guys look!

We saw a Regice!

Me: Whoa a Regice!

Nico: Wow!

Me: Oh the poor thing is hungry.

We gave it some apples and she ate them.

Regice: Thanks.

Nico: You're welcome. Want to come with us?

Regice: Sure.

Just then, we heard a knock at the door.

Ray: I'll get it.

Me: (Telepathically to Nico) Wait for it.

He opened the door to see Flash there.

Flash: (smiles cheerfully) Hi there, Ray!

He grabbed Ray, zoomed in, and slammed him against the wall.

Flash: (smile turns into a sneer) Expecting someone more gullible?!

Black Siren: Are you crazy?! Let him go!

Me: Actually you need to see this!

I snapped my fingers and the illusion broke and then we saw Ray's TRUE FORM! He was a radioactive mutant! He had a huge brain, purple skin, red eyes and had an abnormally long arm and he was pissed!

WE GASPED!

Nico: WHAT THE FUCK HAPPENED TO HIM!?

Me: Wait! I've seen this before! This is a mutation as a result of Nuclear Radiation Fallout!

Lincoln: Alright, let's do this.

Me: Right.

Lincoln and I snapped our fingers, and then, beams of heavenly light shined down and everyone who died in the nuclear war were brought back, and we saw one group The Justice League told us about: The Justice Guild of America, as they were also brought back by us as well.

Nico: Nice one.

Lincoln: Now, on to new business.

Nico: You're right, and he needs a lot of medical help.

Lincoln: Which he'll get from Vypra, now to get into gear.

Suddenly, Lincoln was surrounded by a sapphire blue energy aura with symbols of The Blue Lantern Corps.

Xenia: No Ray you need help! And you need help now!

Tom Turbine: Ray, is this true?

Ray Thompson: YES! I wanted to make a world where everyone is back!

Me: That world is an illusion Ray.

Lincoln: Sorry, Ray, but we know all of this is an illusion, and this must end.

THEN… , OUR EYES TURNED RED WITH TOMOE IN THE CORNERS OF OUR EYES AS WE ACTIVATED THE SHARINGAN AND ITS ENHANCED POWER BREAKS AND SHATTERS RAY THOMPSON'S ILLUSIONARY WORLD AND THE JUSTICE GUILD OF AMERICA ARE WITH US!

This caused Ray Thompson to be horrified.

Ray Thompson: What?! How?!

Lincoln: We've been through this sort of thing with The Tantabus and Queen Nehelenia's right hand man. Illusions weren't going to work on any of us, Ray, but we knew every last detail of what happened to you, so let us help you.

Nico: Yeah! You need this. The radiation destroyed your mind! You were turned into this monster!

Ray: You think this changes anything?! The endgame is approaching for all of you! And when it does, you'll wish you had kept my perfect world intact!

None of us noticed Lucy Loud getting a concerned look at this

I sensed Lucy Loud concerned.

Me: Lucy I know you're concerned about something but tell us later.

We saw the Sign: but it was blue.

Me: A blue version of The Sign?!

Lincoln: (Smirks) There's only one person we and The Order know all too well who has that sign.

Suddenly, we saw a girl with long blue hair with blue eyes, dressed in blue clothes, she has Cerulean Sacred Phoenix of Nephthys on her forehead and skirt, and she has blue angel wings and a blue fire sword.

Lincoln: Aalish Nephthys, Gene-Slammer of Cerulean Sacred Phoenix of Nephthys.

BLUE LANTERN HEALING RAIN!

Lincoln fired a blue energy beam into the air, and it transformed into blue energy raindrops and they hit Ray Thompson, which cured him of some of the radiation that affected his mind, and it caused him to change back from mutant form to human form, but he passed out. Lincoln checked for a pulse, and found one and we breathed a sigh of relief as Lincoln put him on a stretcher and sent him to The Masters of Evil for treatment. Everyone cheered as we holstered our weapons and powered down and Oriana Odym's new body, clothes, weapons, jewelry, eleven massive and long sapphire blue wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large sapphire blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive sapphire blue angel wings and medium sized sapphire blue angel wings underneath are permanent.

Nico: Whoa, now that was an awesome technique you used, Lincoln.

Lincoln: (Blue Lantern-themed Outfit changes back to Original Color Schemes) Thanks, my Blue Lantern powers have also evolved with me undergoing my many transformations and evolutions. Plus, in my spare time, I'd developed tons of Blue Lantern-themed techniques and the one you just saw me use heals those suffering from physical, mental, or emotional pain.

Me: I've seen those techniques and they are amazing. So, Lincoln, care to introduce us?

Lincoln: Sure. This is Aalish Nephthys, Gene-Slammer of Cerulean Sacred Phoenix of Nephthys, she's my Guardian Angel from Michigan and she's a close ally of the Sacred Order of The Flames of The Phoenix of Nephthys. She's a powerful force of good and a master of blue fire and a deadly fighter, and she has a massive and powerful hatred for ALL of the cult's enemies including mine, and like them, she wants nothing more than to destroy the cult's enemies including mine and make them all pay for their crimes once and for all.

Me: Cool!

Nico: Nice.

Tom Turbine: Wait. If Ray's defeated, then why do we still exist?

Me: Because while we were fighting him, I snapped my fingers to resurrect you.

Nico: It's true. J.D. did that.

Qin: It's true.

Me: I brought all of you back to life.

Xenia: It's true.

Tom Turbine: How do you have that kind of power?

Me: I can do anything.

Xenia: It's true.

Me: I resurrected all of you when the illusion was broken.

Lincoln: Yep and I helped with that too.

Black Siren: Wow! That's amazing.

Qin: It sure is.

Superman: I used my x ray vision to spot several things wrong. Ice cream trucks that don't stop. Library books with blank pages.

Twilight Sparkle: Library Books that are blank!? HAS THE WORLD GONE MAD!?

Nico: You know how Twilight doesn't like books that are blank.

Angry Chicken Wing: Me, my team, and Dr. Blizzard went to the subway station to find the incriminating evidence

Hugo Strange: It's true. And we found some.

Black Siren: Like what?

Angry Chicken Wing: This.

He showed a newspaper with a story that said about the Nuclear War.

Martian Manhunter: Ray must've used his powers to wipe away your memories of our previous encounter.

Nico: That could be it

Hawkgirl: If we knew you were coming HERE, we would've come as well

Nico: Yeah that's true.

Qin: I agree.

Black Siren: What happens to Ray now?

Nico: We get him to a hospital.

Me: In M.O.E. HQ.

We did so.

Nico: Nice.

Lola: Yeah.

Nico: Nice job Regice!

Regice: Thanks Nico. That was fun.

Poromon: Want a beer?

Regice: Oh no thanks. I only drink liquid nitrogen.

Lisa Loud: That is unusual. But it's fitting for one of the legendary titans.

Lisa pulled out a container of Liquid Nitrogen and he drank it.

Me: Wow that is cold.

Xenia: Yeah.

Regice: Ahh. Good stuff.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: Now lets see what Lucy is concerned about

Lucy Loud: Guys, how about I tell you later?

Me: Well okay.

Batman: What Ray went through is something no child should endure

Me: I agree Bruce. That was horrible. But this whole place went to hell.

Nico: And Ray went through hell too

Qin: Yeah.

Green Guardsman: He sure did. But you guys gave us all a second chance at life again.

Green Lantern John Stewart: J.D. and Lincoln helped you get that back and also you are all heroes that had their lives cut short.

Tom Turbine: And now, we can restore the city to its' former glory.

Me: That's for sure.

Qin: And we can help you all achieve that.

Twilight Sparkle: How about we start with the library?

Nico: Good idea. Okay lets fan out and repair this whole city!

ZOOM!

Within minutes we repaired the whole city and made it all completely good as new and better than ever.

Nico: There. Good as new!

Qin: Yep.

Me: WHEW! That was great!

Camie: Yeah.

Nico: And nothing's going to wreck it again

Me: Nope. Not on our watch.

Flash: Maybe you'd like to eat ice cream. Because with the city restored, there's bound to be some now.

Regice: Ice cream is good too.

ZOOM!

Flash got some for him and Regice.

Regice: Thanks.

It was good.

Camie: That was cool.

Regice: This ice cream is good!

Me: Yep.

Xenia: It sure is.

Nico: Fox, are you happy your dad's back?

Fox McCloud: I sure am.

Qin: That's awesome.

Camie: Yeah.

Nico: Have you told him all about your Super Smash Bros adventures?

Fox: I sure have. Along with all our adventures.

Xenia: Wow.

Lola: Cool.

Camie: Awesome.

Nico: Where does he live now?

Fox: In the room across from mine.

Qin: Aww.

Nico: At the estate? Wow.

Camie: Cool.

Nico: After everything you went through, you've earned your Dad back

Fox: I agree.

Qin: Yeah.

Me: And if we ever face a clone of Pigma, he's going to be in for one helluva nasty surprise.

Nico: Big time.

Maria: Without the Aparoid mutation!

Nico: Yeah!

Qin: Oh yeah!

Fox: That is for sure.

Nico: Thank God we didn't fight Aparoid Pigma yesterday!

Qin: Because we gave him the black gates so there's no way the queen could bring him back.

Xenia: Yeah.

Nico: Too true.

Me: Thank goodness.

Nico: When I saw him the first time, it was creepy!

Me: Yeah no kidding.

Camie: That was crazy.

Nicole: It sure was.

Lola: Yeah.

Qin: It sure was scary. At least we don't have to face that again.

Xenia: No kidding.

Me: Yep.

Eli: Yeah. Anyway lets see who we have here for the Anothers. (Concentrates) WHOA! We got Another Angry Chicken Wing, Sapphire, Hugo Strange, Lego Doomsday, Lego Darkseid and Armaggeddroid.

Qin: WHOA!

Nico: (Drooling) I'm going to eat Another Angry Chicken Wing.

May: Who's up?

Me: Hitoshi, Sister Sercy, Oriana Odym, Saint Walker, Lego Saint Walker and Brother Warth.

Qin: Wow!

Me: Yep.

Eli: And I sense that the anothers minus Angry Chicken Wing are 4 people.

Me: Ooh wow.

Camie: Awesome.

Nico: There they are!

We saw Another Sapphire, Hugo Strange, Lego Doomsday, Lego Darkseid and Armaggeddroid!

Qin: WHOA!

Camie: Awesome!

Another Sapphire: (In a girls voice) Yeah it will be.

Nico: (GASP) Nicole Shrimp, Olivia Owl, Hayley Honeybee and Tabitha Togemogu!

Nicole Shrimp: Awesome to see you again Nico.

Olivia Owl: It sure is.

Hayley Honeybee: And you too Qin.

Me: Awesome to meet you girls.

Tabitha Togemogu: Same here.

Maria: Anything you want to say about yourselves?

Olivia Owl: Sure. I'm an Owl Breeder. I breed owls and we love them.

Me: Owls are awesome birds and one of my favorites.

Xenia: Yep.

Nicole Shrimp: I'm a creole chef and make all kinds of amazing foods. I'll make you all something.

Homer: WOOHOO! Free lunch!

Me: Yeah!

Hayley Honeybee: I'm a beefarmer and make honey. It's fun.

Me: Awesome!

Tabitha Togemogu: And I make really awesome rock candy.

Apple Bloom: Oh boy! Can I try some?

Tabitha Togemogu: Sure!

Me: BTW is the another Angry Chicken Wing friendly or hostile?

Nicole Shrimp: Friendly and she is a really amazing one.

Qin: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: (TURNS DIAL) OCTOPUS BUTTSMASHER 6!

She summoned Takoika, Metphies, Me·Garima·Ba, Grimmel the Grisly, Rigime (Kamen Rider Decade) and Black Condor (Jetman).

Nico: And now, we wait.

Me: Yeah.

Nicole Shrimp: Lunch is ready!

We all got an awesome meal! We all got Homer's favorites from all over Louisiana. Me: (EATING) MMM! Delicious!

We were eating everything and it was good.

Homer burped.

Homer: Scuse me.

Nicole Shrimp: Homer sure loves my food.

Me: He eats everything.

Tabitha Togemogu: Here Apple Bloom.

She gave her blueberry rock candy and Apple Bloom was licking it and got blue stuff all over her face.

Apple Bloom: Mmm! That is good! Blueberry is awesome!

Me: Yep. Oh just in time!

We saw ANOTHER ANGRY CHICKEN WING!

Qin: Whoa!

Nico: (SLURPS) I've got room for some dessert!

Another Angry Chicken Wing: (In a girls voice) And you can eat my another form later.

Me: (GASP) That voice!

She reverted back and was a girl with orange hair and red eyes and green angel wings and orange clothes. And she had a tiara with the symbol of the Icarus Dopant on it and on her skirt and had a light sword.

Me: (GASP) Irina Icarus!

Nico: WHOA! The Embodiment of the Icarus Dopant.

Xenia: Yeah!

Me: That's right. She's the Embodiment of the Icarus Dopant and she has the power to give anyone that can't fly wings. Also she is an amazing chicken wing chef and she even makes nuclear hot chicken wings that show her angry side.

Angry Chicken Wing: WOW! I like her style.

Nico: Nice!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Irina Icarus: No he didn't because I made him drink a bottle of this.

She held up a bottle of her most lethal chicken wing sauce called THE ANGRY XANDRED DEATH SAUCE!

Nico: WHOA! Angry Xandred!?

Jayden: Named after the Samurai Rangers Archnemesis! That is cool!

Irina Icarus: I make all my sauces after all the Power Rangers archnemeses.

Me: And it's fitting too because Xandred was known for having one helluva nasty explosive temper.

Sakura Knudson: That is cool! But that explains why I found Swartz convulsing and foaming at the mouth.

Me: GEEZ!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Nico: YEAH!

Lincoln: Lets separate you first.

We did so.

Me: All right lets get him!

May: (Gets out Hugo Strange's Ridewatch) Time for some buttkicking!

Maria: (Gets out Lego Darkseid's ridewatch) Apokalyps is coming.

Sister Sercy: (Gets out Sapphire's ridewatch) This will be fun!

They used the powers of Angry Chicken Wing, Sapphire, Hugo Strange, Lego Doomsday, Lego Darkseid and Armaggeddroid and blasted him down.

Then Twister (Kirby), Chameleon (Secret Squirrel), Crusher McPersoncrusher, Griffania Ironwings, Matakoshin and Scorpion Phantom came.

Nico: WHOA! Nice team Twister.

Twister: Thanks Nico.

Indigo Carrington: This is gonna be cool! My team is up next.

Nico: Yep.

?: That is cool!

Optic Sunflower came!

Me: Optic Sunflower!

Qin: Cool!

Optic Sunflower: (In a girls voice) And ready to shine with light.

Nico: Sina Sunflora! Wow!

Optic Sunflower: Yep. I got this.

She fired energy blasts and smashed the Another and I caught the Ridewatch and purified it!

Me: Oh yeah!

Nico was eating the remains of Another Angry Chicken Wing.

Nico: (Eating) Delicious!

Sina reverted back and was a girl with yellow hair and green eyes and had green and yellow clothes and green angel wings and a Sunflower in the middle of her forehead.

Sina Sunflora: Now that was cool.

Lola: Yeah!

Sister Sercy: All is well now here.

Me: It sure is.

Sister Sercy: Do you have a favorite memory of Nico?

Sina Sunflora: I sure do. When me and Nico were at my family's sunflower farm and it was awesome.

Nico: You should see how big her family's sunflowers are there.

Qin: They are awesome and beautiful.

Camie: Cool!

Nico and Sina hugged.

Nico: I've missed you.

Sina Sunflora: Same here Nico.

We went back home and the Justice Guild were made part of the team and Seaboard City was made a sector of the city.

Lincoln: Whoa, we're here in Mongolia, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to destroy The Elden Beast, the main antagonist and the final boss of the 2022 action-RPG video game, Elden Ring.

Nicole: Oh, I've heard of this being, it is a divine being that resides within the Erdtree and the pure embodiment and living incarnation of the concept of Order. As such, it is considered to be the true ruler of the Lands Between.

Nico: But, it's still a very dangerous being.

Me: As such, it needs to be stopped.

Hitoshi: But, it might still pull one last attack, so let's keep our guard up.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair and yellow headband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings and a large gold halo with four gold rings orbiting around the halo behind her head, she's dressed in a red short-sleeved blouse, red sleeveless top, necklace with red gem for the pendant, red skirt, red stockings, red knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, phoenixes, and angels on the coattails and on the back is Zoroa the Magistus Conflagrant Calamity, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the six girls.

Lincoln: (GASPS) Aithnea Sorrell, Gene-Slammer and Avatar of Zoroa the Magistus Conflagrant Calamity.

Aithnea Sorrell: That's right, and I got the girls away from The Elden Beast who's heading here now.

Suddenly, we saw something heading our way: it was a large creature with a transparent body with inners consisting of bright dots and golden veins, resembling the very branches of the Erdtree, a featureless head although it does possess a bright light in the center of the head, presumably an eye, long humanoid hands and eight wings protruding down its back, long legs and a tail that ends with the golden veins protruding out.

Suddenly, The Elden Beast flew at Lincoln and rammed at him, but Lincoln stood his ground as he began absorbing The Elden Beast into his body as his rainbow energy aura flared up extremely as he and all of us assimilated The Elden Beast's divine powers and holy magic. We cheered as we holstered our weapons and powered down.

Rayman: I don't believe it, you… absorbed The Elden Beast.

Lincoln: I wasn't going to be knocked down like that, and now, I and all of us have all of its' divine powers and holy magic. (To Aithnea Sorrell) And it's so good to see you again, Aithnea.

Aithnea Sorrell: You too, Lincoln, it's been seven years since we last met.

Suddenly, Aithnea Sorrell wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Aithnea Sorrell was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Aithnea Sorrell: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Aithnea Sorrell's waist and hugged her, and Aithnea Sorrell is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aithnea Sorrell: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Aithnea Sorrell, Gene-Slammer and Avatar of Zoroa the Magistus Conflagrant Calamity, she's Lincoln's Guardian Angel from Michigan, and she was born with fire angel wings, cosmic pyrokinesis, and mastery over powerful fire magic. She knew that Lincoln would always be put in danger, so she Gene-Slammed herself into Zoroa, the Magistus Conflagrant Calamity, but what she didn't know was that she wound up becoming his Avatar, and her cosmic pyrokinesis and fire magic wound up getting a massive power boost along with getting immortality and a large gold halo with four gold rings orbiting around the halo behind her head. When Lincoln found out, he was literally stunned, but when Lori, Lynn, Lola, Lisa, and Luan found out, they went ballistic and ran at her to kill her and Lincoln, but Aithnea fired blasts of fire at their butts and sent them running for the hills like cowards. Lincoln made her a powerful fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he will marry her along with the rest of his harem, and Aithnea absolutely despises Lori, Lynn, Lola, Lisa, and Luan with a blazing passion.

Nico: Which explains why we saw Lori, Lynn, Lola, Lisa, and Luan scream in horror yesterday.

Lincoln: Those five should've never tried to kill me and cross her.

Me: It was ugly.

Eli: Yikes!

Lincoln: You know exactly what happens when you mess with one of my many Guardian Angels, and now that you're here, Aithnea.

Lincoln leaned his head down the right side of Aithnea Sorrell's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aithnea Sorrell: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aithnea Sorrell with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Aithnea Sorrell: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aithnea Sorrell.

Aithnea Sorrell had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aithnea Sorrell's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aithnea Sorrell had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Ayumi Toono, Mari Ichihara, Risa Hidaka, Sanaya, Sayaka Amemiya, and Shiho Osawa from the anime, From M.

Lincoln: Oh wow, it's Ayumi Toono, Mari Ichihara, Risa Hidaka, Sanaya, Sayaka Amemiya, and Shiho Osawa from the anime, From M.

Nicole: So, those were the girls that were here in Mongolia, thank goodness Aithnea got them away.

Lincoln: She sure did. Are you girls okay?

Ayumi Toono: Yes, we're okay, thanks to you.

Then, when Ayumi Toono and the other five girls saw who it was that saved them from The Elden Beast, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

Ayumi Toono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Ayumi Toono: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayumi Toono, Mari Ichihara, Risa Hidaka, Sanaya, Sayaka Amemiya, and Shiho Osawa with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was The Elden Beast, the main antagonist and the final boss of the 2022 action-RPG video game, Elden Ring.

But, when Lincoln showed what we did in thrashing him, and The Elden Beast flying into and ramming into Lincoln but stood his ground and absorbed The Elden Beast and he and all of us assimilated all of its divine powers and holy magic, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Aithnea Sorrell have a lot of catching up to do, now that she's back in town.

Maria: Whoa! You guys took down The Elden Beast?! That really is intense!

Lincoln: It sure was, but we defeated it and I absorbed it and I and all of us assimilated all of its divine powers and holy magic.

Nico: It was indeed very powerful, and a very formidable opponent.

Me: Nicole played through Elden Ring, and we saw the opponents she'd faced, along with facing The Elden Beast.

Nicole: But, I beat all of them in the end.

---

After Lincoln and all of us beat down The Elden Beast and Lincoln absorbed the cosmic deity, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aithnea Sorrell saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aithnea Sorrell: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Aithnea Sorrell: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Aithnea Sorrell: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Furio Tigre, the main antagonist of the Phoenix Wright: Ace Attorney - Trials and Tribulations case, "Recipe for Turnabout."

Lincoln: (Gasps) Furio Tigre.

Nicole: I should've known he'd show up. This guy's a no good short-tempered loan shark who has control of millions of dollars on The Black Market and $1,000,000 debt on his own hands along with charges of murder, impersonation, identity theft, defamation, usury, perjury, fraud, extortion, incrimination, and forgery on his rap sheet.

Rayman: A loan shark like him doesn't deserve to live a single second anymore, this is where he dies.

Rayman flew out of The World Tree Estate and fired purple energy blasts at Furio Tigre which hit him, and he roared in anger.

Rayman: Roar all you like, it won't save you from what's about to come for you: your day of judgement.

Furio Tigre: Youse don't know who youse messin' with! I'm The Tiger! I control millions of dollars on the black market! Youse think I'm gonna let Team Loud Phoenix Storm get the better of me!?

Suddenly, Rayman's purple eyes turned neon purple and he was surrounded by a purple and red energy aura with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels, he unholstered his massive Rayman's Cosmic Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Greatsword of Cosmic Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Justice from his back, and as he approached Furio Tigre, he left purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels with every step.

Rayman: You don't know how many people like you we've sent to the grave, now you're going to find out, time to join your fellow gangsters in Hell.

Suddenly, Rayman was surrounded by a massive vortex of purple and red energy with stars, light, darkness, and magic surrounding the vortex, there are Lums, dragons, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at Furio Tigre: the red eyes of eternal death.

We saw it on the screen at our gym.

Nicole: Oh boy, this is it, the fight of the century: Dream Protector VS. Bad Tempered Loan Shark.

Then, as the vortex faded, Rayman emerged, but he was changed forever.

Rayman grew from 8'5" to 8'9" in height, his massive and powerful muscles grew much bigger and he still retained his eight-pack abs, he has large gold metal bands on his massive biceps and thighs and he now has twelve large purple planets orbiting around his legs, he has purple and red highlights in the bangs of the two fronds of his strawberry-blonde hair which grew to reach down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon purple eyes and a purple and red energy aura with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels surrounding him and immense rainbow protective aura with the elements swirling around it, he has a Lum in the hands of a night dragon emblazoned on his forehead and Third Eye with purple iris, he has on his Crystal Necklace of The Buddha with red and purple gems on the gold crescent moon links and red and purple crystal links and a purple dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a Fairy with red and purple gems for eyes and holding a Lum and the Light, Dream, Dark, and Eternity Kanjis in its hands for the pendant and he has on a white and gold accented choker on his neck. Rayman has on a purple short-sleeved shirt with mysterious white ring on it and the phoenix, angel, and the symbol of The Celtic Dream Crusaders above it, white gloves, long purple pants, black knee-high boots with dragons for the shoe buckles, and long long-sleeved white trenchcoat with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels on the white coattails and on the back is a fairy, phoenix, angel, and dragon with Lums surrounding them along with the symbol of The Celtic Dream Crusaders above their heads and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes, Kaijus, and angels surrounding a red gem with neon purple lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Rayman felt a very sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers grew much larger for his new body and medium sized strawberry-blonde angel wings with purple and red tips grew and sprouted out underneath his massive strawberry blonde angel wings. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his right ring finger and his Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand covered by his left white glove and wedding ring on his left pinkie finger and gold-armored claws on his white gloves and smaller planets orbiting around his fingers like rings.

Suddenly, Rayman's massive Rayman's Cosmic Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Greatsword of Cosmic Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Justice and all of the greatswords and swords he'd gotten began merging together and they were surrounded by a kaleidoscope of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels and when it emerged, it's transformed into Rayman's Cosmic Eternal Harmony Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Greatsword of Cosmic Eternal Harmony Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded red and purple gems and The Greek God of Dreams, Morpheus, and a Celtic Triquetra etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads and surrounding the white angel faces are The Elements of Harmony and the Unity Stones on top of the Element of The Magic of

When Furio Tigre saw it, he roared and charged at Rayman to kill him only to be met with a fist to the face and hit with a barrage of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels, and that made the loan shark angrier than ever.

Rayman: (Divine Echoing Godly Voice of The Celtic Dream Glade Cosmic Eternal Harmony Eternal Night Light Darkness Fairy Night Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Celtic Dream Glade Eternal Night Light Darkness Fairy Night

Rayman charged at Furio Tigre, and he fired extremely powerful blasts of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels which hit the gangster and exploded, and he slashed at him with his massive greatsword leaving scars on him, and that just made him even angrier.

Furio Tigre: (ROARS) I'm gonna fill youse full of lead for this!

But, before he could, Rayman charged at him and then… !

SLASH! SLASH!

Rayman slashed off his head and cleaved him in half and sent his soul to The Black Gates for good.

Rayman: (Divine Echoing Godly Voice of The Celtic Dream Glade Cosmic Eternal Harmony Eternal Night Light Darkness Fairy Night Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Celtic Dream Glade Eternal Night Light Darkness Fairy Night Dragon Phoenix God Angel Hope) Rest in peace.

Rayman holstered his massive greatsword and powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve purple orbs orbiting around his legs, Third Eye, and massive strawberry-blonde angel wings are permanent. Then, he headed back inside the World Tree Estate.

Nico: That was some awesome work out there, that gangster never stood a chance.

Eli: I'm going to guess that one of our cursed jerks sent that asshole after us.

Lincoln: I was about to point that out, Eli. Well, that wasn't going to work, but that just means they're delaying what's about to be the inevitable.

Me: You said a mouthful, but too true, Lincoln.

We got a shower, and then, Lincoln, Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos are heading to Everbay Coast, and earlier on, Lincoln removed Kaejina Loos' dark side and he destroyed it and sent it to The Black Gates.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Ellen Yin: Wow, so this is Everbay Coast. It sure is beautiful.

Lincoln: It sure is, Ellen, and it's perfect for our first date. Shall we?

Lincoln, Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and

Katejina Loos dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos and they hugged the girls in their abnormally massive and powerful muscular arms and Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos placed their hands on the massive pecs of

Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos are in your harem, Linky.

Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Ellen Yin, Aphrodite (SMITE), Artemis (SMITE), Athena (SMITE), Hera (SMITE), Nemesis (SMITE), Nike (SMITE), Persephone (SMITE), Kalypso (Donkey Kong), Kareena, Karst, and Katejina Loos, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln

snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for Sandbar, Varie, and Wendy's first mission. And it was gonna be with the Ultraman Mebius team.

Hunter: (German Accent) You guys are going to love meeting Hibino Mirai.

Rabbids gibbering.

Me: They may be cute but they are really funny. They are not the brightest lightbulbs in the closet if you catch by drift.

Eli: Yeah.

Eddy: But they listen to me.

The Rabbids burped.

They laughed.

Nico: See?

Hibino: Sandbar, why don't you explain more about yourself?

Sandbar: Sure. I am one of the students at Twilight Sparkle's school of friendship and we learn all about the powers of friendship with other creatures all over Equestria.

Eli: It sure is.

Spiderman: Sandbar is an Earth Pony

Sandbar: It's true.

Hibino: Wow!

Me: Yep. By the way Hunter how did you meet Hibino?

Hunter: I helped Hibino und his team battle Alien Empera before I joined ze team 8 years ago. It was a most amazing experience.

Me: Wow! What can you tell us about him?

Hunter: He was a monster.

He went over his history

---

Alien Empera (エンペラ星人 in Japanese), also referred to as the Dark Emperor or The Emperor, is one of the main antagonists of Ultraman franchise. He is an immensely powerful alien despot empowered by dark energy.

He serves as the main antagonist of Ultraman Mebius, as well as the overarching antagonist of the Ultraman Showa continuity as a whole. He is the archenemy of Ultraman Mebius.

He commands a massive army of monsters and aliens that conquer planets across the universe in pursuit of his ultimate goal, to rid the universe of light and eclipse it in darkness. 30,000 years ago, Empera and his army invaded and occupied the Land of Light, where Empera fought the Father of Ultra and an intense enmity developed between the two.

He was initially shown in a flashback in an episode of Ultraman Taro before making his full appearance in Ultraman Mebius.

He was voiced by the late Kenji Utsumi.

Alien Empera was among the residents of a planet that would later be called Dark Planet. When the sun on his planet went out, its inhabitants began dying. However, one single being managed to survive by embracing the darkness, becoming Alien Empera and developing a hatred of light.

## Invasion the Land of Light

Almost 30,000 years before any of Ultra Brothers went to Earth, Alien Empera sparked the Great Ultra War by leading an army of aliens and monsters to take over the Land of Light in Nebula M78, the home of the Ultras. While he succeeded in doing so, the Ultras fought back against his forces. The final battle of the war occurred when Alien Empera dueled the Father of Ultra. The battle ended in a tie, with both fighters received a matching scar on their hips that would reminded them both of the intense battle. The injuries Alien Empera sustained forced him to retreat.

## Ultraman Taro

Alien Empera's conquest of the Land of Light is detailed in episode 25. Later in the show, two Alien Temperors arrive on Earth to hunt the Ultra Brothers. Though not directly stated, magazine publications reveal these two were agents sent by Empera.

## Ultraman Mebius

Prior the events of the show, Alien Empera opened a Space-Time Wave to lure aliens to Earth. starting with a herd of Dinozaurs. The Emperor's return was heralded when the predator Bogar was lured to Earth and began reviving and summoning several monster to Earth, such as Sadola and Twin Tail.

Alien Empera then assembled a team of his top generals called the "Four Heavenly Kings". The quartet was comprised of Yapool, Grozam, Deathrem and Alien Mefilas. The four took turns trying to destroy Mebius. Yapool, Deathrem and Grozam were all defeated, while Mefilas realized he couldn't defeat Ultraman Mebius and Ultraman and retreated, only to be killed by Empera for his failure.

Upon his arrival, Alien Empera trapped the sun in a coat of darkness and sent his Inpelaizers to attack different regions of the Earth. However, Mebius destroyed the Inpelaizers with his Mebium Dynamite attack. The Emperor sent two more Inpelaizers down to Earth but they were destroyed by GUYS and Zamsher, who came back to Earth to settle his unfinished business with Mebius.

Alien Empera then decided to take over Earth himself. Empera destroyed most of Tokyo and encased the Earth in darkness after declaring his vengeance against the Father of Ultra for their battle 30,000 years prior. Zamsher attempted to stop Empera, but the Lord of Darkness's strength proved to much for the space samurai. Hikari equipped the Aarb Gear and attempted to assist in defeating Alien Empera, but his attempt proved as successful as Zamsher's and he was blasted to ground next to him. The two resolved to work together to stop the Emperor, but even with their powers combined, they were unable to stop him. Empera then turned his attention to the GUYS base, and fired a Darkness Fear at it to destroy both it and Mebius. However, Zamsher took the hit instead, sacrificing himself to save GUYS.

Hikari attempted to stop the Emperor with Zamsher's Hoshikirimaru, but he soon succumbed to exhaustion and vanished. Believing Hikari and Serizawa to both be dead, Ryu angrily attempted a kamikaze attack against Alien Empera, but the Emperor destroyed the ship with a single shockwave. However, Hikari managed to save Ryu by taking him on as his new host. Hikari tried to attack the Emperor with his Hikari Blade, but the Emperor avoided his attacks and blasted him back. Unwilling to let his friend be killed, Mirai stopped recuparating and transformed into Mebius to fight Empera. Mebius and Hikari combined and fired their attacks at Alien Empera, who blocked them with his cloak. The Lord of Darkness the unleashed his signature attack, the Rezolium Ray, against Mebius, destroying the Ultra Warrior.

However, the eight Ultra Brothers continued their offensive to destroy the Emperor's darkness casing around the sun and telepathically told the GUYS members not to give up hope. Mirai was also revived by the Knight Brace in a spiritual form, allowing him to merge with GUYS and Ultraman Hikari. Together, they formed Mebius and granted him a new form, Phoenix Brave Mode. The Emperor tried to attack Mebius, but his attacks were deflected back at him. Mebius then fired a Mebium-Knight shot through the GUYS' final METEOR, the Specium Redoublizer, and at Alien Empera. Zoffy also arrived and joined in, firing his M87 beam through the amplifier to help Mebius.

However, Alien Empera still managed to stay standing. Mebius then launched a Mebium-Knight Dynamite at Empera, fatally wounding him. As he died, Empera realized that the bond between the humans and Ultras was what allowed them to defeat him and accepted his fate, dissipating into light.

Ultraman Mebius Gaiden: Ghost Reverse

After being revived, the Four Heavenly Kings attempted to revive Alien Empera by merging the Giga Battle Nizer with the Emperor's essence in Mechazam. This plan was thwarted when Mechazam allowed Mebius to kill him, wishing to die as himself rather than bring about the return of Empera.

Ultraman Ginga S Movie Showdown! the 10 Ultra Warriors!

An Eteldummy copy of Alien Empera was created by Etelgar. He fought Mebius and was destroyed by the Ultra's Burning Mebium Dynamite.

---

When he was done we were shocked!

Eli: WHOA!

Me: I think we found our main target. And you helped the Mebius team destroy him? That's incredible!

Nico: Yeah!

Nico: And Varie is one of J.D.'s harem.

Varie: It's true. I am the first in a massive and awesome harem with J.D.

Me: Yep. We met in Grand Venture State Park in Michigan and it was amazing.

Amagai: That is so cool!

Me: Yep.

Nico: Wendy is one of my friends from my childhood. She's also the gene-slammer of a Vulpimancer.

Me: That's Wildmutt's kind.

Hibino: Whoa that is amazing! I had a feeling there was something otherworldly in you Wendy.

Wendy Lebinomininsky: I get that all the time.

Roman Goodwin: As for me, I'm a Dark Signer

Me: The Dark Signers are the Emissaries of the Earthbound Immortals.

Roman Goodwin: That's right.

He showed his mark.

Hibino: What's that mark?

Roman Goodwin: It's for Earthbound Immortal Uru.

Me: The Spider Earthbound Immortal. They represent the Nazca Lines.

Amagai: Those mysterious lines in Peru?

Me: Bingo.

Hibino: Wow!

Me: Yeah. No one knows how the Nazca Lines got there. It was a huge mystery for years. But the images of them from the Satellites are amazing

Eli: It's true.

Amagai: Wow.

Hibino: (to Spiderman) What kind of spider bit you, Peter?

Spiderman: I don't know what kind it was but it was a radioactive one. It mutated me and made me into your friendly neighborhood Spiderman.

Girl Jordan: It's true and his powers are awesome. And he has had his share of enemies. And one of his enemies is one I hate with a vengeance.

Amagai: Cletus Kasady A.K.A. Carnage right?

Girl Jordan: That's right.

Spiderman: But enough about that. Any baddies active right now?

Hibino: Well not Dark Eddy I hope.

Eddy: No he's gone for good.

Me: Yep. Now we have a new threat.

Amagai: Girls with pitch black angel wings and clothes and have piercing red eyes?

Me: Bingo. Those are the Blackwing Eatos 12 Girls.

Eli: Ugly story.

Sandbar: Yeah.

Spiderman: I meant any baddies active that you're more familiar with?

Hibino: Well I wanted to see if Dark Eddy is also present too.

Spiderman: Oh fair enough.

Hibino: But lets see.

The alarm sounded and we saw DINOZAUR attacking!

---

Dinozaurs are a species of pack hunter creatures that travel the universe in search of hydrogen molecules to feed on. In the dark depths of space, one of these terrifying creatures flew through the void, making its way toward Earth. GUYS, the new monster attack team, attacked the monster in space. The creature, known as Dinozaur, easily destroyed their ships with a strange tongue-like cutting beam. It then screeched as it eventually landed on Earth's soil. But the monster soon met resistance, in the form of Ultraman Mebius, the newest Ultra Brother. The two giants engaged in combat, with Dinozaur seemingly having the upper-hand. But the quick Mebius evaded all of his attacks, and returned fire with the Mebium Shoot, which hit Dinozaur's head directly. The beast collapsed, and its eyes went dark, signaling Mebius' first victory.A Fateful Encounter

A second Dinozaur appeared momentarily as it flew to Earth but it was killed before it even got close to Earth by Tsurugi, who wanted revenge against Bogarl for the destruction of his friend and home world, Arb.

---

Nico: Dinozaur!

Eli: Whoa!

Me: I remember him!

Dinozaur: (GIGAN ROAR)

Me: Whoa his roar sounds like Gigan from 1972.

Eli: I know just the kaiju for this one then.

Nico: Lets head out!

We were off.

We arrived and saw him!

Nico: WHOA!

Spiderman: LOOk AT THE SIZE OF HIM!

Eli: Yep!

Dinozaur: (GIGAN ROAR)

Eli: Top this! GIGAN COME FORTH!

A huge jewel formed and it glowed and then…

KRABBBBOOOOOOOOM! RKABBBOOOOOOOOOOOOMM!

It exploded numerous times and formed into GIGAN from 1972!

Gigan roared.

Dinozaur roared like Gigan.

Gigan: So Dinozaur is here. And his roar is like mine.

Eli: Coincidental that you both share the same roar.

Wendy got out her Rouse card for Ruby Knight and fired a wave of lightning and blasted Dinozaur!

Gigan used his belly saw and slashed Dinozaur!

Sandbar got out his Rouse Card for Vergo of the Donquixote Pirates and blasted Dinozaur!

Nico: Take that!

Then a girl with blue hair and red eyes and black clothes and black angel wings came and she had a tiara for Spidermonkey on it.

Me: (GASP) Sena Spidermonkey!

Nico: Spidermonkey's Embodiment!?

Me: Yep.

Hibino: Time for Mebius! MEBIUS!

He turned into ULTRAMAN MEBIUS!

Nico YEAH!

Sena Spidermonkey: (Grunts) I got this!

She fired webs and tied up Dinozaur!

She lost control and shot a web at Roman

He fired red fire and broke out of the web.

I fired an electron beam of the antidote and injected her.

Me: There!

Spiderman charged at her.

He kicked her down

A beam of energy hit her and we saw ANCIENTWISEMON!

Me: WHOA! AncientWisemon!

Nico: Cool!

AncientWisemon: (In a girls voice) Looks like the fun started.

Nico: Wendy Ancient Wise? Whoa!

AncientWisemon: Yep. Awesome to see you again Nico.

Nico: You too.

Spiderman got out his Rouse Card for Vanitas and fired dark flame blasts and blasted Sena down.

The antidote took effect and she was cured.

Spiderman: That's one problem down.

Eddy: Now for the other. (Fires his blaster at Dinozaur)

He blasted him all over.

Mebius: Lets get him!

Gigan: With pleasure!

Gigan fired an eye laster blast and Mebius fired an arm blast and the blasts all hit Dinozaur and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and was gone for good!

Me: OH YEAH! Dinozaur you have failed this world!

Wendy Ancient Wise reverted back and was a girl with green hair, green eyes, grey clothes, green wings and had AncientWisemon on her forehead and skirt and had the Steel Kanji on her arm and a molten sword in her hand.

Wendy Ancient Steel: Now that was epic!

Sena Spidermonkey: (Groans) That hurt. But I'm cured!

Wendy Lebinomininsky: My name is Wendy too!

Wendy Ancient Wise: That is cool!

Me: Do you have a favorite memory of Nico?

Wendy Ancient Wise: I sure do. When me and Nico were at the steel mill and we battled loads of Terminator Robots out to kkill us. We turned them into scrap metal.

Nico: Yep.

Me: Whoa! That is cool!

Nico: It was.

Nico and Wendy hugged.

Nico: I've missed you.

Wendy Ancient Wise: Me too Nico.

We arrived back.

May: How did it go guys?

Me: Really awesome!

we told everyone what happened and it was cool.

May: WHOA! That is awesome!

Nico: Yep.

Lola: Yeah!

Nico: Next time, Kaito, Troy, and Zarya will go.

Me: Sweet!

Nico: Yep.

In the park of the city there was REALLY LOUD SCREAMING OF PAIN!

We had Jerry Rassic tied to a rock and we were pulling hard on his underwear to remove the permanent wedgie!

Jerry Rassic: (SCREAMING IN EXCRUCIATING PAIN!)

Jeri Rassic: JUST HOLD ON A BIT LONGER LITTLE BRO!

WE PULLED HARD AND HE SCREAMED IN PAIN!

Cybertron Snarl: What are we doing again?

Me: Trying to remove that permanent wedgie from Jerry!

WE PULLED AND HE SCREAMED MORE!

Jerry Rassic: (SCREAMING IN PAIN!)

Nico: GEEZ!

WE PULLED HARD AND HE SCREAMED IN PAIN!

Nico: (GRUNTS) MAN THIS WEDGIE IS IN THERE GOOD!

Bonnie Terrez: We need to pull harder!

Me: Okay! Jerry hold on to something good!

Jerry Rassic: OKAY!

Me: ONE! TWO! THREE!

WE PULLED REALLY HARD AND HE SCREAMED LOUDER!

THE UNDERWEAR WAS BEING REALLY PULLED OUT OF HIS BUTT!

Nico: IF WE KEEP THIS UP WE'RE GOING TO PULL HIS SPINE OUT!

Hook: Danny, see if you can turn his underwear intangible!

Danny Phantom: OKAY!

He went and did so and then we pulled and then it came out of him!

WE WENT FLYING AND CRASHED INTO A HUGE TREE!

CRASH!

SMASH!

Me: Ouch!

Nico: That hurt!

Jerry Rassic: (Weakly) (In pain) Thank you guys.

He was taken to the infirmary.

Danny: Good call, Hook!

Hook: Thanks Danny!

Varie: Jerry's going to be in a lot of pain for a couple of weeks.

Numbuh 4: Yeah and I'm really sorry I did that to him.

Jeri Rassic: I forgive you Wally.

?: That's good.

We saw a girl with blue hair, blue eyes, blue clothes and blue angel wings and a tiara with the symbol of Chill Penguin on it.

Callie Penguin: Callie Penguin, Embodiment of Chill Penguin!

Danny: Wow! Awesome to see you Callie!

Onua: Its been a while

Danny: Good call, Hook!

Hook: Thanks Danny!

Varie: Jerry's going to be in a lot of pain for a couple of weeks.

Numbuh 4: Yeah and I'm really sorry I did that to him.

Jeri Rassic: I forgive you Wally.

?: That's good.

We saw a girl with blue hair, blue eyes, blue clothes and blue angel wings and a tiara with the symbol of Chill Penguin on it.

Callie Penguin: Callie Penguin, Embodiment of Chill Penguin!

Danny: Wow! Awesome to see you Callie!

Martian Manhunter: Its been a while.

Callie Penguin: It has been a while Danny and J'onn.

Ratchet: How did you meet Danny and J'onn?

Callie Penguin: I met Danny when he and his friends were battling Plasmius and he put up a good fight. We won and sent him to Ghost Prison.

Nico: Cool!

Callie Penguin: Yep. And I met J'onn when we were battling Livewire and Killer Frost the first time and that was awesome!

Me: Wow!

Livewire: I remember that!

Killer Frost: That was cool.

Me: Nice. Would you like to join us?

Callie Penguin: I would be honored.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

An overview of Gotham Royal York could be seen as it descended into the city.

Tom Lair (Voiceover): 6 months ago, Crocker and Burns were destroyed for good. And 1 month ago, Zedd and Rita along with Vilgax were destroyed as well. And then… We waited. Gotham Royal York braced itself for the inevitable power struggle. But it didn't come. Crime actually fell. Deep down, I knew war was coming… I was just waiting for someone to pull the trigger.

People made their way through the crowded streets . One of these people was an officer stopping off at a diner. He walked in and sat at the main counter, taking his hat off and setting it beside him as the waitress approached him, quickly filling up the mug beside him with coffee.

Officer: Thanks.

Waitress: No problem. So, what'll it be? The usual?

Officer: Sure.

Waitress: Okay, chicken salad with no dressing-

Officer: No, you know what? Make it waffles… With a side of bacon. Don't tell my wife.

Waitress: Whatever you say, officer. And if you want some more coffee, just shout. (goes into the kitchen)

The officer then waited, minding his business. However, he didn't get much peace before someone came over to him.

Man: Hey, I'm sorry to interrupt your dinner, officer… Owen… but there's a guy smoking over there in the corner booth.

Officer Owen: Wait here. I'll have a word.

He headed back to the corner booth he pointed out. He soon reached the man and tapped his shoulder.

Officer Owen: Excuse me, sir? There's no smoking in here.

However, in an instant, the person leapt up, revealing it to be a mutated Shadow Heartless. He grabbed the officer before slamming him into the table, sending him down to the ground. He slowly got back up after shaking off the dizziness, turning back to see several more mutated Shadow Heartless attacking several other civilians. One of them quickly noticed the officer and made its way towards him. The officer pulled his gun out as quick as he could, but it was too slow as the monster reached him as he aimed for it, but it grabbed him and snapped at him. However, he managed to shoot it in the gut, sending it to the floor and allowing him to fire on several other Heartless. But suddenly, another one of themdropped onto the booth divider beside him. It growled at him, before leaping at him.

Officer Owen: No!

The creature slashed him, sending him back to the ground. He managed to look back up in time to see the creature slash at him with its claws several more times before finally putting him out of his misery with one more slash, sending him into an eternal darkness.

I appeared and slashed the heartless and killed it and absorbed its negative energy and brought the man back.

Me: You okay?

Officer Owen: Thanks to you J.D.

Me: Anytime.

Some time later, TV's all over Gotham Royal York were showing the news, which reported on the events that took place in the diner, which stated that it was believed to be an attack by mutated Shadow Heartless. As the people were trying to process what they were seeing, they heard the voice of a villain everyone had hoped was gone for good.

Xehanort: This demonstration used just a fraction of my new Heartless forces. In the coming days, this will seem like child's play.

Me: (GASP) XEHANORT!

Xehanort's image was shown on the jumbotron, just barely visible from the darkness around him.

Xehanort: Gotham Royal York, this is your only warning.

Me: We're coming for you Xehanort! It's just a matter of time!

Everyone got a good look at him. We saw that he didn't exactly come back all the way. He had an Eyepatch on his left eye while his left hand was a metal one. They were scars as a result of the last battle we had with him.

Me: Someone did a number on him and I think it was me!

Nico: J.D., keep the crowd calm. I'm going to make an announcement!

Me: Right!

I did so.

By now, Xehanort's image was gone after the announcement.

Nico: Everyone, stay calm! This attack is exactly what Xehanort wants! He wants to send us in a panic! But that won't happen. Not as we stay united! Go about your business as usual. I promise that whatever happens next, you all will be well protected by us. And I also promise this. Xehanort will be destroyed before Christmas!

Me: That's right! It's time to end this once and for all! In the next 12 days before Christmas Day, WE FINISH OUR BIGGEST MISSION EVER!

Everyone was silent before they cheered for Nico and me!

Ransack: Nice speech, boss!

Cybertron Snarl: And you too J.D.

Me: Thanks guys.

Nico: Yeah that was awesome!

We came back and told everyone!

Camie: Is it true!?

Me: I've afraid so everyone.

Eli: Oh God, he's back, isn't he?!

Lincoln: He is, Eli. Xehanort has returned.

WE GASPED!

Me: And he's also freed the jerks too.

Nico: So, the time has finally arrived, now we're going to face off against Xehanort! And he's freed Flip, Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III from their chains!

Me: We knew it was a matter of time!

Lori: So, Xehanort's finally returned, and he freed Flip, Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III from their chains their chains?! Figures.

Lincoln: Yes, he has. Brittney, it's time.

Brittney: Right.

Lincoln flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings and their wingspan measured at 15'0" and his medium sized white angel wings underneath his massive white angel wings also spread out and they suddenly turned midnight black: blacker like The Eternal Darkness, same with Brittney as she flared up her Eternal Darkness and Frozen Hellfire aura and she spread her massive midnight black angel wings.

(LUNA'S FUTURE PLAYS)

Lincoln and Brittney: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Jerks of Gotham Royal York, Now, the future is a cold nightmare!

Nico and I and most of us had ice and fear go down our spines as Lincoln and Brittney sang that, and Lincoln fired waves of darkness from his massive angel wings and medium sized angel wings underneath his massive angel wings and Brittney fired waves of darkness from her massive midnight black angel wings and they hit Flip, Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III as they screamed in pain and we saw through a one-way viewing window Lincoln made that a timer on their arms formed and it shows how much time is left on them, as the viewing window closed.

Nico: (Shivering in Fright) W-what the Hell w-was that?! W-was that…?!

Lincoln: Yep, that's THE GRIM REAPER'S BLACK ABYSS HELLFIRE COUNTDOWN!

LIGHTNING CRASHED DOWN BEHIND LINCOLN AS DEMONIC LAUGHTER FROM HELL WAS HEARD!

Brittney: This is the very curse that Lincoln and I made for this special occasion to say good riddance to the jerks once and for all.

Lincoln: Yep, when Brittney and I cast this curse by singing Luna's Future, I fire massive waves of darkness from my massive white angel wings and medium sized angel wings underneath my massive white angel wings, and Brittney fires massive waves of darkness from her black angel wings, and just as you saw, the waves of darkness hit the jerks and they form a timer on their arms and it shows how much time is left on them.

Eli: (GULPS) B-before what?

Lincoln: When the clock hits zero, the curse banishes them to The Black Abyss.

WE GASPED IN HORROR!

Nico: My God!

Me: Fitting for the jerks. Now, for their replacements.

I created clones of Flip, Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III to take their place.

Lincoln: Perfect, and the only ones not getting killed are The Wet Bandits, NO MA'AM, Bud and Kelly Bundy, Peggy Bundy, Marcy D'Arcy, and that spoiled brat, Mandy.

Nico: Yeah! So now it's time to bring down the jerks once and fore all. Starting with Icky Vicky.

Me: Yep.

Nico: Guys, he didn't just free Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III. He freed ALL the jerks! Including Bubble Bass and the Mandy that Sam, Alex, and Clover hate!

Me: OH CRAP!

Nico: Yep.

Xenia: But now it's time to take them down.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes.

Nico: Now that Xehanort's returned and freed the jerks hit by the curse, now that time is about to come.

Me: You said it, it's DOOMSDAY FOR THE CURSED JERKS AND XEHANORT!

Nico: YEAH! And J.D. really left his mark on Xehanort.

Lincoln: We saw. He had an eyepatch and a metal arm.

Nico: Yep.

Me: No kidding. But he has no idea how powerful we got since we stopped him last time during the war 2 and a half years ago.

Nico: Guys, in case the worst happens, it's been an honor fighting alongside you.

Me: Same here Nico. But we're not going to die. None of us will.

Laney: Yeah.

Xenia: Xehanort is not going to destroy us.

Me: Yeah. And besides his power took a huge drop since we fought last time.

Nico: Hmm. He's right. I sense it.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Icky Vicky, she's now on the rampage, and she's officially lost her mind thanks to years of us humiliating her and ruining her chances at revenge on us. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, it's none other than Icky Vicky, she's now on the rampage, and she's officially lost her mind thanks to years of us humiliating her and ruining her chances at revenge on us.

WE GASPED!

Calida Nephthys: As we suspected.

Savannah Nephthys: So, one of our enemies has finally made their move, and it's none other than Icky Vicky.

Nico: I knew it, I knew it'd be her.

Me: All the same though, like I said, we've run out of rants for her and we're sick and tired of her constant threats and demonic attitude. So, now we're going to get rid of her.

Tootie: Can we also come too? We're going to disown her and make her go ballistic.

Nico: I don't see why not. One last final Kurata Style Breakdown from Icky Vicky, and then, it's showtime.

Calida Nephthys: That's right, and when that happens, it's going to cause me to transform.

Me: Whoa.

Nico: The first of the Sacred Order of The Flames of The Phoenix of Nephthys against the demonic babysitter from Dimmsdale. Alright, gang, let's go, the war against the jerks has finally begun.

Lincoln: Icky Vicky, your time is finally up, you demonic she-devil!

Nico: Yeah!

The previous group came.

Deker: Can me, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, and Black Spider go with you guys?

Nico: Yes you all can.

Me: Awesome.

Lincoln: Scans show that Icky Vicky is in the Zootopia Sector.

Me: We haven't been there in a while.

Camie: Wow.

Laney: Awesome.

Fluttershy: What is that like?

Me: You'll love it Fluttershy. It's a city where all animals live together.

Nico: Yep. It's for the awesome 2016 movie Zootopia.

Fluttershy: (GASP) Oh that is gonna be so amazing.

Blitzwing: Boss, which Gene Slammer do you think you'll meet next?

Nico: Well the Mega Man X robots are gone. So now we do Digimon.

Nicole: Cool!

Nico: First up Frigimon.

Camie: Cold!

Nico: Yep. First we'll walk around Gotham Royal York. I got something to check out.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Supreme Deity from the world of The Seven Deadly Sins, and she's come to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Merlin, Jericho, Veronica, this is someone you're not going to like in the slightest. The figure we sensed belongs to The Supreme Deity from your world, and she's come to destroy us.

Merlin (Seven Deadly Sins): This is indeed not good. The Supreme Deity is nothing more than a cruel, self-serving individual that looks down upon all beings, including her own. She's even willing to take away lives for no real reason, other than to create conflict. She's also not above placing a curse on her daughter that forces her to always die and reincarnate. She believes war is necessary and will do anything to ensure it happens. For that reason, she rejects the notion of peace between the Demon and Goddess Clan and instead believes the two clans are forever to be in eternal conflict.

WE GASPED!

Me: War only brings nothing but pain and suffering to others, this is one being who needs to be put down.

Caitlyn Cailleach: More than put down, Lincoln's going to absorb her.

Lincoln: Right, Caitlyn.

Nico: So, we got a warmongering condescending deity to deal with, she'll regret everything she has done. Alright, team, let's go, the time to destroy Icky Vicky has finally come!

Lincoln: Never again do we have to deal with the likes of you, Icky Vicky, this time, you're dying here and now and we'll never have to deal with you again, and once we get done with her, you're next, Supreme Deity.

Caitlyn Cailleach: I can never ever forgive someone like you who looks down on others with cruelty and takes lives for no other reason than to create war for pleasure, you will suffer the consequences of your misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to destroy Icky Vicky and finally end her for good, and once we got done destroying Icky Vicky, Lincoln and Caitlyn Cailleach along with me are going to destroy The Supreme Deity from The Seven Deadly Sins.

We were off.

* * *

We went down to the surface and we saw something.

William: Guys, we got multiple tanks heading towards the Estate. I doubt they're friendly.

Nico: (smiles at the rest of us) Alright, guys. Let's go save our city.

Me: I hope it's not Mr. Wertz again.

Nico: Yeah.

Camie: Who is Mr. Wertz?

Me: Fucked up mad scientist jerkwad that tried to kill Tyler Bowman and friends numerous times to take over the world. We sent him to the Saturn Insane Asylum and then later gave him the black gates.

Nico: Yeah. Lets go see what this is about.

We went at them.

Abis Mal: Hey, dumbasses! Heads up!

We blasted and destroyed the tanks left and right!

we saw inside the tanks and they were remote control robots controlling them!

Me: They're robots!

The defense grid fired lasers and blasted the rest of the tanks into dust.

Xenia: There!

Me: That's that.

Lola: At least the Defense Grid is working.

I looked at a robot and saw that they were made by MELVIN SNEEDLY!

Me: Made by Melvin Sneedly!?

Luan: I thought we were rid of him!

Harold: What a jerk!

Skull Man: Time to crack some SKULLS!

He bashed and smashed the robots and the tanks into dust.

Nergal: We'll worry about him later! We need to check on Timmy's parents. I got a bad feeling about what Icky Vicky has planned!

Nico: Right!

We teleported to the house of Timmy's mom and dad.

We saw Timmy's mom and dad working on their garden

Waspinator: (sighs in relief) Turner Parents are okay!

Me: We got here first.

Mrs. Turner: Oh hello everyone.

Timmy Turner: Mom and dad you guys we got big trouble.

Motor Ed: Icky Vicky's loose! Seriously!

Mr. Turner: WHAT!? That deranged Babysitter!?

Mrs. Turner: We got to kill her now.

Me: And we will.

Nico: But you two stay here where it's safe. Trust me. We'll handle her

They nodded and went into the house and locked it up and it turned into a war fortress bunker.

Me: Wow when did you install that?

Timmy: When mom and dad found out the truth about her in case she came back.

Me: Nice.

We arrived at Zootopia.

Beast Wars Inferno: Here we are in Zootopia.

Nico: Yep.

Fluttershy: (GASP) Oh my this is a perfect paradise.

Me: Yep.

Lincoln: Flutters is in heaven.

We laughed.

Me: Yeah.

Mojo Jojo: I like it here too!

Me: Yep. We were here the first time to deal with the xenophobic racist views of Deputy Mayor Dawn Bellwether.

Nico: I remember that.

Twilight Sparkle: What happened there?

Me: Well I'll tell you.

I went over what happened in chapter 889 and it was amazing.

When I was done everyone that haven't heard about it was horrified!

Fluttershy: That meanie! I'm glad she's now in prison for her crimes.

Energon Scorponok: Are Judy and Nick still here?

?: Look no further.

We saw Judy and Nick.

Judy Hopps: Hey guys. Been a while.

Me: You too Judy.

Nick Wilde: Yeah its been a while. We heard about what happened. So Xehanort is back.

Me: Yep and this time he has a nasty endgame planned. He released the jerks and now the time has come for us to kill them,

Judy Hopps: Oh man.

Po Kong: But enough about that. How have things been here?

Judy Hopps: Doing really awesome! Ever since you guys defeated Bellwether 4 years ago things have been much better than ever. The city has expanded tremendously and crime is now virtually non-existent.

Me: Wow! That is awesome.

Camie: It sure is.

Nick Wilde: I agree. And it's fun. There's still the occasional thief and all that but it's fun.

Me: Cool cool.

Panda King: Tell the police here to look out for Icky Vicky

Judy Hopps: Yes we told everyone about her and told them to be on the alert for her.

Nico: Good you guys are one step ahead.

Nick Wilde: Yep.

Me: Good.

I looked at my radar and it showed that Icky Vicky was coming. She was 75 Klicks southwest.

Nico: At least we got here before she did.

Camie: Yeah.

Lola: We're ready for her.

Varie: Yeah.

Me: Oh Lincoln you should remove the Gessius Flores Curse on the jerks so we can make sure they get killed for real.

Lincoln: Oh right I forgot about the curse we had on them. Good idea.

Lincoln did so and removed the Gessius Flores Curse on the jerks

Lincoln: Okay I removed the curse on the originals and transfered it to the clones. The Wet Bandits and the jerks that aren't worth killing still have the curse on them.

Me: Good.

Radioactive Man: Tell your police forces to shoot to kill at her!

Judy Hopps: Will do!

Me: Lets lock and load people!

Yondu: I think I see some robotic soldiers nearby! Must be the same ones piloting those tanks!

Me: I see them too. Wait.

I then saw Melvin hiding in the shadows.

Eli: I got it!

Eli used the Force and Melvin was pulled over to us and Eli grabbed him.

I grabbed the remote control.

Melvin: UNHAND ME NOW YOU PEON! OR FEEL MY WRATH!

Me: To quote Tex Avery: Eh I don't think so.

I pressed a button and the robots all over exploded!

MASSIVE EXPLOSIONS!

Me: There.

Nico: Nice try Melvin and good job Eli.

I tied up Melvin.

Me: This guy's not worth killing either. Sonoi take this piece of garbage to the Noto Prison.

Sonoi: Will do.

Gizmo: There are probably more where that came from. And more tanks.

Me: Yep.

Sonoi beamed Melvin to the Noto Prison.

Luan: I've always hated that clod.

Me: Me too.

Xenia: Yeah.

Slugslinger: Well, he's out of the way

Me: Now for the Coup De Grâce.

Nico: Yep.

Qin: Yeah. How come you didn't battle Melvin.

Me: Eh he wasn't worth our time. Besides he would just be a big waste of hot air. He's all talk and no action.

Nico: (LAUGHS) That's funny. But yeah.

Camie: Yeah.

Private HIVE: Let's get to it, soldiers!

Me: Right!

I got out a scroll and unsealed numerous weapons!

Nico: Nice!

Me: Yep.

We got ready and armed ourselves and more.

I sensed her.

Me: Here she comes.

Crash Man: Entrance time!

We got ready.

We hid and saw our target. ICKY VICKY!

She had skulls and crossbones in her eyes showing that she will kill ANYONE That gets in her way!

When she got to the city the spirits of the animals came and they swirled around her and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

And it damaged him badly.

Ball Weevil: Yeah it was horrible. He made an illusion of a dream world where he and his heroes the Justice Guild are happy and full of life as if that never happened.

Shirley: It like was really intense.

Starlight Glimmer: We played along with the illusion like how the Justice League did before and we found out some awful things. And we resurrected the real Justice Guild and their enemies. We have their enemies in the M.O.E. and the Justice Guild now with us.

Lincoln formed a massive indestructible diamond barrier that protected all of us from light blasts that came out of nowhere and Lincoln suddenly absorbed the light blasts and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Supreme Deity, and face your punishment!

A giant slender woman with ten white wings on her back with her face blurred out by an array of light, but underneath it is shown that she has blue lips, long white hair and the natural eyes of a goddess clan member, and a white dress bearing a cross in the middle came out, it was The Supreme Deity.

Veronica Liones: I should've known you'd show up, and I will never ever forgive you for what you did in cursing Elizabeth.

Caitlyn Cailleach: None of us are going to forgive you, and now, you will pay.

Suddenly, Caitlyn Cailleach's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, snow, ice, snowflakes, ice crystals, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Mahito, she left blue energy, stars, snow, ice, snowflakes, ice crystals, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Caitlyn Cailleach: Your crimes have gone unanswered for eons, Supreme Deity, you caused nothing but pain and suffering to too many innocent people by continuing The Holy War to keep your so-called "balance" maintained. War brings nothing but pain and suffering to too many innocent people, and I wouldn't expect a cruel goddess like you to understand that, but there is one thing I can say to you: you're going to pay for everything that you've done, and I will make sure you never rise again!

Suddenly, Caitlyn Cailleach was surrounded by a massive vortex of blue energy with stars, snow, ice, snowflakes, ice crystals, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at The Supreme Deity: the red eyes of eternal death.

Me: WHOA! Incredible!

We were amazed by Caitlyn Cailleach's Super Angel-Eis Shenron Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Supreme Deity saw it, she fired blasts of light at her to kill her, but Caitlyn Cailleach fired a massive barrage of blue energy, stars, snow, ice, snowflakes, ice crystals, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels which hit The Supreme Deity and sent her flying into another wall, she got back up, but she was enraged.

Me: No way, did Caitlyn just transform?

Lincoln: She did, now, we can tear The Supreme Deity apart and make her pay for everything.

Caitlyn Cailleach: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Celtic Arctic Snow Darkness Eis Shenron Avatar Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Celtic Arctic Snow Darkness Eis Shenron Avatar Dragon Phoenix God Angel Love) You said it, Lincoln. Lincoln, Caitlyn Cailleach, and I went after The Supreme Deity, and we fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi,

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Caitlyn Cailleach also did the same by firing blue energy slashes from her massive greatsword, and he, Caitlyn Cailleach, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving The Supreme Deity even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln grew to the size of The Supreme Deity ran up to and put The Supreme Deity in a bearhug so she couldn't escape. Suddenly, Lincoln began to absorb The Supreme Deity into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger as he assimilated The Supreme Deity's Holy magic, Possession, Cursing, Creation, and Intangibility.

Then, when Lincoln was done, The Supreme Deity was fully absorbed into his body and he sent The Supreme Deity to The Black Gates forever and Lincoln shrunk back to 8'9". Everyone cheered wildly for what Caitlyn Cailleach, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Caitlyn Cailleach's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blue angel wings and medium sized blue angel wings underneath are permanent.

Caitlyn Cailleach: Your life ends here. Thanks for helping me take down The Supreme Deity, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Caitlyn.

Me: My pleasure, Caitlyn.

Suddenly, Caitlyn Cailleach wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Caitlyn Cailleach's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and snow behind them and we cheered wildly. Then, Lincoln and Selina Morrigan sucked in and absorbed the elemental forces and darkness and snow and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Caitlyn Cailleach and hugged us.

Luna: No kidding dudes, you guys taught that hegemonic deity a lesson.

Luan: And Lincoln absorbed her and acquired all of her powers and abilities.

Me: And sent her soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Verena Bergamot, Gene-Slammer and Avatar of Aromage Bergamot.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Verena Bergamot is Lincoln's Guardian Angel from Michigan, she was born with red angel wings, cosmic pyrokinesis, immortality, and mastery over powerful fire magic, and she also has the powers of Aromage Bergamot because she Gene-Slammed herself into Aromage Bergamot. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her red angel wings to let off the scent of wild bergamots and bergamot oranges. She also knows how to make scented candles and that caused her to start her own business of selling scented candles, and her partners in this business were the other Gene-Slammers and Avatars of the Aromage Duel Monsters.

Me: I remember that all too well, their business was really booming and they made quite a profit.

Michelle Emperyous: And Lincoln also helped to advertise their business which really drew customers in. Lincoln made her a fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem. Verena hated Lori with a blazing passion because she tried to get her business shut down by spreading false rumors on the internet, but Lincoln exposed Lori's shenanigans and she was forced to apologize and Lori had to pay Verena and the other other Gene-Slammers and Avatars of the Aromage Duel Monsters $1,000 in damages for attempted defamation. But, there's one person that Verena absolutely despises: her older brother, Alex. When she was growing up, she saw just how much of a short temper he had and he's gotten physically violent more than once, and it got worse when he treated his wife, Katy, like a punching bag for his violent temper and she hated how abusive he was to her, so she teamed up with Katy's sister, Ali, and they got evidence of Alex's abusive behavior and bad temper and Katy's dad threw Alex and knocked him out cold before he did anything to Ali and Verena.

Sandra Emperyous: Then, they brought the evidence to her father-in-law, and he decided to settle and paid Katy for damages, putting Alex in debt to his father, which angered Alex, but the two times he'd run his mouth off, he got knocked out again. Then, Alex was demoted to a dead-end position and taken out of being the next CEO of their dad's company, as that role was given to his cousin, and Alex was finished. He wanted revenge on Katy, Ali, and Verena for ruining him, but Verena swore that if he dared to come after them, she would tell their dad and he'd be in for worse trouble.

Nico: What a jerk.

Lincoln: If we go after him tomorrow, we'll tie him up and hand him over to Mr. Bergamot, and he'll decide Alex's punishment.

Eli: I hope he gets put through Hell.

Me: Yep.

Control Freak: It's the end of Icky Vicky's reign.

Vulkanus: It sure is.

Me: The reign of Icky Vicky the She-Devil is now a forgotten memory.

Nico: Yep.

Whiger: No more kids will suffer because of her.

Bulldozer: Got that right.

Piledriver: Where can we celebrate?

Hank Scorpio: Fairy World?

Nico: Fairy World. Great job today everyone. But guys the battle has just begun.

Me: Yep.

Timmy Turner: (To the viewers) Now the world can rest easy now that Icky Vicky is dead.

Nico: Yep.

We went to Fairy World to celebrate. Then we went back home and enjoyed the rest of the day and went to sleep.

But like Nico said, the battle has just begun.

Nico: Yep. Man yesterday was NUTS!

Me: I know! Now the time has come for us to destroy the jerks and Xehanort.

Laney: Yeah! At least Timmy is happy that we killed Icky Vicky

Laney: Boy they sure did.

Lola: Good riddance.

Camie: No kidding!

Nico: We got justice for all the kids hurt by her.

Me: We sure did. And I have an idea for this event. From yesterday to Christmas Eve we're going to call those the 12 Days of Jerksmas. It's where we're going to get justice for all the people that the jerks have hurt.

Nico: I like that.

Xenia: Yeah!

Maria: We'll probably run into more Militia Troops

Me: If we do we'll be ready for them.

Camie: Yeah.

May: We're here!

We saw that it was a green planet.

Me: From up here it looks like a forest planet.

Nico: Lets get closer.

We flew down and we landed and saw that it was a planet made of a vegetable that I DIDN'T LIKE! IT WAS A CAULIFLOWER PLANET!

Me: WHOA! It's a Cauliflower Planet!

Maria: What do we do about this?

Lana was eating some.

Lana: (EATING) Mmm! Good cauliflower.

Me: Lana's a good girl eating vegetables. I'll call Jared too.

Jared was called in and he saw the planet.

Jared: WOW! A Cauliflower Planet! One of my favorites.

Me: Help yourself son.

Jared was eating them too.

Nico: Can I try one?

Me: Go for it.

Nico did so.

Maria: Well, what do you think?

Nico: (Eating) (GULP) YUCK!

Me: Welcome to my world.

Xenia: Yeah.

May tried one.

May: (EATING) (GULP) YUCK! I don't like it.

Camie: Oh boy.

Me: Yeah Cauliflower is not that well liked.

Nico: It's gross huh.

Maria tried one.

Maria: (Eating) (Gulp) YUCK!

Lola: Yeah it's gross.

Xenia: To some yes.

Camie: Yeah.

Jared: It's not well liked to some people.

Lana: Yeah it takes a while to get used to.

Juran: None of us are trying this

Nico: Yeah.

Me: I don't blame you.

Qin: Yeah.

Lola: I don't like cauliflower.

Nico: Could the mascots like it?

I shrugged.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we got word that an Evil Sasuke is here on the Cauliflower planet and he's out to kill J.D. again!

Me: (FLARES UP RAINBOW PHOENIX FORCE AURA) WHAT?! THAT FUCKING ASSHOLE, HE JUST DOESN'T EVEN KNOW WHEN TO FUCKING QUIT?!

Nico: I know, right? That asshole and the others like him literally have a fucking death wish when it comes to trying to kill us!

Eli: He keeps on coming after us like a bad itch!

Lincoln: We've been doing that to Evil Sasuke during the early days of the team, and he still does not know when to quit. Well, we'll make sure he gets the message this time.

Lucy Loud: He will never learn, his heart is as black as the night itself.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: So, another Evil Sasuke has literally shown up. Jeez, he's like a bad itch, we need to form an Anti-Evil Sasuke Extermination branch when this situation comes up.

Lincoln: That was something I was working on during the early days of the team, and now our team's expanding. Plus, as always, J.D.'s led on with the Evil Sasuke rants with many of us also doing it as well, now, let's get going and hunt him down

Me: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Evil Sasuke) AHA! Gotcha! I just spotted Evil Sasuke, he's 20 yards away, but we need to watch it, what if that's a substitution.

Me: I know. Let's head over and tear him apart.

Lincoln: He's not getting out of this, he's getting torn apart again. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began

sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Evil Sasuke.

Penny heard a Pokemon cry.

Penny: Look here!

We saw a Palkia!

Me: WHOA! Palkia!

Penny: Cool!

Me: And the poor thing hurt himself.

Palkia: Yeah. That duckhead jerk did this.

Nico: Evil Sasuke!

We got to healing it.

Penny: There. Better?

Palkia: Thanks to you.

Me: Want to come with us?

Palkia: Sure.

Me: Awesome.

Poromon tried some cauliflower and he spit it out!

Poromon: YUCK!

The mascots all tried some. They didn't like it either.

Nico: Geez!

Qin: Yikes.

We were flying in the air, and we soon saw Evil Sasuke.

Lincoln: (Whispers) There he is. Now, remember, we need to see if it's a substitution or the real thing.

Me: Leave this to me.

We landed, and I approached Evil Sasuke only for it to vanish and turn into a pile of Cauliflower.

Me: It's a substitution!

Lincoln: I knew it!

?: YOU MOTHERFUCKING CUR!

Me: Fuck you, bastard!

We then saw Evil Sasuke head right for us, but Lincoln grabbed him by the neck with one of his eleven massive and long white wolf tails, and he proceeded to slash at him with his gold-armored claws and he threw him far and he crashed into a pile of cauliflower, he got back out, but now, he was pissed!

Nico: Good idea of wanting to see if it was a substitution or the real thing, Lincoln. Now, all that's left is to finish this bastard!

Suddenly, we saw Heartless appear, and Lincoln and The Keyblade Knights charged at and slain every last one of them and we'd gained a massive power boost with every Heartless killed.

Evil Sasuke was about to attack, but he wound up getting hit with blasts of porridge, and we saw who it was that did it: it was Gromit flying in a plane.

Nico: Alright, nice shot, Gromit!

Gromit saluted Nico and landed the plane as he joined us.

Wallace: Good old Gromit!

Me: Yep

Elaine Eclipse: That was some nice shooting, Gromit. Now, it's my turn.

Suddenly, Elaine Eclipse's pink eyes turned neon pink and she was surrounded by a purple and yellow energy aura with stars, sunlight, moonlight, phoenixes, and angels, and as she approached Evil Sasuke, she left purple and yellow energy, stars, sunlight, moonlight, phoenixes, and angels with every step.

Elaine Eclipse: J.D.'s already told me about the numerous times he's kicked your good-for-nothing butt, and quite frankly, you disgust me to no end. You're no elite, you're just another asshole, and you're going to die here.

Suddenly, Elaine Eclipse was surrounded by a massive vortex of purple and yellow energy with stars, sunlight, and moonlight surrounding the vortex, there are phoenixes, angels, and the Sun and Moon flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Evil Sasuke: the red eyes of eternal death.

Nico: Oh man, this is going to be good.

Me: You said it! That bastard's as good as dead!

Lincoln: We also better brace ourselves, if Xehanort also implanted a Dark Orb in him, he'll no doubt transform into a Heartless just like Icky Vicky.

Gromit got out a specially made blaster made only for Dark Orbs.

Lisa Loud: Ah, I see Gromit's got out his special Dark Orb Destroyer Blaster, he made this as soon as the word of Xehanort's return hit.

Wallace: Just like Gromit, always spot on.

Then, as the vortex faded, Elaine Eclipse emerged, but she was changed forever.

Elaine Eclipse grew to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large purple and yellow planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long purple hair and large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon pink eyes and a purple and yellow energy aura with stars, sunlight, moonlight, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has The Eclipse emblazoned on her forehead and Third Eye with purple iris along with her tiara, she has on phoenix earrings with purple gems for eyes and holding the Star, Light, Dark, Eclipse, and Eternity Kanjis in its claws, she also has a phoenix with purple gems for eyes and holding the Star, Light, Dark, Eclipse, and Eternity Kanjis in its claws for the second pendant along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace below her purple phoenix-shaped Element of Harmony with yellow crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold flame links and she has on a white and gold-accented Elemental Phoenix Choker of Eternal Love on her neck. Elaine Eclipse has on a sleeveless yellow vest, sleeveless yellow crop top, yellow skirt with the Eclipse Dopant symbol on it, yellow pants, yellow legwarmers, yellow sneakers, and long sleeveless white trenchcoat with stars, sunlight, moonlight, phoenixes, and angels on the coattails and on the back is the Eclipse and the Eclipse Dopant symbol and surrounded by light and darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a purple gem with neon glowing yellow lights equipped with recognition of her and fits an infinite number of items and components for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Elaine Eclipse felt a sharp pain on her back, and then, her massive star reflecting purple angel wings with yellow tips on the large star reflecting purple feathers grew much larger for her new body and medium sized star reflecting purple angel wings with yellow tips grew and sprouted out underneath her massive star reflecting purple angel wings, and she now has eleven massive and long purple wolf tails with yellow tips and yellow markings, Elaine Eclipse has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on black fingerless gloves with gold-armored claws on her fingers and smaller planets orbiting around her fingers like rings.

Suddenly, Elaine Eclipse's staff and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of purple and yellow energy, stars, sunlight, moonlight, phoenixes, and angels, and when it emerged, it was transformed into Elaine Eclipse's Cosmic Eternal Harmony Twilight Sun and Moon Eclipse Dopant Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Harmony Twilight Sun and Moon Eclipse Dopant Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded purple gems and the Eclipse Dopant symbol etched on the 7'9" massive, wide, double-edged gold blade, large gold phoenix heads with purple gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of The Magic of Friendship, longer midnight black handle, four large gold phoenix heads with purple gems for eyes and in their mouths and large gold phoenix head with purple gems for eyes and large purple gem in its mouth on the bottom of the gold phoenix heads for the pommel, she has on her new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Belt of Elemental Bravery with a gold phoenix head with purple gems for eyes and large yellow gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Duel Monster Fusion Spellbook on her left hip and Eater of Sins revolver holstered on her right hip. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

EVERYONE CHEERED WILDLY AND THAT ROYALLY PISSED EVIL SASUKE OFF GREATLY AS HE LET OUT AN ENRAGED SCREAM AND HE'D TURNED INTO HIS CURSED MARK LEVEL 2 FORM!

Nico: Still as ugly as ever. Let's tear him apart!

FORSAKEN BY WITHIN TEMPTATION PLAYS

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: Like I told you many times before, you will NEVER have my power.

Jeri turned into Leoforce

Jeri: LEOFORCE!

She slashed him with her claws.

Leoforce: You make me sick!

She used the core medals for Duskmon, Velgrmon and Shademon.

Leobreaker: Yeah you tell her!

Leoforce and Leobreaker: LION SLASH BLAST!

They fired waves of energy and blasted him and slashed him.

Nico: Take that!

Twilight Sparkle kicked him in the face and punched him into the ground!

He got up and was really pissed!

Evil Sasuke: I AM AN UCHIHA ELITE! THIS IS NOT HAPPENING!

Misty Brightdawn: You're an elite of nothing!

Misty teleported and kicked Evil Sasuke in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at Evil Sasuke with extreme force and punched him all over the place with extreme savagery!

Lincoln blasted Evil Sasuke all over with energy blasts and lightning and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

Me: You are just as pathetic as ever Sasuke!

POW!

I smashed Evil Sasuke in his face and sent him crashing into a huge rock wall and it crashed onto him!

Me: SUPER KAIO KEN!

I flared up a massive red aura and flew at him and punched him in the stomach with devastating force and then a massive amount of blood belched out of him!

Xenia: Nice one!

Maxxine punched him as he exploded out of the rubble! Lincoln kicked him into the air and I punched him right in his stomach with devastating force and he belched up a massive amount of blood!

Me: You make me fucking sick Sasuke. You only care about spreading hatred and evil and making people miserable and you don't care who lives and who dies. You just only want nothing more than to see people suffer and only care about nothing but yourself! You would rather see people die! And another thing, I SHOW ABSOLUTELY NO REMORSE for killing your entire clan!

KROW!

I punched Evil Sasuke in his stomach and kicked him in his face

I threw him and Misty Brightdawn teleported and kneed Evil Sasuke in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! Lincoln then teleported and then punched him and sent him crashing into the ground!

KRASMASH!

Nico: YEAH!

He got up.

Earth turned into Armodrillo

Earth: ARMODRILLO!

She punched him hard and kicked him all over.

She used the Core Medals for Grumblemon, Gigasmon and Tortomon.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging, Elaine Eclipse, and I went after Evil Sasuke, and we fired extremely powerful blasts of rainbow energy, purple and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Evil Sasuke, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Elaine Eclipse, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Evil Sasuke even more madder than ever and he exploded even more with extreme rage.

Suddenly, our Dark Orb detectors went off along with our rainbow protective auras flaring up as we saw Evil Sasuke's eyes turn yellow, and he turned into a Heartless version of his Cursed Mark Level 2 form called THE HARBINGER OF ETERNAL HATRED!

Nico: Shit! Xehanort infected him as well!

The Harbinger of Eternal Hatred fired fireballs at us and we absorbed them and it made us even more stronger than ever! Gromit aimed the blaster and fired at the Dark Orb that was embedded in the Heartless' chest, the laser shattered the Dark Orb along with its shards and we gained a massive power boost and it caused Evil Sasuke to change back to normal form.

Evil Sasuke: YOU! YOU! DAMN YOU ALL! HOW ARE ALL OF YOU THAT STRONG?! THAT POWER SHOULD BE… !

But, before he could say what we knew what he was about to say, Lincoln grabbed his tongue and yanked it out causing Evil Sasuke to scream in agonizing pain as blood gushed heavily from his mouth!

Nico: That never gets old! AWESOME!

Qin: YEAH!

Nico: That oughta shut him up!

Me: YEAH! I'm getting sick of his voice!

Xenia: YEAH!

Evil Sasuke completely driven mad by rage formed a Chidori in his right hand and charged at us, but Lincoln formed a Lava Style Rasenshuriken. But, before he could throw it, seven energy blasts came out of nowhere and blasted Evil Sasuke and one of them slashed off his right hand as he screamed in even more agonizing pain.

Eli: Whoa, who the heck did that? (SENSED SEVEN MASSIVE ENERGY SIGNALS) WHOA! The seven people who did that are… !

Nico: Incredibly powerful! Whoa!

Lincoln threw the Lava Style Rasenshuriken as he saw Evil Sasuke form another Chidori, this time on his left hand, and it sliced off his left hand as he screamed in more pain and rage.

United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln formed a massive planet-sized ball of black energy with stars and galaxies inside it and energy balls in the form of The Sun and the planets of The Solar System and condensed it to the size of his body and aimed it at Evil Sasuke who charged at Lincoln to kill him and was completely blinded by rage.

Lincoln fired the massive energy ball and it hit Evil Sasuke and went up into the air and then exploded with incredibly massive power which destroyed Evil Sasuke and sent him straight to The Black Abyss. Everyone cheered as we holstered our weapons and powered down and Elaine Eclipse's new body, clothes, weapons, jewelry, eleven massive and long purple wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple and yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive star reflecting purple angel wings and medium sized star reflecting purple angel wings underneath are permanent.

Nico: HOLY CRAP! Lincoln, that was really incredible! I had no idea you created a Karma Bomb that's more powerful than The Negative Karma Bomb!

Lincoln: This was something I was working on for a long time, and I only used it for more dangerous opponents, and I know who it was that blasted Evil Sasuke, you can come out now.

Suddenly, we saw seven girls come out: the first girl has long orange and purple hair with purple eyes, purple angel wings, orange and purple clothes, and she has an eclipse Keyblade in hand, the second girl has long dark green hair with green eyes, green and purple angel wings, green clothes, and she has a Nobody-themed Keyblade in hand, the third girl has chin-length dark red hair with red eyes, red angel wings, red clothes, and she has an icy Keyblade in hand, the fourth girl has long neon blue hair with blue eyes, blue angel wings, blue clothes, and she has the Wishing Star Keyblade in hand, the fifth girl has long blue hair with blue eyes and the symbol of The Metroid on her forehead, blue angel wings, blue clothes, and she has a Metroid-themed Keyblade in hand, the sixth girl has long dark blue hair with blue eyes, blue angel wings, black and dark blue clothes, and she has Namine's Keyblade in hand, and the seventh girl has long yellow hair, golden yellow eyes, yellow angel wings, orange clothes, and she has a Metroid-themed Keyblade in hand.

Lincoln: (GASPS) Brianna Byss, Keyblade Knight of Byss, Natalia Namek, Keyblade Knight of Namek, Venya Vegeta, Keyblade Knight of Planet Vegeta, Connie Camori, Keyblade Knight of Comet Camori, Diana Drej, Keyblade Knight of Drej, Paige Phaaze, Keyblade Knight of Phaaze, and Zhaiia Zebes, Keyblade Knight of Zebes.

Eli: A Keyblade Knight of the planet Byss.

Nico: Along with Keyblade Knights of Planet Namek, Planet Vegeta, and Comet Camori?!

Me: And Keyblade Knights of The Drej Home Planet and Phaaze and Zebes, the two planets Samus has travelled to?! Incredible!

Vegeta: And I'm familiar with Venya all too well long before our planet was destroyed and our people murdered. But, I believe you should handle the introductions, Lincoln.

Lincoln: Right, Master Vegeta. Everyone, the first girl is Brianna Byss, Keyblade Knight of Byss, she's my Guardian Angel from the planet Byss and she's a powerful force of epic power. She was born and raised on the planet, Byss, and she has intense light and dark powers and she's a master of The Sun and The Moon. She is the Keyblade Knight of the planet, Byss, and she's helped the Jedi and the Republic many times in the past against The Sith and the Empire. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of the sun and the moon, light and darkness, and The Light Side and The Dark Side of The Force. She also vowed to make sure that if Lynn tried anything to hurt or kill me, she would make her suffer!

Eli: (Cracks Knuckles at Lynn)

Nico: Figures Lynn would do something to piss her off.

Lincoln: What else is new. The second girl is Natalia Namek, Keyblade Knight of Namek, she's my Guardian Angel from Planet Namek and she's a powerful force of epic power. She was born and raised on the planet, Namek, and she's a powerful warrior and master of all the powers and techniques of Namek and the Namekians. She is the Keyblade Knight of Namek, and she hadn't forgotten about what Frieza did in destroying her home. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows and she wanted nothing more than to protect Lincoln from those two butt-faced toxic asshole heartless bullies, Pablo and Anderson.

Piccolo: I remember all of the training sessions you two have done all too well, and you mastered all of our powers and techniques.

Me: And when those two jerks tried to kill you both, you and Natalia beat them up and sent them back to prison.

Lincoln: Only for their scumbag dads to break them out. The third girl is Venya Vegeta, Keyblade Knight of Planet Vegeta, she's my Guardian Angel from Planet Vegeta and she's a powerful force of epic power. She was born and raised on Planet Vegeta, and she's a powerful warrior and master of all the techniques of the Saiyans. She is the Keyblade Knight of Planet Vegeta, and she hadn't forgotten about what Frieza did in destroying her home and destroying her people. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in all of the techniques of all the Saiyans, and she absolutely despises Flip with a vengeance he tried to kill me and my family with a bunch of hitmen from the mafia and framing them for stealing their money.

Goku: I was really impressed that Lincoln mastered all of the techniques of the Saiyans and I remembered that incident all too well, but you've heard the news of Xehanort's return and that he also freed the jerks, right?

Venya Vegeta: I have, Kakarot. Plus, I also knew Lincoln and Brittney put a deadly curse on Flip, Flop, Slip, Icky Vicky, Pablo, Anderson, Billy McLean, Dark Amy, Trina Riffins, and Bradley Uppercrust III.

Vegeta: Which means when we finally go after Flip, you'll have the pleasure of killing him, his brother, and cousin for everything he did to Lincoln and his family.

Venya Vegeta: As much as I want to kill Flip, Vegeta, I'd rather kill his cousin and brother because Savannah already called dibs on killing him for what he did in killing Selena.

Lincoln: When the time comes, we'll make sure he pays, Venya. The fourth girl is Connie Camori, Keyblade Knight of Comet Camori, she's my Guardian Angel from Comet Camori and she's a powerful force of epic power. She was born and raised on Comet Camori, the comet that destroyed New Vegeta, and she's a powerful warrior and she packs as much power as a comet ready to destroy a planet along with having the powers of blue fire and good. She is the Keyblade Knight of Comet Camori, and she hadn't forgotten about everything that happened with the incident with Broly. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina

Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything including mastering blue fire, and she hates Amy with a merciless vengeance for all the treatment she did to Samey.

Paragus: I remembered hearing the legends about her, but now, I see that they are true.

Connie Camori: And I know that you made the right choice letting go of revenge and seeing that your son was a monster, but your daughter is the complete opposite of him.

Nikiya: As far as we're concerned, Broly's no longer my brother, he was a bloodthirsty vile rampaging monster.

Lincoln: He was a danger to everyone. The fifth girl is Diana Drej, Keyblade Knight of Drej, she's my Guardian Angel from the home planet of the Drej from Titan A.E. and she's a powerful force of epic power. She was born and raised on the home planet of the Drej, and she's a powerful warrior and she's a powerful master of lightning and energy and she's a deadly warrior too. She is the Keyblade Knight of the home planet of the Drej, but she isn't like the Drej at all and she despised them for their xenophobic hatred towards humanity. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything that she knows in mastering lightning and energy, and she hates Pablo and Anderson and she even hates the blacklisted disgraces, Michelle and Doug, for making Luna into someone she wasn't.

Diana Drej: Those two bastards enjoyed destroying the talent of rising musicians and all for their selfish goals, and I also hated those two buttface heartless psychos.

Lincoln: Vypra's keeping a close eye on Doug and Michelle, and Pablo and Anderson are going to die for everything they've done, Diana. The sixth girl is Paige Phaaze, Keyblade Knight of Phaaze, she's my Guardian Angel from the planet Phaaze and she's a powerful force of epic power and she's a powerful master of Phazon. She was born and raised on the planet Phaaze, and she's a powerful warrior and she's the sister of Sora Phaaze. She is the Keyblade Knight of Phaaze and she's also The Avatar of Dark Samus and she's also known as The Destroyer of The Space Pirates. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything that she knows in mastering the power of Phazon, and she absolutely loathes and despises Flip with a vengeance.

Nico: Lincoln, I hope you use a Phazon energy blast on that stupid mutant.

Lincoln: We'll cross that bridge when we get near that point, Nico. And the seventh girl is Zhaiia Zebes, Keyblade Knight of Zebes, she's my Guardian Angel from Planet Zebes and she's a powerful force of epic power. She was born and raised on Zebes, and she's a powerful and deadly warrior and she's a powerful master of lightning. She is the Keyblade Knight of Planet Zebes and she's also a close ally of Samus Aran. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot in everything that she knows in mastering lightning, and she absolutely loathes and despises Pablo and Anderson with a vengeance.

Me: Whoa!

Lincoln: And we knew we'd be running into more Keyblade Knights, now that Xehanort's returned, and it's so good to see you girls again.

Venya Vegeta: It's good to see you too, Lincoln, and you've really grown into quite the man.

Connie Camori: But, you're still the same person from all those years ago.

Lincoln marked Brianna Byss, Natalia Namek, Venya Vegeta, Connie Camori, Diana Drej, Paige Phaaze, and Zhaiia Zebes by biting them on the trapezius and his rainbow energy aura flared up as he gained the same powers as them, and then, seven Elemental Thunderbird Necklaces of Eternal Love appeared on their necks along with seven Elemental Thunderbird Chokers of Eternal Love.

Nico: We were hoping to run into you girls as Anothers.

Lincoln: But, that wasn't the case.

Me: Yeah.

Nico: We haven't kicked Evil Sasuke ass in a while

Me: No we sure haven't. But man that felt good.

Xenia: Yep.

Lola: It sure was fun.

Nico: Nice job Palkia!

Palkia: Thanks Nico.

Poromon: Want some beer?

Palkia: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Nico: Geez! Where are you gonna keep them all?!

Timmy Turner: I don't know! But man there's a lot of them.

Nico: I can tell.

Me: Boy Dimmsdale is now glad that Icky Vicky the She-Devil is gone for good.

Nico: We made the right choice killing her.

Me: We sure did. But like you said yesterday, the battle has just begun. The rest of the jerks are still out there.

Lola: Yeah!

Lincoln: I hope we face Pablo and Anderson next. Taylor said that she wants to make sure that those monsters pay for their crimes.

Taylor: That's right and it will be sweet payback!

Nico: I know what I said. But Icky Vicky's death was something we ALL looked forward to.

Me: Yes. That's right. And looking back, letting her live was a terrible mistake. If I wasn't bound to our code I would have gladly killed her without ANY second thought.

Camie: Why didn't you kill her back then?

Me: She was only 16 at the time and I couldn't kill her because our code only permits us to kill people 18 on up.

Nico: Now that she's dead, we should raid her room

Me: Good idea. Wait Nico we already did that earlier. You weren't with us when that happened.

Nico: I wasn't?

Me: Nope.

Nico:… Just in case.

Me: Okay we might as well get off this planet anyway.

Nico: After we battle the Anothers.

Eli: Lets see. (Concentrates) Whoa! We have Another Twister (Kirby), Chameleon (Secret Squirrel), Crusher McPersoncrusher, Griffania Ironwings, Matakoshin and Scorpion Phantom

Me: Wow!

Xenia: Nice.

Girl Jordan and Leeli held hands.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: Timmy, I hope you didn't go overboard during the party at Fairy World yesterday.

Timmy: No I didn't.

Nico: Good.

Jorgen: Relax. I made sure Timmy didn't drink anything… strong.

Me: Oh good. WAIT Jorgen you sure are full of surprises.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair and blue eyes and blue clothes and had rainbow wings and a tiara with the symbol of the Ultraman Orb dopant on it and on her skirt and she had Orb Calibur in her hand.

Me: (GASP) Ophelia Orb!

Ophelia Orb: Awesome to see you again J.D.

Me: You too. Guys this is gonna be a shock. Ophelia is the Embodiment of the Dopant for Ultraman Orb.

They gasped!

Nico: WHOA! Ultraman Orb?! That's awesome!

Maria: We have that planned in the future!

Ophelia Orb: I've been hearing about that and how you all have been helping the Ultraman take down their enemies as well as the Blackwing Eatos 12 girls. That was so awesome.

Lynn: Well believe it or not, Me, Minuette and Cammy Bolton here are the ambassadors for those missions in a few days.

Me: Yep. It's gonna a while.

Lynn: Yeah. That sword is cool.

Ophelia Orb: Thanks. It's got all the powers of all the elements in it and I used wind a lot. It's so cool.

Twister: Just like me as a tornado master.

Nico: NICE!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Ophelia Orb: No he didn't because he feared the power of the Ultraman.

Me: Wow! They have as much power as a Kaiju which is amazing.

Nico: Yeah.

Ophelia Orb: Yep.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Nico: YEAH!

Lincoln: Lets separate you first.

We did so.

Me: Time to bring the pain of the tornado.

Nico: (gets out Twister's Ridewatch) Let's go for a spin!

May: (Gets out Crusher McPersoncrusher's Ridewatch) I'm gonna crush you!

Maria: (Gets out Matakoshin's ridewatch) Time to eat!

Indigo One: (Gets out Chameleon's ridewatch) Nok. Time to blend in!

They used the powers of Twister (Kirby), Chameleon (Secret Squirrel), Crusher McPersoncrusher, Griffania Ironwings, Matakoshin and Scorpion Phantom and blasted him all over!

Then Angel Roidmude (099), Clara Claus, Big Daddy, Shark, Dust Devil and Ultraviolet Lantern John Stewart came

Nico: WHOA! Nice team ANgel Roidmude.

Angel Roidmude: Thanks Nico!

John Stewart: Is that me?

Ultraviolet Lantern John Stewart: You as an Ultraviolet Lantern.

Me: That is really scary to me.

But then we felt this wave of extreme cold.

Me: (SHIVERS) Man the temperature dropped!

Nico: What happened!?

Then Frigimon came!

Me: Frigimon! Whoa!

Nico: No wonder!

Frigimon: (In a girls voice) This is awesome though!

Nico: Farah Frigi! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue clothes and blue wings and had Frigimon in the middle of her forehead and on her skirt and had an ice sword.

Farah Frigi: Awesome to see you again Nico. I got this. (ECHOING) SUBZERO ICE PUNCH!

She ran and punched Another Twister and froze him solid in a block of ice!

Nico: WHOA! That is cold!

She slashed the ice and shattered it and I caught the ridewatch and purified it.

Me: YEAH!

Nico: Chilly!

Me: Yeah!

Indigo One: Nok. Do you have a favorite memory of Nico?

Farah Frigi: I sure do. When me and Nico went to Alaska and we made an amazing ice castle and it was awesome.

Nico: Yep.

Me: That is cool.

Nico and Farah hugged.

Nico: I've missed you.

Farah Frigi: Same here.

We later went back home and went to Dimmsdale and went to Icky Vicky's house. Then we showed everyone Icky Vicky's room and Nico was shocked to see that it was A TORTURE CHAMBER! It was full of torture devices and weapons and skeletons all over! We later went back home.

Lincoln: Whoa, we're here in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got bad news, Alex Bergamot, the bad-tempered abusive bastard, has escaped from his dead end position to get revenge on his sister, his ex-wife, and his ex-wife's sister, but we're taking that jerk down and taking him to his dad to decide his punishment.

Selene Arcangela: If we're dealing with that jerk, Alex, this means, we're going to run into Verena Bergamot.

Nico: Looks like it.

Me: And I don't know what their dad has in store for Alex regarding his punishment, but I can say this: Alex is going to wish he remained at his dead end position in the middle of nowhere.

Nico: I think he deserves the worst for his crimes.

Indigo Carrington: It's better that he get his punishment from his dad than whatever we can give him.

Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a white energy blast that turned into a straitjacket and tied up Alex. We cheered as we holstered our weapons and powered down.

Verena Bergamot: I warned you about what's going to happen, Alex, should you dare come after me, Ali, and Katy, but you never learn. Fine, let's see how tough you are when Dad gets through with you.

Verena grabbed Alex by the hair and dragged him with her to their dad's company: a business headquarters in the west and we followed, and we headed for the top floor, the main office of Verena's dad, the owner of the company, and we headed in.

Mr. Bergamot: Ah, Verena, Team Loud Phoenix Storm, what brings you here?

Verena Bergamot: I believe this might be the problem.

Verena Bergamot threw Alex in front of her dad and Lincoln explained everything, and when he was done, Mr. Bergamot was furious.

Mr. Bergamot: I can't believe you'd stoop to that. Your sister warned you of what'll happen to you, Alex, but you disregarded the warning. It's bad enough you're now in debt to me after I paid Katy the damages, but no matter what, I knew you wouldn't change. You leave me no choice, Alex, you're fired and I'm cutting all ties with you, I don't want to see your face ever again.

Verena Bergamot: That goes for me too, and Dad and I are going to use our business connections to make sure you never find another job here again.

Caitlin Ashleigh: Same with me and the others.

Then, two security officers grabbed Alex and tossed him out, and because of losing his job and having all ties cut with his family because of his behavior, now he was truly finished and he was also homeless as well, now he lives under a bridge. We left the office after what we'd done to Alex.

Lincoln: Well, that's it for Alex, now his life is literally in ruins. (To Verena Bergamot) And it's so good to see you again, Verena.

Verena Bergamot: You too, Lincoln, it's been seven years since we last met.

Suddenly, Verena Bergamot wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Verena Bergamot was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Verena Bergamot: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Verena Bergamot's waist and hugged her, and Verena Bergamot is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Verena Bergamot: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Verena Bergamot, Gene-Slammer and Avatar of Aromage Bergamot, she's Lincoln's Guardian Angel from Michigan, she was born with red angel wings, cosmic pyrokinesis, immortality, and mastery over powerful fire magic, and she also has the powers of Aromage Bergamot because she Gene-Slammed herself into Aromage Bergamot. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her red angel wings to let off the scent of wild bergamots and bergamot oranges. She also knows how to make scented candles and that caused her to start her own business of selling scented candles, and her partners in this business were the other Gene-Slammers and Avatars of the Aromage Duel Monsters, which rose to great heights and generated tons of profit, and Lincoln also helped to advertise their business which really drew customers in. Lincoln made her a fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem. Verena hated Lori with a blazing passion because she tried to get her business shut down by spreading false rumors on the internet, but Lincoln exposed Lori's shenanigans and she was forced to apologize and Lori had to pay Verena and the other other Gene-Slammers and Avatars of the Aromage Duel Monsters $1,000 in damages for attempted defamation. But, there's one person that Verena absolutely despises: her older brother, Alex. When she was growing up, she saw just how much of a short temper he had and he's gotten physically violent more than once, and it got worse when he treated his wife, Katy, like a punching bag for his violent temper and she hated how abusive he was to her, so she teamed up with Katy's sister, Ali, and they got evidence of Alex's abusive behavior and bad temper and Katy's dad threw Alex and knocked him out cold before he did anything to Ali and Verena. Then, they brought the evidence to her father-in-law, and he decided to settle and paid Katy for damages, putting Alex in debt to his father, which angered Alex, but the two times he'd run his mouth off, he got knocked out again. Then, Alex was demoted to a dead-end position and taken out of being the next CEO of their dad's company, as that role was given to his cousin, and Alex was finished. He wanted revenge on Katy, Ali, and Verena for ruining him, but Verena swore that if he dared to come after them, she would tell their dad and he'd be in for worse trouble.

Nico: Just like what we were told yesterday, and what we saw just now.

Lincoln: Verena hated what happened to Katy getting beaten up by her brother, so she and Ali teamed up and gathered evidence and Ali and Katy's dad also got a few blows in on that jerk, and now, he's gone from being in debt to now being homeless. And now that you're here, Verena.

Lincoln leaned his head down the right side of Verena Bergamot's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Verena Bergamot: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Verena Bergamot with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Verena Bergamot: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Verena Bergamot.

Verena Bergamot had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Verena Bergamot's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Verena Bergamot had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Echigoya, Koharu Tsukikage, Mana Inagawa, Manpuku Maru, Momo Kuzuryū, Ranka Kagurazaka, Rinka Kagurazaka, and Viola from Valkyrie Drive Bhikkhuni.

Lincoln: Oh wow, it's Echigoya, Koharu Tsukikage, Mana Inagawa, Manpuku Maru, Momo Kuzuryū, Ranka Kagurazaka, Rinka Kagurazaka, and Viola from Valkyrie Drive Bhikkhuni.

Nicole: So, those are the girls that were here. Verena got to them on time before her jerk of a brother tried to hurt them.

Lincoln: What happened that day after his misdeeds against his ex-wife already made him into a woman-hating jerk. Are you girls okay?

Echigoya: Yes, we're okay, thanks to you.

Then, when Echigoya and the other seven girls saw who it was that saved them from Alex Bergamot, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature,

Echigoya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Echigoya: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Echigoya, Koharu Tsukikage, Mana Inagawa, Manpuku Maru, Momo Kuzuryū, Ranka Kagurazaka, Rinka Kagurazaka, and Viola with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Verena Bergamot's brother, the abusive bad-tempered jerk, Alex Bergamot.

But, when Lincoln showed what we did in beating that jerk down and finally Alex getting fired from his job, disowned by family, and forced to live under a bridge as a homeless bum, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Verena Bergamot have a lot of catching up to do, now that she's back in town.

Maria: That's it for that jerk, but what if Xehanort gets to him and offers him a chance for revenge?

Lincoln: That won't happen, Alex is bound to do something stupid again not long after we'd defeated him.

Suddenly, we got the news that Alex was arrested trying to steal food from a local market and he was sent to prison, this time, he'll remain there for years.

Nico: Damn, first he gets divorced and demoted after being put in debt, then he comes back for revenge only to get fired, disowned, and forced to live under a bridge, and now, he gets caught stealing food, and now, he's going to be in prison for years. Boy, talk about karma.

Me: He deserved it, he was a lowlife jerk to his wife and sister, and now, he's facing the very consequences of his misdeeds.

* * *

After Lincoln and all of us beat down Alex Bergamot, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Verena Bergamot saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Verena Bergamot: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Verena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Verena Bergamot: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Verena Bergamot: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Kiba Daioh, the father of the Fang Clan, a group of mountain thieves that numbers at least a hundred

Lincoln: Oh no, that's Kiba Daioh.

Nicole: The father of The Fang Clan?! Oh boy, this is going to get rough. We better head out there and take care of him before he does something really bad.

Suddenly, Crash Bandicoot ran out of The World Tree Estate and fired blasts of fire, water, wind, leaves, light, dark, magic, and bones at Kiba Daioh, and he roared in anger and rage, and he slashed at Crash Bandicoot with his sword, and that left Crash's tank top and his trenchcoat with tons of slashes and tears.

Crash Bandicoot: Okay, that's it, now you're really going to get it.

Suddenly, Crash Bandicoot's emerald green eyes turned neon emerald green and he was surrounded by a rainbow energy aura with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels, he unholstered his massive Crash Bandicoot's Cosmic Eternal Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Greatsword of Cosmic Eternal Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Justice and Cosmic Eternal Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Bravery from his back, and as he approached Kiba Daioh, he left rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels with every step.

Crash Bandicoot: I can't believe you dared to show your face here, Kiba Daioh. We've already got our hands full with the cursed jerks and Xehanort, you showing up here basically made it a lot worse, but it'll be much easier once I get rid of you once and for all.

Suddenly, Crash Bandicoot was surrounded by a massive vortex of rainbow energy with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, and fruit surrounding the vortex, there are dragons, bandicoots, phoenixes, and angels running and flying around the vortex with the symbols of The Ten Skylanders Elements orbiting around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Kiba Daioh: the red eyes of eternal death.

We saw it on the screen at our gym.

Nicole: Oh boy, this is going to be one brutal fight, I hope he knows that Kiba Daioh can also turn his body into steel, and that he needs to get past that defense.

Then, as the vortex faded, Crash Bandicoot emerged, but he was changed forever.

Crash Bandicoot grew from 8'5" to 8'9" in height, his abnormally massive and powerful upper and lower body muscles grew bigger for his new body and he still retained his eight-pack abs, he has large gold metal bands on his massive biceps and thighs and he now has twelve large colored planets matching the colors of the Skylanders' elements orbiting around his legs, he has rainbow highlights in the bangs of his full head of long reddish-brown hair going down to his neck and reddish-brown stylized mohawk and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon emerald green eyes and a rainbow energy aura with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels surrounding him and immense rainbow protective aura with the elements swirling around it, he has a bandicoot and a dragon holding a 10-Sided Star with the 10 Skylander Elements in the 10 sides of the star emblazoned on his forehead and Third Eye with rainbow iris, he has on dragon earrings with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in its claws, he has on his Crystal Necklace of the Buddha with rainbow gems embedded in the gold symbols of the 10 Elements of the Skylanders and rainbow crystal links and rainbow bandicoot-shaped Element of Harmony and on the bottom of the Element of Harmony is a dragon and bandicoot with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in their hands for the pendant on his bare chest and he has on a white and gold accented choker on his neck. Crash Bandicoot has on Master Eon's sash, long black pants with the 10 Elemental Symbols of the Skylanders on the left leg and rainbow flames on both legs, black knee-high boots, and long white trenchcoat with stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels on the coattails and on Crash Bandicoot's wider and more muscular back is a bandicoot and a dragon and phoenix and angel surrounded by stars and the 10 Elements of The Skylanders and the dragon and bandicoot are holding the 10-Sided Star with the 10 Elements of The Skylanders in the 10 sides of the star and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a rainbow gem with neon rainbow lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Crash Bandicoot felt a sharp pain on his wider and more muscular back, and then, his massive reddish-brown angel wings with rainbow tips on the large reddish-brown feathers grew much larger for his new body and medium sized reddish-brown angel wings with rainbow tips grew and sprouted out underneath his massive reddish-brown angel wings. Crash Bandicoot has on his Ring of The Phoenix with large rainbow gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern corps ring on his left ring finger and Stone of Gelel embedded in his left hand large black fingerless gloves with a rainbow phoenix surrounded by the Elements of The Skylanders on the backside of the gloves and four silver square on the knuckles and gold-armored claws over his fingers and smaller planets orbiting around his fingers.

We were amazed by Crash Bandicoot's Super Angel-Bandicoot-Dragon-Elemental Skylander Knight and Brawler-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Kiba Daioh saw it, he went ballistic and charged at Crash Bandicoot to kill him, but Crash Bandicoot fired a massive barrage of rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels which hit the clone and sent him flying into a wall, he got back out, but boy was he raging mad now!

Crash Bandicoot: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Ten Skylanders Elemental Draconic Bandicoot Phoenix God Angel and Divine Cosmic Eternal Harmony Ten Skylanders Elemental Draconic Bandicoot Phoenix God Angel Bravery) Alright, you plundering brute, let's do this!

Crash Bandicoot went after Kiba Daioh, and he fired extremely powerful blasts of rainbow energy, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, bandicoots, phoenixes, and angels which hit the bastard and exploded, and he slashed at him with his massive greatsword leaving scars on him, and that just made him even angrier.

Suddenly, Lincoln appeared and he turned the tips of his tails into Cell's Stingers, and he stabbed them into Kiba Daioh's chest, and then, Lincoln began absorbing Kiba Daioh into his body as he and all of us assimilated his titanic strength, superhuman pain threshold, fighting abilities, and ability to turn his body into steel and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Kiba Daioh except for his clothes, and he banished Kiba Daioh to The Black Gates. Crash Bandicoot holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve colored planets orbiting around his legs, Third Eye, and massive reddish-brown angel wings and medium sized reddish-brown angel wings are permanent. Then, Crash Bandicoot and Lincoln went back to The World Tree Estate and Lincoln continued his workouts.

Nico: That was some awesome work out there, that giant bastard never stood a chance.

Eli: I'm going to guess that another one of our cursed jerks sent that barbarian after us.

Lincoln: I was about to point that out, Eli. Well, that wasn't going to work, but that just means they're delaying what's about to be the inevitable.

Me: You said a mouthful, but too true, Lincoln.

We got a shower, and then, Lincoln, Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Swan: Wow, so this is Laverra Beach. It sure is beautiful.

Lincoln: It sure is, Universe 666 Swan, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-

pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary are in your harem, Linky.

Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Swan, Universe 666 Briar, and Universe 666 Mary, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Today is Seaside Kingdom for Round 3.

Me: Awesome.

Sakura Avalon: Me and Lucy will go.

Lucy Heartfilia: This will be good.

Nico: Yep.

Me: I'll go with just in case.

Nico: Okay.

We went into the simulator and it activated and we were at SEASIDE KINGDOM!

Nico: Wow! Here we are.

Me: Awesome place!

Lucy Heartfilia: Boy it sure is. I should have brought my swim clothes.

Me: Perfect for a vacation spot.

Sakura Avalon: It sure is.

Nicole: You're going to be surprised who the next bad guy you'll face here.

Nico: And that is?

Nicole: Here she comes now.

We saw a big figure and it was multitrillionaire AMANDA BANSHEE!

Me: (GASP) Amanda Banshee!?

Nico: Wait one of the richest people in the world!? Wow!

Me: Yep and she's one of my father's business partners. You should see her mansion. She lives in a Dollar Sign shaped mansion and owns EVERYTHING! Yachts, ships and more.

Nico: WHOA!

Amanda Banshee: Indeed and J.D. it's good to see you. You are looking great.

Nico:… hi!

Amanda Banshee: Oh Nico good to meet you. Have you seen that wretched fly?

Nico: What fly?

Me: Freddy the Fly has always been a nuisance to her. She's always trying to find ways to kill him.

Nico: GEEZ!

Lucy Heartfilia: That is crazy.

Sakura Avalon: No kidding!

Amanda Banshee: Indeed.

Me: Sorry we have to do this Amanda. After this how about we treat you to a luxurious dinner fit for a dozen queens?

Amanda Banshee: I would absolutely like that.

Nico: Lets do it then!

Sakura Avalon: Is that the Fly right there?

We saw Freddy flying around her.

Freddy: Hiya toots!

Amanda Banshee: You stupid fly!

Me: That's him. That's Freddy the Fly. He's actually a fly I can tolerate. II may hate flies myself but he is a funny fly I can tolerate.

Nico: Wow.

Freddy the Fly: Yeah J.D. is a cool guy.

He came to me.

Nico: Yeah he sure is.

Me: Freddy is a cool guy once you get to know him.

Sakura Avalon: Wow!

?: (Echoing) PHOENIX FIRE!

A blast of fire went and blasted Amanda all over.

Out came ZHUQIAOMON and on its back was a girl with red hair, red eyes, red clothes and red angel wings and had a tiara with the symbol of Burn Rooster!

Nico: WHOA! Zhuqiaomon!

Brie Rooster: And Brie Rooster, Embodiment of Burn Rooster.

Ace Bunny: Brie awesome to see you!

Ben 10,000: You are looking great!

Brie Rooster: Same here Ben 10,000 and Ace. Been a while.

Zhuqiaomon: (In a girls voice) And we're ready to burn.

Nico: Zhalia Zhuqiao! Wow! Awesome to see you.

Zhuqiaomon: Yep. Same here Nico.

Nico: (gets out Twister and Angry Chicken Wing's Ridewatches) Time for this chicken wing to give you a spin!

Nico activated them and fired waves of wind and fire and blasted her down.

Me: Take this! CRUSHER BALL!

I formed a red ball of energy and threw it and it hit Amanda and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM

Nico: WHOA! Nice!

Lucy: STARLIGHT THUNDERBOLT!

She fired a wave of lightning and blasted her all over.

Sakura fired a wave of lightning and electrocuted her.

Zhalia reverted back and was a girl with red, orange and yellow hair and had red eyes and had a phoenix in the middle of her forehead and had red, orange and yellow clothes and she had Zhuqiaomon on her skirt and shirt and had the kanji for Vermillion Phoenix of The South on her arm and she had fire angel wings and had a fire sword in her hand.

Zhalia Zhuqiao: Lets bring the power of the Sovereign. (ECHOING) SONIC ZEPHYR!

She fired a sonic wave and blasted her down.

Brie: Save some for me! She teleported and lifted Amanda up by her legs and bashed her with a wood plank.

BAP BAP BAP BAP BAP BAP BAP BAP BAP!

She ran and Amanda chased Brie.

Brie: AHHH SHADDAP!

She fired a wave of fire and bashed her down.

Amanda surrendered and we got 30 power moons!

Me: OH YEAH!

We high five!

Nico: How did you meet Ace and Ben 10,000?

Brie Rooster: This is how.

She showed a cool Time Travel bracelet.

Brie Rooster: I used this to meet Ace first in the 28th Century and helped them battle Massive on a number of times. Also I met Ben 10,000 in the year 2035 and helped him battle Dr. Animo who was on a gorilla body.

Nico: Oh right! I remember he was a severed in a tank on a white gorilla body.

Brie Rooster: Yep. That's right. I helped him take him down.

Nico: Nice. Wait what year are you from?

Brie Rooster: I'm from the year 67,023.

WE GASPED!

Me: WOW! That's 65,000 years from now!

Nico: That's a long time!

Brie Rooster: I know. I was teleported here to help you guys out.

Me: Nice.

Nico: Yep.

Me: Zhalia what's your favorite memory of Nico?

Zhalia Zhuqiao: When me and Nico went to Russia and had a Bear Steak eating contest and it was a tie.

Me: Ooh nice.

Nico: Yep.

Nico and Zhalia hugged.

Nico: I've missed you.

Zhalia Zhuqiao: Same here.

Nico: Would you two like to join us?

Brie Rooster: We would be honored.

We left and everyone cheered for us.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you,

Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Foghorn Leghorn was humming Camptown Races.

He snuck up to Nico as he was taking a nap and then…

BAP BAP BAP BAP BAP BAP BAP BAP BAP!

He hit Nico all over with a wooden plank.

Nico: OUCH! What's the big idea hitting me while I'm taking a nap!?

Fogjorm Leghorn: Oh just, I say, just having fun.

Nico: Oh.

Foghorn Leghorn went to the lab and saw me, Nicole, Lisa and the mascots working.

Foghorn Leghorn: What's going on here?

Me: We're just working on potions and helping Lisa out too.

Poromon: Yeah.

Me: Man I hate it when that happens.

Lisa Loud: Thank you J.D.

Me: Anytime.

I snapped my fingers and gave her hair back.

Garden Grove: Boy that was rough.

Poromon was pouring A mixture in a Bunsen beaker when another explosion happened

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We coughed and we were covered in soot.

Me: (COUGH) Ouch.

Poromon: Sorry.

Nico came in.

Nico: What happened here?

Me: Laboratory explosions.

Poromon: Yeah.

Poromon grinned and poured another mixture, making another explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

We coughed.

Me: Geez!

Poromon: Oops. Sorry.

Lisa Loud: Ouch.

Nico: Lisa doesn't that hurt you?

Me: Lisa is pretty much used to it. To her explosions in her lab are pretty much a common everyday occurrence.

Nico: Really?

Me: Take it from me. I've seen her go through all that over the last 7 years.

Nico: Wow.

Poromon: Amazing.

Shockwave: Allow me to see what you've all made.

Me: Okay.

He went and saw what we made and it was powers potions that can permanently give people powers.

Shockwave: Ooh Power Potions. Well done guys.

Wheeljack: Now you know how I feel when one of my inventions blow up.

Poromon then caused another explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: (COUGHS) Tell me about it!

Nico: Yeah.

Thunderblast: Alright, Poromon. Try not to make anymore-

Poromon grinned before he made another explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

Thunderblast:… explosions.

Me: Poromon you are so silly.

Poromon: Time to do more!

Nico: Poromon I think that's enough.

Poromon: Okay I DID get a bit carried away.

Me: A bit?

Poromon: Okay a LOT carried away.

Nico: Yeah.

Poromon: But it was fun.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Pablo and Anderson, the two buttface heartless psychopaths are now on the rampage, and they've finally lost their minds thanks to years of us humiliating them and ruining their chances at revenge on us. When we saw it, we knew it meant trouble.

Lincoln: So, you two buttfaces have finally made your move.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next cursed jerks are none other than Pablo and Anderson, those two buttface heartless psychopaths are now on the rampage, and they've finally lost their minds thanks to years of us humiliating them and ruining their chances at revenge on us.

WE GASPED!

Savannah Nephthys: Too bad none of us have had any claim to killing those two buttfaces.

Taylor: But, I do. They deceived and lied to me all those years ago, they turned me into a bully and I will never ever forgive them in a million years.

Vanya Visalayan: Same with me. I'm not letting those bastards get away with this, not after all the horrible things they've done to Lincoln and his friends.

Me: Uh oh, double trouble!

Nico: But, all warranted though, those buttfaces have lived for far too long, now this is where they die here and now.

Suddenly, we saw Pablo's mom and Anderson's mom come in.

Pablo's Mom: Can we come too?

Anderson's Mom: We intend to disown our bastard sons after everything they've done, and you don't have to worry about our asshole ex-husbands.

Pablo's Mom: They've since been sent to Solitary Confinement after they tried to break out of prison to get revenge.

Nico: Ooh, just like what happened to Icky Vicky. Alright, then, but make it really good. Alright, team, let's go, the time to slay Pablo and Anderson has finally come.

Lincoln: After everything that those two have done to me and my friends along with lying to Taylor and turning her into a bully, they deserve only the harshest and bloodiest death ever.

Nico: That's for sure.

Lincoln: Scans show they are hiding in Devil's Bayou.

Me: WHOA! All the way over in Louisiana.

Penny: It's gonna be amazing seeing that place again.

Camie: Wow.

The previous group came.

Wrecker: Can me, my boys, Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon, Control Freak, Vulkanus, Whiger, and Hank Scorpio go with you guys?

Thunderball: What happened here?!

William: Why don't you ask Captain Puffball over there and his Merry Mascots?

Squidward: That's what I called SpongeBob and his seahorse friend. CowBob RanchPans and his faithful companion Sir Eats-a-lot.

Nico: Funny!

Me: Poromon got carried away making explosions.

Nico: Yeah. But yes you all can come with.

Varie: Yep.

Sideways: Nico, which Gene Slammer do you think you'll meet next?

Bulldozer: Another Digimon right?

Nico: Yep. Mojyamon next.

Qin: Nice!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Kenshiro's old enemy, Kaioh, the first Rashō of Asura, and he's come back from the dead to get revenge on Kenshiro for killing him. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Kenshiro, this is someone you're not going to like in the slightest. The figure we sensed belongs to your old enemy, Kaioh, the first Rashō of Asura, and he's come back from the dead to get revenge on you for killing him.

Kenshiro: Like many of my old enemies, Kaioh is one who doesn't know when to give up.

Bridget Brigid: Either way, he's going to die after we get rid of Pablo and Anderson for good.

Lincoln: Right, Bridget.

Nico: So, we got another of Kenshiro's old enemies on the loose, this is one who's not getting away. Alright, team, let's go, the time to destroy Pablo and Anderson has finally come!

Lincoln: Never again do we have to deal with the likes of you, Pablo and Anderson, this time, you're dying here and now and we'll never have to deal with you again, and once we get done with her, you're next, Kaioh.

Bridget Brigid: I can never ever forgive someone like you, you're cold as ice and you embrace evil with a passion, you deserve only death.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to destroy Pablo and Anderson and finally end them for good, and once we got done destroying Pablo and Anderson, Lincoln and Bridget Brigid along with me are going to destroy Kaioh.

We were off to Devil's Bayou in Louisiana.

---

We arrived.

Duskmon: Here we are.

Piledriver: Things haven't changed here.

Me: Devil's Bayou.

Camie: This place gives me the creeps.

We saw the riverboat.

Me: There's the riverboat.

Penny: This place has bad memories.

Cybertron Scourge: I know what those are.

Me: Yep. Madam Medusa and Snoops. Lets take a look around. We never got to the last time.

Nico: I was just about to say the same thing.

We went into the boat and man was it old.

Me: Whoa looks like no one has been on this thing for years.

Ranamon: I'll look around in the water.

Me: Okay.

She dove into the water and searched.

We looked around.

Me: Wow.

We looked in Medusa's old room and saw numerous maps and charts.

Nicole: Wow look at these old treasure maps. Some of these treasures I've been trying to find for years.

Camie: Wow. What was Medusa after?

Nicole: The Devil's Eye diamond. The Largest diamond in the world.

Me: It's now in the Smithsonian Institute. Priced over at $900,000,000.00.

Discord: Whoa!

Me: I know. It was as big as your head. Trouble is getting to it was not easy.

Lincoln: Take it from me and Linka and Penny.

Me: Yeah. Ugly story behind it.

Camie: Really?

Me: Yep. But the diamond from what we now know is worth more than $900,000,000.00. It's now priceless.

Qin: Wow!

I went over what happened when we were here the last time and before that.

Mercurymon: That really happened?

Me: Yep.

Qin: It sure did.

Lincoln: Yeah.

Me: We donated the diamond to the Smithsonian Institution in Washington D.C.

Nico: Perfect place for it. And Medusa and Snoops got the black gates.

Wildrider: That bitch got what was coming to her!

Me: Big time.

Qin: Yeah.

Lana: Look at this guys!

We went into the engine and saw a MASSIVE STOCKPILE of fireworks.

Penny: Mr. Snoops fireworks.

Me: Boy he has enough fireworks here for the 4th of July.

Vulkanus: I'll give these to my Pickaxe minions.

Me: Good idea.

Qin: No kidding.

Xenia: Yeah and I'm amazed they did all this stuff out here.

We were later looking over the swamp.

Me: Wow.

Drag Strip: Guys, I see some Militia troops up ahead!

We saw them.

Me: Wow so many of them.

But then they reached the water and shorted out and exploded.

MASSIVE FIERY EXPLOSIONS!

Me: Well that was stupid. Whoever built these robots didn't make them waterproof.

Hank Scorpio: There might be some tanks on the land though!

Me: Like those!?

We saw a bunch of tanks. But they were very poorly built. Just as they reached the swamp they REALLY fell apart.

They were reduced to scrap metal in seconds.

Xenia: What the?

Mushi: Guess they're not made for Swamp exploration.

Me: No they were just very poorly built.

Camie: Yeah.

Lola: Wait look!

We saw a figure in the trees.

Eli used the Force and pulled him over to us and we grabbed him. It was the scientist from Plants VS Zombies!

Me: The Scientist from Plants VS Zombies!

Nico: Cool! I love that game!

Whiger: Wait. You made those!

Scientist: (Groans)

Me: Well this guy is not worth it so he'll go to M.O.E.

Whiger: Good idea.

Beastbox: Wait until he meets Professor Brainstorm.

We beamed him there.

Me: Nice.

Control Freak: Let me summon backup.

He summoned the Kessi plane from Metal Slug.

Nicole: The Kessi Plane from the Metal Slug games! Awesome choice.

Runabout: Good choice. Because I see some helicopters. They're the same as the Militia tanks!

Nicole: Perfect!

Control Freak: Blast them!

The Kessi did so and blasted them all over and some of them even fell apart!

Arbormon: Where the fuck are Pablo and Anderson hiding?!

Eli concentrated.

Eli: There!

He pointed to a tree and I fired an energy blast and it hit it and exploded and blasted 2 figures out of it! It was PABLO AND ANDERSON!

Me: Targets sighted!

Bugly: ENTRANCE TIME!

We went at them.

Pablo and Anderson got up and were covered in mud. Then the spirits of the swamp came and swirled around them and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Me: Hello you buttfaced losers.

Nico: Miss us?

Grumblemon: You've had this coming for a long time!

Anderson: YOU WRETCHED MONSTERS! YOU WILL PAY FOR EVERYTHING YOU DID TO US!

Me: You brought all that on yourselves you jerks.

Taylor: That's right! Especially for turning me into a bully!

A helicopter fired at us.

Blackout: I'll take care of the copters! (turns into helicopter mode)

He blasted the robots

I fired waves of energy and blasted the robots.

Then I punched Anderson and kicked him in his face.

Xenia fired a wave of energy and blasted Pablo.

Taylor kicked them in their crotches.

Jeri charged at them.

Jeri: (ECHOING) FIST OF THE BEAST KING!

She fired a Lion enery blast and blasted them.

Beelzemon: LETS DO IT! (ECHOING) CORONA BLASTER!

Jeri: (ECHOING) FIST OF THE BEAST KING!

Beelzemon and Jeri: BLAST OF THE CORONA BEAST!

They fired a massive blast of energy and blasted them with a powerful explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!

Me: YEAH!

Earth charged at them and blasted them with rock!

Earth: You are disgusting bullies!

Ronnie Anne: Yeah that is for sure!

Earth and Ronnie Anne: FIRECRACKER EARTH SHOT!

They fired waves of fireworks and rock and blasted them all over.

Stacy charged at them and fired lightning blasts and electrocuted them all over.

Stacy: YEAH! How do you like that jerkwads!

Taylor: YEAH!

Zhalia Zhuqiaomon: Lets make them pay! (ECHOING) BLAZING HELIX!

She fired a massive blast of fire.

Zhalia and Stacy: PYROTHUNDER HELIX BLAST!

They fired a massive blast of lightning and fire and it hit the 2 jerks and blasted them all over!

Nico: TAKE THAT!

Kari charged at them and kicked their faces.

Qin: YEAH!

Kari: That's for all the pain you gave to Lincoln and friends!

Lucemon (Fusion): Yeah that if for sure! (ECHOING) GRAND CROSS)

He fired energy blasts of the planets.

Kari and Lucemon: GRAND PLANET SYZYGY BLAST!

They fired a powerful line of energy blasts and they hit them all over and blasted them all over!

Davis charged at them and fired waves of lightning and blasted them.

Davis: BULLSEYE BABY!

Qin: YEAH!

Chowder: LETS MAKE THIS MONSTER PAY!

Davis and Chowder: NOODLE FOOD BLAST!

They fired waves of energy and lightning and noodles and blasted them all over.

Chowder: KILL IT! KILL IT! KILL IT! KILL IT!

BAP BAP BAP BAP BOP BOP BOP BOP!

Chowder bashed them all over with a fish club.

Nicole charged at them and fired laser blasts and blasted them all over!

Nicole: Feel the wrath of the Goddess of Video Gaming!

Kirby: Lets do it!

He turned into Tornado Kirby!

Nicole and Tornado Kirby: WINDSTORM LASER BLAST!

They fired waves of wind and lasers and blasted the 2 jerks all over.

Me: Hey Pablo and Anderson! The Jerk Department called and they want their personalities back!

BURN!

Anderson: YOU'RE THE JERK!

I held up my hand to them.

Anderson: OH YOU DID NOT JUST GIVE US THE HAND!

Me: It's my way of saying SHUT THE FUCK UP!

Shanan charged at them and fired leaves and kicked them all over and cut them too.

Shanan: How do you like that.

Julie Carolina: Take this too!

Shanan and Julie: CARNAGE LEAF STORM!

They fired waves of leaves and blood and blasted them all over.

Me: By the way I can tell from that coldsore on your lips that you want to kill us jerks!

DOLPHIN CHIRPS!

Anderson and Pablo had NASTY COLDSORES on their lips.

Nico: EW!

Dante charged at them and blasted them with a Boltflare blast.

Lincoln: Take that!

Charlie Thorn: And this too!

Dante and Charlie: LIGHTNING THUNDERSTRIKE BEAM!

They fired waves of lightning and blasted the jerks.

Xenia: YEAH!

Me: Also you two are nothing but a bunch of…

LOUD FART SPLAT!

SWAMP MUCK AND SLOP SPLATTERED ALL OVER PABLO AND ANDERSON!

Me:… baloney!

Nico: (LAUGHS) That's funny!

Lok charged at them and blasted them with fire.

Madison Rocca: That was awesome

Lok: Yeah!

Madison and Lok: WATER FIRESTORM BLAST!

They fired waves of energy and water and blasted them all over.

Sophie charged at them and fired waves of fire and blasted them.

Sophie: (British Accent) That is gonna hurt.

Mary Knudson: And so will this you dirtclods!

Sophie and Mary: PHOENIX FIRESTORM BURST!

They fired waves of fire and blasted them all over!

Nico: YEAH!

Jonny did some gestures with his hands.

Jonny: Watch this guys!

LOUD CRUNCH!

Ed: WHAT A PEST!

He was the leader of the Orgs on an island in another dimension and forced the natives to mine for a special ruby that contained GaoKong's power. Zeus was successful in slaying Kaito who was attempting to protect the Princess and then fought GaoSilver, who fended him off until the rest of the Gaorangers arrived and defeated him, causing his flaming body to fall into the ocean below. Zeus resurrected as a giant and revived his brothers just in time for the eclipse to summon GaoKong occurred. Destroyed by GaoKnight.

When the Orgettes kidnapped Tetomu, Poseidon wanted her as a companion and invited her to a drinking game at dinner with his brothers. Having won the contest, Tetomu was awarded half of the ruby by Poseidon. When GaoRed and Kaito attempted to rescue Tetomu, Poseidon attempted to fend them off and despite being drunk, was an effective fighter. It wasn't until GaoYellow joined them that he was bested. He later joined his brothers in fighting the Gaorangers and the islanders and was destroyed, along with his brother Hades, by the Gaorangers before being resurrected as a giant by Zeus. He was the first to attempt to attack GaoKnight but was destroyed by a quick stroke by GaoKnight's sword.

Pablo's Mom: I've tried to raise you right, Pablo, but it looks like I was wrong. You're just as vile and disgusting as your father, and both you and your father have done many deplorable and disgusting crimes.

Anderson's Mom: Same with you, Anderson, your father's done tons of vile and disgusting crap, and you've gone and done the same things as he did. I've tried to raise you right, but I was wrong. Now, to find out you're still the same despicable and deplorable monsters from long ago and seeing that you two still have no remorse. You will never be forgiven, you piece of shit!

Lincoln and The Loud Family: GO TO HELL, PABLO AND ANDERSON!

AND THAT GOT PABLO AND ANDERSON SO PISSED OFF, THEIR FACES TURNED RED AND THEY GLARED AT US WITH SO MUCH ANGER, THEIR HEADS LOOKED LIKE THEY WERE ABOUT TO EXPLODE!

Taylor: Now, it's high-time for me to get some payback for everything you've done to me.

Suddenly, Taylor's eyes turned neon orange, and she was surrounded by a red and orange energy aura with stars, fire, flames, blue fire, blood, scorpions, serpents, phoenixes, and angels, she unholstered her massive Taylor's Raging Fire Blood Scorpion Serpent Greatsword of Raging Firestorm Blood Scorpion Serpent Justice from her back, and as she approached Pablo and Anderson, she left red and orange energy, stars, fire, flames, blue fire, blood, scorpions, serpents, phoenixes, and angels with every step.

Taylor: You have no fucking idea how much I've been wanting to make you two assholes pay, I was abused so much by my asshole ex-dad after Mom's death at his hands and I let myself be brainwashed by you stupid insects and because of it, I became a bully and you made me hurt Lincoln and his friends for far too long, you two are nothing more than parasites who enjoy causing pain and suffering to others for your selfish amusement and you revel in chaos and mayhem. This has gone on long enough, it's time for you two parasites to die once and for all, and this time, I'll make sure you never ever come back.

Suddenly, Taylor was surrounded by a massive vortex of red and orange energy with stars, fire, flames, blue fire, and blood surrounding the vortex, there are scorpions, serpents, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Pablo and Anderson: the red eyes of eternal death.

We were amazed by Taylor's Super Angel-Scorpion-Snake-Serpent-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Me: WHOA! SO AWESOME!

But, when Pablo and Anderson saw it, they went ballistic and charged at Taylor to kill her, but Taylor fired a massive barrage of red and orange energy, stars, fire, flames, blue fire, blood, scorpions, serpents, phoenixes, and angels which hit Pablo and Anderson and they crashed into a wall, they got back out, but they were pissed off.

Taylor: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Blood Inferno Almighty Malinalxochitl True Immortal Scorpion Serpent Firestorm Phoenix God Angel and Divine Cosmic Eternal Harmony Blood Inferno Almighty Malinalxochitl True Immortal Scorpion Serpent Firestorm Phoenix God Angel Love) We just need one more push to finally drive those two assholes mad.

Vanya Visalayan: Then, I'll give the final push.

Suddenly, Vanya Visalayan's red eyes turned neon red and she was surrounded by a red and black energy aura with stars, fire, flames, lightning, phoenixes, and angels, she unholstered her massive gold greatsword and summoned her Keyblade, and as she approached Pablo and Anderson, she left red and black energy, stars, fire, flames, lightning, phoenixes, and angels with every step.

Vanya Visalayan: I always knew you two jerk-offs were nothing but trouble, but after what I heard, now I'm even more disgusted. You jerk-offs poisoned Taylor with your goddamn lies and turned her into a bully and made her hellish life even more worse along with doing tons of horrible crap to Lincoln and his friends. You two are absolutely done for now, this time, we're going to make sure you never ever show your ugly faces here again!

Suddenly, Vanya Visalayan was surrounded by a massive vortex of red and black energy with stars, fire, flames, and lightning surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Pablo and Anderson: the red eyes of eternal death.

Nico: Uh oh.

Me: Oh shit.

Lincoln: Those two really angered Vanya in a really huge way, and now, they're about to face the flames of Hell.

Then, as the vortex faded, Vanya Visalayan emerged, but she was changed forever.

Vanya Visalayan grew to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large black and red planets orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a red and black energy aura with stars, fire, flames, lightning, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the planet Visalayan emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Thunder, and Eternity Kanjis in its claws, she also has a phoenix with red gems for eyes and holding the Star, Fire, Thunder, and Eternity in its claws for the second pendant on the bottom of her crimson red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Vanya Visalayan has on a black sleeveless vest, black sleeveless blouse, black skirt, black heels, and long sleeveless white trenchcoat with stars, fire, flames, lightning, phoenixes, and angels on the coattails, and on the back is the planet Visalayan, a phoenix, and angel and surrounded by fire and lightning and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a red gem with neon glowing red lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Vanya Visalayan felt a sharp pain on her back, and then, her massive orange angel wings with black and red tips on the large orange feathers grew much larger for her new body and medium sized orange angel wings with black and red tips grew and sprouted out underneath her massive orange angel wings and she also now has eleven massive and long black wolf tails with red tips and red markings, Vanya Visalayan has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and black fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Vanya Visalayan's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red and black energy, stars, fire, flames, lightning, phoenixes, and angels, and when it emerged, it was transformed into Vanya Visalayan's Cosmic Eternal Harmony Inferno Fire Lightning Storm Fury Visalayan Keyblade Knight Phoenix God Angel Greatsword of Cosmic Eternal Harmony Inferno Fire Lightning Storm Fury Visalayan Keyblade Knight Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded red gems and the planet Visalayan and runes etched on the 7'9" massive, wide, double-edged gold blade, large midnight gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold phoenix heads with red gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with red gems for eyes and red gem in its mouth for the pommel, Vanya Visalayan has on her brand-new large gold Bracers of The Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lincoln, Taylor, and Vanya Visalayan went after The Infernal Bulls of Infernal Hatred, and they fired extremely powerful blasts of rainbow energy, red and orange energy, red and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Infernal Bulls of Infernal Hatred and they exploded with incredible power as they hit them.

Then, they attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and Taylor and Vanya Visalayan also did the same by firing red and orange and black and red energy slashes from their massive greatswords, and he, Taylor, and Vanya Visalayan attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving The Infernal Bulls of Infernal Hatred even more madder and even more insane with rage.

But, Lincoln fired two finger energy beams which shattered The Dark Orbs embedded in the chests of the two Heartless and not only did it destroy them completely and the shards also shattered and we gained a massive power boost, but it also caused The Infernal Bulls of Infernal Hatred to change back into Pablo and Anderson and they were beyond mega pissed off now!

Nico: WHOA! AWESOME!

Me: That was really awesome!

Savannah Nephthys: And now that The Dark Orbs are gone, Pablo and Anderson are now back to normal, but that's not going to save them. Now's our chance to finish them off!

Pablo: WE'RE NOT DONE YET, BITCH!

Anderson: WE WON'T STOP UNTIL WE KILL YOU ALL FOR HUMILIATING US, YOU LOSERS!

Suddenly, Pablo and Anderson got out two green potions and they drank it. Then, they convulsed and their bodies suddenly grew to 9'8" in height and turned into hulking musclebound monsters!

Me: Sore loser assholes! I can't believe you'd stoop to that!

Nico: That still won't save them. Lincoln, Girls, let 'em have it!

Pablo: WE'RE NOT DONE YET, ASSHOLES!

Anderson: WE WON'T STOP UNTIL YOU'RE ALL DEAD!

Lincoln fired red energy blasts that hit the two bullies and we saw he gave them The Min's Egyptian Virility Drain Curse. Then, Lincoln sprouted tentacles with suctions from his chest and latched themselves onto the massive pecs, necks, arms, and legs of Pablo and Anderson. Then, the tentacles began sucking them dry of their newly gained massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the newly gained massive muscle mass, virility, and massive physical strength of Pablo and Anderson began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two morons and they went back into Lincoln, and Pablo and Anderson were thin as a rake and sucked bone dry of their newly gained muscle mass, virility, and massive physical strength again, and the glowing barbells on their chests stopped glowing.

Pablo and Anderson: YOU! YOU! I'M NOT DONE YET!

Brittney: No, you two are done… forever.

Pablo: What do you mean!

Brittney: YOUR TIME IS UP!

Suddenly, the timer on Pablo and Anderson's arms finally reached zero, and the bells of judgement rang as they were suddenly confronted by the spirits of their victims who grab them.

Spirits: GUILTY!

They found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on their foreheads, and they were suddenly being consumed by the black flames of The Black Abyss: they were finally being erased from existence!

Pablo and Anderson: NO! NO! DAMN YOU, TEAM LOUD PHOENIX STORM! DAMN YOU ALL! (LETS OUT ONE LAST ENRAGED SCREAM BEFORE THEY FADES AWAY FOREVER!)

GOOD RIDDANCE FOREVER, YOU PILES OF GARBAGE, AND NEVER COME BACK!

Taylor and Vanya Visalayan holstered their massive greatswords and powered down, and Taylor's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large red and orange planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent and Vanya Visalayan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large black and red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings underneath are permanent.

Taylor: Finally, they're gone forever.

Lincoln: That's right, now there's one last thing to do and one last loose end to tie up: Kaioh.

?: You will pay for killing me, Kenshiro!

Lincoln formed a massive indestructible diamond barrier that protected all of us from dark blasts that came out of nowhere and Lincoln suddenly absorbed the dark blasts and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Kaioh, and face your punishment!

A huge man came out, and it was Kaioh, Kenshiro's enemy.

Lincoln: Kaioh, I should've known you'd show up here.

Bridget Brigid: None of us are going to forgive you, and now, you will pay.

Suddenly, Bridget Brigid's red eyes turned neon red and she was surrounded by a red energy aura with stars, fire, flames, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Kaioh, she left red energy, stars, fire, flames, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Bridget Brigid: Your crimes have gone unanswered for years, Kaioh, you caused nothing but pain and suffering to too many innocent people and even worse than that, you embraced evil and rejected all human emotions, you're an absolute heartless monster, I'm going to make you pay for everything you've done and I'll make sure you never rise from the dead again!

Suddenly, Bridget Brigid was surrounded by a massive vortex of red energy with stars, fire, flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Kaioh: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Bridget is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Bridget Brigid emerged, but she was changed forever.

Bridget Brigid grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large red planets orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her long red hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a red energy aura with stars, fire, flames, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Nuova Shenron emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Fire, Dark, and Eternity Kanjis in its claws, she also has a dragon with red gems for eyes and holding the Star, Fire, Dark, and Eternity Kanjis in its claws for the second pendant on the bottom of her red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were amazed by Bridget Brigid's Super Angel-Nuova Shenron Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kaioh saw it, he fired blasts of darkness at her to kill her, but Bridget Brigid fired a massive barrage of red energy, stars, fire, flames, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels which hit Kaioh and sent her flying into another wall, he got back up, but he stood with an evil smile on his face.

Me: No way, did Caitlyn just transform?

Lincoln: She did, now, we can tear Kaioh apart and make him pay for everything.

Bridget Brigid: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Celtic Inferno Firestorm Darkness Nuova Shenron Avatar Dragon Phoenix God Angel and Divine Cosmic Eternal Harmony Celtic Inferno Firestorm Darkness Nuova Shenron Avatar Dragon Phoenix God Angel Love) You said it, Lincoln. Lincoln, Bridget Brigid, and I went after Kaioh, and we fired extremely powerful blasts of rainbow energy, red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological

Animals at Kaioh, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Bridget Brigid also did the same by firing red energy slashes from her massive greatsword, and he, Bridget Brigid, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and Kaioh's bloodlust and adrenaline has risen to its peak.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Kaioh's chest, and then, Lincoln began absorbing Kaioh into his body as he and all of us assimilated his superhuman strength, superhuman endurance, superhuman stamina, fighting abilities and master martial artist skills, and demonic aura manipulation and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Kaioh except for his clothes, and he banished Kaioh to The Black Gates. Everyone cheered wildly for what Bridget Brigid, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Bridget Brigid's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive red angel wings and medium sized red angel wings underneath are permanent.

Bridget Brigid: Reap what you have sown, bastard. Thanks for helping me take down Kaioh, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Bridget.

Me: My pleasure, Bridget.

Suddenly, Bridget Brigid wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Caitlyn Cailleach's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and fire behind them and we cheered wildly. Then, Lincoln and Bridget Brigid sucked in and absorbed the elemental forces and darkness and fire and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Bridget Brigid and hugged us.

Luna: No kidding dudes, you guys taught that heartless vile tyrant a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his black soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Ashley Cananga, Gene-Slammer and Avatar of Aromage Cananga.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Ashley Cananga is Lincoln's Guardian Angel from Michigan, she was born with green angel wings, cosmic geokinesis, immortality, and mastery over powerful fire magic, and she also has the powers of Aromage Cananga because she Gene-Slammed herself into Aromage Cananga. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her green angel wings to let off the scent of the Cananga tree. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a nature greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem.

Nico: Whoa, and I know about the Cananga tree, it's native in my old home in the Philippines, and it gives off an amazing scent.

Michelle Emperyous: And Ashley hates Lynn with a blazing passion, while Lori tried to ruin the scented candle business through defamation by spreading false rumors on the internet, that stupid ape tried to trash the place, but the security system Lincoln and the Long Sisters set up caught Lynn in the act and dropped a cage on her, and she was taken to the police. Lynn was forced to apologize and had to pay Verena and her partners $1,000 in damages for attempted destruction of property.

Nico: (Growls) Lynn, your Dark Side is a stupid ape who smells like old gym socks!

Lincoln: Lynn's dark side always enjoyed using brute force to get her way, but, we used our brains to outsmart someone like Lynn, and she never saw it coming.

Me: Yep.

Bronze Kneecap: Those are two more jerks dealt with.

Mr. Go: Taylor is finally free of those two.

Girder: She sure is.

Plastique: Where should we go to celebrate?

Firebrand: Here or Lynn's Table?

Nico: Lynn's Table. Also we had New Orleans food earlier. But still great job everyone.

Penny: (To the viewers) This was a really awesome adventure.

Me: Yep. 2 down and 10 to go.

Nico: Yep. Well actually who knows how many left. But this is awesome.

We went back home and went to Lynn's Table for some grub. Then we later went back home and enjoyed the rest of the day and went to sleep.

Eli: Yeah.

Lola: I'll say!

Aruto: I agree too.

Nico: Aruto, I want to thank you, Angel Roidmude, and your teams for coming.

Aruto: No problem Nico. This is gonna be fun.

Amelia Zamaron: Yeah it sure will be cool.

Nico: Amelia, what do you like to do in your free time?

Amelia Zamaron: I honestly don't know. Been so busy with so many things.

Nico: You'll think of something.

Eli: Yeah

Maria: What comes to mind?

Amelia Zamaron: Well I do like to treasure hunt.

Nicole: Always a fun job there.

Camie: Yep.

Me: Yeah.

Lola: Awesome.

Nico: Yep. Whew! Man yesterday was great! Pablo and Anderson are forgotten memories.

Maria: Taylor must be very happy.

Camie:: A huge weight has been lifted off her.

Varie: Yeah.

Lola: No kidding! Those jerks had it coming.

Nico: Sorry we had to bring up bad memories for Penny yesterday.

Qin: Yeah that was a cool riverboat.

Varie: It sure was.

Me: But Penny is over those now.

Camie: Good.

Lincoln: Yeah but I'm glad Medusa and Snoops are dead and gone.

Nico: And their remaining stuff is ours.

Nicole: Yep.

Lana: I have a team that's going to bring the riverboat to the estate for the park. We're going to fix it up and make it completely new.

Me: Good call there Lana.

Camie: Yeah.

Lola: It'll be fun.

Nico: What's the progress on fixing it?

Lana: We're moving really fast. We buffed out the scratches, fixed the creaky boards, oiled it up and welded the damaged metal and more.

Nico: So it's almost ready. Everyone will love it.

Camie: Cool.

Varie: Awesome.

Lana: Yep.

Nico: Impressive!

Me: Yeah Lana and her team of workers really move fast.

Qin: That is cool.

Lola: Yeah.

We went into Duel Academy.

Brittney: Good ol' Duel Academy.

Nico: You said it!

Me: Yep.

Brittney: This version of Duel Academy is much better than the one that Yuya Sakaki knows.

Nico: What do you mean?

Brittney: You aren't going to like this.

She went over the history of the Duel Academy that Yuya and friends faced.

Duel Academy, also known as Duel Academia in the Japanese version, is the main antagonistic fraction of Yu-Gi-Oh! ARC-V. It is a mysterious school located in the Fusion Dimension that trains "Duel Soldiers" to invades the other three dimensions. It is an alternate universe version of The Duel Academy from the Yu-Gi-Oh! GX. It is run by Professor Leo Akaba, a man originally from the Standard Dimension, and serves as his forward operating base.

The goal of everyone at this academy is to use the power of Fusion to make all the worlds become one. In order to accomplish this, Duel Academy employs its army of Duel Soldiers in order to conquer the other Dimensions by turning its inhabitants into cards. This goal is referred as "Arc Area Project", in which all four dimension would be merged into a single reality and give a paradise for everyone, only for it to ultimately backfire.

While it is unknown how long was Duel Academy founded or if it was founded by Leo Akaba, nearly every member of the organization is fiercely loyal to his ideas and goals and follow them to the deepest extent of their abilities without question.

Those that engage in the Inter dimensional War for the sake of Leo's goals all are under the belief that they are fighting for a noble cause that fills them with both pride and honor, with many of them showing almost fanatical loyalty towards this purpose and entirely justifying the genocidal campaign as a fair price to pay for the end goal.

However and contrary to this rather (albeit twisted) chivalrous stance, several members of Duel Academy decide to engage in much less noble practices, indulging themselves in inhuman "Hunting Games" in which they assault defenseless civilians turning them into cards for nothing but sadistic joy, and being utterly uncaring of all the destruction that comes with it, effectively wasting the Xyz Dimension.

Duel Academy seems to follow a very strict code of conduct, as all their alumni are put under a harsh training program involving both dueling skill and honing physical activity, effectively serving as a military institution. There have been cases of alumni being placed on a prison, showing that they seem to have little tolerance for indiscipline.

Despite the resistance of the Lancers, led by Leo's son Declan, they manage to activate the Arc-V Reactor and begin to merge the four dimensions into one. However, Z-ARC resurrected and began attacking all the dimension, including their own. It is unknown what happened to the school after Z-ARC was defeated.

When it was done we were shocked and horrified!

Nico: SAY WHAT!?

Nico opened his mouth so wide in shock that his skeleton fell out!

Aruto:… I'm sorry. WHAT?!

Brittney: Yeah they want to use duels as weapons of terrorism and they claim it's a noble cause to fuse the dimensions into one.

Nico put his skeleton back in.

Nico: I hate it when that happens. BUT THAT IS INSANE! These guys are a disgrace to the Duel Academy we know.

Jaden:: YEAH! No kidding!

Maria: Well, we'll have to figure out which students are the good ones. Don't want to kill any by mistake.

Me: Leave that to me. I have a spell that can do that.

Qin: Good idea.

Me: We'll send the Professor to jail. I heard he's an honorable man.

Brittney: Also, there are a few familiar faces in a way that you might recognize.

Me: Alexis, Crow, Jack, Zane and many counterparts.

Brittney: How did you know!?

Me: Just call me psychic. Also Lincoln has Zuzu in his harem so she has been filling me in on what has been going on there.

Nico: Wow!

Nico: Yeah. Too quiet.

Me: I don't like it.

Qin: me neither.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we got word that Trina Riffins has been located here at Duel Academy, and she's on a violent rampage!

WE GASPED!

Me: WHAT!?

Nico: I would've thought we'd be dealing with her on the main mission, but it looks like I was wrong. But, this is the perfect opportunity to finally get rid of her once and for all!

Eli: Just like what we did to Icky Vicky, but far more painful.

Courtney: I've been waiting for this day to come, finally we're getting rid of Trina for good.

Lola: She doesn't deserve to live any longer.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: So, we're finally going after Trina. Finally, I've been wanting to get payback on her for a very very long time.

Lincoln: Same here, she's had this coming for a very very long time.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Trina Riffins) AHA! Gotcha! I just spotted Trina Riffins, she's 20 yards away, and she's heading right for us in a fit of rage!

Me: Let's tear that bitch apart and send her straight to The Black Abyss.

Lincoln: Time to make Trina pay for everything she's done, this time, she dies for good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even

stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Trina Riffins.

Suddenly, Courtney's eyes turned neon orange and she was surrounded by an orange energy aura with stars, fire, flames, phoenixes, and angels, and as she approached Trina Riffins, she left orange energy, stars, fire, flames, phoenixes, and angels with every step.

Courtney: You've had this coming for a very very long time, Trina. You always made it your mission to cause so much havoc on not only me, but also, on your own brother, Cory, and his friends, who've absolutely done nothing to you. But, as always, the repeated warnings went in one ear and out the other, and it's obvious that you're never ever going to change at all, you're just a flat-out rotten, mean, black-hearted, petty, vile, disgusting, sadistic, miserable, condescending, rage-crazy, flat-chested bitch and the spawn of Satan. Now, it's time to finish what I started and end you once and for all!

Suddenly, Courtney was surrounded by a massive vortex of orange energy with stars, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Trina Riffins: the red eyes of eternal death.

Me: WHOA!

Lincoln: It's been a long time coming, and many of us held back on trying to kill her long ago, but now, this is it!

Then, as the vortex faded, Courtney emerged, but she was changed forever, and the fires of Hell are about to burn Trina Riffins and send her to the hereafter!

Me: WHOA! WHAT THE?!

Nico: Yeesh, that's one horrifying look!

Courtney: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Star Inferno Phoenix Firestorm Phoenix God Angel and Divine Cosmic Eternal Harmony Star Inferno Phoenix Firestorm Phoenix God Angel Love) Haven't seen that look on your face in years, but that always happens when you turn into a real devil, Trina.

Laney Pine: That happens when she enters into that form when we really really push her buttons, but that'll be the very look she takes to her grave.

Corey Riffins: I'm really glad Mom, Dad, and I disowned you forever, you spoiled brat! You have and always will be nothing but a nightmare to me, my friends, and everyone around you, and I won't miss you not by a long shot, Trina!

THAT GOT TRINA BEYOND MAD AS HER TEETH TURNED INTO SHARP FANGS, DEVIL HORNS GREW ON HER HEAD, AND HER TONGUE TURNED INTO A FORKED SNAKE'S TONGUE!

Suddenly, Laney Pine's turned neon green and she was surrounded by a green energy aura with stars, leaves, plants, phoenixes, and angels, and as she approached Trina Riffins, she left green energy, stars, leaves, plants, phoenixes, and angels with every step.

Me: WHOA!

Nico: Now, Laney Pine's transforming!

Lincoln: This is it, now this'll be the push that turns Trina into her Heartless form!

Then, as the vortex faded, Laney Pine emerged, but she was changed forever, and the fires of Hell are about to burn Trina Riffins and send her to the hereafter!

Suddenly, Trina Riffins' eyes turned yellow and darkness surrounded her, and she turned into a winged demonic version of her devil self called THE SATANIC SPAWN OF HELLISH HATRED!

Suddenly, the timer on Trina Riffins' arm finally reached zero, and the bell of judgement rang as she was suddenly confronted by the spirits of her victims who grab her.

Spirits: GUILTY!

And they found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and she was suddenly being consumed by the black flames of The Black Abyss: she was finally being erased from existence!

Me: You've had this coming for a very long time, mega bitch!

Lincoln: Many of my Guardian Angels and I who hated her were so glad to finally see her go for good.

Me: Yep.

Courtney: Thanks for helping me, guys.

Me: Ah no problem Courtney. It's good that Trina got what was coming to her.

Xenia: Yeah that bitch!

Lola: Yeah no kidding! She had it coming!

Cory: That monster deserved it.

Camie: YEAH!

Laney Pine: Now we can do our band in peace.

Me: Cory I don't know what your parents were thinking adopting Trina too. She was the spawn of the devil.

Cory: Yeah she was pure evil. She should have been the cities problem.

Nico: Nice job, Thundurus, Landorus, Tornadus and Enamorus!

Thundurus: Thanks Nico.

Nico: Poliwag that's enough.

Landorus: Nice try pipsqueak. But the puppy eyes don't work on us.

Nico: Brittney, tell the others what you told us.

Brittney: Okay.

Brittney did so and it was shocking!

Yugi: WHAT!?

Pharaoh Atem: They use dueling for terrorism and evil!? That's madness!

Yusei: What kind of people would do that!?

Akiza: That is horrible!

Nico: It sure is!

Luan: And now it's personal! Those are my missions later on. So when that happens it's personal.

Carly Atlas: And it's gonna be war.

there?

secs agoAlexis: And you're saying I have a counterpart there?

Brittney: You sure do Alexis. You're one of the rebels that's trying to bring down the professor of that Duel Academy.

Nico: That is cool!

Alexis: Who is the professor?

Brittney: His name is Leo Akaba. And he is a nasty monster. But he has a sense of honor.

She told us about him.

---

Leo Akaba, also known as The Professor, is the secondary antagonist in the anime series Yu-Gi-Oh! ARC-V. He is the husband of Henrietta Akaba, the father of Ray and Declan and the adopted father of Riley. He was a member of the Original Dimension, masterminding of the Duel Academy attacks by the Xyz Dimension who initiative devised in the Arc Project and Revival Zero had designed to returns home and to see his daughter, Ray.

He was voiced by Daisuke Namikawa in Japanese and Billy Bob Thompson in English.

---

When she was done everyone was shocked!

Nico: WHOA!

Brittney: Yeah He trained the students to kill people left and right by turning them into cards. When I met Yuya and his friends I found these.

She pulled out 40 cards and they all were girls that were imprisoned in cards.

Nico: How do you get them out?

Brittney: Like this.

She used powerful magic and gpt them out and sent them back to their dimension.

Qin: WHOA!

Me: Yeah!

Brittney: And I took this from one of the staff members of Duel Academy that I killed.

She pulled out a Duel Disk and it had Orichalcos Cards.

Me: These are all cards that Dartz used. How did he get these?

Brittney: No idea.

Nico: These stay with us!

Me: YEAH! Time to fight fire with fire.

Luan: YEAH!

Me: They want to imprison people in cards then we'll sent them to the fires of hell.

Xenia: Yeah!

Nico: I agree.

Hannah Fairchild: What these guys did show that they have no love for anyone.

Alexis: Teaching students to be weapons of war is pure evil!

Jaden: That is for sure!

Nico: Maybe we'll imprison some of THEM in cards!

Me: That's exactly what we're going to do.

Nico: Yep!

Tori Meadows: What these guys do is an absolute disgrace to dueling everywhere!

Yuma: That is for sure!

Laney: Yeah!

Nico: We should make Duel Academy here aware of that including the world leaders.

Nicole: Good idea.

Nico: Just in case some of them show up

Qin: Right.

Vince: I'll tell the president.

Vince went and did so.

Nico: Now to face the Anothers.

Brittney: (Telepathically to Yuya) Yuya can you hear me. It's Brittney.

Yuya: Brittney?

Brittney: I'm talking to you inside your head.

Yuya: It's good to hear your voice again Brittney.

Brittney: I know. Listen carefully. I told my friends and the team about what Duel Academy is doing. My team is going to come and wage war on it later on in the future. Be ready for an all out confrontation in the next few days when we come and meet you. It's going to be brutal.

Yuya: I understand.

Brittney: Just hold on for 6 more days Yuya.

Yuya: I will. Thank you.

Brittney came back.

Brittney: The message was sent.

Lincoln: Whoa, we're here in the world of the anime, The Seven Deadly Sins, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to meet the friends of Merlin, Deldry, Guila, Jericho, and Veronica Liones who are none other than Meliodas, his wife, Elizabeth Liones, and his friends, Hawk, Diane, Ban, King, Gowther, Gilthunder, Zeldris, Gelda, Mael, Margaret Liones, Gerharde, Zaneri, Jenna, Helbram, Nanashi, Cain, and Drole.

Nicole: It's been two years since you rescued Merlin, Deldry, Guila, Jericho, and Veronica Liones, Lincoln, and now, we're finally going to meet Meliodas, his wife, Elizabeth Liones, and his friends, Hawk, Diane, Ban, King, Gowther, Gilthunder, Zeldris, Gelda, Mael, Margaret Liones, Gerharde, Zaneri, Jenna, Helbram, Nanashi, Cain, and Drole.

Me: This is going to be so awesome!

Nico: And you also absorbed The Supreme Deity from their world and sent her to The Black Gates, wait until they hear about that.

Merlin (Seven Deadly Sins): They already heard it from me, Deldry, Guila, Jericho, and Veronica.

Veronica Liones: They were so surprised to hear that.

Guila: But, we also got bad news: Meliodas told us clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra have been sighted here.

Ashe: Clones of the former TALON agents and my evil self, Sombra, and Widowmaker?

Deldry: This wasn't any contingency plan from TALON, this has Xehanort behind it.

Jericho: He's utterly insane, how dare he do this!

Aruto: Now, Xehanort is really pissing us off.

Lincoln: I hope Meliodas and the others haven't run into them yet. We should hurry

We rushed over, and we saw Meliodas, his wife, Elizabeth Liones, and his friends, Hawk, Diane, Ban, King, Gowther, Gilthunder, Zeldris, Gelda, Mael, Margaret Liones, Gerharde, Zaneri, Jenna, Helbram, Nanashi, Cain, and Drole, and they're fighting armies of Heartless.

Lincoln: Heartless, Deldry was right, this is Xehanort's doing alright. Let's give them a hand.

Lincoln and all of us had joined in and we'd slain the armies of Heartless and we gained a massive energy boost as we absorbed the negative energy.

Meliodas: Oh, no way, Team Loud Phoenix Storm?! Incredible!

Me: Hope you don't mind, Meliodas, but we saw what was happening.

Elizabeth Liones: Not at all. (Sees Merlin, Deldry, Guila, Jericho, and Veronica Liones) Merlin, Deldry, Guila, Jericho, Veronica.

Veronica Liones: Elizabeth, gang, it's nice to see you all again.

Diane: You guys made it just in time. We saw those dark creatures causing havoc along with…

Lincoln: We know. Xehanort was behind this, and we're going to piss him off even more.

Nico: And Lincoln arranged this trip to your world.

Ban: We already know that Merlin, Deldry, Guila, Jericho, and Veronica are in his harem, and they told us everything about you guys as well.

Meliodas: And we heard of Xehanort's return, so this is it: he's finally facing judgement for everything he's done.

Lincoln: And more, Meliodas. Now, we need to get after the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra.

Ashley Cananga: That's right, and I got the girls away from the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, but they're pissed off big time!

?: YOU WILL ALL PAY FOR GETTING IN THE WAY OF THE TALON ORGANIZATION!

Suddenly, we saw the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra heading for us, and they're pissed off big time!

---

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the chests of the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, and then, Lincoln began absorbing the clones of the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra into his body as he and all of us assimilated their strengths, powers, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of the clones of the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra except for their clothes, and he banished the clones of the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: This is for what you did years ago, you bastards. (To Ashley Cananga) And it's so good to see you again, Ashley.

Ashley Cananga: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ashley Cananga wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Ashley Cananga was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ashley Cananga: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ashley Cananga's waist and hugged her, and Ashley Cananga is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ashley Cananga: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ashley Cananga, Gene-Slammer and Avatar of Aromage Cananga, she's Lincoln's Guardian Angel from Michigan, she was born with green angel wings, cosmic geokinesis, immortality, and mastery over powerful fire magic, and she also has the powers of Aromage Cananga because she Gene-Slammed herself into Aromage Cananga. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her green angel wings to let off the scent of the Cananga tree. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a nature greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem. Ashley hates Lynn with a blazing passion, while Lori tried to ruin the scented candle business through defamation by spreading false rumors on the internet, that stupid ape tried to trash the place, but the security system Lincoln and the Long Sisters set up caught Lynn in the act and dropped a cage on her, and she was taken to the police. Lynn was forced to apologize and had to pay Verena and her partners $1,000 in damages for attempted destruction of property.

Nico: Just like what we were told yesterday, and I'm not surprised that Lynn would do that.

Lincoln: Hence why my Guardian Angels who hated Dark Lynn and despised her for always resorting to brute force and for her atrocious lack of manners, and I'm surprised that we hadn't taken action against her when J.D. moved to Michigan years ago, and now that you're here, Ashley.

Lincoln leaned his head down the right side of Ashley Cananga's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ashley Cananga: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ashley Cananga with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ashley Cananga: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashley Cananga.

Ashley Cananga had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ashley Cananga's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ashley Cananga had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Aphrodite from Record of Ragnarok, Anne Kurusu from Hang On! Climbing Girls, and Katsumi Shinohara, Madoka Terashima, Usagi Shirato, Yukari Shinjou, Saika Niyama, and Elsa Belmonte from Supakon! -Sportswear Complex-.

Lincoln: Oh wow, it's Aphrodite from Record of Ragnarok, Anne Kurusu from Hang On! Climbing Girls, and Katsumi Shinohara, Madoka Terashima, Usagi Shirato, Yukari Shinjou, Saika Niyama, and Elsa Belmonte from Supakon! -Sportswear Complex-.

Nicole: So, those are the girls that were located here. Xehanort wanted them dead and turned into Heartless.

Lincoln: Now, he's really got me pissed. Are you girls okay?

Aphrodite (Record of Ragnarok): Yes, we're okay, thanks to you.

Then, when Aphrodite and the other seven girls saw who it was that saved them from the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature,

Anne Kurusu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aphrodite (Record of Ragnarok): (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aphrodite, Anne Kurusu, Katsumi Shinohara, Madoka Terashima, Usagi Shirato, Yukari Shinjou, Saika Niyama, and Elsa Belmonte with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone met Meliodas, his wife, Elizabeth Liones, and his friends, Hawk, Diane, Ban, King, Gowther, Gilthunder, Zeldris, Gelda, Mael, Margaret Liones, Gerharde, Zaneri, Jenna, Helbram, Nanashi, Cain, and Drole, and they were shocked to find out the villains we went after were clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, and even worse news, those clones were created by Xehanort.

But, when Lincoln showed what we did in beating them down and Lincoln absorbing them and sending them to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ashley Cananga have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Xehanort did this! What a bastard!

Lincoln: And there's also something I found out when I absorbed the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, I'll tell you during our workouts.

Nico: This should be something to hear.

Me: Same here.

But, Sebastian had a sweat drop on his face: if Lincoln's uncovered what he feared, he was going to be in for a nasty case of retribution Loud House style.

---

After Lincoln and all of us beat down the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra, and he absorbed them and sent them to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ashley Cananga saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ashley Cananga: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ashley, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ashley Cananga: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ashley Cananga: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: So, Lincoln, what did you find out when you absorbed the clones of Doomfist, Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Widowmaker, Sombra, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, Evil Ashe, and Ramattra?

Lincoln: You aren't going to like it, same with you and our sisters, Lori. Do you remember the fight against Bill Cypher?

We nodded.

Lincoln: Sombra may have hacked our security systems and got the contingency plans, but I found out that a dark figure had provided The TALON Organization the means of hacking the security systems and grabbed the contingency plans, but he had an agenda and it was to turn us against Nico and make him suffer.

We gasped.

Lynn: Who was it, bro?

Lincoln: Only one person who hated us beyond anyone's imagination and wanted us dead because she couldn't stand us.

MY JAW, NICO, AND QIN'S JAWS DROPPED TO THE FLOOR AND SO DID ELI'S AND HE CLOSED OUR JAWS!

AND WHEN LORI, LENI, LUNA, LUAN, LYNN, LANEY, LUCY, LANA, LOLA, LISA, LILY, LYNN SR., AND RITA PIECED TOGETHER WHAT LINCOLN SAID, AND THEY KNEW WHO WAS TO BLAME FOR THAT LONG AGO!

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita: (SAVAGE WOLF GROWLS) BLAIR SANCHEZ!

Sebastian Mendez: Shit!

Nico: We knew the TALON Organization did this, but none of us had no idea Blair Sanchez was the mastermind of a much darker plot from long ago.

Qin: So, she struck all those years ago and we didn't suspect it!

Sebastian Mendez: It gets worse.

Sebastian took out Blair's diary.

Eli: That's…?

Lincoln: Blair's diary.

Sebastian opened Blair's diary, and inside the pages, we saw all of her spiteful hatred towards us and her plans included making a deal with The TALON Organization to disable the security system of the Estate years ago to get the contingency plans, and finally, it talks about Abby's parents forming an Anti-Team Loud Phoenix Storm Militia to kill us all to get revenge for the deaths of their daughter, Abby, and their niece, Blair, before the Militia got high-jacked by Xehanort. WE WERE HORRIFIED: WE FOUND OUT BLAIR SANCHEZ IS ALSO THE COUSIN OF ABBY SANCHEZ! OUR JAWS DROPPED TO THE GROUND AND ELI CLOSED OUR JAWS!

Me: That bitch! So, Blair was the… ! (GROWLS)

Nico: And according to this, she also wanted revenge on us for what we did in throwing Abby Sanchez in prison, and finally killing her by sending her to The Black Gates. This kind of info is the one thing needed to bring down the Militia.

Nico went up to Sebastian and hugged him.

Nico: Thanks, Sebastian. Let's head down there and arrest them.

Sebastian Mendez: Right. But first, you should get a shower.

Nico sniffed his armpit and his face turned green as he ran to the bathroom and showered and he got dressed after that.

Nico: Alright, let's go.

Nico and Sebastian flew out and they found Abby Sanchez's home and the cops were there thanks to Sebastian telling them and they kicked the door down.

---

Later it was time for Sandbar, Varie and Wendy's second mission.

Nico: Anyone else want to go with Wendy, Varie, and Sandbar? Besides Cheese, Troy, Kaito, and Zarya?

Pohatu: I'll go.

Billy Numerous: So will I.

Nico: Okay.

Azulongmon: I will go too.

Me: Okay then.

Nico: Lets go!

We were off to Japan.

---

We arrived.

Hibino: Hey guys!

Me: Hey Hibino.

Hunter: (German Accent) Guten tag Hibino.

Sandbar: Guys, meet Troy, Kaito, and Zarya.

Troy: Awesome to meet you. I'm Troy Burrows, leader of the Megaforce and Super Megaforce Rangers.

Me: You may know them as the Goseigers and Gokaigers. They are the rangers that have 47+ Years of rangers in them.

Amagai: Oh wow! It's an honor!

Troy: Same here.

Kaito: I'm Kaito Goshikida, leader of the Zenkaigers.

Me: They are the Sentai Team commemorating 45 years of Super Sentai.

Amagai: Wow! It's an honor.

Kaito: Same here.

Zarya Moonwolf: I'm Zarya Moonwolf, Wolf Archer of the Mysticons.

Me: And one of my future wives.

Hibino: Wow it's a pleasure!

Pohatu: I'm Pohatu, Toa of Stone.

Billy Numerous: Pleasure to meet y'all. My name is William Strayer but everyone calls me Billy Numerous.

Hibino: Awesome to meet you.

Azulongmon: And I'm Azulongmon, Digimon Sovereign of the East.

Hibino: Wow it's an honor!

Cheese: Yes.

Me: Oh and this little guy is Cheese.

Amagai: The funny little imaginary friend. I love his funny gags.

Me: So do we.

Billy Numerous: And here's what I can do!

He made 20 clones of himself!

Hibino: WHOA! Super Cloning! That is cool!

Nico: It sure is.

Me: We can do exactly the same thing with Shinobi techniques. Watch. SHADOW CLONES!

I made 40 clones.

Amagai: WOW! That is cool!

Eli: It sure is!

Pohatu: I'm from Mata Nui

Nico: Yep.

Hibino: That is cool! Rock and earth powers right?

Pohatu: Yep. It's awesome.

Troy: You learning about your predecessors is similar to how me and my team learned about our fellow rangers

Hibino: Yeah that was so cool.

Me: And seeing Troy and the rangers team up with all the rangers from over the course of 20 years. That was epic.

Hibino: It sure was! Also I saw your fights with Rita and Lord Zedd! That was awesome!

Me: It was! And after 30 years we finally destroyed them. Except Vilgax killed Zedd.

Hibino: But nonetheless they are dead and given the Black Gates. So that's good.

Hunter: Ja ja. That's for sure.

Kaito: It's similar to me and my team learning about the other Super Sentai.

Me: Wow Very coincidental. But I remember that.

Hibino: That is cool. Oh by the way I just remembered. We saw your battle with that monster with all the ranger powers last year. That was awesome!

Zarya: You saw my big day battle from back then?

Amagai: Yeah we sure did.

Nico: You saw the battle we had on Zarya's big day!? Whoa!

Me: That monster was Super Warumono World. He had all the powers of 45 Years of rangers in him.

Eli: And we had 45+ Years of Rangers with us. The Dino Fury Rangers and the Kiramagers weren't with us officially until later on back then.

Nico: Yeah.

Hibino: Oh so they were guest helpers until later on.

Nico: Exactly.

Sandbar: What's been going on since last visit?

Then the Alarm sounded. We saw ROBORUGA attacking!

---

Created by a debris from the destroyed Black Star, Roberuga was sent by Alien Empera to hunt Ultraman Mebius.

GUYS was alerted to an unusual occurrence; five of the orbiting satellites around Japan have been destroyed by some kind of energy blast! Just then, a glowing, disk-shaped object began hovering in Tokyo, as well as a few other major cities all over the world! Soon, one of the objects headed straight for Tokyo ground, and turned into a small disk-like creature with three tiny legs on each side, and began attacking the area by emitting fireballs at buildings.

It eventually turned into a large, two-legged alien, and began unleashing eye blasts at the ground. GUYS was soon sent out to attack, but their weapons were useless. As it fought them, it kept muttering "Obliterate, Ultraman Mebius" over and over again. Soon, Mirai and Ryu tried to attack from the ground, but it was useless as well. Mirai decided to assume his Ultra form, and battled the invader. Mebius and Roberuga seemed evenly matched, but Mebius was losing stamina, while Roberuga fought him off, and just kept saying "Obliterate, Ultraman Mebius." Then, he unleashed a barrage of energy blasts from his eye and hands. Mebius tried to block them, but was quickly overpowered, knocked down, and bombarded while on the ground. His attack, however, was halted by none other than Fire Windom!

The capsule monster and the invader fought hard, with Fire Windom actually fighting very well. Roberuga eventually tossed Fire Windom to the ground, but GUYS stepped in, and attacked Roberuga with all of their weapons, refusing to allow him to hurt Mebius. Fire Windom got up again and joined the fray; blasting away with his fire cannon. Mebius eventually got up, and managed to assume his Mebius Burning Brave form. Roberuga tried to attack with more energy blast, but Mebius used the Mebium Burst, blew through his attacks, and destroyed him completely. The remaining UFO's all flew away, hopefully to never return.

---

Me: Roboruga!

Eli: WHOA!

Me: I remember him! He was tough!

Nico: Lets get him!

We were off!

---

We were flying.

Wendy: I'm getting changed into my jumpsuit

Wendy snapped her fingers and had an orange jumpsuit off.

Hibino: Wow! That was cool.

Me: Yep.

We saw ROBORUGA!

Me: There he is!

Eli: GODZILLA!

A familiar roar was heard!

(GODZILLA THEME SONG PLAYS!)

Hibino: IS THAT!?

GODZILLA CAME!

Godzilla roared!

Godzilla: So Roboruga huh? This will be good.

Hibino: MEBIUS!

HE TURNED INTO ULTRAMAN MEBIUS!

Me: YEAH!

Godzilla: This is gonna be good

He fired an atomic ray blast and blasted Roboruga and fiery explosions all over.

Eli: TAKE THAT!

Cheese: Bunnies! (Runs towards Roboruga)

He ran up to him.

Nico grabbed Cheese and came back

Nico: See? Told you he was stupid!

Me: Yep.

Hibino: I believe you guys.

Troy: Super Mega Mode!

Kaito: Change Zenkai!

They transformed and were ready!

Kaito: Secret Power! Zenkaizer! ゼンカイザー

Troy: SUPER MEGAFORCE RED! READY!

Eli: YEAH!

?: That morph will be your last!

A figure came out and it was REV-9 from DARK FURY!

---

The Rev-9, alternatively written REV-9 and sometimes referred to as Gabriel, is the main antagonist of the 2019 sci-fi action film Terminator: Dark Fate, only installement of the Dark Fate Timeline of the Terminator franchise.

It is an extremely powerful and highly advanced Terminator which was developed and created by Legion to be the perfect Terminator unit in the battle against the Resistance. It was then sent to 2020 to kill Dani Ramos before Judgement Day happens to ensure Legion's victory over humankind. It is also, Grace Harper's arch-nemesis.

It was portrayed by Gabriel Luna in his first villainous role.

The Rev-9 was developed, designed and created by Legion, an artificial intelligence built for cyberwarfare in a future in which Skynet never existed. These new Terminators are able to disguise themselves via shapeshifting like the T-1000, with the new feature of separating themselves into two operating bodies, one the external polyalloy and the other the endoskeleton.

The Rev-9 model was developed to be the ultimate assassin in its time, and is a successor to Legion's earlier Rev-7 infantry unit. Its reputation as a killer is apparently unrivaled; resistance fighters from its time describe it as something to run away from instead of fighting.

In 2020, the cybernetically-enhanced Grace and the Rev-9 travel to Mexico City from the year 2042. The Rev-9 lands in an apartment complex, where it meets and kills a man named Vicente Ramos. Taking the form of Vicente, the Rev-9 infiltrates a factory where Vincent's daughter Daniella "Dani" Ramos works alongside her brother Diego. It attempts to kill Dani, but is thwarted by Grace, who escapes with Dani and Diego in a car. The Rev-9 pursues them in a truck, and reveals his ability to split into two separate entities, a powerful endoskeleton and its shapeshifting liquid metal exterior. The Rev-9 kills Diego and corners Grace and Dani.

Grace and the horrified Dani are saved by Sarah Connor, who lost John Connor back in 1998 to a T-800 sent as backup by the now erased Skynet. Sarah temporarily subdues the Rev-9's separate components with an automatic shotgun and a rocket launcher. After doing so, they retreat to a motel.

Sarah later shows Grace text messages she has received in the years since John's death, which have allowed her to kill other Terminators as soon as they arrive. Grace traces their origin to Laredo, Texas, which requires that they cross the United States-Mexico border.

The Rev-9, seeking to reacquire them, invades a data center in Mexico City to tap into local surveillance cameras. It discovers them heading for the border and realizes that they plan to cross it, leading the Terminator to disguise itself as a Border Patrol officer and alert other officers to their whereabouts. While they are detained, the Rev-9 remotely controls a drone that it attempts to crash into Dani, but misses. It then infiltrates the detention facility and kills a number of Border Patrol agents, but is unable to catch Dani before she, Grace and Sarah escape with a helicopter.

Having again lost its targets, the Rev-9 adopts a Texas accent and tricks arriving police into telling it where it can obtain a helicopter of its own. It tracks the group to the home of Carl, the now-reformed T-800 who killed John and had been the one sending Sarah's messages, but arrives too late to catch them. It trashes the house looking for clues to their next destination and discovers a photograph of their escape vehicle, the van Carl uses for his drapery business.

The Rev-9 soon finds the group as they acquire EMP grenades from Sarah's military acquaintance, Major Dean. It opens fire on them from its helicopter and splits so its polyalloy half can pursue them on foot, but the helicopter becomes stuck and it falls behind. It catches up as they attempt to leave the nearby military base on a plane, and engages in a shootout before trying to board the plane, only to be thrown off and crash into a local family's shed below. However, the EMP grenades are destroyed in the exchange, rendering them useless to combat the Rev-9 with. Meanwhile, Grace reveals that Dani is fated to become the leader of the Human Resistance against Legion as well as her adoptive mother in the future, thus making her the Rev-9's target.

The Rev-9 steals a plane of its own and crashes into the group's, giving itself the opportunity to leap aboard. Grace and Carl battle it throughout the crashing plane's cargo hold; Carl eventually pins the Rev-9's endoskeleton and blows up its polyalloy half with a grenade. While Sarah, Dani and Grace parachute out of the plane in a Humvee, Carl and the Rev-9's endoskeleton continue fighting until the plane crashes into the water near a hydroelectric dam. The Rev-9's polyalloy reforms and both halves work together to damage Carl, then reunite to pursue Dani. It is nearly able to break into the sunken Humvee to reach her, but they manage to stun it with the parachute and escape. Outside, the group reunites with Carl and breaks into the dam, but the Rev-9 surfaces and tracks them.

Inside the dam, the group decides to make their last stand against the Rev-9. It arrives and attempts to negotiate for Dani's surrender, arguing that she is a stranger to them and that Carl, as a Terminator himself, should know that Legion is "the only future." They reject its logic and engage it in a brutal final battle, during which Grace is severely injured by it stabbing her through the stomach with its arm blade. Grace and Carl, with Sarah providing support fire, manage to force the Rev-9 into a turbine, which violently grinds it until the entire mechanism explodes.

Carl is knocked unconscious by the blast, and Grace is mortally wounded, but the Rev-9 initially seems to be dead. However, it suddenly bursts from the wreckage as Sarah investigates, incapacitating her. As a result of the extreme friction and heat inside the turbine, the Rev-9's polyalloy becomes brittle and crumbles away, leaving only its damaged endoskeleton. Dying, Grace tells Dani to use her power source as an EMP against the Rev-9.

Furious over the deaths of Vicente, Diego and Grace, Dani faces the Rev-9 directly. She shoots it several times and strikes it with Sarah's gun before tackling it and trying to stab Grace's power source into it, but it overpowers and begins to strangle her. Carl reactivates when Sarah pleads for him to help Dani, and he restrains it long enough for Dani to stab Grace's power source into its head. Carl then drops himself and the Rev-9 into a pit, where the electrical discharge melts both Terminators, rendering the Rev-9's mission a failure and avenging the deaths of Dani's family.

---

Me: WHOA!

Nico: Who are you!?

REV-9: I am REV-9 and I'm a Terminator.

WE GASPED!

Me: Whoa!

I used my data eyes and it analyzed him and saw that he was a REALLY ADVANCED prototype robot and he was built as a really deadly assassin.

Me: Wow! You are a really advanced one! SKYNET really made you into a deadly one to kill us!

REV-9: That's correct. But SKYNET didn't create me. It was my creator Universe 666 Nico.

Nico: You're not the first one then!

Me: We encountered Terminator Mascots that were made by him. My guess is that you're the final secret weapon made by universe 666 Nico should the Terminator Mascots fail.

REV-9: That is correct. I was programmed to kill Nico here and avenge my creator.

Nico: Even in death even after over a year he just doesn't know when to quit!

Me: Took the words right out of my mouth!

Godzilla fired an Atomic ray blast and blasted Roboruga all over!

Wendy concentrated and groaned and turned into her VULPIMANCER FORM!

She roared!

Nico: YEAH!

?: This guy is a monster!

Out came a girl with orange hair and red eyes and black angel wings and black clothes and had a tiara with Wildmutt on it!

Me: (GASP) Vivian Vulpin!

Nico: Wildmutt's embodiment!

Vivian Vulpin: (GRUNTS) That's right!

She kicked REV-9 down and smashed him into a tree.

Vivian then lost control and growls at us. Billy made a clone that punched her but she shrugs off the attack before delivering a powerful bite.

But Wendy knocked her down and I fired a wave of electron energy and injected the antidote into Vivian!

Me: There!

Godzilla and Mebius fired energy and atomic waves and the blasts hit Roboruga and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Eli: YEAH!

Godzilla roared!

Hibino: That did it!

They came and helped us with REV-9.

Billy charged at Vivian and formed thousands of clones and bashed her down.

Nico: YEAH!

Nico teleported and bashed REV-9 all over!

?: (ECHOING) LIGHTNING WHIP!

A bolt of lightning grabbed REV-9 and bashed him down!

Me: WHOA! Thanks Azulongmon!

Azulongmon: That wasn't me! It was from her!

We saw A SECOND AZULONGMON!

Me: WHOA ANOTHER AZULONGMON!

Azulongmon 2: (In a girls voice) One that Nico knows!

Nico: Aoi Azulong! Wow!

Pohatu charged at her And kicked her down.

Aoi reverted back and she was a girl with blue hair and had blue eyes, blue angel wings and blue clothes and on her arm was the kanji for Azure Dragon of The East and she had a Blue Dragon on her forehead and on her shirt and skirt was Azulongmon and she had a Blue Lightning Staff spear and she teleported and slashed Vivian down and the antidote took effect and cured her.

Aoi Azulong: Now for the robot!

Troy got out his Rouse Card For Blizzard and he fired a wave of ice and froze him!

Nico: YEAH!

Azulongmon: (ECHOING) AURORA FORCE!

He fired a massive energy blast and blasted the Robot all over.

Kaito got out his Rouse Card For Melone and he fired a wave of energy and blasted him.

Zarya got out her Rouse Card for Knightbrace and tied him up in dental floss!

Pohatu got out his Rouse card for Avalanche and smashed him under a lot of rocks!

REV-9 was buried and he was in pieces.

Me: Well he is scrap. Maybe the M.O.E. Can have good use for him.

Nico: Yeah.

Wendy reverted back and she was in her normal clothes

Wendy: That was cool.

Hibino: Wendy, how did you meet Nico?

Wendy: I met Nico during science class and we were on a field trip at the zoo. We were at the Wolf Exhibit and we were loving it.

Nico: Yeah we love wolves.

Me: Cool.

Aoi Azulong: That is awesome.

Me: It sure is. Aoi what's your favorite memory of Nico?

Aoi Azulong: When me and Nico were in Japan to learn all about the Divine Guardians. That was my favorite.

Nico: That was fun.

Nico and Aoi hugged.

Nico: I've missed you.

Aoi Azulong: Same here.

---

We came back home.

May: How did it go guys?

Me: Really awesome!

We told everyone what happened and it was amazing.

May: WHOA!

Qin: A Terminator!? I thought those were done.

Me: So did we.

Nico: Next time, Lucky, Aerrow, Megan, Ruby Knight, Vergo, and Candlejack should come

Me: Good ideas.

Sandbar: Yeah.

Qin: Cool.

Princess Kelpie: Where's Eddy?

Eddy: Right here.

He grabbed Princess Kelpie's hand and then…

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPP!

Eddy: (LAUGHS)

He showed a joy buzzer!

Me: He got you good.

Zarya: Yeah. Oh Luan and the Mascots are somewhere

Mr. Krabs was on edge.

Krabs: Ghosts? Ha! I ain't afraid of no ghosts! Every sailor knows a ghost won't come near a fella as long as he's wearing his spotted neckerchief, [grabs a handkerchief] and his dried-up sea leprechaun, [shows ashes of the sea leprechaun] and a bit of gold never hurt. [shows a gold necklace around Mr. Krabs neck that reads, "Foxy"] But to be on the safe side, I'm also wearing me pants in a maldon knot. [his underwear is strung up with rope] Got me shiverin' timber brace, [shows his ankles chained together] and the hairs on the back of me neck are taped down. [a strip of duct tape covers the hair. Mr. Krabs is shown wearing a barrel and a headpiece with lanterns hung on it.] And I'm all wrapped up in a suit of anti-ghost armor. And if none of this stuff works, I've got me secret weapon-the specter deflector! [holds up a paddle ball] So just try and get me, you ghosts! Bring it on.

Me: Oh boy.

[The lights turn off. Luan and the Mascots wail ghostly.]

Luan and the Mascots: Krabs!

Mr. Krabs: Wha?

Luan: Krabs, we've come to haunt you.

[Mr. Krabs uses the specter detector (paddle ball) by bouncing the stringed ball back and forth from the paddle board.]

Mr. Krabs: Stay back, I'm well-armed!

[Luan and the mascots moan ghostly.]

Mr. Krabs: I'm warning ya!

[Luan and the Mascots moan. Luan or The Mascots stops the ball. Luan or The Mascots then cuts the string.]

Mr. Krabs: [shivering] Ooh!

Luan and the Mascots: [quietly] Boo.

[Mr. Krabs breaks out of his armor and screams.]

Mr. Krabs: I gotta get out of here!

[He runs to the doors, but they don't open.]

Luan: You can't escape, Krabs, we've glued the doors shut!

[The door is held closed with a long strip of glue. The scene shows the side of the estate.]

Mr. Krabs: [off-screen] You'll never get me!

[Mr. Krabs tries to break through the window, but instead of shattering, the window stretches like elastic and slingshots him backwards, and he crashes into the sofa]

Poromon: Nice try, Krabs, but we replaced all the glass with rubber!

[Mr. Krabs dives into the toilet, but gets stuck. He pulls himself out and sits on the floor, dazed]

Horsea: Too late, Krabs, we've already clogged all the toilets! [The toilet is stuffed with toilet paper. Mr. Krabs cowers in a corner.]

Zarya: You know what, Eddy? I'm in a good mood since the mission earlier. Hit me with your best shot!

Eddy: Okay!

He squirted her with a Squirt Flower! Zapped her with a joy buzzer, had her sit down and she farted!

LOUD FART!

Zarya: WHOA! Pardon me!

WE LAUGHED HYSTERICALLY!

A barrel is put over her and sudden noise comes from the barrel and she got sent flying and comes flying out in a barrel, with a bucket on her head. Then she went flying into a wall. A sudden noise from a wall makes us look up. Zarya pops out, wearing a diaper.]

Zarya: "Ah! Ow! Ee! Oh! Ah!"

Eddy: [laughing with his compadres] "Zarya! You'll get a rash in that!"

WE LAUGHED HYSTERICALLY AT THAT ONE!

Brawl: Where are Luan and the Mascots?

MR. KRABS SCREAMED!

Me: UH OH!

We ran to him!

Zarya: UH A LITTLE HELP HERE?

Me: Sorry.

I got her down.

We ran over.

We saw MR. KRABS BEING TORMENTED BY "GHOSTS!"

Luan: You're going to pay, Krabs.

Mr. Krabs: [shaking with fear] No, spirits, please!

Poromon: Pay!

[a dollar floats in the air]

Mr. Krabs: No!

Poliwag: [high-pitched] Pay! [lights a match]

Mr. Krabs: No! Don't burn me dollar!

Lincoln: This looks familiar.

Lily: It sure does. OKAY LUAN, MASCOTS THE JIG IS UP!

She fired waves of water and splashed them and they were visible!

Mr. Krabs: Well well if it isn't Luan and the Mascots!

Me: Nice try guys.

Lily: You used the Invisible Spray didn't you?

Luna: Didn't you do that on half of us?!

Poromon: Yeah we did.

Nico: That was funny though!

Lily: Yeah it sure was.

Mr. Krabs: (LAUGHS) That was a good one though guys! Ye had me scared.

Lincoln: Luan, you helped the mascots even though they scared you too?!

Luan: Yeah I sure did and you know how much I love a good joke.

Me: (LAUGHS) That was funny.

Eddy: (LAUGHS) YEAH!

?: (LAUGHS) You guys really pranked each other hard!

Out came a girl with purple hair, red eyes, butterfly wings, purple clothes and a tiara on her head with Morph Moth on it.

Mina Moth: Mina Moth, Embodiment of Morph Moth.

Jenny Wakeman: Wow Mina its good to see you.

War Machine: Looking good.

Mina Moth: You too Jenny and Rhodey. Been a while.

Prowl: How did you meet Jenny and War Machine?

Mina Moth: I met Jenny when she was battling the Cluster and I helped her destroy them all.

Me: Wow!

Jenny: Yeah she is a powerful fighter too.

Nico: Nice.

Mina Moth: And I met War Machine when he and Tony were battling Carnage before.

Girl Jordan: Wow! That is cool!

Mina Moth: Yep. We killed that version of Carnage.

Nico: Cool! Would you like to join us?

Mina Moth: I would be honored.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission against the next cursed jerks starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Maria: Why didn't you guys try to scare JD?

Disk Wars Deadpool: The Mascots DID try. It didn't work

Me: He's right.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than NO MA'AM, Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy, and they're running loose and NO MA'AM are causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you women-hating buttfaces are finally running loose.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today, the next jerks are none other than NO MA'AM, Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy, and they're running loose and NO MA'AM are causing havoc.

WE GASPED!

Enya Nephthys: So, our next enemies are none other than NO MA'AM, that crazed man-despising feminist monster, Marcy D'Arcy, that trashy sorry excuse for a housewife, Peggy Bundy, and the two hated depraved spawn of the Bundys, Kelly and Bud Bundy.

Eli: Now, we can stop them and send them back to Lynn's Table to be humiliated forever.

Lincoln: Exactly, and they're among the non-cursed jerks, so we're giving those piles of garbage the beatdown of their miserable lives, but first, we better take care of whatever trouble they're causing.

Sebastian Mendez: Where are they at?

Lincoln: My sensors indicate they're back in Phoenix Land.

Throttle: In our Amusement Park, eh? This seems to easy.

Sebastian Mendez: No, it's perfect though, since NO MA'AM have the brains of a fruit fly same with that crazed man-despising feminist monster, Marcy D'Arcy, that trashy sorry excuse for a housewife, Peggy Bundy, and the two hated depraved spawn of the Bundys, Kelly and Bud Bundy, that is where we'll show them Hell on Earth.

Nico: And if there are Militia waiting for us there, we'll deal with them. Alright, team, let's load up and get going, we've got a group of women-hating buttfaces to clobber.

Lincoln: They're not getting away with this, they're getting such a thrashing from all of us.

Qin: Yep.

The previous group came.

Plastique: Can me, LaGrange, Kangor, Pete, Tala, Zzzax, Bronze Kneecap, Touch & Go, Girder, and Firebrand go with you guys?

Mr. Touch: And that was a good prank

Nico: Yeah it sure was and yes you all can come with.

Me: This will be awesome.

Camie: And more.

LaGrange: Nico, which Gene Slammer do you think you'll meet next?

Nico: Centarumon next.

Me: Ooh! Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Exodus, his real name:

Bennet du Paris, a mutant from the Crusades and a follower of Apocalypse, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone you're not going to like in the slightest. The figure we sensed belongs to Exodus, his real name: Bennet du Paris, a mutant from the Crusades and a follower of Apocalypse, and he's coming here to destroy us.

WE GASPED!

Dana Danu: So, Apocalypse's followers are also on the move, huh? Well, it's high-time we put an end to that, right after you and Enya pulverize those women-hating buttfaces along with that crazed man-despising feminist monster, that trashy sorry excuse for a housewife, and those two depraved Bundy children.

Lincoln: Right, Dana.

Nico: We'd gotten the warning about our universe's Apocalypse, but we're ready for him and his followers. Alright, team, let's go, we're heading to Phoenix Land to deal with NO MA'AM along with Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy.

Lincoln: They're heading right back to Lynn's Table to be humiliated forever, and once we get done with them, you're next, Exodus.

Dana Danu: The suffering you've caused in Apocalypse's name will never be forgiven, you will pay for what you've done, Bennet du Paris.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to take down NO MA'AM along with Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy and send them back to Lynn's Table shackled to posts and humiliated forever, and once we get done with them, Lincoln and Dana Danu along with me are going to destroy Bennet du Paris A.K.A. Exodus.

We were off to Phoenix Land

---

We arrived.

Me: Here we are.

Qin: Yep.

Terrance: Remind me about NO MA'AM again?

Me: Oh sure. They are an organization that HATES Women.

I went over their history

---

NO MA'AM (National Organization of Men Against Amazonian Masterhood) is an anti-feminist group founded by Al Bundy in response to Women's Bowling Night replacing the Men's, and the nudie bar being turned into a Women's Coffee House.

The organization was established with the intention of advancing a political agenda to prevent feminist domination, but was often just an excuse for its members to gripe about society, consume alcoholic beverages, partake in illegal activities and play sports (with varying degrees of success). The organization's primary nemesis is Marcy D'Arcy, the wife of secret member Jefferson D'Arcy, who founded the feminist group F.A.N.G. (Feminists Against Neanderthal Guys) out of spite towards Al and NO MA'AM. and they have often suffered setbacks of various types due to her actions and their own stupidity.

NO MA'AM began after it was discovered by Al Bundy and some of his friends that their Thursday night bowling night at Jim's Bowl-A-Rama had been replaced with a Women's Bowling Night, and that the nudie bar had been turned into a coffee house. One of their first actions was to take talk show host Jerry Springer ("The Masculine Feminist") hostage, and issue a series of demands on the air. It was during this time that the group had their first encounter with the club's chief nemesis Marcy D'Arcy, who had them arrested for their crimes.

After Al loses his parking space due to insulting a fat woman, the group seeks out Ironhead Haynes for advice. The feat proves useless when Haynes tells Al that there is nothing he can do about the changing times, forcing Al to use Haynes's guitar and a bag of flour to create a series of commandments. The group promptly burn the commandments, not wanting to burn their issues of Victoria's Secret for warmth.

In response to a protest organized by Marcy D'Arcy - which came about after Al banned a woman from the shoe store for breast feeding - NO MA'AM staged a counter-protest of their own, which was covered by the media and dubbed by Miranda Veracruz de la Hoya Cardinal ("Sucklegate"). The group's protest consisted of the men from NO MA'AM's "Heavyweight Division Company" removing their shirts, and dancing to the song, "Maniac" in order to scare the women away. The protest ended after the boys were cited for indecent exposure (in which one member got two tickets due to his large size).

NO MA'AM forms their own baseball league in response to the Major League Baseball strike, but their league ends up on strike as well, when it is discovered that the owners of the teams are making a profit from the games, which the players see none of.

When Marcy D'Arcy's Women's group is able to get Al's favorite show, Psycho Dad, canceled, NO MA'AM protests at their local TV station, despite the cold temperature and massive snow fall Chicago had endured recently. The protest was not legal, and the group were nearly arrested by officer Dan, before he discovered what the protest was for and joined in. Finding themselves cold, and the protest useless as there was no media attention, the group gives up and head for Ike's heated garage to drink beer. Moments later, however Miranda Veracruz de la Hoya Cardinal arrives to the scene, but is unable to find any evidence of the protest save for name Al "mysteriously written into the snow". Later, the group watches the actor who portrays Psycho Dad renounce the character and quit the show, upon which Al Bundy decides NO MA'AM must go to Washington, D.C. to appeal directly to the senate. Jefferson D'Arcy's mysterious apparent Secret Service contacts (he is addressed by the codename "Bullwinkle" and responds to "Chopper" and "Geronimo" in shorthand, essentially issuing orders, which they simply follow) make this impossible dream a reality.

NO MA'AM decides they must find a new official beer, but after a night of drinking they ultimately decide to stick with the original one.

In order to obtain tax exempt status, NO MA'AM forms a church with Al Bundy as the reverend, the church is able to gain a national following, despite attempts by Marcie D'Arcy and Miranda Veracruz de la Hoya Cardinal to expose the group for what it really was; a illegitimate excuse to not pay taxes. The Church of NO MA'AM quickly fell apart when Marcie was able to provide evidence that Al had recently took his wife, Peggy Bundy out on a date and had a good time.

NO MA'AM once visited the Just Store in order to acquire snacks for the planned event of watching Wrestling. After it is discovered they must watch the event on Bud's TV, as the wives are watching Old Man Older Woman. During this time, Bud is accepted as a NO MA'AM Pledge, and is told to get a picture with the wrestler King Kong Bundy. The next night, on Halloween, the group once again intended to watch Wrestling only to find the wives were watching an earlier, louder broadcast of Old Man, Older Woman. Despite the initial setback, they were able (along with the wives) to watch the wrestling event, but soon discovered the match had turned on their wives, and as a result of "that wrestling on TV leads to wrestling at home. And that ultimately leads to sex with the wife.", the group ceased to watch wrestling, and changed the name of the organization to "Numb Old Men Anxiously Awaiting Morticians". This decision apparently also results in the rejection of Bud's potential membership into the organization.

When it was done everyone was shocked!

Xenia: Chauvinistic jerkwads!

Mr. Frown: Right. Thank you

Me: You're welcome.

Camie: I hate people like that!

Sakura Knudson: Me too!

Pete: Lets go on some rides while waiting.

Nico: Good idea.

Camie: Yeah.

We went on the roller coasters and more.

Skarr: What do we get for lunch?

Nico: Take your pick.

We got hotdogs, funnel cakes and pizza and more.

Zzzax: Hard to believe this was created from Horrorland

Me: Yeah but it's much safer and better than Horrorland.

Lizzie Morris: Yeah that's true.

Qin: And much fun.

Lois Griffin: Poromon, where did you get the idea of scaring Mr. Krabs?

Poromon: SpongeBob and Patrick.

SpongeBob: We did the same thing to him before.

Lily: He's right. And it was cool.

Mr. Go: This time, you went straight to scaring him.

Nico: Yeah.

Poromon: We sure did.

Qin: That was funny!

Luan: And I helped too. That was cool.

Eddy: (LAUGHS) That was awesome!

SpongeBob: At least you guys weren't naked.

Plankton: Why did you even take your clothes off to begin with?!

SpongeBob: The paint stains clothes.

Plankton: Oh yeah.

Maria: You probably should've just sprayed the bench like you planned

Patrick: Yeah we sure have.

SpongeBob: Yeah.

Nico: What's that over there?

We saw a drone flying in the air.

Android 17: Let's call that a Militia drone.

Me: Like one of those Predator Drones that the Military uses.

I fired a wave of energy and blasted it.

Camie: Bullseye.

Firebrand: There's bound to be more of them!

Me: Yeah.

Lasers were fired and we saw the defense grid blasting thousands of drones all over.

Lola: Nice shooting from the Defense Grid.

Several Drones got in and started firing at us.

Mandy: Take cover!

We formed shields and the laser grid blasted the drones.

Qin fired waves of fireballs and blasted them.

Lana and Lincoln fired waves of lightning and ice and destroyed them.

The laser blasts didn't even leave a dent in Girder's metal skin

Girder: Ha!

Qin: Nice.

Girder: Thanks.

We blasted them all into scrap metal

Bubble Man: Is that all of them?!

Eli: (Concentrates) Yes that's all of them.

Camie: Good.

Bronze Kneecap: Maybe if we scan one of the drones' memory, we can locate No Maam.

Lisa: Already did that. They are in that vacant lot 500 yards over there.

We saw it.

Me: That's not a very smart place for them to hide.

Camie: Yeah.

RD Lynn: I got an idea. (to the Mascots) Still got that invisible spray?

Poromon: Yeah we sure do.

RD Lynn whispered and it was to scare NO MA'AM and bash them all over.

Tala: Let me use my magic to help out.

They nodded.

We sprayed the mascots and got them invisible again

The mascots scared NO MA'AM REALLY BAD!

And REALLY bashed and smashed and pulverized them with pranks of all kids. Pie Bombs, bear traps, stink bombs, the works.

Ratso: ENTRANCE TIME!

We went at them.

The mascots stopped and then the spirits of the symbol of Women swirled around NO MA'AM and they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a Phoenix Cry was heard and we came out.

Me: Hello idiots.

Kangor: (Jamaican Accent) Wasn't expecting the drones, mon. Too bad we scanned one of them to find you!

Nico: YEAH!

Marcy D'Arcy: YOU MAKE US SICK YOU WOMAN SYMPATHIZERS!

Me: Fuck you too!

Al Bundy: YOU ALL WILL PAY BIG TIME FOR ALL THE HUMILIATION YOU PUT US THROUGH!

Me: You brought all that on yourselves!

Al Bundy: And I knew we couldn't rely on those stupid drones!

Nico: Hey, to be fair, the other Militia minions aren't much better!

Me: That's right! They were as pathetic as wet noodles overcooked!

Vert charged at them

And kicked them all over!

Strike Ninja: I'm fast too.

Vert and Strike Ninja: SPEEDING NINJA BLAST!

They fired energy blasts and blasted them all over

Randy charged at them and slashed and bashed them.

Lady Ninja Yae: This will be good.

Randy and Lady Ninja Yae: SLASHING NINJA CUTSTORM!

They slashed and cut them all over.

Penny charged at them and ired waves of jewels and bashed them all over.

Penny: You like that busters!

Crystal Beast Sapphire Pegasus: Then how about this too!

Penny and Sapphire Pegasus: SAPPHIRE BEAM BUSTER!

They fired waves of sapphire energy and blasted them all over.

Harry charged at them and fired magic blasts.

Dark Magician: Lets make this a fun one.

Harry and Dark Magician: DARK MAGIC THUNDERSTRIKE!

They fired magic and lightning blasts and blasted NO MA'AM all over.

Mollie charged at them and fired waves of lightning and electrocuted them.

Mollie: I'm a woman and I pack a wallop!

Lightning Punisher: You tell them!

Mollie and Lightning Punisher: THUNDERSTRIKE SUPER RAY!

They fired a massive blast of lightning and electrocuted them all over.

Stella charged at them and fired waves of fire and blasted them.

Stella: Take that you barnacle butts!

Fungi of The Musk: Yeah this will hurt bad!

Stella and Fungi: FLAMING MUSHROOM BLAST!

They fired waves of fiery mushrooms and blasted them all over.

Tyler Bowman charged at them and fired energy waves and blasted them.

Megazowler: That must've not felt good!

Tyler and Medazowler: BASHING DINOSAUR BLAST!

They fired waves of energy and blasted them all over.

Roach charged at them and smashed them down with a powerful punch.

Metal Armored Bug: I'm ready for some pain!

Roach and Metal Armored Bug: SMASHING STEELROACH BASHER!

They ran and bashed them into the dirt.

Shope charged at him and blasted them with lightning.

Summoned Skull: Lets make this electric.

Shope and Summoned Skull: LIGHTNING STORM BURST!

They fired lightning blasts and electrocuted them

Kevin charged at them and kicked them all over!

Elemental HERO Necroshade: Lets show them darkness.

Kevin and Necroshade: DARKNESS FIRESTORM BLAST!

They fired waves of darkness and fire and smashed them all over.

Lynn cracked her knuckles.

Lynn: It's buttkicking time!

She went and pulverized all the NO MA'AM members all over the place.

Horsea squirted ink and blinded them.

Nico: YEAH!

Then Samon Shakekisutanchin, Ryugu Tamatebacco, Manta Bayarsh, Dumbbelltron, Marionette Shadow, Count Nocturne, Kerbero Gangan, Stonedozer, Electropede and Black Manta came.

Nico: Samon Shakekisutanchin, Ryugu Tamatebacco, Manta Bayarsh, Dumbbelltron, Marionette Shadow, Count Nocturne, Kerbero Gangan, Stonedozer, Electropede and Black Manta

Ryugu Tamatebacco: Another day at Phoenix Land, huh?

Nico: You said it!

Me: Yep.

Manta Bayarsh: Wasn't expecting the drones though.

Me: Me neither.

Dumbbelltron: At least they're dealt with.

Marionette Shadow: (to Nico) We heard you killed Trina.

Nico: We sure did. She had it coming.

Samon Shakekisutanchin: (to Power Pack) You guys should take care of that Thundurus, Landorus, Tornadus and Enamorus.

Zero G: We will.

2 figures came out and they were Blizaru and Hizaru from the Hurricanger movie!

---

They were hired by Jakanja to abduct Princess Laiina from Astrom bringing her to Earth on the Tri-Condor. They ended up in a dogfight with Tenkuujin which resulted with Laiina crashing the ship although she lost the Tri-Condor when the Hurricanegers saved her. They learned that Laiina was needed for the Soul-Eating Ceremony that would grant immortality and, upon learning of the location it was being held at, the Zaru Clan turned on the Jakanja and froze themm to take Laiina's essence for their own. Though Laiina was captured, the Hurricanegers managed to save her before defeating the Zaru Clan with Triple Gadget with Laiina regaining her Tri-Condor. The two villains survived and used their "Gigantic Fusion" Ninpou to assume the titanic form of Combined Space Nin-key Ashurazaru (合体宇宙忍猿アシュラザール Gattai Uchū Nin'en Ashurazāru) who overpowereds Senpuujin, Gouraijin and Tenkuujin. Laiina lent the ninjas of Earth the Tri-Condor allowing them to form Tenrai Senpuujin for the first time and defeat Ashurazaru.

---

Blizaru: Hey guys!

Me: Blizaru! And Hizaru, I remember you! I watched the movie for the Hurricangers with Eli.

Eli: Yep.

Hizaru: That's right and we were sent to abduct Princess Laiina from Astrom.

Nico: Yep.

Hizaru: Too bad we weren't adapted in America.

Shane: You probably would've been a great challenge.

Me: I agree there.

Blizaru: I know! That would have been cool.

Nico: Yep. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Zero G: It sure will and it was awesome!

Poromon: YEAH! We thrashed that monster into pulp!

Metamorpho: That was so well deserved for Courtney and Laney Pine.

Rarity: It sure was darlings and she deserved it too.

Sweetie Belle: That monster had it coming!

Then, Lincoln and Enya Nephthys chained NO MA'AM, Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy up with chains and sent them back to Lynn's Table, and this time, they're going to be there forever. Enya Nephthys holstered her massive greatsword and powered down and Enya Nephthys' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large crimson red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive fire angel wings and medium sized fire angel wings underneath are permanent.

Enya Nephthys: It's finally over for you, NO MA'AM, Bud Bundy, Kelly Bundy, Peggy Bundy, and Marcy D'Arcy, now your punishment's about to get worse, but we're not done yet.

Lincoln: That's right, now there's one last thing to do and one last loose end to tie up: Bennet du Paris A.K.A. Exodus.

Lincoln formed a massive indestructible diamond barrier that protected all of us from energy blasts that came out of nowhere and Lincoln suddenly absorbed the energy blasts and it made him even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Exodus, or we will force you out.

A figure came out, and it's none other than Bennet du Paris A.K.A. Exodus.

Lincoln: Bennet du Paris A.K.A. Exodus, I should've known you'd show up here.

Dana Danu: None of us are going to forgive you, and now, you will pay.

Suddenly, Dana Danu's green eyes turned neon green and she was surrounded by a green energy aura with stars, leaves, plants, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Exodus, she left green energy, stars, leaves, plants, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Dana Danu: Your crimes have gone unanswered for years, Exodus, you caused nothing but pain and suffering to too many innocent people and all for helping Apocalypse in his plans, you're an absolute heartless monster, I'm going to make you pay for everything you've done and I'll make sure you never rise from the dead again!

Suddenly, Dana Danu was surrounded by a massive vortex of green energy with stars, leaves, plants, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Exodus: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Dana is capable of, and when she gets serious, that means all Hell is about to break loose!

Then, as the vortex faded, Dana Danu emerged, but she was changed forever.

Dana Danu grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large green planets orbiting around her legs, she has the body of a goddess, she has light green highlights in the bangs of her long green hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, leaves, plants, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Naturon Shenron emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with green gems for eyes and holding the Star, Nature, Dark, and Eternity Kanjis in its claws, she also has a dragon with green gems for eyes and holding the Star, Nature, Dark, and Eternity Kanjis in its claws for the second pendant on the bottom of her green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Dana Danu felt a sharp pain on her back, and then, her massive green angel wings with light green tips on the large green feathers grew much larger for her new body and medium sized green angel wings with light green tips grew and sprouted out underneath her massive green angel wings and she also now has eleven massive and long green wolf tails with light green tips and light green markings, Dana Danu has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Lincoln, Dana Danu, and I went after Exodus, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Exodus, and they exploded with incredible power as they hit him.

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Exodus' chest, and then, Lincoln began absorbing Exodus into his body as he and all of us assimilated his Omega-level mutant physiology, Incalculable psionic powers, Telepathy, Telekinesis, Energy Projection, Flight, Teleportation, and Fighting skills and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Exodus except for his clothes, and he banished Exodus to The Black Gates. Everyone cheered wildly for what Dana Danu, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Dana Danu's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings underneath are permanent.

Dana Danu: Reap what you have sown, bastard. Thanks for helping me take down Exodus, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Dana.

Me: My pleasure, Dana.

Suddenly, Dana Danu wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dana Danu's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and plants behind them and we cheered wildly. Then, Lincoln and Dana Danu sucked in and absorbed the elemental forces and plants and fire and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Dana Danu and hugged us.

Luna: No kidding dudes, you guys taught that servant of Apocalypse a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his black soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Alara Jasmine, Gene-Slammer and Avatar of Aromage Jasmine.

Selene Emperyous: I was waiting for that moment when you chose her, and you guys are going to love meeting her, Alara Jasmine is Lincoln's Guardian Angel from Michigan, she was born with white angel wings, cosmic Photokinesis, immortality, and mastery over powerful light magic, and she also has the powers of Aromage Jasmine because she Gene-Slammed herself into Aromage Jasmine. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her white angel wings to let off the scent of the Jasmine plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a nature greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem.

Qin: The Jasmine plants are one of my favorite smelling plants, they're amazing.

Michelle Emperyous: And Alara hates Lola with a blazing passion, and just like Lori, Lola tried to ruin the scented candle business through defamation by spreading false rumors on the internet, but just like what happened to Lori, Lincoln put a stop to Lola's heartless defamation spree, Lola was caught by the police and she was forced to apologize and had to pay Verena and her partners $1,000 in damages for attempted destruction of property, and she earned Alara's hatred.

Nico: Lola, your Dark Side was a total monster from Hell!

Lincoln: Lola's Dark Side always resorted to using blackmail and defamation to get her way, and a total monster from Hell was exactly what we'd called her.

Me: Yeah!

Count Nocturne: That'll teach those misogynists.

Me: Yeah bunch of douchebags!

Kerbero Gangan: Be mean to women, will they?

Xenia: Makes all men look bad.

Stonedozer: Now, we have to deal with less people like them.

Camie: Yep.

Electropede: Where should we celebrate?

Black Manta: Here at Phoenix Land!

Me: Good idea.

Nico: Yeah might as well get some fun in too. Great job today everyone.

Me: Yep. (To the viewers) All men and women should be treated with respect and equality and not think one should be better.

Nico: Well said.

We had lots of fun and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the north of Gotham Royal York, but we got bad news: Alara Jasmine's little sister, Amara Jasmine, has come back for revenge on Alara Jasmine because Alara along with Lincoln, Verena Bergamot, and Ashley Cananga recorded all of Amara's crimes: embezzling from the company by stealing the company's money and putting it in her account and she plotted to kill Alara Jasmine and take the company and use it as her personal moneybags and bankrupt it by going on a massive shopping spree, but that resulted in Alara, Lincoln, Verena Bergamot, and Ashley Cananga to report this to Alara's dad, and because of it, Amara was fired from the company, disowned from the family, and after that, Alara's dad called the police and Amara was sent to prison. Now, we got word Amara Jasmine broke out of prison to get revenge on Alara Jasmine, her dad, Lincoln, Verena Bergamot, and Ashley Cananga. But, we're taking her down and we're sending her to The Xaikora Prison for the rest of her life, and we're going to meet Alara Jasmine, Gene-Slammer and Avatar of Aromage Jasmine, she's Lincoln's Guardian Angel from Michigan, she was born with white angel wings, cosmic Photokinesis, immortality, and mastery over powerful light magic, and she also has the powers of Aromage Jasmine because she Gene-Slammed herself into Aromage Jasmine. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her white angel wings to let off the scent of the Jasmine plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a nature greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem. Alara hates Lola with a blazing passion, and just like Lori, Lola tried to ruin the scented candle business through defamation by spreading false rumors on the internet, but just like what happened to Lori, Lincoln put a stop to Lola's heartless defamation spree, Lola was caught by the police and she was forced to apologize and had to pay Verena and her partners $1,000 in damages for attempted destruction of property, and she earned Alara's hatred.

Part 4 is where we face Bubble Bass and Lewis Travolta and we're going to make those jerks pay.

See you next time.

Me: The Pridelands, I always love coming here.

Nico: Me too.

Pumbaa: Boy it's good to be home.

Lana: I'll say! I hope we get to eat some good bugs here.

Timon: Me too Lana. Especially when we get to eat the little cream-filled kind.

Me: Yeah!

Lana: Boy I could go for some bug chili.

Pumbaa: Lana sure loves eating bugs.

Xenia: Yeah she sure does.

Lola: That is awesome and fun.

Nico: Yep. Timon, I want to thank you, Pumbaa, Quint, and your teams for coming

Timon: Ah Hakuna Matata Nico. This is gonna be fun as long as we get to bash a bunch of mooks.

Pumbaa: Yeah you said it Timon!

Tex Avery: I'm ready for some fun and ready to bash some bad guys!

Nico: Tex, I really love your cartoons

Tex Avery: I'm glad you like them Nico.

Me: I've always loved all of the awesome cartoons made by the man you were made as an homage to. They were awesome.

Dixie Wolf: Now those were some fun cartoons man.

Me: Yeah they sure were.

Droopy: Yes they sure were and they were some of the most fun ever.

Nico: Boy those were great cartoons with so many fun memories.

Maurice (Tex Avery): (Swedish Accent) Oh ja ja. They sure were.

Me: Yeah.

Maria: Any relation to Tom and Jerry?

Tex Avery: Yep he did help make some of the Tom and Jerry cartoons back then.

Me: Good times back then.

Qin: Yeah.

Nico: Man we really socked it to those Women Haters.

Me: Now NO MA'AM is back to being MUD.

Nico: Yep.

Maria: That was for women everywhere!

May: YEAH!

Me: Jerks like them make all of us men look bad.

Eli: Bunch of Chauvinistic morons!

Xenia: Yeah!

Lola: They had it coming!

Nico: Yep. They sure did.

Maria: Like a certain enemy of the KND.

Me: Margie?

Maria: Yep.

Xenia: Yeah.

Qin: Yeah. Those jerks had it coming.

Nico: And we learned about the Militia Drones.

Me: Yeah those were really amazing.

Nico: Just like the ones we use in the military.

Lisa Loud: That is true. I'm going to rebuild all those drones to benefit us.

Nico: Good idea Lisa.

Qin: Yeah.

Nico: That won't be the last time we'll deal with those though

Me: Nope.

Qin: But it will be cool to see what will be coming next.

Me: Yeah.

Camie: Yep.

We were walking around the Pridelands.

Nico: I never get tired of visiting this place.

Me: Me neither.

Lana was eating some crunchy bugs.

Lana: Mmm! (Eating) Delicious!

Me: OH SICK!

Xenia: YUCK!

May: OH YUCK! LOLA NOT ON ME!

Lola: Sorry May! And No, I don't want any!

Maria washed off May.

Lincoln: Okay, guys, we've got ourselves an emergency that we are absolutely not going to like in the slightest: we got word from Clark and Lois that Kurt Bowman is back and he's in The Pridelands.

WE GASPED!

Me: Kurt Bowman, isn't he the corrupt homicide detective of the Metropolis Police Department who murdered a woman and framed petty thief Ernest Walker for the crime?

Lincoln: The very one. He tried to make sure that Walker's execution happens so his crime is not discovered, but was foiled by Clark and he wound up getting sentenced to death and gassed in the gas chamber.

Me: GEEZ!

Camie: Who is Kurt Bowman?

Me: A corrupt homicide detective that Superman got sentenced to death.

I went over his history.

---

Kurt Bowman is a minor antagonist in Superman: The Animated Series, serving as a supporting antagonist in the episode "Target" and the main antagonist in the episode "The Late Mr. Kent". He is a corrupt homicide detective who was responsible for killing a woman and framing petty thief Ernest Walker for the crime.

He was voiced by the late Eddie Barth.

In "Target", Bowman served as one of the primary suspects as to who was trying to kill Lois Lane, as an article she wrote about police corruption cost him a promotion. He is later seen watching Lois Lane from a rooftop after she wakes up from a nightmare.

Later on, for unknown reasons, Bowman murdered a rich woman and successfully framed a petty thief named Ernest Walker for the crime. Five years later, Walker is sentenced to be executed for Bowman's crime, but Clark Kent did his own investigation of the murder and figured out that Walker was not guilty and was really just eating pizza in his apartment. Bowman was fearful that Kent was getting close to the real killer and planted a bomb in his car to kill him, however, since Clark was really Superman, he easily survived but faked his death in order to keep his secret identity.

Bowman then planted a bomb in Kent's apartment to make sure there was no evidence of his crime left behind, the bomb detonating as Superman and Lois were searching the apartment for any left over clues. Both Superman and Lois survived the explosion, and, watching Bowman walk away from the scene of the crime, the latter quickly realized that he was the real murderer. Lois subsequently approached Bowman about his relation to the woman's murder, resulting in him becoming panicked and trying to kill her by pushing her off a stairwell, only for her to be saved by Superman. Bowman rushed to the helicopter on the roof of the MSCU's headquarters and flew away, also attempting to stop Superman when the former came after him, only to fail and be arrested. Following Superman saving Walker from his execution, Bowman was convicted of the murder and for three counts of attempted murder, two counts of arson, one count of incrimination, two counts of stalking, one count of illegal wiretapping, one count of theft, two counts of destruction of private property, multiple counts of corruption, two counts of bombing, and obviously two counts of vandalism of private property. He was sentenced to be executed instead of Walker in the very gas chamber he tried to have him executed in.

In his final moments, he began wondering how Clark (who had since resurfaced) could have survived the bomb, realizing that he is actually Superman just as the gas chamber was turned on, killing him off-screen and taking this revelation to his grave.

---

When I was done everyone was shocked!

Xenia: WHOA MAN!

Me: Yeah he was a monster!

Nico: Then, this means Kurt Bowman's back from the dead, and only one person is to blame for it: Xehanort.

Sheila: Well, I'm going to make sure that corrupt bastard stays dead and gone forever. He hid his crimes behind the shield of the law and framed someone else for it, that can't be forgiven at all, he deserves only to die.

Me: Without a doubt.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic

message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: We got to get to Clark and Lois and fast before Kurt does, and then, we're going to piss Xehanort off even more by killing his resurrected zombie.

Lincoln: Right. (Sensed seventeen energy signals) And I just sensed seventeen energy signals, and they're the Keyblade Knights of Norion, Tallon IV, Aether, SR338, Utragia, Elysia, Bryyo, Cybertron, Ysmault, Okaara, Qward, Oa, Odym, Nok, Zamaron, and Umbrax!

Anna Anyanova: Awesome!

Me: WOW! We got a lot of Guardian Angels coming.

Xenia: Yeah!

Superman: I'm not surprised he figured out that I'm also Superman.

Me: I agree Kal. But not that it matters anyway. The whole world knows now.

Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Kurt Bowman) AHA! Gotcha, you corrupt cop. I just spotted Kurt Bowman, he's 20 yards away, and he's coming after Clark and Lois.

Me: We better get there as fast as possible.

Lincoln: Then, we destroy that undead zombie. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Kurt Bowman.

Jack Atlas heard a Pokémon cry. Carly too.

Jack Atlas: Look guys!

We saw an Aegislash and a Mega Beautifly!

Me: WHOA! An Aegislash and Mega Beautifly.

Nico: Wow! Oh the poor things are hungry.

We gave them apples.

Lana: I was gonna see if they like bugs.

Lola turned green and threw up on May again!

Lola: (PROJECTILE VOMITS)

May: OH NOT AGAIN!

Aegislash: Thank you very much.

Mega Beautifly: Yeah we were hungry.

Me: You're welcome.

Carly Atlas: Would you like to come with us?

Jack Atlas: Yes we are going after someone.

Aegislash: We would be honored.

Mega Beautifly: Yeah.

Me: Cool!

Maria: You won't regret it.

Me: Awesome. Now lets go get that monster.

We were flying in the air, and we saw Kurt Bowman, and like Lincoln said, he was brought back by Xehanort, but as an undead zombie.

Lincoln: There he is, and he really was brought back as an undead zombie by Xehanort. UNIVERSE 666 KIBAL, LET'S HOWL!

Me: KIBAL! LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I transformed into Wolf Moon 🌙!

As my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body and my entire body was then covered in thick brown fur, my rainbow eyes and rainbow iris of his Third Eye turned blue, my fangs grew longer and my rows of straight teeth turned into wolf's teeth, and my nose turned to a wolf's and I grew a brown wolf snout, my massive elemental angel wings and medium sized elemental angel wings underneath his massive elemental angel wings, eleven massive and long rainbow wolf tails, and large rainbow wolf ears turned brown, his long wild shoulder-length rainbow hair became wilder and my large gold halo with four large orbiting gold rings orbiting the corners behind my head turned blue, and I let out a loud howl!

Me: And got you sent to the chair instead! Because in my opinion Capital Punishment is what you deserve!

He ran fast and bashed and smashed Boomer all over.

He used the Core Medals for Black Manta, Lego Black Manta and Superfriends Black Manta!

Kuwabara: Lets get him Urameshi! SPIRIT SWORD!

He formed a sword of energy!

XLR8 and Kuwabara: SPEEDING SWORD SLASHER!

They ran and slashed Bowman all over!

Nico: Fast and awesome!

Bowman: I got one trick up my sleeve!

Bowman got out some Kryptonite

Me: Kryptonite!

Qin: Uh oh!

He held up the Kryptonite to Superman but shockingly nothing happened.

Nico: Ha! Nice try! But we made Superman and Supergirl and all the Kryptonians immune to Kryptonite.

Bowman: Funny. That usually works.

Poromon: So does this! (Pecks him)

POINK POINK POINK POINK POINK!

Bowman: OUCH OUCH OUCH OUCH!

Tex Avery: How about this!

He bashed Bowman with a hammer!

Bowman: OUCH! I'LL TEAR YA APART!

Tex Avery: Ehhh I don't think so!

Poliwag slapped him all over with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Poliwag: You like that!?

A Sea Bear appeared!

Sea Bear: (GROWLS FEROCIOUSLY)

Bowman: Mommy?

The Sea Bear REALLY MANGLED HIM UP!

Then the Sea Bear left.

A Sea Rhinoceros came and then smashed Bowman all over!

Poliwag: YAY!

Me: Hey Bowman!

Bowman: WHAT!

I then kissed him full on the mouth like Bugs Bunny did!

SMOOOCH!

Bowman spit out my germs!

Nico: (LAUGHS) THAT IS FUNNY!

Horsea squirted ink and blinded him.

Me: YEAH!

Qin: Take that.

Manaphy ran at him and bashed him on his head!

KRASMASH!

He got hit in his head hard and had a huge lump on it!

Superman grabbed the Kryptonite from him and gave it to me.

Me: Thanks Kal.

I pocketed it.

I punched Bowman!

Me: That was for framing an innocent man!

Sheila: You should have stayed in Hell where you belong!

Tentacool went up to him and fired laser blast from her jewel and blasted him all over.

Tentacool: Take that!

Suddenly, seventeen energy blasts came out of nowhere and hit Kurt Bowman, and then, we saw seventeen girls appear: eight of the girls have long hair, eyes, clothes, and angel wings matching the colors of the Lantern Corps and they have the Lantern Corps symbols on their foreheads and the other seven girls have long hair, eyes, clothes, and angel wings matching the colors of the planets of Norion, Tallon IV, Aether, SR338, Utragia, Elysia, Bryyo, and Cybertron, and they have awesome Keyblades in hand.

Legoshi: I sense two Keyblade Knights of The Lantern Corps are missing: The Keyblade Knight of The Black Lanterns of Ryut and The Keyblade Knight of The White Lanterns.

Sheila: We'll meet them very soon. Right now, let's get this bastard.

Suddenly, Sheila Castille's yellow eyes turned neon yellow, and she was surrounded by a green energy aura with stars, webs, rocks, spiders, phoenixes, and angels surrounding her, she unholstered her massive Sheila Castille's Cosmic Eternal Underground Shredlegs Earth Spider Phoenix Angel Greatsword of Cosmic Eternal Underground Shredlegs Earth Spider Phoenix Angel Justice from her back, and as she approached Kurt Bowman, she left green energy, stars, webs, rocks, spiders, phoenixes, and angels with every step.

Sheila: You've got some goddamn nerve showing your face here, Kurt, I've always despised you for everything you've done in framing someone for a crime you committed. You have and always be a heartless ruthless killer who has shown no compassion towards innocent people at all, all you ever cared about was yourself. You deserved getting sent to the gas chamber as soon as the truth was exposed. I've absolutely had it up to hear with you, Kurt, you're nothing more than a pathetic lowlife who committed far too many crimes, and now, we're sending you back to the grave, and we'll make sure that you remain a forgotten memory forever.

Suddenly, Sheila Castille was surrounded by a massive vortex of green energy with stars, webs, spiders, and Earth surrounding the vortex, there are spiders, phoenixes, angels, and Shredlegs running and flying around the vortex, and in the vortex is a grey phoenix with red eyes glaring at Kurt Bowman: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears him apart piece by piece!

Kurt Bowman: YOU FUCKING BITCH! DIE!

Kurt Bowman charged at the vortex still intending to kill Sheila, but that bastard got hit with a rock and he screamed in agony as it damaged his face.

Eli: Ooh, now that's going to leave a scar on her! Serves him right!

Lincoln: And it's one he'll take back with him to the grave!

Then, as the vortex faded, Sheila Castille emerged, but she was changed forever.

But, when Kurt Bowman saw it, he went ballistic and got out a knife and he ran at her to kill her again, but Sheila fired a massive barrage of green energy, stars, rocks, webs, spiders, phoenixes, and angels which hits Kurt Bowman, and he got hit and sent flying into another tree, he got back up, and that really really set him off now!

Lincoln: He did this to many other fellow Guardian Angels and to J.D.'s friends and enemies and Nico's friends and enemies, along with my many other enemies.

Alara Jasmine's little sister, Amara Jasmine, has come back for revenge on Alara Jasmine because Alara along with Lincoln, Verena Bergamot, and Ashley Cananga recorded all of Amara's crimes: embezzling from the company by stealing the company's money and putting it in her account and she plotted to kill Alara Jasmine and take the company and use it as her personal moneybags and bankrupt it by going on a massive shopping spree, but that resulted in Alara, Lincoln, Verena Bergamot, and Ashley Cananga to report this to Alara's dad, and because of it, Amara was fired from the company, disowned from the family, and after that, Alara's dad called the police and Amara was sent to prison. Now, we got word Amara Jasmine broke out of prison to get revenge on Alara

Jasmine, her dad, Lincoln, Verena Bergamot, and Ashley Cananga. But, we're taking her down and we're sending her to The Xaikora Prison for the rest of her life.

Lincoln: Ah, we're here in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here and Ets is going to rescue the one girl here, but we got bad news.

?: And we know what that is.

Suddenly, we saw two girls appear: one girl has long braided black hair, black clothes, purple eyes, black angel wings, the symbol of The Black Lantern Corps on her forehead and skirt, and in her hand is The Keyblade of Peoples' Hearts, and the other girl has long white hair, white clothes, blue eyes, rainbow angel wings, the symbol of The White Lantern Corps on her forehead and skirt, and in her hand is a beautiful Keyblade.

Lincoln: (GASPS) Rhonda Ryut, Keyblade Knight of Ryut and Enya Earth, Keyblade Knight of Earth. It's great to see you two, but we'll save the talk for later. Our emergency is Alara Jasmine's little sister, Amara Jasmine, has come back for revenge.

WE GASPED!

Nico: Who's Amara Jasmine?

Lincoln: Someone who's the definition of a gold-digger and company destroyer. She was once an employee at the company of Alara's dad, but she's done a ton of horrendous actions that'd warranted me and Alara to take action. We recorded all her crimes, and they were shocking: she was embezzling from the company by stealing the company's money and putting it in her account and she plotted to kill Alara Jasmine and take the company and use it as her personal moneybags and bankrupt it by going on a massive shopping spree.

Selene Arcangela: But that resulted in Alara, Lincoln, Verena Bergamot, and Ashley Cananga in taking the evidence and then, report this to Alara's dad. He was furious upon seeing all of the evidence, and because of it, Amara was fired from the company and disowned from the family, and after that, Alara's dad called the police and Amara was sent to prison.

Me: It almost became a scandal, but Lincoln and Alara stopped it.

Timon: What a mook, she was driven mad by greed.

Lincoln: Well, that greed cost her everything: her job and her family, and now, she's heading for the Xaikora Prison, she may not be a queen bee, but she did try to kill her sister and try to bankrupt the company with her obsessive shopping addiction, that alone warrants this.

Suddenly, we saw a very beautiful and super sexy girl with long white hair and pink headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings that gave off the scent of jasmine plants, she's dressed in a purple long-sleeved jacket, white long-sleeved sweater, necklace with purple gem for the pendant, purple skirt, black stockings, purple knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light, flowers, plants, phoenixes, and angels on the coattails and on the back is Aromage Jasmine, holstered on her back is a massive light greatsword with angel runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the eight girls for Lincoln to rescue and the one girl for Ets to rescue.

Lincoln: (GASPS) Alara Jasmine, Gene-Slammer and Avatar of Aromage Jasmine.

Alara Jasmine: That's right, and I got the girls away from that rotten bitch before she could kill them and me.

?: YOU LITTLE BITCH, YOU'VE RUINED MY LIFE! YOU'RE GOING TO PAY FOR THIS!

We saw a female with dark brown hair and she had on a prison jumpsuit and red eyes of hatred and rage: it was Amara Jasmine.

Sylvester: Time to tie this maniac up.

Then, Lincoln fired a white energy blast that turned into a straitjacket and tied up Amara Jasmine. We cheered as we holstered our weapons and powered down.

Alara Jasmine: I warned you about what's going to happen, Amara. Okay, Lincoln, send her to The Xaikora Prison.

Lincoln: On it, Alara.

Lincoln beamed Amara Jasmine to The Xaikora Prison and into a doorless cell with Anti-Dark Orb and Anti-Dark Magic Barriers on it, and it's in a special wing of the prison: one meant for company destroyers and gold-diggers.

Lincoln: That's the end for you, Amara, now you can rot in prison forever where you belong. (To Rhonda Ryut, Enya Earth, and Alara Jasmine) And it's so good to see you three again, girls.

Rhonda Ryut, Enya Earth, and Alara Jasmine: You too, Lincoln, it's been seven years since we last met.

Suddenly, Rhonda Ryut and Enya Earth wrapped their arms around Lincoln's waist and Alara Jasmine had her hands on Lincoln's massive pecs, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Rhonda Ryut, Enya Earth, and Alara Jasmine were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Rhonda Ryut, Enya Earth, and Alara Jasmine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Rhonda Ryut, Enya Earth, and Alara Jasmine and hugged them, and Rhonda Ryut, Enya Earth, and Alara Jasmine are very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their face, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Rhonda Ryut: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Alara Jasmine: (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Enya Earth: Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, the first girl is Rhonda Ryut, Keyblade Knight of Ryut, she's Lincoln's Guardian Angel from Ryut and she's a powerful force of epic power to be reckoned with. She was born and raised on Ryut, the homeworld of the Black Lantern Corps, and she's a powerful and deadly warrior of good and deadly force of darkness and master of Death and she can summon the forces of the undead. She is the Keyblade Knight of Ryut and she's the Avatar of The Black Lanterns and she's one of Lucy Loud's best friends. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness, death, and the undead and she hates Luan with a vengeance.

Laniya Emperyous: The second girl is Enya Earth, Keyblade Knight of Earth, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of Life and she can bring the dead back to life. She is the Keyblade Knight of Earth and Avatar of The White Lanterns. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of life and she also taught him how to bring the dead back to life and she hates Scoots and all of Lincoln's enemies with a vengeance.

Zaina Emperyous: And the third girl is Alara Jasmine, Gene-Slammer and Avatar of Aromage Jasmine, she's Lincoln's Guardian Angel from Michigan, she was born with white angel wings, cosmic Photokinesis, immortality, and mastery over powerful light magic, and she also has the powers of Aromage Jasmine because she Gene-Slammed herself into Aromage Jasmine. When Lincoln found out, he was literally stunned, and her Gene-Slamming also caused her white angel wings to let off the scent of the Jasmine plants. She's one of Verena Bergamot's partners in her scented candle business, which rose to great heights and generated tons of profit. Lincoln made her a nature greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem. Alara hates Lola with a blazing passion, and just like Lori, Lola tried to ruin the scented candle business through defamation by spreading false rumors on the internet, but just like what happened to Lori, Lincoln put a stop to Lola's heartless defamation spree, Lola was caught by the police and she was forced to apologize and had to pay Verena and her partners $1,000 in damages for attempted destruction of property, and she earned Alara's hatred. But, there's one person whom she absolutely despises: her little sister, Amara

Jasmine, because Amara committed a ton of crimes such as embezzling from the company by stealing the company's money and putting it in her account and she plotted to kill Alara Jasmine and take the company and use it as her personal moneybags and bankrupt it by going on a massive shopping spree, but that resulted in Alara, Lincoln, Verena Bergamot, and Ashley Cananga who recorded all of Amara's crimes then reported this to Alara's dad, and because of it, Amara was fired from the company, disowned from the family, and after that, Alara's dad called the police and Amara was sent to prison.

Nico: Wow, so not only did we meet the next Gene-Slammer and Avatar of The Aromage Duel Monsters, but also, the Keyblade Knights of Ryut and The Black Lanterns and Earth and The White Lanterns.

Lincoln: We'd taken the same kind of action when Lori did that, and Rhonda and Enya really helped out in my training, and I'd brought back those who'd died tragically, and now that you're here, Rhonda, Enya, and Alara.

Lincoln leaned his head down the right side of Rhonda Ryut, Enya Earth, and Alara Jasmine's trapezius, and he slowly bit them one by one and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rhonda Ryut, Enya Earth, and Alara Jasmine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Rhonda Ryut, Enya Earth, and Alara Jasmine with black, white, and purple gems on the gold lightning bolts and black, white, and purple crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Rhonda Ryut, Enya Earth, and Alara Jasmine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rhonda Ryut, Enya Earth, and Alara Jasmine.

Rhonda Ryut, Enya Earth, and Alara Jasmine had a smile on their faces and tears streaming down their cheeks as Lincoln still had his massive muscular arms wrapped around Rhonda Ryut, Enya Earth, and Alara Jasmine, and he leaned down to their faces and kissed each of them on the lips, but when they placed their hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Rhonda Ryut, Enya Earth, and Alara Jasmine had an atomic red blush on their faces, hearts in their eyes, and their hearts were beating like mad. Then, we went up to the eight girls Lincoln was to rescue and the one girl Ets was to rescue, and when Lincoln saw them, he immediately recognized them. The eight girls are Elizabeth Plantagenet, Li Hsiang, Miu Takajou, Rin Koukyoku, Rin Taikyoku, Junna Wakakusa, Moongram, and Tsubasa Satsukino from Ryuusei Tenshi Primaveil.

Lincoln: Oh wow, it's Elizabeth Plantagenet, Li Hsiang, Miu Takajou, Rin Koukyoku, Rin Taikyoku, Junna Wakakusa, Moongram, and Tsubasa Satsukino from Ryuusei Tenshi Primaveil.

Ets: And Ven the Monkey.

When Ven the Monkey saw Ets, she ran up to Ets and hugged and kissed him.

Nicole: Ets sure got his reward for saving her from Amara Jasmine.

Lincoln: He sure did. Are you girls okay?

Elizabeth Plantagenet: Yes, we're okay, thanks to you.

Then, when Elizabeth Plantagenet and the other seven girls saw who saved them from Amara Jasmine, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving

smaller planets orbiting around his waist and an immense rainbow protective aura with swirling elements around him.

Elizabeth Plantagenet: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Elizabeth Plantagenet: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elizabeth Plantagenet, Li Hsiang, Miu

Takajou, Rin Koukyoku, Rin Taikyoku, Junna Wakakusa, Moongram, and Tsubasa Satsukino with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Alara Jasmine's little sister, former company employee and convicted criminal, Amara Jasmine.

But, when Lincoln showed what we did in beating that jerk down and finally sending Amara Jasmine to the Xaikora Prison forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln, Rhonda Ryut, Enya Earth, and Alara Jasmine have a lot of catching up to do, now that they're back in town.

Maria: That's it for that jerk, but what if Xehanort gets to her and offers her a chance for revenge?

Lincoln: That won't happen, with the Anti-Dark Orb barriers in The Xaikora Prison and in the other prisons, Xehanort won't have a chance to recruit any of the convicts there.

Nico: Nice one, and Amara really was a bitch.

Me: After everything we'd heard about her from Lincoln, he made the right call in sending her to The Xaikora Prison, she can stay there and rot.

---

After Lincoln and all of us beat down Amara Jasmine and sent her to The Xaikora Prison, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rhonda Ryut, Enya Earth, and Alara

Jasmine saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rhonda Ryut: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Enya Earth: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Alara Jasmine: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Enya Earth: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Alara Jasmine: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: You know, with the Keyblade Knights we've been meeting in the past few days, I wouldn't be surprised if there are also Keyblade Knights of The Solar System.

Me: Now, that'd be interesting to see.

We were really amazed!

Me: Whoa, so the planets of The Solar System have their Keyblade Knights along with their Sailor Scouts.

Solaria Sun: And like our fellow Keyblade Knights, we're not letting Xehanort get away with his crimes.

Neferti Nemesis: And it's so good to see you again, Lincoln, and you've really grown into quite the man.

Sebastian Mendez: Nico, I hope you plan on getting surgery to get that Dark Orb bomb removed from your crotch, I don't want that bastard, Xehanort, trying anything, and I know you better than that, you're not going to turn evil. But, being stubborn and hard-headed, it looks like you're going to give me no other choice but to put my own contingency plan into action.

Nico: (Scoffs) What are you going to do?

Sebastian Mendez: Who said anything about me doing the surgery? (WHISTLES)

Then, May and his harem spin-changed into sexy hot nurse uniforms, and when Nico saw them, his face turned atomic red and he had a serious nose bleed.

Nico: What the Hell?!

Sebastian Mendez: They're going to perform the surgery, just in case that bastard tries to do anything.

Me: I can't believe you pulled something like that.

Qin: Nico may be stubborn at times, so Sebastian decided to play dirty.

Gohan: I hope that stunt of yours is worth getting chased down by Nico, and you've pulled some stunts before, but your stunts bordered on you sending our old foes after them to cause havoc.

Sebastian Mendez: It's a risk I'm taking. Xehanort's not getting away from this, he's come back far too many times to count, this time, he's going to die here and now along with the jerks.

Nico: (Nervously) Uh… , girls…?

May: (Seductively) What's wrong, big boy? (Rubs hands on his pecs) Getting nervous?

Nicole: You played one dirty stunt too many, Sebastian.

Nicole got out a mallet, snuck up behind Sebastian, and she raises her mallet, and then… !

BLANG! BASH! CRACK!

Nicole whacked Sebastian on the head.

Sebastian Mendez: OUCH!

Sebastian had a lump the size of Manhattan on his head.

Me: (WINCES) Ooh, you used a dirty stunt on Nico, and you angered my daughter.

Lincoln: Next time, don't use any dirty stunts.

We got a shower, and then, Lincoln, Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Agariel, the Finest Sushi Fairy: Wow, so this is Sirena Beach. It sure is beautiful.

Lincoln: It sure is, Agariel, and it's perfect for our first date. Shall we?

Lincoln, Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia dived into the water and they had a fun time swimming in the ocean and they saw the marine life that lived there, then they went back to the beach and they had a fun game of volleyball, and Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia and they hugged the girls in their abnormally massive and powerful muscular arms and Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia are in your harem, Linky.

Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Agariel, the Finest Sushi Fairy, Gingangel, the Delux Sushi Fairy, Shariel, the Novice Sushi Fairy, and Universe 666 Selen Garcia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do face him and kill him. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's New Donk city for round 1.

Me: Cool!

Nicole: Pauline is the mayor of the city in that one.

Donkey Kong: Me and Mario will go.

Fabia: Along with me and Koji.

Nico: Okay then.

Me: I'll go too.

Nico: Okay.

We went into the simulator and it activated and we were in METRO KINGDOM! Commonly known as New Donk City!

---

The Metro Kingdom is the eighth kingdom visited in Super Mario Odyssey. It is the greater location of New Donk City, a large city filled with skyscrapers and buildings. This kingdom's main landmark is the New Donk City Hall, the tallest skyscraper located at the northern end of the kingdom.

The Metro Kingdom is largely based off the real world location of New York City, hence the name of the city located within it. The New Donk City Hall is based on the Empire State Building, while a pair of triangular-shaped buildings outside of it appear to be inspired by the Flatiron Building, and visible in the skyline are a building and bridge resembling the Chrysler Building and Brooklyn Bridge, respectively. The way Crazy Cap has a flagship store in New Donk City is very similar to how Nintendo's flagship store is in New York City. Some street signs in New Donk City feature cycling wrong way signs that look exactly like the signs used in New York City, and traffic lights have guy-wire masts, consistant with their design in New York. This kingdom is notable for having humans as the main inhabitants - called "New Donkers" (the equivalent of "New Yorkers") - as well as Pauline as its mayor (notwithstanding). New Donk City has a 1930s-1940s aesthetic as its residents are uniformly dressed in pinstripe suits and fedoras with jazz music prominent. New Donk City's nickname is "The city that never leaps", a play on New York City's nickname - "The city that never sleeps". New Donk City is also referred to as "The Big Banana" by a New Donker, which is a play on New York City being referred to as "The Big Apple". The Metro Kingdom is also the founding location of the Crazy Cap Shop chain. New Donk City features copious references to the arcade game Donkey Kong, and it is implied the events of that game, where Mario had to save Pauline from Donkey Kong, are a part of the city's beginnings. New York City was stated to be the setting of the original Donkey Kong arcade game, while Big-City, a location in Donkey Kong for the Game Boy, and Big Ape City, a location in Donkey Kong Land, are also implied to be the setting. It is unknown if any of these are intended to be the same city.

When Mario first visits here, Bowser's airship can be seen flying over the top of the New Donk City Hall. Mario's first objective is to stop Bowser by heading to the New Donk City Hall Rooftop. Once the player climbs up to here, they will find Mechawiggler - a large robotic Wiggler taking all the city's power. Mario must then fight the Mechawiggler and defeat it, which will reward the player with a Multi Moon. Collecting it will take Mario back to the Odyssey, and the kingdom reverts to daytime. The player's next objective is to talk to Mayor Pauline at the New Donk City Hall Plaza. She tells Mario that she needs four musicians to perform in her big festival. Mario finds the four musicians (a drummer, a guitarist, a bassist, and a trumpeter) and takes them all back to Pauline. Once he has done this, the mayor will then tell Mario of a new problem - the Underground Power Plant is not working. Mario must then travel to the Power Plant and restore it in order to generate enough power to hold the festival. Mayor Pauline is impressed by Mario's efforts, and she asks if Mario would like to participate in the festival. He accepts the offer, and the New Donk City Festival begins. If the player can successfully traverse through the festival of the city and reach Pauline at the end, she will give Mario another Multi Moon. Collecting it restores the kingdom to its former glory (although nothing changes between Mechawiggler and the festival), allowing access to more Power Moons. Once Mario has collected enough Power Moons, he can head off to the next kingdom - either the Snow Kingdom or the Seaside Kingdom.

Me: WHOA!

Nico: New Donk City! This is amazing.

Donkey Kong: Boy it sure is.

Mario: It's-a gonna be good to see Pauline Again.

Fabia: This will be fun.

Nico: How do you know Pauilne anyway?

Me: I can answer that. Pauline was who Mario saved from Donkey Kong back in his first ever game back over 40 years ago.

Nicole: Dad's right. Mario VS Donkey Kong.

Me: Yep.

Nico: Wow!

Koji: Back then, you two didn't get along.

Nico: Nope.

Donkey Kong: No we didn't.

Me: That was back 40 years ago.

Nico: Wonder where she is.

Me: I think up there.

We saw Pauline and she was getting a park ready for a festival. And she was surrounded by lots of men and women in black suits and sunglasses

Me: Wow she has a lot of security in place.

Nico: Yeah.

We went over.

Security Guard: Can I see some ID please?

I showed my badge.

Me: Team Loud Phoenix Storm.

Security Guard: An honor.

Pauline: Mario! Wow it's good to see you you.

Mario: You-a too Pauline.

They hugged.

Pauline: Donkey Kong!
